

Hi [redacted] what's new

time o.k.

Schools alright  
for me, we had  
elections for home  
-room rep for study  
council + I won! We  
had our first meeting  
last wednesday + it  
was quite boring.

I got my job today  
+ sitting after school  
back at [redacted]s last  
week, so that keeps me  
somewhat busy + brings  
in the bucks. — (I'm)  
gonna be rich!! (no-ho)

How are you doing at  
school? — the bakery? —  
and C.C.O.?

Speaking of C.C.O.,  
Sister Kathleen is

driving me crazy. He  
called the house at least  
3 times bugging me to go.  
Dad says I don't have to  
go, but he wants talk &  
tell her that. He makes me  
talk to her. and I can't get  
rid of her. I tell her no, I  
don't think I'll be going  
& she says "oh, why? It'll be  
an adventure for you". So I ma-  
I say rethink about it - I-  
get in touch with you. O.K.  
goodbye. & I hang up. Dad  
she ever bug you like that?  
- I'm getting ridiculous.

When you were in. It's.  
did you ever get stuck doing  
things with [redacted] that you  
didn't want to? Well, I'd do  
the same thing so young

and with me & [redacted]  
it is driving me crazy  
everything I want to do  
it always has to include

[redacted]. So one day  
[redacted] were going  
[redacted] skating & she goes  
[redacted] didn't you ask

[redacted] + [redacted] do I  
say - they don't care me  
they are plotting to ignore  
me. So I don't care, I  
have plenty other friends

another thing is what  
they said why go [redacted]  
is. Tossing the two  
best friends she ever  
had. & you know me  
& [redacted] have been

best friends for over 24  
that's really bugging me.

over →

fricks - this is between  
only you & me

You knows how I work

at the rectory on Sunday  
nights. Tell my friend [redacted]  
[redacted] (she's our cousin too!)

He does the same thing to her.

Father Paul is Perverted.

I'm serious He'll start out  
rubbing your shoulders then  
he'll reach down your shirt  
back & say what feels better

So we say (outside) & he just  
kinds laughs - who pathetic  
& I don't know what to do  
I wore a turtleneck & a  
blouse Sunday & he didn't

bother me & I told [redacted]  
that & she said she wore a  
turtleneck too & he went  
right down it.

It wasn't gonna  
say anything cause I  
didn't want rumors  
going around. But, it  
brought it  
to me cause I  
thought he only did it  
then I thought he  
only did it to me.  
I feel a bit better  
about it. I'm not alone  
I know what to do.  
w/b I tell me what  
you would do O.K. I  
be got our new  
car - black - but I  
supreme. We got it Friday  
Today [redacted] got  
hurt in the process of  
he was at the hospital  
but he's O.K. now with

mommy likes read to [redacted] no.  
[redacted] got a new girl friend  
[redacted] - [redacted]  
[redacted] - you know him don't  
ya,

well that's about it  
to say.

Don't forget to write  
back & answer about father  
penel - (it's important to me)  
Don't tell ~~my~~ ma about him  
either - Promise cause I need  
that job. Will quit if it get's  
too bad but for now I'll  
stick with it

W/B soon! O.K.

Love ya,
