

December 9, 1992

My dad is bringing this up
for enough way - from what happened
horrible atheist - to son again Christian
I've forgiven the man

- Destroyed my childhood
teens

several suicide attempts
drugs - alcohol

early young

Until I - discovered the bad

Hospitalized 6 mos - Newton-Wellesley
at myself

I think I brought it up then

for so many years - under the rug -
other people - involved.
