"I'm glad to hear that he said yes -
said he was sorry."

anyone unless he's needed —
(but I will contact him in Sept/Oct
re: eval and final decision)

to him (), for counseling if
he decides —
he said "Thanks" —

"I really just want to move on now"

→ [redacted] was impressed, glad, happy M.P. had admitted
"MM" and expressed his sorrow — that he had
sought help — that he was ok —
