## NARRATIVE

On 12/23/04 at 1839 hrs. ~~XXXXXX~~ reported she received child pornography from a subject calling himself Vincent. ~~XXXXXX~~ gave me copies of the pornographic material and the E-mail messages between her and Vincent.

I contacted Figueiredo who told me the following. She indicated she logs on the Internet and talks to different subjects, using E-mail, about sexual subjects. She said her WEB user name is, "Sexfairy." Figueiredo told me she was introduced to a subject who calls himself, "Vincentlio," on the WEB but she knows him as Vincent. She said Vincent told her he was a priest in Manteca and was divorced and moved to the bay area (unknown city). Figueiredo told me that was all she knew about Vincent.

Figueiredo indicated on 12/23/04 at 1735 hrs., she was talking with Vincent, on the Internet, when the subject of exchanging pictures came up. She told me she asked Vincent to send her some pictures. Vincent sent her a photo of a juvenile male sitting on a chair between two females. The male juvenile is naked and a juvenile female is wearing clothing. The adult female is topless and is guiding the juvenile female's right hand onto the juvenile male's penis. Figueiredo said she asked Vincent, via E-mail, what the ages were of the subjects in the picture. Vincent told her the juvenile male was fourteen years, the juvenile female was twelve years old and the adult female was the mother and was in her late thirties.

Figueiredo printed the picture and the E-mail messages out for me. I placed the picture and E-mail messages into evidence and placed copies with this report. I contacted Det. Eggener and after being informed of the information I had he told me to make a report and ask Figueiredo to stay logged on and continue talk to Vincent when he E-mails her. Det. Eggener said his Detectives will follow up on this case on Monday 12/26/04.

I recontacted Figueiredo and told her that she would be contacted on Monday by a Detective.

Case Pending follow up.

## SUPPLEMENTAL REPORT:

On 10-30-2004, I met with Linda Figueiredo at her residence. Figueiredo said that she has been in contact with Vincentlio almost on a daily basis. On a few occasions, Vincentlio made reference that he might be sexually abusing minors or allowing minor engage in sexual acts in his presence. Attached to this report are copies of Instant Messages between Figueiredo, (Sexfairy2005), and Vincentlio. During these online conversations, Figueiredo never made reference to wanting to see or hear about sexual activities among minors. Since the photograph of suspected underage sexual activity was sent, Figueiredo has been saving her online text conversations with Vincentlio. I was able to retrieve a few of the saved conversations and printed them out. I also copied the conversations to this report.

On 12-23-04, the following conversation took place:

**SUPPLEMENTAL REPORT**

On 1-21-2005, I received the results of my search warrant to AOL via mail. I was given three pages with account information and additional screen names. A CD was also enclosed containing information on the screen name's Vincentlio, aboward, jan1065234, dochallor, therockcw63, zoe374481258, and limpbizkit739440. The information that was given to me on the CD contained sent/received emails, attachments to the e-mails, unread e-mail, and deleted e-mail.

I viewed the photograph attachments under the screen name Vincentlio. The photograph attachments were sent and received by Vincentlio. Several of the photographs depicted children engaged in or simulating sexual acts with adults or other children. The ages of the children in the photographs ranged between approximately 4 years old to 17 years old and were both genders.

Bernard Ward opened up the account on 1-17-1995. The address is 3300 Kirkham St. in San Francisco, Ca 94122. Telephone number (415) 218-0392. Ward used credit card number 373146743728008 with an expiration date 8/05.

I contacted the FBI office in Modesto and told them of the situation. I told that they would take over the investigation and refer it to their San Francisco office.

I made one CD copy of the search warrant results and booked the original into evidence. The CD copy was given to the FBI to assist them in their investigation. I was also faxed a DMV photograph of Ward and attached it to the report.

This case was turned over to the FBI for further investigation.

On 12/23/04 at 1752 hrs., Linda Figueiro reported receiving obscene material from an unidentified subject, later identified as Bernard Vincent.

I contacted Figueiro at her residence located at 1139 West "G" St. She told me she wanted me to see something that she felt was inappropriate. I saw displayed on her computer screen the following image. The image was a juvenile male sitting on a chair between a female juvenile and an adult female. The male juvenile is naked and the juvenile female is wearing clothing. The adult female is topless and is guiding the female juvenile's right hand onto the juvenile male's penis. Figueiro made me a copy of the photo and the E-mail that Vincent sent her.
