Update on Father Kelly Investigation

(San Andreas, CA) The Calaveras County Sheriff's Office is currently completing interviews with persons associated with the Father Kelly case. Attempts are being made to locate potential witnesses and victims, however this effort is complicated by the fact that many persons now reside out of the area.

One Detective from the Sheriff's Office is specifically assigned to the case, and it is the intention of the Sheriff's Office to submit a report to the District Attorney within the next 30 days.

No further information will be released pending the submission of a completed case to the Calaveras County District Attorney.
