██████████ states that she is a staff member at Highland Park Baptist Church located at 501 w. Sixth Street in Muscle Shoals. ██████████ states that on January 22, 2014 she walked into the office of Jeffrey Dale Eddie, the Children's Minister at the Church. ██████████ states she observed Eddie with one arm around the waist of a minor child and the other hand underneath the minor's shirt. ██████████ states Eddie appeared startled and removed his hand from the minor.

██████████ states she was disturbed about what she had seen and reported the incident to Brett Pittman (Church Pastor) and Jeff Beech (Worship Pastor) on January 27, 2014. Pittman and Beech immediately began looking into the reported incident and on January 29, 2014 they asked Eddie to view his Church issued electronics (laptop, cell phone and tablet). Beech states that Eddie was cooperative and gave them the electronics along with his consent to search their contents. Beech states he looked through the cell phone and tablet and did not notice anything unusual. However, the laptop contained so much data that he transferred its contents onto a flash drive to view at a later date and then gave all of the electronics back to Eddie.

Beech states that on February 01, 2014 while viewing the information, he obtained from Eddie's computer, he noticed two pornographic images of a nude minor male. This same day the Muscle Shoals Police were notified and the images shown to Investigator's Sieg Mueller and Craig Rickman.

Affiant states that on February 02, 2014 Eddie was picked up and transported to the Muscle Shoals Police Department where, after waiving his Miranda Rights, he stated that he was addicted to pornography and that he has downloaded images of nude young males onto his Church issued computer.
