

The Individual Specific Protocols (ISP) implement the primary goal of promoting the safety of minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office for Child Abuse Investigations and Review, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Director of the Office for Child Abuse Investigations and Review (Director). The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for Rev. John Robinson is as follows (Director to initial all that apply):

1. The client is restricted from being alone with a minor or minors, that is anyone under the age of 18, without the presence of another responsible adult.
2. [REDACTED]
3. [REDACTED]
4.  The "Clergy Daily Log" to be completed on a daily basis and co-signed by the on-site supervisor. The log is a tool that is used for the protection of minors, the cleric, the on-site supervisor and the Archdiocese. Although it identifies time periods, it is intended to provide a general record of the day rather than a detailed clock. If you are describing an off-site activity, please include your destination and the general purpose of the visit or activity. For example, it is enough to indicate that you did personal shopping at a given Shopping Center rather than the details of each individual store. However, if your self-description is challenged or a complaint is lodged with the Archdiocese, some documentation and verification may be necessary to sufficiently address the situation.
5.  Abide by the assignment of residence to Cardinal Stritch Retreat House, Mundelein, IL.

6. W Must complete and submit the "Travel/Vacation Agreement," and obtain concurrence with the Agreement, prior to a scheduled departure. In the event of a prolonged stay in a particular location, the Archdiocese is required to notify the Ordinary of that place of your presence there.
7. W N/A Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of _____ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
8. No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* apply as they do to all Archdiocesan personnel.
9. No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. On-site visits by the Director and the VP annually to include a meeting with the cleric.

This Individual Specific Protocol is to be reviewed annually with the Director, VP, and the cleric. Also, there can be additional, written notations tailored to the needs of a specific situation which are signed by all parties and appended to this document. Any change or alteration to this agreement will involve consultation with the cleric, his on-site supervisor, the Director, and the VP. The cleric, his on-site supervisor, the Director, or the VP can initiate the discussion for change or alteration, or request that this Individual Specific Protocol be reviewed by the independent Review Board. At the discretion of any of the parties, the legal and/or canonical counsel of the cleric may be involved in the discussions.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Dear Ms. Leggdas,

Please find enclosed the *Client Information Sheet* you asked me to complete and return to you by mail. I trust I filled most of it in correctly. The only part I wasn't sure of was "the date" in Questions 2 and 3. Did you want the date I filled it in or the date I was assigned to Queen of the Rosary?

I regret the form's slightly crumpled condition. I had to fold it and put it in the book I brought with me in order to protect it from yesterday's rain.

As you know, Kathleen Leggdas, Professional Fitness Review Administrator, is on medical leave. In her absence, I am writing to advise you that the Professional Fitness Review Board met by telephone conference call on July 9, 2002. The Board fully considered the oral report of Ms. Leggdas in the matter of Rev. John Robinson and the allegation made by [REDACTED]. The Board determined by a vote of 6-0 that there was insufficient information at this time to determine the credibility of this allegation of sexual misconduct with a minor. [REDACTED] will be advised that additional information could be presented for the Second Stage Review.

Victim Statement Abstract

This abstract replaces a memorandum from Michael Bland, Archdiocese of Chicago's Office of Assistance Ministry, to the Professional Fitness Review Administrator for the Office of Professional Fitness Review, concerning a call from Victim KO regarding his allegation against Fr. John Robinson. According to the memorandum, Victim KO expressed his frustration with the Archdiocese of Chicago Independent Review Board's finding of "insufficient evidence" to support his allegation against Robinson. Victim KO inquired about Robinson's response to Victim KO's allegation of abuse.

Re: Father John Robinson

Dear Ms. McCluskey:

This letter is to formalize in writing our telephone conversation of today's date. It is my understanding that you have reinterviewed [REDACTED] on Friday, October 11, and again on Monday, October 14, 2002. It is my understanding that you received additional information from him during those interviews.

I hereby request the opportunity to meet with you so that you can advise Father Robinson and me of the new information and afford us the opportunity to respond.

It is further my understanding that this matter regarding Father Robinson is presently scheduled for a Second Stage Review by the Board on Saturday October 19, 2002. As I explained to you, I am involved in a jury trial in federal court that will be held from Wednesday October 16 through Friday October 18. This trial was scheduled several months ago and cannot be rescheduled. This makes it impossible for me to meet with you and Father Robinson before the Second Stage Review scheduled October 19, 2002, and gives me no time to prepare a response to you or to the Board on Father Robinson's behalf.

I hereby request that the second stage review presently scheduled for Saturday October 19, 2002, be continued to a later date. This will give me and Father Robinson the opportunity to meet with you in connection with the recent

interview of [REDACTED] and to provide a response to the new information. It will also give Father Robinson the opportunity to request to appear before the Board at the Second Stage Review, if he so desires.

Thank you for your help with this matter.

Very truly yours,

Cynthia Giacchetti

Victim Statement Abstract

This abstract replaces a memorandum from Leah McCluskey, Professional Fitness Review Administrator for the Archdiocese of Chicago, Office of Professional Fitness Review, to file, dated October 18, 2002, summarizing several phone conversations with Victim KO. Victim KO expressed his frustration with the process of formalizing his allegation of abuse against Fr. John Robinson, and questioned the Archdiocese of Chicago Independent Review Board's finding of "insufficient evidence" to make a determination in regards to his allegation. According to the memorandum, Victim KO reiterated for McCluskey the specifics of his allegation against Robinson during these phone calls. Victim KO indicated that he alleged abuse occurred at St. Pricilla's parish in the early 1970s. Victim KO also alleges he wrote a letter concerning the alleged abuse and mailed it to the Cardinal's residence in 1991, but never received a response.

MEMORANDUM

of an original document from the files of
VICAR FOR PRIESTS OFFICE
ARCHDIOCESE OF CHICAGO

To: Cardinal Francis George
From: Leah McCluskey, Interim, Professional Fitness Review Administrator
Re: [PFR-98] Allegation of sexual misconduct made by [redacted] against Rev. John Robinson
Date: November 26, 2002

This is a red ink stamp!

This memo and its attachments are being sent to Your Eminence for review. The enclosed information is in regards to [redacted] allegations of sexual misconduct against Fr. John Robinson [JR]. [redacted] initially participated in a face-to-face interview with Kathleen Leggdas, PFRA on June 18, 2002. JR responded to the original allegations on June 25, 2002. Interim PFRA wrote a memo dated October 18, 2002 detailing three phone conversations with [redacted] which added significant detail to his original June 18, 2002 interview. On October 29, 2002 JR was presented the information detailed in the October 18, 2002 memo regarding allegations of sexual misconduct made against him by [redacted]

This allegation and response was presented to the Review Board on July 9, 2002 for a First Stage Review. In a letter dated July 17, 2002, Your Eminence accepted the Review Board's recommendation of insufficient information "to suspect that Father Robinson engaged in sexual misconduct with [redacted] as a minor." This case was presented to the Review Board on November 16, 2002 for Second Stage Review. The Board recommended [5-1 decision] that there is reasonable cause to suspect that Fr. Robinson did engage in the bare bottom spanking and genital fondling of [redacted] as a minor. In regards to [redacted] allegation that [as a minor] he was [redacted] penetrated [redacted] by Fr. Robinson, the Board recommended [6-0] that there is insufficient information to determine if misconduct occurred.

Interim PFRA would be more than willing to discuss this case in further detail if there were any other questions that Your Eminence may have at this time.

Dear Queen of the Rosary Parish family members,

I regret to inform you that your associate pastor, Fr. John A. Robinson, has been removed from ministry following an allegation received by officials of the Archdiocese of Chicago this summer that he engaged in sexual misconduct nearly 30 years ago with a minor while he served as an associate at St. Priscilla Parish in Chicago.

When the allegation was received by the Archdiocese it was reported immediately to the Cook County State's Attorney.

The Archdiocese's independent Fitness Review Board made the recommendation that Fr. Robinson be removed after a second stage review. This recommendation was in accordance with Archdiocesan policies for dealing with allegations of clerical sexual misconduct, and was accepted by Francis Cardinal George, O.M.I., Archbishop of Chicago, in late December. Fr. Robinson is residing in a monitored and restricted setting and has been directed not to be alone with minors.

Archdiocesan officials have not received any other allegations of misconduct involving Fr. Robinson. However, I would ask that any parishioner who has additional information or a concern to contact either your pastor, Fr. Art Fagan, the Archdiocesan Fitness Review Administrator at 1-800-994-6200, or you may report any allegation directly to the Cook County States Attorney's office at this number, 312-603-5440.

Many are aware of the good works that Fr. Robinson performed as a priest here at Queen of the Rosary in Elk Grove Village. I know that these are difficult times for everyone concerned. Our hope continues to be in our faith knowing that the Lord will grant our petitions for healing. Therefore, as a parish and a church I ask for your continued prayers for all who have been affected by this painful issue.

Representatives of the Archdiocesan Assistance Ministry have met with your parish leaders to determine how they might be of help to your parish in this difficult time. I have assured Fr. Fagan and the staff at your parish of my willingness to answer any and all questions you might have about these issues to the best of my ability. Please pray for the Lord's healing for all associated with this painful issue.

With gratitude for your understanding and hope in the Lord for our future, I remain

Sincerely yours in Christ,

Dear Members of the Fitness Review Panel:

A letter dated 1/4/03 from Bishop Jerome ListECKi was published in the St. Priscilla parish bulletin on Sunday, 1/12/03, on the matter of the removal from ministry of Rev. John Robinson, formerly associate pastor of St. Priscilla Parish (my home parish) in the 1970s.

Bishop ListECKi's letter stated that there were no other complaints against Rev. Robinson. Unfortunately, another complaint against Rev. Robinson may have been passed on to the Archdiocese in 1992-3, per the following.

In 1992-3, [REDACTED], a former resident of Angel Guardian Orphanage from the 1960s and 1970s who in 1992 resided in [REDACTED] contacted me, a former volunteer at Angel Guardian, about incidents of abuse at AGO during his grade school and high school years. I put him in touch with the then "Cardinal's Commission," and Ralph Bonaccorsi of the Archdiocese of Chicago followed up with [REDACTED]. After a while, I did not hear back from [REDACTED] and assumed that the Archdiocese had brought the matter to a conclusion with [REDACTED] until I read Bishop ListECKi's letter on Rev. Robinson.

Because a decade has gone by, I am sharing the following information brought to my attention by [REDACTED] with the Archdiocese again, in the possibility it fell through the cracks:

When he spoke with me in 1992-3, [REDACTED] alleged that [REDACTED]

The above information might be pertinent when considering the fitness of Rev. Robinson for ministry. I have already shared it with the Cook County State's Attorney's office last year. Please contact me should you need further information.

Sincerely in Christ,
[REDACTED]

Victim Statement Abstract

This abstract supplements a letter from a third party individual to the Archdiocese of Chicago Independent Review Board Members, dated January 13, 2003. The third party reports knowledge of an allegation of misconduct by Fr. John Robinson which predated the allegation considered by the Review Board, resulting in Robinson's removal from ministry. According to the third party, in 1992 or 1993, Victim KP had reported to the third party that Robinson engaged in sexual misconduct with him, when Victim KP was a minor.

Dear Cardinal George:

I am writing this letter on behalf of Rev. John Robinson who is now awaiting the final decision on the allegation of sexual abuse.

I have been a part time member of the staff of Queen of the Rosary Church for the past fifteen years. Fr. Robinson came to our parish one month after the sudden death of my only child, [REDACTED]. It was Father who helped me carry my cross. We soon began working together putting out the Sunday bulletin.

I was given the opportunity to reciprocate his concern toward me by helping him through his mother's illness and death. I was edified at the care he gave her even at the expense of any social contact in his free time.

When I was told of the horrendous charges against him I was not only shocked but devastated -- not the Fr. John who I know. It was he who made me profoundly aware of the Eucharistic miracle at each Mass he celebrated. It was just his way, his prayers and piety that let us know that Christ was truly among us.

This is the Fr. Robinson I know and love. I ask you to believe he is innocent of this terrible charge. His many years of ministering to the people of his parishes certainly will prove he was not capable of this serious allegation. I know him well and am aware of the difficulties as well as the rewards of priesthood and he doesn't deserve to have the church he labored so hard for not believe him.

Thank you for reading this petition made by a 79 year old who loves her God, her church and her fellow man.

Respectfully,

[REDACTED]

PFRA spoke with [REDACTED] regarding his letter dated January 13, 2003. [REDACTED] stated in his letter that Fr. John Robinson sexually abused [REDACTED] while [REDACTED] resided at Angel Guardian Orphanage.

[REDACTED] stated that he is a former seminarian and volunteered at Angel Guardian Orphanage, where he came to know [REDACTED]. [REDACTED] stated that he and his wife "took in" [REDACTED] and some of the other minors who had resided at the orphanage when the orphanage closed. Through conversations with [REDACTED] approximately 10 years ago, [REDACTED] disclosed to [REDACTED] abuse by: [REDACTED] Fr. [REDACTED] and Fr. John Robinson. [REDACTED] recalls that Ralph Bonaccorsi flew to [REDACTED] to meet with [REDACTED] years ago, but is uncertain if [REDACTED] disclosed the name of Fr. Robinson.

PFRA explained to [REDACTED] that this office could not follow up with an allegation unless the alleged victim came forward. [REDACTED] stated that he understood, however he wanted to provide the Archdiocese with the aforementioned information as a result of "Bishop Listecki's letter on Rev. Robinson."

PFRA thanked [REDACTED] for the information and asked that he forward PFRA's name and contact information to [REDACTED] if the two came into contact. [REDACTED] agreed.

Dear 

Thank you for your letter of January 13, 2003 in which you expressed concern for Father John Robinson. Because of your experience with Father Robinson as a priest, I can understand that his removal from ministry was a great shock to you. You know him as a priest deeply committed to the service and care of his parishioners so that the consequences of accusations made against him are difficult to understand.

The decision to remove Father Robinson from ministry is based on judgments made by an independent Review Board that receives all data available on a case. Following thorough investigations, decisions are made on information that indicate there is reasonable cause to suspect that the allegation is credible. Prior to the early 1990's processes were unclear. As a Church we needed to clarify procedures concerning those children who were harmed by priests engaged in ministry. The Bishops' meeting in Dallas assisted dioceses in establishing processes that will deal with allegations involving sexual misconduct and minors in a way that more adequately addresses all concerned. Your raising the issue of forgiveness is well taken, and I sincerely hope that reconciliation is and will be a key factor in dealing with victims and priests. All of us in the Church still have much to learn in handling that which touches the lives of many persons in serious situations such as sexual misconduct.

Thank you for registering your concern and care for Father Robinson. I trust that God will bless him and all those, like yourself, who witnessed the goodness of his ministry in the past.

Sincerely, in Christ's peace,

Following thorough investigations, decisions are made on information that indicates there is reasonable cause to suspect that an allegation is credible. Prior to the early 1990's, processes for responding to allegations were unclear. As a Church we needed to clarify procedures to be sure young people are safe. The Bishops' meeting in Dallas assisted dioceses in establishing processes that deal with allegations involving sexual misconduct with minors in a way that more adequately addresses the situation of all concerned. Your raising the issue of forgiveness is well taken, and I sincerely hope that reconciliation is and will be a key factor in dealing with both victims and priests. When someone is injured by abuse, however, even forgiven sin has long range consequences. The case on Fr. Robinson, however, is not closed and the next step is a canonical legal process. Please keep him in your prayers.

Dear Jim,

Thank you ever so much for your kind letter. Words can't tell you how much I appreciate your friendship, your prayers, and support. Having these things from you and other friends as well get me through this trying time. Please continue to keep me and all the men of Koenig Hall in your prayers.

One of the things that helps me is to regard this experience as a Sabbatical, a period of time to get to know myself better with the [REDACTED] a time to better develop my spiritual life [REDACTED] and a time to recoup your strength physically -- to put somewhat scripturally "to come away by yourselves and rest a while."

I was very happy to see you at [REDACTED] funeral. I just wish the circumstances were different. A Funeral is a heck of way to see an old friend. I worry about you, Jim. You looked so tired and worn out. Please take care of yourself. Do get some R & R because your job is so demanding and physically taxing and so many priests and people need you.

I would call to say Hi but I know there are many demands put on your time that I didn't want you to waste it just to say hello.

You are always in my prayers, that God give you all the strength you need to stay healthy and "be a good priest" as you would say.

Fraternally,

John Robinson

RE: [REDACTED]
Date of Birth: unknown
Date of alleged abuse: unknown
Reported by: [REDACTED]

Dear Mr. Howlett:

Please be advised that the Archdiocese of Chicago has received a letter from [REDACTED] alleging that [REDACTED] was the victim of sexual abuse by **Rev. John Robinson**, an archdiocesan priest. The alleged abuse took place at Angel Guardian Orphanage in Cook County, Illinois.

[REDACTED] is a former seminarian who volunteered at Angel Guardian Orphanage and came to know the victim, [REDACTED]. When the orphanage closed [REDACTED] and his wife took into their home several minor children who resided at the orphanage when the orphanage closed.

Approximately ten years ago [REDACTED] learned through conversations with [REDACTED] that as a child he may have been sexually abused by **Fr. John Robinson**. [REDACTED] wanted to inform the Archdiocese of the alleged information and the Professional Fitness Review Administrator asked that [REDACTED] contact [REDACTED] and give him Ms. McCluskey's name, if he wanted to make a formal allegation.

If our office can provide any additional information, or be of any further help, please let me know.

Very truly yours,

Dear Ms. McCluskey,

I am writing to correct a typographical error in my previous letter of January 3, 2003. In that letter, I accepted the recommendation of the Second Stage Review conducted by the Fitness Review Board regarding the matter of **Reverend John Robinson** and the allegation made by [REDACTED]. My original letter states that the Second Stage Review took place at a meeting on December 21, 2002. In fact, the meeting took place on November 16, 2002.

This does not alter the fact that I accept the Board's determination that there is reasonable cause to suspect that Father Robinson engaged in sexual misconduct with [REDACTED] when [REDACTED] was a minor.

Thank you for your assistance in this matter.

Dear John:

I realize you must have many questions about what is happening with regard to your situation. I have appreciated your patience and understanding, and I thank you again for agreeing not to exercise ministry while your case is pending. As you know, the Dallas Charter and Norms created a canonical difficulty. They required bishops to act immediately, but Church law prohibited us from taking any action under the Norms until they received the approval of the Holy See. I am very grateful to each of you for cooperating in the implementation of the Charter and Norms, even though that cooperation has taken a toll on you. I am writing the same letter to each of you so that you are clear as to what will be happening next.

The Holy See approved the revised Norms on December 8, 2002, and Bishop Gregory indicated they would go into effect March 1, 2003. I want you to be aware of the implications of this, so that at least you will understand how we will be proceeding in the Archdiocese of Chicago. There are still some aspects of the process that the USCCB Committee on Canonical Affairs is working on, so some part of the process are less clear than others.

In the near future, I will be submitting each of your cases to the Congregation for the Doctrine of the Faith, as required by the Norms that Congregation issued in 2001. At that time, I will ask the Congregation for a dispensation from the statute of limitations so that we are free to conduct a trial according to the Code of Canon Law.

The reason for my request will be that the seriousness and the nature of the matter demand it. The sexual misconduct of clergy has caused great harm to the Church in the United States. Unless the Church appears to be taking these allegations seriously, we will lose the confidence of our faithful people and the Church in the United States will no longer have a credible voice.

Moreover, the nature of sexual abuse is such that those who are abused often repress the memory of these actions for many years. It has taken great courage on the part of many of them to come forward with these accusations. I can assure you that they did not make their decisions easily. Whether these actions took place, who was involved, and other such matters are things that are to be dealt with in a canonical trial. But I do not doubt for a moment the sincerity of those who have claimed to be victimized.

Original document from the files of
**OFFICE OF THE CHANCELLOR
ARCHDIOCESE OF CHICAGO**

**This is a red ink stamp!
DO NOT COPY**

At the same time I submit the case to the Congregation for the Doctrine of the Faith, I will make formal what up to now has been simply an agreement between you and me. The Essential Norms for the United States require that at this time I issue a decree, in virtue of canon 1722, prohibiting you from exercising sacred ministry and directing where you are to reside.

If the Congregation for the Doctrine of the Faith dispenses from the statute of limitations and directs me to conduct a trial here in Chicago, I will then submit all the material from your case to Father Bill Woestman, the Promoter of Justice, who will then present a petition to the Metropolitan Tribunal. The petition will ask the Tribunal to decide two issues: Did you commit an act of sexual misconduct, as described in canon 1395? If the answer to that is affirmative, shall the penalty of dismissal from the clerical state be applied to you?

At this point, if you have not already engaged the services of a canonical advocate, you will be required to do so. Your advocate's job is to ensure the protection of your rights and to raise any issues with regard to the above questions.

According to the wishes of the USCCB, the judges for the trial will be chosen from a pool of judges who will be trained in Washington during the last two weeks of February. This will ensure that no Archdiocesan priest will be deciding your case.

The judges will use the information that has been gathered by the Fitness Review Board Administrator, the Vicar for Priests, the Victim Assistance Minister, and your own personnel file. They may also ask for additional information in the case, as they see fit. You or your advocate can also propose other questions to the judges that would assist them in their investigation.

After the judges have collected all the information in the case, you and your advocate will be allowed access to all of the information that the judges will be using in making their decision. You will also be allowed to comment on the information you review, and your advocate will be given an opportunity to present arguments in the case.

At the conclusion of the process, both the Promoter of Justice and you can appeal the decision of the Tribunal. The appeal can be based upon the procedures that were followed during the course of the trial or upon the merits of the decision that was handed down. According to the 2001 Norms of the Congregation for the Doctrine of the Faith, these appeals are to be directed to the Supreme Apostolic Tribunal of that Congregation.

I believe that this is the most effective way to ensure that justice is served in the Church. By using our legal system, the rights of all parties are guaranteed and decisions are made on the basis of correct jurisprudence. Regardless of the outcome, the decisions will not only *be* just, but they will also *appear* just in the eyes of our people. This will demonstrate that decisions are not made in an arbitrary manner in the Church, but are made in an orderly and well-reasoned manner.

It is for this reason that I will not make any administrative decisions about the disposition of your case. I believe the judicial process will allow you and your advocate to present arguments concerning the substance of the case and the procedures that have been followed. The

judges will then be able to render a decision on this matter which is consistent with our jurisprudence and canonical practice.

I am very much aware of the pain that you have gone through during these months. While this has been personally painful for you, I believe this time has also given our people an opportunity to look at this issue more thoroughly and realize its complexity. Some of the stridency has lessened, and people seem to be reassured that the cases will be handled in a just and equitable manner.

You have been in my prayers each day, and I ask that you continue to keep me in yours.

Fraternally yours in Christ,

Francis Cardinal George, O.M.I.

PROFESSIONAL FITNESS REVIEW

Dear Ms. McCluskey:

Accompanying this letter is a decree which appoints you as the investigator into an allegation of sexual misconduct with a minor that was made against **Rev. John Robinson**. The terms of this investigation are spelled out in the decree.

At the same time, I am designating you as the person who is to supervise the "monitoring protocol" which has been established for Father Robsinson. I ask that you report to me on a regular basis, but no less than quarterly, on Father Robinson's compliance with this protocol. You may also wish to report more frequently to the Professional Fitness Review Board so that they can make further recommendations to me on this matter.

In order to ensure confidentiality in this matter, I ask that you perform this task personally and not designate anyone else for this purpose. Should there be periods of time when you will not be able to perform this task personally, please refer the matter to the Vicar for Priests.

Thank you for agreeing to take on these additional tasks.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.

PROFESSIONAL FITNESS REVIEW

D E C R E E

Having received the recommendation of the Archdiocesan Professional Fitness Review Board that there is "reasonable cause to suspect" that **Reverend John Robinson** engaged in sexual misconduct with a minor, I have concluded that this constitutes information which "at least seems to be true" (c. 1717).

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to **Father Robinson**.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint **Ms. Leah McCluskey** to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm **Father Robinson's** name or to violate his right to protect his privacy. Nor may he be asked to do anything which violates his conscience or is morally unacceptable according to the Church's moral teachings.

After she has concluded her investigation, Ms. McCluskey is to make a written report to me, no later than thirty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense.

Given on 23 May, 2003 at Chicago, Illinois.

Bishops “have been designated by the Holy Spirit to take the place of the apostles as pastors of souls and, together with the Supreme Pontiff and subject to his authority, they are commissioned to perpetuate the work of Christ, the eternal Pastor.” (*Christus dominus*, n.2b) However, since the pastors of the Church can never be expected to carry the burden of pastoral ministry alone (*Lumen gentium*, n. 30), they have been given the order of priests to cooperate in shepherding and guiding God’s people. Indeed, bishops, “because of the gift of the Holy Spirit that has been given to priests at their ordination, will regard them as indispensable helpers and advisers in the ministry and in the task of teaching, sanctifying and shepherding the People of God.” (*Presbyterorum ordinis*, n. 7)

Because of this common task, “bishops are to regard their priests as brothers and friends, and are to take the greatest interest they are capable of in their welfare, both temporal and spiritual. For on their shoulders particularly falls the burden of sanctifying their priests.” (*Presbyterorum ordinis*, n. 7b)

Moreover, the *Directory on the Pastoral Ministry of Bishops* states, “In the same way as Jesus showed his love for his disciples....so also a bishop....can hardly fail to realize that he should show his greatest love and chief concern for priests....Led by a sense of duty and sincere and invincible charity he gives willing assistance in every way to help priests to esteem the loftiness of their priestly vocation, to live serenely, to spread joy to those about them and to fulfill their duties faithfully.” (n. 107a)

This same document urges bishops to do “everything possible to prevent the troubles his priests could have....To keep them safe from trouble he takes prompt and prudent measures.” (n. 112)

The Code of Canon Law has described precepts as a means by which ecclesiastical authority “directly and legitimately enjoins a specific person or persons to do or omit something, especially in order to urge the observance of law” (c. 49).

Therefore, I issue this precept, in accordance with c. 49, to urge **Reverend John Robinson** to fulfill the obligations which were placed upon him at the time of his ordination. Because some suspicion has arisen about his fidelity to the sacred promises he made at his ordination, I urge him in particular to lead a life which is in keeping with the holiness of his vocation. Although he is not presently exercising public ministry in the Church, he ought to pursue holiness of life in the way that he lives. He is also still bound to the obligation to pray the liturgy of the hours daily, to set aside time for spiritual retreats, to engage in mental prayer, to approach the sacrament of penance frequently, to honor the Virgin Mother of God with particular veneration as Queen of Priests, and to use any other means of sanctification which he finds helpful (c. 276).

Because of the obligation to observe perfect and perpetual continence for the sake of the kingdom of heaven, **Father Robinson** is to act with due prudence toward persons who could endanger the obligation to observe continence (c. 277§1), and to observe the particulars of the attached Individual Specific Protocol (c. 277§3) which I have established in consultation with him.

He is to avoid all those things which are unbecoming the clerical state, or those things which are foreign to the clerical state (c. 285), especially those things which are set forth in the attached Individual Specific Protocol which I have established in consultation with him.

Father Robinson is hereby dispensed from his obligation to wear ecclesiastical garb (c. 284), and is strongly urged not to do so until such time as the case against him can be resolved and more permanent determinations can be made. Although not removed from office, he is nonetheless urged not to exercise the rights of any ecclesiastical office, in accordance with the Individual Specific Protocol which I have established in consultation with him.

In order to ensure that these obligations are met, I have delegated **Ms. Leah McCluskey** to receive information regarding **Father Robinson's** fulfillment of this precept and his Individual Specific Protocol. She is to submit a report to me no less than quarterly regarding this matter, and may report to the Professional Fitness Review Board more frequently as needed or requested.

I am establishing this precept in a spirit of fraternal charity, mindful of my responsibility to encourage my priests to remain faithful to the obligations of the clerical state. Because the attached Individual Specific Protocol has been established in dialog between **Father Robinson** and the Vicar for Priests, I accept the provisions of this document, and urge **Father Robinson** to fulfil them in accordance with the obedience he is to show to me as his ordinary (c. 273), and which he promised at his ordination.

Given in Chicago, Illinois on the 23rd day of May, 2003.

Dear John:

I am again writing to you to give you an update as to what is happening concerning the allegations of sexual misconduct with a minor which have been made against you. I am extremely grateful to you for your patience in this matter. As you know, the Dallas Charter required me to act quickly in cases involving allegations of clerical sexual misconduct with a minor to ensure that no priest with a credible accusation was engaged in public ministry. However, because the accompanying Norms had not been approved by the Holy See, I have not been able to act as quickly as I would have liked in getting your case resolved.

With the Norms having gone into effect on March 1, 2003, along with further instructions which came from the Holy See in February, we are now in a position to begin referring our cases to the Congregation for the Doctrine of the Faith. Before I make such a referral, I will gather any additional information that seems necessary and review the matter once again. I will then send your advocate a copy of the letter I will be sending to the Holy See, and allow him or her the opportunity to offer an opinion as well. I anticipate this being done by the middle of July.

To that end, I have delegated Ms. Leah McCluskey to review each of the cases to see if more information needs to be gathered. I have asked her to report back to me within one month so that I can make a determination about referring the case to the Congregation for the Doctrine of the Faith. According to the recommendation of the Canonical Affairs Committee of the United States Conference of Catholic Bishops, if the Congregation for the Doctrine of the Faith directs me to begin a penal trial, the judges to be used will not be priests serving in the Archdiocese of Chicago. They will be chosen from a list of priests who have been trained to hear cases of clerical sexual misconduct.

In referring your case to the Congregation for the Doctrine of the Faith, I will also consult with the Promoter of Justice and issue a decree which formalizes those things which I asked you to do for the good of the Church and under your promise of obedience to me. The imposition of this decree is required by Norm 6 of the Essential Norms established by the United States Conference of Catholic Bishops.

AOC 019617

I have also designated Ms. McCluskey as the person to ensure that the "monitoring protocol" which you signed is being followed. She will report to me and to the Professional Fitness Review Board concerning your compliance with this protocol. I have asked that she perform this function personally, with the Vicar for Priests doing so in her absence. This will ensure the confidentiality and professionalism of this monitoring.

The protocols which you sign from time to time are not to be considered as penalties imposed on you. Instead, they are ways in which I exercise my responsibility to ensure that you fulfill the obligations which you received when you were ordained. I am establishing these protocols as individual precepts, which canon 49 describes as "a decree which directly and legitimately enjoins [you] to do or omit something, especially in order to urge the observance of law." You will receive a copy of my precept at the same time you receive a copy of your protocol.

I hope this clarifies the process somewhat for you. I am grateful that we can finally begin a process for the resolution of your case. I know this has been a very difficult period of time for you in your priesthood. You have always been in my prayers during this time. I ask that you continue to keep me in yours.

Dear Jim,

Recently **The Sun Times**, **The Daily Herald** and **CWNews.com** (Catholic News on the Internet) have carried articles about various groups going to court to force several dioceses to release all the records of priests accused of misconduct. Since a person's medical, psychological, and privileged communications are protected by law, I am formally notifying you and your Office not to release any personal information of this nature about me to any other person, group, or entity without my explicit written permission.

I am doing this, Jim, not to be difficult but to keep as much of my personal life as possible out of the papers and off the Internet. Thanks for your cooperation in this matter.

Dear John:

I received your letter of May 24 about materials from the Vicar for Priests files being used in a canonical penal process.

If the Congregation for the Doctrine of the Faith gives us permission to hold a canonical trial regarding the accusation against you, it would be up to the presiding judge to determine what evidence is to be admitted into the proceeding. I can't say whether he would use the Vicar for Priests files or not; he would have to make that determination himself.

If material is brought into the case that you believe was part of an "internal forum" communication between you and the Vicar for Priests, then your Advocate could raise what's called an "incidental case" to decide whether that matter is indeed privileged.

So, for right now, I can't give you an answer about what will and what won't be used. I just want to reassure you that you will have an opportunity to raise those objections in a formal way in the judicial process. By doing that, the judge will have to make a decision that is based upon jurisprudence, and not just personal preference. He will have to answer your objections according to the legal tradition of the Church.

I will put your letter in your file in the Chancery and in the Vicar for Priests office, so that anyone going through those files will be aware of your objections.

Thanks for bringing this to my attention. I share your concern about your right to protect your privacy, since it is one of the rights guaranteed by the Code of Canon Law (c. 220).

Dear John:

I received your letter concerning the appointment of Rev. Gregory Bittner as your Advocate.

By virtue of the special mandate that was given in my letter of appointment as Judicial Vicar, I approve your request to have Father Bittner function as your advocate in the matter concerning the allegations of sexual misconduct with a minor that have been raised against you.

Please assure Father Bittner that the Archdiocese of Chicago will cooperate with him as he assists you in your right of defense.

I know Father Bittner personally and also know of his reputation as a very competent advocate for priests. I'm sure he will represent you well and be able to explain the canonical processes to you. He and I are also aware of our need to keep our personal friendship separate from our professional duties, so our interactions on your case will remain on the professional level.

I will try to keep you informed about the various canonical processes as they develop. Please assure Father Bittner that he is welcome to intervene at any of the various stages, or to ask for clarifications about what is happening.

You continue to be in my prayers daily.

Dear Cardinal George,

As the Auditor whom you appointed in accord with Canon 1717 to conduct a Preliminary Investigation into the allegations of sexual abuse of minors that have been made against the Rev. John Robinson, a priest of the Archdiocese of Chicago, I would like to inform you that the investigation has been completed.

As required by Canon 1718, a sufficient amount of material is now present for you to make a determination. I have examined the files of the investigations of the allegations of sexual misconduct with minors by Fr. Robinson, and I have found them to be complete.

There is at least one allegation that was submitted to the Archdiocesan Professional Responsibility Review Board in which the Board recommended to you that there is reasonable cause to suspect that the alleged misconduct did occur. Given the material gathered as the Board's instruction of the case, it is now necessary for you to determine if the elements meet the required standard of proof. The Board reported their finding to you after having discussed the evidence and the arguments in two formal sessions. As part of the procedure followed by the Board, Fr. Robinson was read the allegations made against him and provided a response. With reference to his involvement in the instruction of the case, Fr. Robinson had the advice of legal counsel.

I now submit this matter to your Eminence for a determination. It is my recommendation that the allegation of sexual misconduct with a minor against the Rev. John Robinson has the semblance of truth (*notitiam saltem verisimilem*) as required by Canon 1717 and Article 13 of the Procedural Norms *de gravioribus delictis*, and consequently the case should be sent to the Congregation for the Doctrine of the Faith.

There is at least one allegation of sexual misconduct against Fr. Robinson. The Professional Responsibility Review Board has been presented all allegations against Fr. Robinson, and has reported to you the finding that the allegations provide reasonable cause to suspect that the alleged incidents of misconduct did occur. It is my recommendation that the aforementioned allegations have the semblance of truth

(notitiam saltem verisimilem) as required by Canon Law. As a result, there is no additional information that needs to be gathered at this time regarding the allegations made against Fr. Robinson.

If you have any questions or concerns, please contact me at 312 751-5205.

Dear Ms. McCluskey:

I received the report from your investigation of the matter of sexual misconduct with a minor on the part of **Reverend John Robinson**.

I accept your findings and have determined that there is a semblance of truth to the allegation that **Father Robinson** engaged in acts of sexual misconduct with a minor.

Therefore, by means of this letter, I am bringing the Preliminary Investigation of this matter to a close. Based upon the information you have provided, I have concluded that this case must be referred to the Congregation for the Doctrine of the Faith, in accordance with Part II, Article 13 the motu proprio *Sacramentorum sanctitatis tutela*.

MEMORANDUM

To: File - PFR-98

From: Leah McCluskey, Professional Responsibility Administrator [PRA] 

Re: Robinson, John

Date: July 14, 2003

PRA, Fr. James Kaczorowski [Vicar for Priests], and Fr. Daniel Smilanic [Promoter of Justice, Delegate to the Cardinal] met with Fr. John Robinson on July 11, 2003 to review Fr. Robinson's new monitoring protocols.

Prior to reviewing the monitoring protocols, PRA confirmed with Fr. Robinson that he had received copies of the monitoring protocols as well as the most recent *1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry* that had been mailed to his attention. PRA informed Fr. Robinson that the same information was mailed to his canonical advocate, Rev. Gregory Bittner.

Fr. Robinson had some specific questions regarding the monitoring protocols. He asked for an explanation of protocol number eight, "The right of defense should not involve the public life of the church." Fr. Smilanic explained that a cleric who has been removed as a result of allegations of sexual misconduct may not use the pulpit to discuss the allegation or the alleged victim. It was also noted that a cleric removed for the aforementioned reason may not organize a "defense fund" through the church.

Fr. Robinson also asked to have protocol number seven explained, "Attendance to recommended support group (please indicate specific support group). Recommended frequency of ___ times per week/month (please circle one). Attendance to recommended support group is to be reflected on "Clergy Daily Log" forms." PRA informed Fr. Robinson that only if he is a participant in specific support groups [other than therapy] would protocol number seven be applicable.

Fr. Robinson expressed his concern regarding the second paragraph of the Individual Specific Protocol itself, "Professional Fitness Review clients will be subject to appropriate restrictions and monitoring by the Professional Fitness Review Administrator

(PFRA) throughout the life of the individual as a priest/deacon in the Archdiocese of Chicago.” Fr. Robinson questioned that if he is exonerated of the allegation made against him, would he still need to be monitored for the remainder of his life as a priest. PRA and Fr. Smilanic explained that the phrase “appropriate restrictions” would include increasing, decreasing, or ceasing the monitoring protocols for any cleric dependent upon his case. Fr. Kaczorowski supported Fr. Robinson’s suggestion that the aforementioned paragraph be reworded so that the message is clearer regarding length of monitoring. PRA and Fr. Smilanic agreed that the wording of the Individual Specific Protocol form would be assessed.

As per Fr. Kaczorowski, Fr. Robinson has been extremely compliant with all monitoring to date. Fr. Robinson stated that he would continue to be cooperative and would speak with Fr. Bittner regarding the newly introduced monitoring protocols.

PRA provided Fr. Robinson with the aforementioned Individual Specific Protocol, Daily Log, and Travel/Vacation Agreement forms. All protocols applicable to Fr. Robinson were initiated by PRA so that Fr. Robinson could discuss the required monitoring with Fr. Bittner.

Fr. Robinson agreed that he would speak with Fr. Bittner within the next 10 days to discuss the monitoring protocols presented to him. PRA and Fr. Kaczorowski discussed with Fr. Robinson scheduling a time to meet in Mundelein to sign the protocols after Fr. Robinson has had the opportunity to speak with Fr. Bittner. Fr. Kaczorowski will be in contact with Fr. Robinson to schedule the meeting to take place in approximately two weeks.

Fr. Smilanic then addressed several canonical questions asked by Fr. Robinson. Fr. Smilanic invited Fr. Robinson to contact him at any time with any additional concerns and/or questions regarding canon law.

Fr. Robinson was extremely cordial during the meeting and thanked all present for their time and answers to his questions and concerns regarding the monitoring protocols.

Dear Fr. Robinson,

This letter is in regards to a third party allegation of sexual misconduct made against you by [REDACTED]. As we discussed in our conversation on July 8, 2003, [REDACTED] wrote a letter dated January 13, 2003 that was forwarded to my attention regarding the alleged abuse of [REDACTED] by you at Angel Guardian Orphanage.

As per a memo in your file dated January 21, 2003 written by myself, I spoke with [REDACTED] via phone regarding his aforementioned letter. I explained to [REDACTED] that a third party allegation is not considered a formal allegation to be brought before the Review Board for their recommendations to the Cardinal.

The information brought forward by [REDACTED] is documented in your file, however I will not follow up on this third party allegation unless [REDACTED] initiates contacts with me. As we discussed on the phone on July 8th, it is not the policy or procedure of this office to seek out alleged victims with allegations against clergy. Each allegation [formal and otherwise] of sexual misconduct made against clerics is entered into a database and a "Stage of Process [of the allegation]" is noted. In the case of the aforementioned third party allegation made against you, the Stage of Process is "awaiting response from [alleged] victim." Therefore, only in the event that [REDACTED] contacts the Archdiocese and states that he wishes to formalize an allegation against you, will this matter be considered to be a formal allegation where you will be notified and the matter presented to the Review Board.

Fr. Robinson, it is my understanding that you requested a clarification letter on this matter be written and forwarded to your attention as well as to the attention of your canonical advocate, Fr. Bittner. If either of you have any additional questions or concerns, please feel free to contact me at [312] 751-5205.

Sincerely,

Dear John:

I am writing to let you know that I have received the report from Ms. Leah McCluskey regarding the inquiry she conducted concerning the allegations of sexual misconduct that were made against you.

Taking into account the material already presented to the review board, she has looked into the matter further. I have concluded from her report that there is enough evidence to indicate that I need to refer your case to the Congregation for the Doctrine of the Faith and ask for their permission to conduct a trial to determine whether you committed the delict of sexual abuse of a minor; and, if so, what penalty ought to be imposed on you.

I will make this referral by the end of the month. It is impossible to say when the Congregation for the Doctrine of the Faith will respond to my request.

If I am given permission to conduct a trial in the Archdiocese, I will ask the United States Conference of Catholic Bishops to provide me with three judges. I will also present all the material in the case to the Promoter of Justice, and ask that he draw up a formal petition. A trial will then be conducted according to the norm of law. You will be informed throughout the proceedings of how you might exercise your rights. If you have not appointed an advocate, one will be appointed for you.

Since you are already observing the restrictions on your ministry as I requested, I do not see any need to impose any formal penal restrictions on you, as called for by canon 1722. In a previous letter to you, I indicated that I would issue this decree once I sent the case to the Holy See. In light of your cooperation, however, I have decided it is not necessary to take any further steps at this time.

As you know, the Dallas Charter and subsequent Norms state that if even a single act of sexual misconduct with a minor is proven, you must be removed permanently from ministry. Even if the offense does not warrant dismissal from the clerical state, the laws approved by the Holy See for the United States would not allow me to assign you to any public ministry, to celebrate the sacraments publicly, or to present yourself in public as a priest. Instead, you would be expected to lead a life of prayer and penance under my direction.

On the other hand, if the allegations against you are not proven, I will do everything I can to restore your reputation. I realize how difficult this might be, given the publicity that has already been given to this matter. Since I also realize you may have some feelings about this matter, I will consult with you before anything is done in this regard.

I am again appreciative of the cooperation you have given me in this matter. I will keep you in my prayers, and ask that you keep me in yours.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago

RE: Precepts: An Oversight

DATE: 18 July, 2003

ARCHDIOCESE OF CHICAGO
PROFESSIONAL FITNESS REVIEW

Enclosed are copies of precepts that should have accompanied the copies of letters from the Cardinal delegating you to receive information concerning the monitoring of priests accused of sexual misconduct.

I'm sorry that I didn't send these on until now. The precept simply spells out the canonical rationale, and doesn't alter anything from the previous letter.

I am not sending copies to the accused, since we don't usually send procedural decrees to people. The 27 May letter explained the gist of what is in the precept.

Sorry.

Re: Robinson, John

Date: August 19, 2003

PRA and Fr. James Kaczorowski, Vicar for Priests met with Fr. John Robinson at the Cardinal Stritch Retreat House on July 29, 2003 regarding monitoring protocols. After asking clarification questions regarding the Individual Specific Protocol, Fr. Robinson agreed to follow all protocols requested of him with his signature.

It was explained to Fr. Robinson that adjustments would be made to the Travel/Vacation Agreement form as well as the Daily Log form for clarification purposes. Adjusted forms will be provided to Fr. Robinson and to his canonical advocate the Very Rev. Gregory Bittner, JCL. PRA also provided Fr. Robinson with a copy of *1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry*, which was promulgated on July 15, 2003. Fr. Robinson was informed that a copy of the newly promulgated policies and procedures would be mailed to Fr. Bittner as well.

Dear Fr. Bittner,

In speaking with your client Fr. John Robinson, he asked that I write a letter to your attention regarding an allegation made against him that has not been formalized.

On January 14, 2003, I received a third party allegation of the sexual abuse of a minor against Fr. Robinson. As I discussed with the third party as well as at a later date with Fr. Robinson, a third party allegation is not considered to be formal. Therefore, Fr. Robinson was not presented with the allegation. The allegation has been documented and is in Fr. Robinson's file, however, I have no contact information for the alleged victim and I informed the third party that I would not seek out the alleged victim.

If you have any additional questions or concerns, please feel free to contact me at 312 751-5205.

Dear Fr. Robinson,

Enclosed you will find documentation regarding the monitoring protocols.

The monitoring protocols have been changed somewhat. This was done principally in order to put into a standard written form, arrangements that had been made orally and/or on an individual basis. It was felt that by committing as much as possible to a written form, misunderstandings could be reduced and communication would be facilitated. These changes reflect the feedback provided by all those involved in the monitoring program, including those who are subject to it. The enclosed forms contain the adjustments made to the monitoring forms that were provided to you in July of 2003. All those involved in monitoring will be receiving a copy of the new forms.

All of the information enclosed as well as a copy of this letter and a copy of the policies and procedures, *1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry* promulgated on July 15, 2003 has been forwarded to your canonical advocate, the Very Rev. Gregory Bittner, JCL.

As you signed the earlier form of the monitoring protocols, I ask that you sign the enclosed form and return a copy to me.

In designing a form that addresses so many different, complex situations, one or another points may be unclear. If you have any question or concerns, please contact me at [312] 751-5205.

Sincerely,

If your self-description is challenged, some documentation/verification may be requested. The monitor will return the log forms at the end of each month to PRA.

RE: Robinson, John/[REDACTED]
DATE: January 21, 2003

PFRA spoke with [REDACTED] regarding his letter dated January 13, 2003. [REDACTED] stated in his letter that Fr. John Robinson sexually abused [REDACTED] while [REDACTED] resided at Angel Guardian Orphanage.

[REDACTED] stated that he is a former seminarian and volunteered at Angel Guardian Orphanage, where he came to know [REDACTED]. [REDACTED] stated that he and his wife “took in” [REDACTED] and some of the other minors who had resided at the orphanage when the orphanage closed. Through conversations with [REDACTED] approximately 10 years ago, [REDACTED] disclosed to [REDACTED] abuse by: [REDACTED] and Fr. John Robinson. [REDACTED] recalls that Ralph Bonaccorsi flew to [REDACTED] to meet with [REDACTED] years ago, but is uncertain if [REDACTED] disclosed the name of Fr. Robinson.

PFRA explained to [REDACTED] that this office could not follow up with an allegation unless the alleged victim came forward. [REDACTED] stated that he understood, however he wanted to provide the Archdiocese with the aforementioned information as a result of “Bishop ListECKI’s letter on Rev. Robinson.”

PFRA thanked [REDACTED] for the information and asked that he forward PFRA’s name and contact information to [REDACTED] if the two came into contact. [REDACTED] agreed.

INDIVIDUAL SPECIFIC PROTOCOLS
For

Rev. John Robinson

The Individual Specific Protocols (ISP) implement the primary goal of protecting minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office of Professional Responsibility, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Professional Responsibility Administrator (PRA); please refer to protocol number 15. The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for John Robinson is as follows (PRA to initial all that apply):

1. Restricted from being alone with minors (anyone under the age of 18) without the presence of another responsible adult.

2.

3.

4. The "Clergy Daily Log" to be completed on a daily basis and co-signed by the monitor. The log is a tool that is used for the protection of minors, the priest/deacon, the monitor and the Archdiocese. Although it lists all time periods, it is intended to provide an accurate record of the day rather than a detailed clock. If you are describing an off-campus activity, please include the place, the general purpose of the visit/trip/activity (e.g. Spiritual Direction, therapy), and the telephone number only if it is a private residence. (For example, it is enough to indicate that you did personal shopping rather than the name, location and telephone number of each individual store.) If your self-description is challenged, some documentation/verification may be requested.

5. Abide by the assignment of residence to Cardinal Stritch
Retreat House

6. No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* will apply.
7. Must complete and submit the "Travel/Vacation Agreement", and obtain concurrence with the Agreement, prior to a scheduled departure.
8. N/A Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of ___ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
9. No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. The right of defense must not involve the public life of the Church.
12. On-site visits by PRA annually to include meeting with PRA and the cleric.
13. On-site visits by Vicar for Priests (VP) annually to include a meeting with VP and the cleric.
14. This ISP is to be reviewed annually with PRA, VP, and the cleric.
15. Because the private celebration of the Eucharist is possible, during the course of each week one of the Masses celebrated is to be for the intention of the priests of the Archdiocese of Chicago.
16. Any change or alteration to this agreement will involve consultation with the cleric, his monitor, the PRA, and the VP. The cleric, his monitor, the PRA, or the VP can initiate the discussion for change or alteration, and at the discretion of any of the parties, his legal and/or canonical counsel may be involved.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Re: Robinson, Rev. John
Date: January 31, 2004

PRA and Rev. James T. Kaczorowski, Vicar for Priests met with Rev. John Robinson on January 26, 2004 at the Cardinal Stritch Retreat House. Fr. Kaczorowski had arranged the meeting with Fr. Robinson so that the current monitoring protocols could be discussed.

PRA provided Fr. Robinson with the current Individual Specific Monitoring Protocols, a Daily Log form, and a Travel/Vacation Agreement form. Fr. Robinson was also informed that copies of the aforementioned forms would be forwarded to his canonical advocate, the Very Rev. Gregory Bittner, JCL.

Fr. Robinson informed PRA and Fr. Kaczorowski that he had already spoken with Fr. Bittner regarding the Individual Specific Monitoring Protocols, and provided his signature to the aforementioned form during the meeting on January 26th. PRA informed Fr. Robinson that a copy of the signed Individual Specific Protocols form would be forwarded to Fr. Bittner along with copies of the Daily Log and Travel/Vacation Agreement forms.

Fr. Robinson introduced conversation regarding his concerns with Rev. John Calicott. As per Fr. Robinson, since his arrival at the retreat house one-year ago, Fr. Calicott "was never here [at the Cardinal Stritch Retreat House]." Fr. Robinson also stated that "everyone knew it [Fr. Calicott's absence from the retreat house]." He continued by asking if Fr. Calicott's actions as reported in the news over the past week would affect him and the others who are to comply with the monitoring protocols. Fr. Kaczorowski informed Fr. Robinson of Cardinal George's message regarding consequences that individuals would face if they did not sign the Individual Specific Protocols and if they did not adhere to the protocols themselves. As per Cardinal George, Fr. Kaczorowski informed Fr. Robinson that an individual who refuses to sign the Individual Specific Protocols by March 31, 2004 and/or is non-compliant with the protocols themselves,

would no longer receive a salary paid by the Archdiocese of Chicago. Cardinal George will only provide room and board, payment of medical and car insurance, and a small monthly stipend.

Fr. Robinson appreciated the explanation given by Fr. Kaczorowski. PRA then acknowledged the fact that Fr. Robinson has always been compliant with the protocols asked of him, and thanked Fr. Robinson for doing so.

The overall tone of the meeting was open and extremely pleasant. As Fr. Robinson left the meeting, he asked that PRA address him as "John" and not Fr. Robinson.

ARCHDIOCESE OF CHICAGO

Office of the Archbishop

February 26, 2004

Dear Brothers in Christ:

First, thanks to all of you who shared with your parishioners a copy of my February 15 letter concerning the John Jay study in advance of that report's official release tomorrow. You will remember that there are actually two reports to be released tomorrow, both commissioned by the Bishops. The John Jay social science study will contain national statistics regarding both those abused and accused, as well as dollar amounts spent to respond to the crisis. The National Review Board report will provide a context for the John Jay data.

We have been asked to wait until the reports are officially released tomorrow to offer comment on them, when real figures and perspective become public. I am told that both reports will be available to be viewed by 10 a.m. Friday on the U.S. Conference of Catholic Bishops website (www.usccb.org, linked to our website at www.archchicago.org). I will meet with media tomorrow to respond to the reports in their entirety and at that time offer our own up-to-date figures for the Archdiocese of Chicago about allegations made against clergy because of sexual abuse of children and youth since 1950.

I am including in this fax an advance copy of a letter and attachment I would like you to share with your parishioners this weekend about the reports. (*A clean copy of this letter will be available to you to download on Friday morning from the archdiocesan website, www.archchicago.org, in English, Spanish, and Polish.*) We will share this same letter with news media at tomorrow's news conference.

We will also be initiating a new service to access information for the protection of minors and to assist those who may have been sexually abused by a priest. The service will allow self-identified individuals, upon request, to receive appropriate information, already made public in another forum, regarding whether there has been reason to suspect that a past or present priest of the Archdiocese of Chicago may have abused a minor. All those inquiring will receive a written response. For inquiries on 98% of archdiocesan priests, the information provided will simply include an ordination date and a description of a current assignment. It is likely that we will be asked to describe this service at the news conference.

I was grateful to learn that some parishes are planning prayer services to coincide with the release of the John Jay report, because surely the issues raised by it are matters to be brought to prayer. I understand, too, that other parishes are planning discussions in which the report can be further evaluated. Because the release of this study could reopen some wounds among our people -- particularly among those who may have been abused -- I encourage you to have on hand contact information about how allegations of clergy sexual abuse can be reported.

No other group has faced the scrutiny involved in this type of study, and I know that this cannot be an easy time for you amidst the attention focused on the data that this report will contain. Yet, you are the "face" of the Church within your parish communities, in times both easy and hard. So many of you have told me of the kindness of your parishioners who have expressed their personal support for your priestly ministry – and, like you, I take great comfort from this support.

My prayer for you today is the same one I pray for myself: that in our intentions and in our actions, we might be worthy of the trust placed in us by Jesus Christ and by those whom we serve in his name and with his authority. Thank you for your life and ministry as priests in the Archdiocese of Chicago. Please keep me in your prayers.

Fraternally yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago

February 27, 2004

Dear Brothers and Sisters in Christ:

Today the John Jay College of Criminal Justice in New York City released a nationwide social science research study, commissioned by the U.S. Bishops, on clerical sexual abuse of minors. The John Jay Study is a quantitative analysis based on confidential data gathered from almost every diocese, eparchy, and religious order in the U.S. on sexual abuse of minors by Catholic clergy from 1950 to 2002. The data will be crucial in searching for the causes of clerical sexual abuse and in preventing it in the future. This is the study's purpose. A report by the National Review Board providing context for the John Jay data will also be released today.

Officials of the Archdiocese have already published basic data in two reports covering the periods 1950 to 1992 and 1993 to 2002. This information has been updated through December 31, 2003, and is shown on the attached information sheet.

Archdiocesan records reflect that 2,513 archdiocesan priests served in the Archdiocese of Chicago between 1950 and 2003. The Archdiocese has found reason to suspect that, during these 53 years, sexual misconduct with a minor occurred in 142 cases involving 55 Archdiocesan priests, about 2 percent of archdiocesan priests. Of the 55 priests, 13 are deceased, 22 have resigned from the priesthood and 20 are withdrawn from ministry. None is engaged in any public ministry. All cases have been reported to the public authorities.

Money spent because of clerical sexual abuse includes \$26.9 million for victim assistance, settlements and support in the period 1950-2003. Beginning in 1992, the year the Bernardin Commission established procedures for dealing with clerical sexual misconduct, through December 21, 2003, \$5.9 million was spent for treatment and monitoring of priests, and \$5.9 million for legal expenses. Of the \$5.9 million spent on legal fees, \$1.3 million was spent to defend a priest and a school principal judged to be innocent by a civil jury.

The Archdiocese of Chicago, complying with the definition of "allegation" supplied by the John Jay Study, reported for the study all recorded notifications of clerical sexual misconduct with minors, whether or not they resulted in any investigation or whether there was reasonable cause to suspect abuse had occurred.

Since 1992, the Archdiocese of Chicago has addressed allegations of abuse of minors and promoted healing of victims through an Assistance Ministry office, an independent Review Board, and a regular process for reporting abuse allegations to the civil authorities and the public. More recently, the Archdiocese created an Office for the Protection of Children and Youth. It oversees child abuse training programs and background screenings of over

50,000 employees and volunteers. These measures have allowed us to reach out to victims and parish communities, to create safe environments for children and to remove from ministry any priest for whom there was reasonable cause to suspect that sexual misconduct with a minor had occurred. All of these initiatives will continue in our seminaries, schools, parishes and ministry offices.

The bishops of the United States have kept the promises they made during and following their June, 2002, Dallas meeting. All offending priests have been removed from ministry; an independent study was undertaken to understand the extent and causes of clerical misconduct; and policies and procedures have been put in place in every diocese in the United States to deal with abuse allegations, to insure the safety of children and to communicate openly with the public. Most important of all, the care of victims has been formalized and will remain high on the agenda of the Church.

The publication of these results reminds us that some priests betrayed the trust placed in them by Christ, by the children He loves, and by families. Church leaders who failed to act on their behalf only added to the harm done. I again sincerely apologize to the victims and to their families for the anguish they have endured. I offer once again an invitation to anyone who has experienced sexual abuse by a priest or deacon to bring this information to our attention by contacting the Office of Professional Responsibility at 1-800-994-6200.

The consequences of these failures have deeply affected the entire Catholic community. I know that many of you are angered and embarrassed, as am I. We can learn from the transgressions of the past, however, and make as sure as we can that no other child or young person goes through what those who have been victims continue to suffer.

You are always in my prayers. Please keep me in yours.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago

Dear Father Robinson,

I would like to take this opportunity to inform you that the Most Reverend Raymond E. Goedert will assume the responsibilities of interim monitor at the Cardinal Stritch Retreat House, Koenig Hall, effective Tuesday, March 16, 2004. While he serves in this capacity, Bishop Goedert will reside at the retreat house. I am deeply grateful to him for accepting this responsibility at the present time. As this transition occurs, I also wish to thank Father Anthony Talarico for having served in the capacity of monitor for the past two or more years while, at the same time, performing his primary duties of administrator at the retreat house.

Sometime within the next two weeks, Bishop Goedert, Father Jim Kaczorowski, my Vicar for Priests, and Ms. Leah McCluskey, Professional Responsibility Administrator, will meet with the residents at Koenig Hall as a group and review the contents of the protocol. We are also inviting Father Talarico and Father Siedlecki to be present for this meeting since there will be occasions when they will function as monitor in Bishop Goedert's absence.

I am sorry this process is taking so much longer than I believed and expected it would. I want to assure you of my prayers for you. Likewise, I ask that you pray for me. May this season of Lent be a time of special blessing for you.

Sincerely, yours in Christ,

Re: Monitoring

Date: November 30, 2004

PRA and Rev. James T. Kaczorowski, Vicar for Priests traveled to the Cardinal Stritch Retreat House on November 29, 2004 and met with Rev. Edward Siedlecki. Fr. Siedlecki resides at the Retreat House.

Due to the fact that Rev. Anthony Talarico will be on vacation from November 29, 2004 through December 10, 2004, he will be unable to fulfill his duties as on-site monitor for those men who have been withdrawn from active ministry as a result of allegations of sexual misconduct. Fr. Kaczorowski and PRA met with Fr. Siedlecki to ask if he would agree to act as on-site monitor while Fr. Talarico is on vacation.

Fr. Siedlecki stated that he would act as monitor in Fr. Talarico's absence. PRA then went over the duties of on-site monitor with Fr. Siedlecki at his own request. Fr. Siedlecki was also agreeable to contacting Fr. Kaczorowski and/or PRA in the event of any of his awareness of any clear disregard/violation of the stated monitoring protocols.

Fr. Siedlecki shared with Fr. Kaczorowski and PRA his own current medical issues. It was agreed that in the event that Fr. Siedlecki would not be able to fulfill the role as monitor due to a medical emergency, he will contact either Fr. Kaczorowski or PRA.

Dear Ms. McCluskey,

Last week I called to ask for a clarification: Can Fr. Talarico okay an occasional change in my previously approved weekly Day Off/Overnight or do I have to send in a Travel Notification Form each time I would like to change from one day to another.

Since I received no reply by the end of Business Day Monday May 2nd, I thought it best to fax a Travel Notification Form requesting the change for this week.

Thank you for your time and attention.

Dear John:

I have completed my review of the case of sexual misconduct with minors that has been pending against you. My decision is contained in the enclosed decree.

I have also sent a copy of this decree to your advocate, so you might want to discuss this with him.

Should you wish to appeal this decree, you may do so to the Congregation for the Doctrine of the Faith within the prescribed period of time. However, you will be expected to bear any of the expenses associated with that appeal.

I hope this will bring some conclusion to this matter which has been most difficult for both of us. Please be assured that you remain in my prayers; I ask that you keep me in yours.

Sincerely yours in Christ,

Penal Decree and Precept resolving the matter against Reverend John Robinson (CDF P.N. 289/03 – 19665)

According to the decree *Christus dominus* of the Second Vatican Council, bishops “have been designated by the Holy Spirit to take the place of the apostles as pastors of souls and, together with the Supreme Pontiff and subject to his authority, they are commissioned to perpetuate the work of Christ, the eternal Pastor.” (*Christus dominus*, n. 2). Diocesan bishops have been entrusted with the pastoral care of a portion of the People of God, and designated their proper, ordinary, and immediate pastor. (CD, n. 11). The Council further teaches, “In exercising his office of father and pastor, the bishop should be with his people as one who serves, as a good shepherd who knows his sheep and whose sheep know him, as a true father who excels in his love and solicitude for all...” (CD, n. 16).

This love and solicitude expresses itself in providing for the welfare of the faithful according to their circumstances (CD, n. 16), and also in being “compassionate and helpful to those priests who are in any kind of danger or who have failed in some respect.” (CD, n. 16)

It is for this reason that my predecessor, Joseph Cardinal Bernardin, expressed such solicitude for the faithful of the Archdiocese of Chicago in establishing policies with regard to sexual misconduct of priests. I have continued that tradition of solicitude by confirming and revising these policies from time to time.

The nature of the priesthood itself requires that special attention be given to matters involving priestly misconduct. Recognizing the high dignity of the priesthood, which was established by the Lord Jesus to be joined in a special way with the episcopal ministry, and hence shares in the authority by which Christ himself builds up and sanctifies and rules his Body, it is all the more necessary to exercise particularly vigilance over the behavior of priests and to hold them to a greater level of accountability. The sacred task which has been given to priests demands a conduct commensurate with that task.

At their ordination, priests take on a number of obligations. They are bound by a special obligation to show reverence and obedience to the Holy Father and to their own ordinary (c. 273), and are to fulfill faithfully any function which their ordinary entrusts to them (c. 274§2). They are to be united among themselves, but at the same time promote the proper mission of the laity (c. 275). They are to pursue holiness of life through the fulfillment of their pastoral duties, through the nourishment of the spiritual life by word and sacrament, and through leading a life of prayer (c. 276). They are to continue their studies after ordination (c. 279) and have the right to

associate with other clerics to pursue purposes in keeping with the clerical state (c. 278). They are to foster simplicity of life and are to have a special concern for the poor (c. 282).

Moreover, priests are to avoid all those things which could endanger their vocation or give rise to scandal among the people. First and foremost, they are bound to a life of perfect and perpetual continence for the sake of the kingdom (c. 277), which expresses itself in a life of celibacy. But they are also to act with due prudence in their associations with others (c. 277§2), avoiding those things unbecoming the clerical state (c. 285 §§1-2).

The Catholic Bishops of the United States, in addressing the issue of clerical sexual abuse of minors, established at their annual general meeting held in Dallas in June, 2002 a *Charter for the Protection of Children and Young People*, commonly referred to as the *Charter*. This was a common commitment by the bishops of the United States to act in a concerted way with regard to the issue of clerical sexual abuse of minors.

At that same meeting the bishops also passed and forwarded to the Holy See for its *recognitio* a set of *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons*, commonly referred to as the *Essential Norms*. These *Norms* established, among other things, that “When even a single act of sexual abuse by a priest or deacon is admitted or is established after an appropriate process in accord with canon law, the offending priest or deacon will be removed permanently from ecclesiastical ministry, not excluding dismissal from the clerical state, if the case so warrants.” Diocesan bishops and eparchs were also reminded that they have “the executive power of governance, through an administrative act, to remove an offending cleric from office, to remove or restrict his faculties, and to limit his exercise of priestly ministry.” (*Norm 9*)

In the case of clerical sexual abuse of a minor, this could be by means of a penal decree or a penal precept, since it involves a delict (c. 1395§2).

The universal law of the Church, by virtue of the *motu proprio Sacramentorum sanctitatis tutela*, has given the Congregation for the Doctrine of the Faith exclusive competence over matters involving clerical sexual misconduct with minors. In removing the bishop’s discretionary authority given by c. 1718, the universal law of the Church requires that, after the preliminary investigation has been conducted in accord with c. 1717, the bishop is to forward to the Congregation for the Doctrine of the Faith all cases involving clerical sexual misconduct with a minor, and request further instruction from that Congregation as to how to proceed.

The case of **Reverend John Robinson** was referred to the Congregation for the Doctrine of the Faith on 31 July, 2003. Having reviewed the material submitted by the Archdiocese of Chicago, in a letter of 21 July, 2004 (P.N. 289/03-19665), Cardinal Ratzinger, then Cardinal Prefect of the Congregation for the Doctrine of the Faith and now His Holiness Pope Benedict XVI, granted me permission to impose a penal precept on Father Robinson for a determinate period of time. However, his letter continued, “This of course would not exclude that, at the end of the said determinate period, the competent Ordinary may deem it necessary, upon review of the circumstances, to issue a new decree for a further determinate time.”

In accordance with the directives of the Congregation of the Doctrine of the Faith, and considering this matter in light of the common good (c. 223); seeking ways to repair scandal and restore justice (c. 1341); reviewing again the accusations made against **Father Robinson**; having consulted his Advocate, Rev. Gregory T. Bittner; and having prayed for Wisdom and Understanding to decide this matter, I hereby make the following provisions with regard to **Reverend John Robinson**:

I am morally certain that Father Robinson is guilty of a violation of the sixth commandment of the Decalog with a minor (c. 2359§2 of the 1917 Code of Canon Law and c. 1395§2 of the present Code). However, his own defense brief, as well as that of his Advocate, has persuaded me that all of the details of the abuse that are offered by the accuser, while they may have occurred, did not occur as the result of Father Robinson's actions. Nonetheless, I am morally certain that Father Robinson, of his own admission, engaged in inappropriate behavior with this individual which involved "bare bottom spankings." This was as inappropriate in 1972 as it is today and constitutes the delict mentioned in c. 1395§2.

Because this inappropriate behavior occurred with a minor, I cannot assign Father Robinson to any ministry where he would be in contact with minors. This would preclude any parish ministry.

I have therefore determined that Father Robinson's Archdiocesan faculties ought to be removed for a period of three years. At the end of that period of time, I will again make a determination about this matter. Father Robinson is permitted to celebrate Mass privately. He may celebrate the Sacrament of Reconciliation and the Anointing of the Sick in danger of death only. His salary shall be determined at the level of an associate pastor, less any administrative expenses as determined by particular law of the Archdiocese of Chicago.

With regard to other matters as to where Father Robinson ought to live and what work he might do, I hereby designate the Vicar for priests and the Professional Responsibility Administrator to act as my delegate in determining these matters.

I also direct the Vicar for Priests, in conjunction with the Professional Responsibility Administrator, to work with Father Robinson to determine a monitoring protocol, and to provide Father Robinson with any therapeutic intervention as needed.

With this decree, I dispense Father Robinson from the obligation to wear ecclesiastical garb (c. 284) for a period of three years, and strongly urge that he not wear such attire. Furthermore, he is not to represent himself as a priest to those unknown to him nor act as an agent of the Archdiocese of Chicago.

I also encourage Father Robinson to observe the prescriptions of canons 273 to 289 concerning the obligations and rights of clerics. That is, he is to show reverence and obedience to the Supreme Pontiff and to his ordinary (c. 273); to unite himself with the presbyterate of Chicago and promote the mission of the laity (c. 275); to pursue holiness of life, especially by availing himself of daily prayer, monthly spiritual direction and an annual retreat (c. 276); to pursue opportunities for continuing education (c. 279); to foster simplicity of life (c. 282); and to foster peace and harmony based on justice (c. 287).

I further urge Father Robinson to refrain completely from all things which are unbecoming or, foreign to the clerical state (c. 285) and which could bring further scandal upon the Church.

Most especially, I remind Father Robinson of his obligation to observe perfect and perpetual continence for the sake of the kingdom and to behave with due prudence toward persons who could endanger this obligation (c. 277).

In issuing this precept, I am also grateful to Father Robinson for his patience during this very difficult time and for his cooperation in all that has been asked of him. I hope that by the provisions of this decree Father Robinson may renew and deepen his commitment to the priestly life in prayer and penance. I ask that he remember especially in his prayers all those who have suffered from sexual abuse, and ask that the healing power of God be with them and make them whole.

These provisions will remain in effect for a period of three years, at which time they will be reviewed to see if they ought to be renewed or altered in any way.

Given at Chicago, Illinois, on the 22nd day of July, 2005. All things to the contrary notwithstanding.

MEMORANDUM

To: File – PFR-98

From: Leah McCluskey, Professional Responsibility Administrator 

Re: Robinson, Rev. John [Withdrawn]

Date: September 20, 2005

Cardinal Francis George, O.M.I., Rev. Patrick Lagges, Judicial Vicar, Revs. Edward Grace and Vincent Costello Vicars for Priests, and PRA traveled to the Cardinal Stritch Retreat House to meet with Rev. John Robinson on August 3, 2005. The meeting had been scheduled at the request of Cardinal George so that he could speak with Fr. Robinson about the “Penal Decree and Precept resolving the matter against Reverend John Robinson (DCF P.N. 289/03 – 19665).”

Cardinal George began the meeting with a prayer and then provided Fr. Robinson with a copy of the aforementioned decree [see file]. Fr. Lagges informed Fr. Robinson that a copy of the decree has been mailed to his canonical advocate, the Very Rev. Gregory T. Bittner.

Cardinal George informed Fr. Robinson that this matter was referred to the Congregation for the Doctrine of the Faith [CDF] on July 31, 2003 and that the response was received from the CDF on July 21, 2004. The Cardinal also informed Fr. Robinson that he has completed his review of the case of sexual misconduct with minors that has been pending against him. Cardinal George read over and summarized the decree and imposed penalty for Fr. Robinson.

Fr. Costello was identified as Fr. Robinson’s new Vicar for Priests. As stated in the decree, Cardinal George instructed the Vicar for Priests and PRA to work with Fr. Robinson on identifying a new residence and work that is not considered to be public ministry.

Cardinal George thanked Fr. Robinson for his patience and his prayers. Fr. Lagges then talked to Fr. Robinson about the possibilities of work identified for him and the other priests withdrawn from ministry [as a result of allegations of the sexual abuse of minors], such as working for the cemeteries and/or Archdiocesan Archives.

AOC 019733

Fr. Robinson expressed the positives of living at the retreat house, including the privacy he and the other withdrawn priests have experienced. He then informed Cardinal George of his preference to remain at the retreat house.

Prior to ending the meeting, Fr. Lagges suggested to Fr. Robinson that he write on the copy of the decree he was given "received August 3, 2005."

Dear Father Fagan:

As you know, Cardinal George has resolved eleven cases of priests heretofore temporarily removed from public ministry as a result of an allegation of abuse of a minor. In accord with our policies and practices, victims and the affected parish communities will be informed about the resolution of the cases. With that in mind, I ask that you share the enclosed letter with your parishioners at Masses this weekend.

I suggest you do so in a manner that, in your judgment, best suits your particular parish situation: pulpit announcement (experience has demonstrated that such announcements are best made after Communion), bulletin announcement/insert, copies distributed after weekend Masses, or a combination of these.

Thank you for your cooperation in fulfilling this request, even though it is with short notice.

To the Parishioners of Queen of the Rosary Parish:

As you know, some time ago Father John Allen Robinson was temporarily withdrawn from ministry following Cardinal George's acceptance of the advice of the Independent Review Board that there was reason to suspect that Father Robinson engaged in sexual misconduct with a minor. According to Canon Law, this determination by the Review Board was forwarded to the Holy See for its review. This is to report to you that this process has been concluded.

Specifically, the Holy See reviewed and confirmed Cardinal George's acceptance of the advice of the Review Board and authorized Cardinal George to resolve the matter administratively. Pursuant to that instruction, Cardinal George reviewed all of the information collected, listened to the opinions of canonical advocates, and sought advice from his own canonical advisors as well as from assessors who are canon lawyers independent of the Archdiocese of Chicago.

Cardinal George has determined based upon the information presented that sexual misconduct did occur with a minor, and he has prohibited Father Robinson from engaging in any public ministry, presenting himself as a priest, or acting as an agent of the Archdiocese of Chicago.

It is my hope and prayer that while this announcement is yet one more reminder of a sad reality, it may also bring a measure of finality and peace to the people of Queen of the Rosary Parish.

Please keep in your thoughts and prayers all those affected by the sin of abuse. They and all of you are daily in my prayer.

Sincerely yours,

Critics are concerned about priests living on the grounds of the University of St. Mary of the Lake in Mundelein recently removed by the Chicago Archdiocese on allegations of sexual misconduct.

Police want list of punished priests

Mundelein officials want the Chicago Archdiocese to provide information on several priests living on seminary grounds in the village who have been removed from public ministry after allegations of sexual misconduct with minors.

Nearly all the 11 priests ousted by Cardinal Francis George last week reside on the grounds of University of St. Mary of the Lake off Route 176. Some of the priests have lived there since 2002, but village authorities learned of it only recently, Police Chief Raymond J. Rose said.

Some of the priests are in nursing homes, an archdiocese official said. Seven of the priests had ties to churches in Cook, Lake and DuPage counties. The allegations date back 50 years, past the statute of limitations for criminal prosecution.

Rose said the priests don't have to register as sex offenders, but police would like to follow the same procedure and have their files available in the event of an incident. He said the village is aware of the archdiocese's concern about the priests' privacy.

"We're trying to find that middle ground that allows us to have the information, so the community is aware that we have the information," he said. "Should there ever be any reports or concerns, we would

have that file in the police department."

Rose said any information on the priests would remain confidential.

An archdiocese official said Tuesday the Mundelein police request is under consideration.

"It's a very difficult conundrum at the moment," said Colleen Dolan, archdiocese director of communications and public relations. "I would presume the lawyers would have to look at the legalities of this because you can't just put (the priests') names on a list."

Though the archdiocese has not released a full list of the removed priests' names, officials there confirmed a list obtained by the Daily Herald. It has been widely published.

Mundelein police are asking for more than just names. Officials want to know how to identify the men, details of the allegations against them and how they are being monitored.

Mundelein Mayor Kenneth Kessler said while police are being cautious, there is no reason for alarm about the accused priests living on the seminary grounds.

"It's not like this just happened last week," he said. "These people have been there and there have been no problems to date. We actually have far better ability to know what's going on with an organization of that nature than what's going on up and down the streets of regular old, private Mundelein."

Though the archdiocese has not released a full list of the removed priests' names, officials there confirmed a list obtained by the Daily Herald. It has been widely published.

Mundelein police are asking for more than just names. Officials want to know how to identify the men, details of the allegations against them, and how they are being monitored.

Mundelein Mayor Kenneth Kessler said while police are being cautious, there is no

reason for alarm about the accused priests living on the seminary grounds.

"It's not like this just happened last week," he said. "These people have been there and there have been no problems to date. We actually have far better ability to know what's going on with an organization of that nature than what's going on up and down the streets of regular old, private Mundelein."

Still others are calling for that information to be made public.

Veteran Lake County Children's Advocacy Center investigator Mark Pleasant said the public should know whether the priests undergo counseling and the severity of their supposed offenses.

"The whole problem here is the lack of information that is available," said Pleasant, who works for an arm of the Lake County state's attorney's office. "These people exist (under) a veil of secrecy."

Dolan said the priests are not under house arrest but must check in with a monitor before leaving university grounds. At times, they may be accompanied by a chaperone. They are allowed to drive cars. They are forbidden from being alone with minors.

Their living quarters were once a retreat house now used solely as a home for removed priests. It is separated by a lake from the seminary campus.

"They are not mixed in with the seminarians, and they definitely should not make plans to go where there are children," Dolan said. "Each one of them, in order to maintain this process, have signed a document to the cardinal saying that they will abide by these rules."

The priests are required to "lead a life of prayer and penance." They should also

receive regular counseling, Dolan said. The priests also can move out of the seminary and leave the priesthood at any time, she said.

But critics say the archdiocese's monitoring system does not work. One such priest accused of sexual misconduct, the Rev. John Callicott of Chicago, slipped under the radar.

Callicott was removed as pastor of Holy Angels parish on Chicago's South Side in 2002 amid accusations he engaged in sexual misconduct with two teenage boys in the 1970s at another church. He was sent to the University of St. Mary of the Lake.

In January 2004, controversy arose when archdiocese officials learned Callicott was traveling from Mundelein, at the invitation of Holy Angels officials, to talk to grade-school students about sex.

"What they call monitoring leaves a lot to be desired," said Barbara Blaine, president of Chicago-based Survivors Network of Those Abused by Priests. "There is no way to monitor these guys 24 hours a day."

The cardinal has ordered a church trial for Callicott's case.

Dolan said there won't be a repeat of that case because all

MEMORANDUM

To: File

From: Leah McCluskey, Professional Responsibility Administrator 

Re: Cardinal Stritch Retreat House Residents

Date: October 7, 2005

Rev. Edward Grace, Vicar for Priests, Mr. John O'Malley, Director of Legal Services, and PRA traveled to the Mundelein Police Department today to meet with Mr. Raymond Rose, Chief of Police and Mr. Cameron Eugenis, Deputy Chief. The meeting was arranged to discuss those archdiocesan priests who have been withdrawn as a result of a substantiated allegation of the sexual abuse of a minor and currently reside at the Cardinal Stritch Retreat House located in Mundelein, Illinois. Chief Rose made it clear throughout the meeting that the discussion was not to include any withdrawn priest living in Mundelein who is already a registered sex offender.

After preliminary discussion surrounding the process of a priest being withdrawn from ministry and the Review Board process, Mr. O'Malley informed Chief Rose and Deputy Chief Eugenis of the information that Francis Cardinal George had wished to share with the Mundelein police concerning the aforementioned priests.

Chief Rose stated that basic information they would like to be provided on any priest removed from ministry and living at the Retreat House would be their date of birth, a picture of each man, and a picture of each man's car. Through further discussion, the following information was also requested on each aforementioned priest: height, weight, eye color, hair color, social security number, driver's license number and expiration date, employment information, vehicle information [make, model, year, color, license plate number].

It was also agreed that PRA would contact Chief Rose and Deputy Chief Eugenis via phone in the event that one of the aforementioned priests moves into or out of the Retreat House.

PRA then verbally provided the following information on each withdrawn priest residing at the Retreat House, which was recorded by Chief Rose's secretary: name, date of birth,

AOC 019739

date removed from ministry, and the date of the last substantiated allegation. PRA also verbally provided a basic summary of the monitoring protocol that each withdrawn priest has been asked to follow.

Archdiocese settles with 24 accusers

October 28, 2005

BY CATHLEEN FALSANI Religion Reporter

The Roman Catholic Archdiocese of Chicago has reached an out-of-court settlement with two dozen men and women who say they were sexually abused as minors by priests of the archdiocese, lawyers for the victims and a spokesman for Cardinal Francis George said Thursday.

The settlement involves 14 current or former priests, none of whom is in active ministry today. Five of the men – Eugene Burns, William Cloutier, Jeremiah Duggan, Leonard Kmak and Marion Snieg – are deceased, said Jim Dwyer, a spokesman for George.

The other nine – John Curran, James Hagan, Thomas Job, Thomas Kelly, Vincent McCaffrey, John Robinson, Ralph Strand and Thomas Swade – have been removed permanently from ministry, Dwyer said.

Since 1950, the Chicago archdiocese has received credible allegations of sexual abuse of minors against 60 priests, Dwyer said. At a press conference Thursday, Jeffrey Anderson and Marc Pearlman, attorneys for the 24 abuse survivors, released a list of 38 priests (including the 14 involved in the settlement) they say have credible allegations of abuse against them.

Abuse long ago

Dwyer confirmed that their list of 38 was accurate, but declined to name the remaining 22 priests or provide a comprehensive list of the names of all 60 priests who have been accused since 1950, citing concerns about naming someone publicly who has never been charged criminally or sued for sexually abusing minors.

Many of the priests accused of abuse in the Chicago archdiocese and elsewhere never have been successfully prosecuted or sued because the alleged abuse took place so long ago, civil and criminal statutes of limitation have expired.

List of accused priests

While they commended archdiocesan officials for their willingness to negotiate and settle with abuse survivors whose cases were beyond statutes of limitations, Anderson and Pearlman called on archdiocesan officials to release a comprehensive list of priests who stand accused of abusing minors.

"Until they come clean, as it were, with what they know, children are at risk, the parishes of the archdiocese of Chicago are not safe and we are deeply worried," said Anderson, a St. Paul, Minn., attorney who has represented hundreds of clergy sex abuse victims across the nation.

Neither Anderson, Pearlman, nor Dwyer would disclose the monetary amount of the settlement.

OFFICE OF PROFESSIONAL RESPONSIBILITY

Plaintiffs,

vs.

06CH02017

The Archdiocese of Chicago d/b/a The Catholic
Bishop of Chicago, a corporation sole,

Defendant.

CLASS ACTION COMPLAINT

NOW COMES the Plaintiffs, individually and on behalf of all others similarly situated, by and through their attorneys, JEFF ANDERSON & ASSOCIATES and KERNS, PITROF, FROST & PEARLMAN, to obtain declaratory and injunctive relief against Defendant, states as follows:

INTRODUCTION

1. This Complaint seeks declaratory judgment and injunctive relief against the Archdiocese of Chicago. The Archdiocese of Chicago has established a policy of harboring and protecting suspected child molesting agents, thereby endangering numerous children in Illinois. The Archdiocese has information about a number of suspected child molesting agents that it has never disclosed to law enforcement or the public at large, thereby causing children such as John Doe 100 to be harmed. Further, on information and belief, the Archdiocese has a policy and

practice of document destruction. This declaratory relief and injunction action seeks to have the Archdiocese produce all documents regarding the molestation of children by its agents for court supervision, to release the names of all agents accused of molesting children to the court and to the public, and to enjoin the Archdiocese from destroying any documents regarding suspected childhood sexual abuse by its agents.

JURISDICTION AND VENUE

2. This Court has jurisdiction over this action because it seeks to redress violations of the plaintiffs' rights and to protect children in Illinois that are in imminent danger. Venue is proper because the Archdiocese resides in Cook County and the majority of the allegations herein involve occurrences in Cook County.

PARTIES

3. Plaintiff John Doe 100 is a minor. Mother Doe 100 is John Doe 100's mother and legal guardian. At all times material, Plaintiff John Doe 100 was a resident of the State of Illinois. At all times material, Mother Doe 100 was a resident of the State of Illinois.

4. The identities of all Doe Plaintiffs are made known to Defendants through separate cover letter.

5. Plaintiff [REDACTED] is a thirty five year old Chicago resident. [REDACTED] was sexually molested as a child by [REDACTED] a religious order priest who was serving at a parish within the Archdiocese at the time of the abuse.

6. At all times material, the Catholic Bishop of Chicago, a Corporation Sole (hereinafter "Archdiocese of Chicago") was and is an Illinois corporation. Defendant has approximately eight hundred fifty four Diocesan priests serving in two counties in the State of

Illinois. At all times material to the complaint, Defendant Archdiocese was conducting business in the State of Illinois.

CLASS ACTION ALLEGATIONS

7. Plaintiffs bring this action on behalf of themselves and, pursuant to 735 ILCS 5/2-801, as the representatives of the class of persons who have been molested as children by an agent of the Archdiocese of Chicago and on behalf of those children who have not yet been abused, but who are in imminent danger of abuse because the Archdiocese has not released the names and files of agents that have been accused of molesting children or accused of inappropriate sexual behavior with children to either the public or to the court.

8. The Plaintiff class is so numerous that joinder of all members is impracticable. In its own self report, the Archdiocese asserted that there were 142 cases where they had reason to suspect that an agent had sexually molested a child. These numbers only include information that was reported to the Archdiocese. The underlying data for the results was not disclosed to the public.

9. There are questions of fact or law common to the class, which predominate over questions affecting only individual members. The common questions of law or fact include, but are not limited to: whether the Archdiocese of Chicago has failed to protect children by not releasing the names of its agents who have been accused of molesting children to the public and law enforcement and whether the Archdiocese has or is destructing documents in order to cover up or conceal crimes against children by clergy serving in and/or employed by the Archdiocese.

10. The Plaintiffs will fairly and adequately protect the interests of the class. The interests of the plaintiffs are the same as those of all class members because they have all been

sexually abused by an agent of the Archdiocese of Chicago or are in danger of being molested by an agent of the Archdiocese of Chicago because the Archdiocese's information is not public. All have an interest in preventing the sexual abuse of any further children by agents of the Archdiocese of Chicago.

11. A class action is an appropriate method for the fair and efficient adjudication of the controversy alleged in this complaint. The expense and burden of individual litigation would make it difficult or impossible for individual members of the class to redress the wrongs done to them. The cost to the court system of adjudication of such individualized litigation would be substantial. Individualized litigation would also present the potential for inconsistent or contradictory judgments and would magnify the delay and expense to all parties and the court system. By contrast, the conduct of this action as a class action presents far fewer management difficulties, conserves the resources of the parties and court system, and protects the rights of each class member. In addition, the prosecution of separate actions by the individual members of the class would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the defendant.

ALLEGATIONS OF FACT

12. [REDACTED] (hereinafter "[REDACTED]") was ordained a priest of the Archdiocese of Chicago in approximately 1994.

13. At all times material, [REDACTED] was employed by the Archdiocese. [REDACTED] was an ordained Roman Catholic Priest educated, trained and ordained by, and under the direct supervision, employ, agency and control of the Archdiocese. Among [REDACTED] duties in his employment was to provide pastoral care and counseling for

members of his denomination.

14. In approximately the winter of 2000, a nun at Holy Family Church in Chicago reported to the Archdiocese of Chicago that [REDACTED] asked a fourth-grade boy to pull down his pants in the sacristy at Holy Family.

15. The nun reported this numerous times to the Archdiocese.

16. On information and belief, on one occasion when the nun reported it to the Archdiocese, an official told her that "if the parents aren't pushing it, let it go."

17. After these reports, the nun made a final report to the Archdiocese, this one a written report of [REDACTED] behavior.

18. On information and belief, in 2000, the Archdiocese did not report [REDACTED] to law enforcement, did not tell any of the parishioners at any of the parishes [REDACTED] worked at in the past about the report, did not tell any of the parishioners at any of the parishes where [REDACTED] worked after these reports, and did not tell any other children or parents about the report.

19. On information and belief, after the nun reported the abuse to the Archdiocese, the Archdiocese transferred [REDACTED] to another parish, St. Agatha's in Chicago.

20. On information and belief, despite the report, the Archdiocese allowed [REDACTED] to teach at an Archdiocesan school and coach a boys basketball team.

21. In response to the clergy abuse scandal, the United States Catholic Conference of Bishops passed the Dallas Charter.

22. On information and belief the Bishops passed the Dallas Charter in 2002. The Charter was only enforced, if at all, from within. There was no meaningful external non church

oversight over its enforcement.

23. Cardinal Francis George represented to the public that the Charter was a “zero tolerance” policy that committed them to removal of priests in childhood sexual abuse cases. He also represented to the public that a priest with even one act of sexual misconduct with a child should not be allowed in public ministry in order to protect children.

24. In January of 2003, the Archdiocese released a “Ten Year Report” that purported to give information about the Archdiocese’s efforts to stop childhood sexual abuse by clerics in the previous ten years.

25. On information and belief, the Ten Year Report purports to give the current status of priests that were accused of molesting a child anytime from 1993 to 2003. The report indicates that no priest accused of abuse during that time period is in any form of ministry in the Archdiocese of Chicago.

26. The Ten Year Report also states that officials of the Archdiocese have reported all allegations, including those not deemed credible, to the appropriate public authorities.

27. On information and belief, the Archdiocese did not include [REDACTED] in the Ten Year Report.

28. Also in response to the clergy abuse scandal, the United States Catholic Conference of Bishops agreed to participate in a self report survey conducted by the John Jay College.

29. As part of the John Jay survey, each Diocese submitted the number of priests that had allegations of sexual misconduct with a minor within the particular Diocese.

30. On information and belief there was no oversight over the information that was

given to the John Jay College. It was completely up to the particular Diocese to respond honestly.

31. The John Jay College defined "allegation," as all recorded notifications of clerical sexual misconduct with minors, whether or not they resulted in any investigation or whether there was reasonable cause to suspect abuse had occurred.

32. In 2004, the Archdiocese reported that it had reason to believe that 55 priests had sexual misconduct with a minor.

33. In 2004, Cardinal George and the Archdiocese represented to the public that there were no priests that were accused of childhood sexual abuse that were in public ministry in the Archdiocese of Chicago.

34. On information and belief, the Archdiocese did not include [REDACTED] in the 2004 John Jay numbers.

35. On information and belief in August of 2005, the Archdiocese learned that law enforcement was investigating [REDACTED] for childhood sexual abuse.

36. On information and belief, in August of 2005, the Archdiocese did not inform the law enforcement that a nun had reported that [REDACTED] had acted in a sexually inappropriate manner with a child in 2000.

37. On information and belief, just as it did in 2000, the Archdiocese did not report or warn any of the parishioners, the public, or the parents at St. Agatha parish that law enforcement was investigating [REDACTED] for childhood sexual abuse.

38. On information and belief, the Archdiocese elevated [REDACTED] to a position of authority in the Archdiocese on September 1, 2005. It appointed him as Dean of a Deanery of

the Archdiocese. This is an honored, respected, and supervisory position within the Archdiocese. This meant that [REDACTED] was still at St. Agathas, but also had some supervisory authority over roughly 20 parishes in the Archdiocese.

39. The Archdiocese allowed [REDACTED] to remain at St. Agathas and in the position of Dean until at least January of 2006, more four months after the Archdiocese received at least its second report of sexual misconduct against a minor by [REDACTED]

40. In January of 2006, Chicago law enforcement arrested [REDACTED] and charged him with sexually molesting two boys on multiple occasions.

41. On information and belief, the nun who reported the abuse to the Archdiocese in 2000 was contacted by the Archdiocese the day before [REDACTED] was arrested. The Archdiocese indicated to the nun that it did not have the nun's letter.

42. On information and belief, the Archdiocese also stated publicly that it has no written record of the nun's reports or the actual letter.

43. On information and belief, the Archdioceses and Dioceses across the United States, including the Archdiocese of Chicago, have been instructed to destroy documentation of sexual misconduct by priests and/or to send any of this material to the Holy See in order to claim it is immune from public discovery or disclosure.

44. On information and belief, the Archdiocese has not released the names of the 55 priests that it deemed as having reason to suspect committed sexual misconduct with children.

45. On information and belief, the Archdiocese has also not released the names of any of the other clerics, like [REDACTED], who were accused of sexual misconduct and are still in parishes, but not included in the Ten Year Report or the John Jay Survey.

46. Although the Archdiocese had not released the names of offenders, some names of Archdiocesan clerics accused of sexual misconduct have been released during the course of litigation. These names were released in 2005:

47. Names that have not previously been released but who, on information and belief, have been accused of sexual misconduct with a minor:

1) James Flosi

48. There are also a number of religious order priests who worked in the Archdiocese. On information and belief, the Archdiocese had control and/or supervision over these clerics while they were working in the Archdiocese. On information and belief, the Archdiocese knows about these clerics' misconduct. On information and belief, those religious order clerics that have been accused of sexual misconduct are:

- 1) Robert Berlet (Christian Brothers)

19) Patrick Strong (Augustinians)

49. [REDACTED] sexually molested John Doe 100 at some point between approximately 2000 and 2005, when John Doe 100 was a minor child.

50. Neither John Doe 100 nor Mother Doe 100 knew that the Archdiocese had received reports about [REDACTED] sexual abuse of children.

COUNT I
(Injunction - Release of Names)

51. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count I.

52. Plaintiffs bring Count I on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

53. The practices of the Archdiocese of Chicago have endangered numerous children in the past and these practices will continue to put children at risk in the future.

54. Plaintiffs and the class have the right to not be sexually molested by clerics of the Archdiocese of Chicago.

55. The Archdiocese owes a duty to warn all children and their parents that come into contact with its clerics of allegations of sexual misconduct by the clerics because these children and their parents hold clerics in an esteemed position, which gives clerics virtually unlimited access to children.

56. The Archdiocese also owes a duty to children and their parents to release all of the names of clerics against whom the Archdiocese has deemed to have credible allegations of

sexual misconduct with children to the court and to the public at large.

57. The Archdiocese also owes a duty to children and their parents to release all of the names of clerics that have been accused of sexual misconduct with children to the court and to the public at large.

58. Unless injunctive relief is granted numerous children in Illinois are at risk of being sexually molested by clerics of the Archdiocese.

59. In order to ensure that children are protected and free from sexual molestation by clerics, the plaintiffs and the members of the class are entitled to an injunction ordering that the Archdiocese do the following:

- a) Release the names of all 55 of the priests that it reported to the John Jay Survey to the court and to the public.
- b) Release the names of all other clerics, like [REDACTED], that were not included in the John Jay Survey, but against whom the Archdiocese has received allegations of sexual misconduct by the cleric with children to the court and to the public.

COUNT II
(Injunction - Documents)

60. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count II.

61. Plaintiffs bring Count II on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

62. On information and belief, the Archdiocese still has documents that are evidence of crimes committed by clerics against children.

63. The Archdiocese has a duty to the public at large and to law enforcement to not

destroy any documents that evidence a crime.

64. The Archdiocese has a duty to children that were abused by clerics to not destroy any documents relating to the sexual misconduct or alleged sexual misconduct of any cleric at anytime in the Archdiocese of Chicago.

65. On information and belief the Archdiocese has destroyed documents and/or concealed documents and/or failed to give documents to law enforcement relating to sexual misconduct or alleged sexual misconduct by clerics of the Archdiocese.

66. Unless injunctive relief is granted, children will be at imminent risk of being molested by clerics of the Archdiocese, law enforcement will be prevented from doing its job, and those children that have already been molested by clerics will have their rights negatively affected.

67. In order to ensure that children are protected and free from sexual molestation by clerics, the plaintiffs and the members of the class are entitled to an injunction ordering that the Archdiocese do the following:

- a) Turn over any document with any connection to any allegation of sexual misconduct by a cleric against a child to the Illinois Courts for supervision of these documents.
- b) Turn over any document with any connection to any allegation of sexual misconduct by a cleric against a child to law enforcement.
- c) Cease in the destruction or spoliation of any documents with any connection to any allegation of sexual misconduct by a cleric against a child.
- d) Cease to conceal or misplace any documents with any connection to any

allegation of sexual misconduct by a cleric against a child.

COUNT III
(Declaratory Judgment)

68. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count III.

69. Plaintiffs bring Count III on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

70. There is an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practices of not releasing the names of those clerics that have been accused of molesting children.

71. There is also an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practice of not removing a cleric that is accused of molesting a child from any position where the cleric has any contact with children.

72. Finally, there is an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practices of destroying and/or concealing documents evidencing allegations of sexual misconduct by clerics.

73. The plaintiffs and members of the plaintiff class are entitled to a declaration that the Archdiocesan practices of not releasing the names of clerics accused of sexual misconduct with minors, not removing clerics that are accused of sexual misconduct with children from positions where they have access to children, and by destroying and/or concealing documents, is

not adequate to protect children.

WHEREFORE, Plaintiffs respectfully request that this Court grant the relief requested within this complaint or any other relief the Court deems just in order to protect children.

INDIVIDUAL SPECIFIC PROTOCOLS
 For
Rev. John Robinson

The Individual Specific Protocols (ISP) implement the primary goal of promoting the safety of minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office of Professional Responsibility, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Professional Responsibility Administrator (PRA). The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for Rev. John Robinson is as follows (PRA to initial all that apply):

1. The client is restricted from being alone with a minor or minors, that is anyone under the age of 18, without the presence of another responsible adult.

2.

3.

4. The "Clergy Daily Log" to be completed on a daily basis and co-signed by the monitor. The log is a tool that is used for the protection of minors, the cleric, the monitor and the Archdiocese. Although it identifies time periods, it is intended to provide a general record of the day rather than a detailed clock. If you are describing an off-site activity, please include your destination and the general purpose of the visit or activity. For example, it is enough to indicate that you did personal shopping at a given Shopping Center rather than the details of each individual store. However, if your self-description is challenged or a complaint is lodged with the Archdiocese, some documentation and verification may be necessary to sufficiently address the situation.

5. Abide by the assignment of residence to Cardinal Stritch Retreat House

6. (W) Must complete and submit the "Travel/Vacation Agreement", and obtain concurrence with the Agreement, prior to a scheduled departure. In the event of a prolonged stay in a particular location, the Archdiocese is required to notify the Ordinary of that place of your presence there.
7. N/A Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of _____ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
8. No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* apply as they do to all Archdiocesan personnel.
9. No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. On-site visits by the PRA and the VP annually to include a meeting with the cleric.

This Individual Specific Protocol is to be reviewed annually with PRA, VP, and the cleric. Also, there can be additional, written notations tailored to the needs of a specific situation which are signed by all parties and appended to this document. Any change or alteration to this agreement will involve consultation with the cleric, his monitor, the PRA, and the VP. The cleric, his monitor, the PRA, or the VP can initiate the discussion for change or alteration, or request that this Individual Specific Protocol be reviewed by the Professional Responsibility Review Board. At the discretion of any of the parties, the legal and/or canonical counsel of the cleric may be involved in the discussions.

I have reviewed, understand, and agree to all of these individual specific Protocols.

INDIVIDUAL SPECIFIC PROTOCOLS
For
Rev. John Robinson

The Individual Specific Protocols (ISP) implement the primary goal of promoting the safety of minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office for Child Abuse Investigations and Review, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Director of the Office for Child Abuse Investigations and Review (Director). The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for Rev. John Robinson is as follows (Director to initial all that apply):

1. The client is restricted from being alone with a minor or minors, that is anyone under the age of 18, without the presence of another responsible adult.

2.

3.

4.  The "Clergy Daily Log" to be completed on a daily basis and co-signed by the on-site supervisor. The log is a tool that is used for the protection of minors, the cleric, the on-site supervisor and the Archdiocese. Although it identifies time periods, it is intended to provide a general record of the day rather than a detailed clock. If you are describing an off-site activity, please include your destination and the general purpose of the visit or activity. For example, it is enough to indicate that you did personal shopping at a given Shopping Center rather than the details of each individual store. However, if your self-description is challenged or a complaint is lodged with the Archdiocese, some documentation and verification may be necessary to sufficiently address the situation.

5.  Abide by the assignment of residence to Cardinal Stritch Retreat House, Mundelein, IL.

6. W Must complete and submit the "Travel/Vacation Agreement," and obtain concurrence with the Agreement, prior to a scheduled departure. In the event of a prolonged stay in a particular location, the Archdiocese is required to notify the Ordinary of that place of your presence there.
7. W N/A Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of _____ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
8. No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* apply as they do to all Archdiocesan personnel.
9. No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. On-site visits by the Director and the VP annually to include a meeting with the cleric.

This Individual Specific Protocol is to be reviewed annually with the Director, VP, and the cleric. Also, there can be additional, written notations tailored to the needs of a specific situation which are signed by all parties and appended to this document. Any change or alteration to this agreement will involve consultation with the cleric, his on-site supervisor, the Director, and the VP. The cleric, his on-site supervisor, the Director, or the VP can initiate the discussion for change or alteration, or request that this Individual Specific Protocol be reviewed by the independent Review Board. At the discretion of any of the parties, the legal and/or canonical counsel of the cleric may be involved in the discussions.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Memo

To: John Robinson
From: Richard F. Hudzik
CC: File
Date: 10/10/2007
Re: Mundelein Park District

John:

In speaking with Ed Grace about the plans to go to the Mundelein Park District, he told me he would prefer you either stick with the Condell program or, if you like, go to where Jim Ray goes—at Bally's. Ed was concerned that some malicious gossip might seek to embarrass you or the Archdiocese showing "that removed priest" going to a park district facility which is adjacent to an outdoor swimming pool open to children. Also, the gym itself has a daycare in it for the parents who are exercising and who bring the kids along (although the gym itself is only for adults).

I will have to agree with Ed now that use of the park district is probably not worth the risk.

Let me know how I can help to get you going to Bally's. I think it is very important for your health, as well as your happiness. As I've said before, I am concerned you don't use the elevator all the time and that you might hurt yourself on the stairs. If some serious injury were to happen, we would likely be missing your company for many, many months—something we both want to avoid.

Dear Father Robinson,

This letter is to update you on actions we are taking to upgrade our monitoring and supervision program. For the past year, we have been reviewing the recommendations from the consultants we hired in 2006 as well as the Ad Hoc Committee who worked with us this past year to redesign our programs for oversight and compliance. We are now in the process of implementing improvements to both of these programs.

We have engaged Dr. Monica Applewhite, former president of Praesidium, Inc., the national accrediting body for religious communities seeking to comply with the *Charter for the Protection of Children and Youth* and *Essential Norms*, to design and recommend an individual protocol with each removed priest. Secondly, we have hired a new compliance supervisor, Ms. Shawnte Jenkins, to oversee compliance with these agreements and protocols.

The Vicar for Priests and members of the Office for the Protection of Children and Youth will be in contact with you to discuss these changes.

Please give them your cooperation.

ARCHDIOCESE OF CHICAGO

Office of the Archbishop

155 E. Superior St.
Chicago, Illinois 60611

D E C R E E

On July 22, 2005, I issued a decree removing Archdiocesan faculties from **Reverend John Robinson**, since I had determined that he had committed the delict of c. 1395§2. I also dispensed him from the obligation to wear ecclesiastical garb and forbade him to represent himself as a priest to those unknown to him or to act as an agent of the Archdiocese of Chicago. He was permitted to celebrate the Most Holy Eucharist privately, and celebrate the sacraments of Penance and the Anointing of the Sick for those in danger of death.

In giving me permission to provide for Father Robinson's case for a determinate period of time by means of a penal decree and precept, the Congregation for the Doctrine of the Faith also allowed for the possibility that "at the end of the said determinate period the competent Ordinary may deem it necessary, upon review of the circumstances, to issue a new decree for a further period of time." (CDF P.N. 289/03-19665)

Since neither the circumstances nor the particular law for the United States has changed in the past three years, I renew the provisions of my decree of July 22, 2005 for another three years. Since the responsibility for determining the terms of monitoring has now been given to the Office for Protection of Children and Youth, it is that office that will work with Father Robinson to establish a specific protocol for his monitoring and therapeutic intervention.

Given in Chicago, Illinois, on the 22nd day of July, 2008.

Francis Cardinal George, O.M.I.
Archbishop of Chicago

Ecclesiastical Notary

INDIVIDUAL SPECIFIC PROTOCOLS: JOHN ROBINSON

Implementation Date

August 15, 2008

BRIEF HISTORY OF INDIVIDUAL

John Robinson was born in 1945 in Charlotte, Illinois. He was an only child and converted to Catholicism as an elementary school student at Queen of All Saints Parish School. He graduated from Quigley Seminary High School in 1963 and was ordained in 1971. John Robinson served in parish ministry within the Archdiocese of Chicago for more than 30 years. He found work with those who were in the process of converting to Catholicism particularly gratifying. John Robinson has also had a long-term affinity for work and ministry with the elderly. He continues to have an interest in friendships with older priests and others with whom he has long-term relationships and shared hobbies (such as amateur radio).

HISTORY OF PROBLEM BEHAVIORS.

In 2002, John Robinson was accused of sexually abusing a fourteen-year-old male.

John Robinson acknowledged seeing the boy, contracting with him and utilizing bare-buttocks spanking as a disciplinary procedure, although he cannot recall the issues for which the boy was being punished. John Robinson does not acknowledge any sexual contact

At least one other allegation has come forward regarding John Robinson's sexually abusing a resident

in the Angel Guardian Orphanage where he served in ministry prior to ordination. The allegation was not investigated because it originated from a third party and not from the individual who was allegedly abused. At the time of the alleged abuse, John Robinson was not yet ordained and was serving as a caregiver in the Orphanage.

CURRENT CANONICAL STATUS.

July 31, 2003 John Robinson's case was referred to the Congregation for the Doctrine of Faith. Cardinal George requested a penal trial to be conducted by the Metropolitan Tribunal of the Archdiocese of Chicago. The Holy See reviewed and accepted Cardinal George's acceptance of the advice of the review board. Cardinal George was granted permission to impose a penal precept on John Robinson for a determinate period of time. The Penal Decree and Precept states that John Robinson is guilty of a violation of the sixth commandment of the Decalogue with a minor (c. 2359§2 of the 1917 code of Canon Law and c.1395§2 of the present code). Of his own admission, John Robinson engaged in inappropriate behavior that involved "bare bottom spankings" that constitutes the delict mentioned in c. 1395§2.

CURRENT LIVING ARRANGEMENT AND INVOLVEMENT WITH MINORS.

John Robinson is currently living in the Cardinal Stritch Retreat house with 8 other members of the archdiocesan priesthood who have been removed from ministry due to substantiated allegations of sexual abuse of minors. John Robinson does not leave the house every day and is often in his room. When John Robinson does go out, it is normally to have dinner with two other residents of the house or to go to a doctor's appointment. John Robinson [REDACTED] and often has lunch with a friend, [REDACTED] afterwards. Currently, the only minors John Robinson reports that he could come in contact with are relatives, whom he has not seen in over a year, or the children of his friend, [REDACTED] who has a boy and a girl who are reportedly middle or high school age.

Individual Specific Protocols

RISK MANAGEMENT STRENGTHS.

John Robinson does not appear to be attempting to spend time with minors or time in homes with children present. He also has relatively few known offenses more than 30 years ago. There are no known offenses from his years of parish work or any other environment in over 29 years.

RISK MANAGEMENT CHALLENGES.

John Robinson does not demonstrate clear understanding of the sexual nature of the allegations against him, nor does he report insight into the ways sexuality can influence other aspects of human behavior, for example, affecting eating patterns or anger management. Attention to these areas in his overall program of wellness possibly could strengthen his internal mechanisms of control with respect to interactions with others. Generally speaking, it will be important that John Robinson not be placed in authority over vulnerable people and not be permitted to openly or physically demonstrate anger, as these situations would be high-risk for him.

BRIEF HISTORY OF INDIVIDUAL

John Robinson was born in 1945 in ^{Chicago} Charlotte, Illinois. He was an only child and converted to Catholicism as an elementary school student at Queen of All Saints Parish School. He graduated from Quigley Seminary High School in 1963 and was ordained in 1971. John Robinson served in parish ministry within the Archdiocese of Chicago for more than 30 years. He found work with those who were in the process of converting to Catholicism particularly gratifying. John Robinson has also had a long-term affinity for work and ministry with the elderly. He continues to have an interest in friendships with older priests and others with whom he has long-term relationships and shared hobbies (such as amateur radio).

HISTORY OF ALLEGATIONS: SUBSTANTIATED AND NON-SUBSTANTIATED

ALLEGATION 1. TIMEFRAME: 1973

In 2002, John Robinson was accused of sexually abusing a fourteen-year-old male. [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] John Robinson does not acknowledge any sexual contact [REDACTED]
[REDACTED]

ALLEGATION 2. TIMEFRAME: UNKNOWN

At least one other allegation has come forward regarding John Robinson's sexually abusing a resident in the Angel Guardian Orphanage where he served in ministry prior to ordination. The allegation was not investigated because it originated from a third party and not from the individual who was allegedly abused. At the time of the alleged abuse, John Robinson was not yet ordained and was serving as a caregiver in the Orphanage.

CURRENT CANONICAL STATUS.

July 31, 2003 John Robinson's case was referred to the Congregation for the Doctrine of Faith. Cardinal George requested a penal trial to be conducted by the Metropolitan Tribunal of the Archdiocese of Chicago. The Holy See reviewed and accepted Cardinal George's acceptance of the advice of the review board. Cardinal George was granted permission to impose a penal precept on John Robinson for a determinate period of time. The Penal Decree and Precept states that John Robinson is guilty of a violation of the sixth commandment of the Decalogue with a minor (c. 2359§2 of the 1917 code of Canon Law and c. 1395§2 of the present code). Of his own admission, John Robinson engaged in inappropriate behavior that involved "bare bottom spankings" and constitutes the delict mentioned in c. 1395§2.

CURRENT LIVING ARRANGEMENT AND INVOLVEMENT WITH MINORS.

John Robinson is currently living in the Cardinal Stritch Retreat house with 5 other members of the archdiocesan priesthood who have been removed from ministry due to substantiated allegations of sexual abuse of minors. John Robinson does not leave the house every day and is often in his room. When John Robinson does go out, it is normally to have dinner with two other residents of the house or to go to a doctor appointment. [REDACTED]

[REDACTED] Currently, the only minors John Robinson reports that he could come in contact with are relatives, whom he has not seen in over a year, or the children of his friend, [REDACTED] who has a boy and a girl who are reportedly middle or high school age.

RISK MANAGEMENT STRENGTHS.

John Robinson does not appear to be attempting to spend time with minors or time in homes with children present. He also has relatively few known offenses more than 30 years ago. There are no known offenses from his years of parish work or any other environment during the time he was serving in parish ministry.

RISK MANAGEMENT CHALLENGES.

John Robinson does not demonstrate clear understanding of the sexual nature of the allegations against him, nor does he report insight into the ways sexuality can influence other aspects of human behavior, for example, effecting eating patterns or anger management. Attention to these areas in his overall program of wellness possibly could strengthen his internal mechanisms of control with respect to interactions with others. Generally speaking, it will be important that John Robinson not be placed in authority over vulnerable people and not be permitted to openly or physically demonstrate anger, as these situations would be high-risk for him.

COMMUNITY SUPPORT NETWORK FOR JOHN ROBINSON

COMMITMENT TO PARTICIPATE IN COMMUNITY SUPPORT

The Roman Catholic Archdiocese of Chicago has initiated a program of support and accountability for John Robinson who has been removed from ministry due to substantiated allegations of sexual abuse to a minor. The program is voluntary in that John Robinson may choose to participate or may choose to leave the priesthood. John Robinson has expressed his desire to engage in this program, fully recognizing it will mean a significant increase in accountability and a decrease in his overall levels of privacy. This is seen as a positive sign, as openness to support and intervention by others is one of the essential components for long-term abstinence from sexual offending.

The Archdiocese has asked John Robinson to identify the friends and family members who would be willing and able to offer support and accountability to him as he moves through his daily life. You were among those he identified.

If you are willing to accompany John Robinson in this way, the following is asked of you:

1. That you review John Robinson's history of allegations and substantiated offenses,
2. That you review his *Individual Specific Protocols*, which tell you what he is permitted to do and what he is not,
3. That you agree to support John Robinson through interrupting high-risk behaviors (such as his attempting to be alone with a minor) if they occur and informing his Compliance Supervisor of any other concerns or violations of the protocols,
4. That you agree to on-going, open communication with John Robinson's Compliance Supervisor so that any problems may be identified and addressed before they become serious.

I am personally grateful to you for considering what can only be considered a ministry to John Robinson and for the support you have offered him thus far. If, for any reason, you do not wish to participate in this program, please do not feel an obligation and please do not turn to the pages that follow which contain confidential information. If you would like to move forward with the commitment to participate, please indicate with your signature below. Once you have reviewed all of the information, you will have another opportunity to indicate your willingness to move forward. Thank you once again for considering this important work.

Jimmy M. Lago,

Chancellor

I have a commitment to support Thomas Swade in his personal program of wellness. I am willing and able to assist him in avoiding situations that could lead to further sexual misconduct and further harm to others, including misinterpretations of his behavior or false allegations of abuse.

A.

Here are my notes from my brief phone conversation with Shaunte Jenkins on 7/27/12 @ 11 a.m. Fr. [redacted] requested she call me.

1) Fr. Robinson cannot leave the [redacted] campus due to "risky behavior" after he visited with an unidentified person. John would make "sexy" remarks to a staffer. Again, she did not tell me what was said or ^{what} the staffer was.

2) Ms. Jenkins commented on the "deceptive behavior" of the unidentified person. She said John was "vulnerable".

3) My sister [redacted] and I can visit with Fr. Robinson but not take him off campus. per Jenkins.

4) Ms. Jenkins said that the behavior was not in line with Fr. Robinson's

previous behavior. I asked her if he understood the "compusing" and she said "Yes"

B. Comments:

I subsequently followed up with [redacted]. The staffer who talked to Mr. Jenkins was [redacted] a cert. nurse assistant. She told me she never intended for my sister & me to be unable to take Fr. Robinson out to lunch. She said Fr. Robinson was never a problem after he went out with me and my sister. [redacted] the administrator agreed. Please note that [redacted] and I always visit Fr. Robinson on Saturday or Sunday, after Mass. On those occasions we took him to lunch at Mattie's Restaurant on Rt. 83, a restaurant/coffee shop recommended to us by [redacted]. We've done this every 2-3 weeks since he began living at [redacted]. You indicated you knew Mattie's.

We also took Fr. Robinson to [redacted] (internist) in Lenox in Dec. 2011 and May 2012 at the request of [redacted]'s staff.

We took him to Golden Shoes in Palms (Harlem Ave) to buy new shoes

and slippers in June 2012. In January 2012 we took Fr. Robinson to Fitzsimmons Surgical Supply ^{in the area} to buy him a left "chair." [redacted] had requested that we buy them. I have credit card slips to verify the coffee shops we visited and [redacted] has guest books and a back you sign when you take a tenant off campus. We always sign them.

It is unfortunate that Mrs. Jenkins' name was so comprehensive. Fr. Robinson has asked me "Why can't I leave the facility?" I told him "I don't know. Apparently something happened in July." He told me that he & Jim Roy went to Hackney's in Palos for hamburgers.

When I spoke to [redacted] in Sept 2012 she said she wanted to keep Fr. Robinson at [redacted]. She'd requested a meeting with Mrs. Jenkins in September. I do not know what they discussed.

Fr., I have always told Fr. Robinson to follow the rules & be respectful & polite. I know he filled out the time sheets at Mundelein the best he could and signed in/out properly. Mrs. Jenkins acknowledged on July 27th that he'd always been observant.

④ FURTHER PROBLEM (NEW)

On Oct 2, 2012 there was a message on my voice mail it was from [REDACTED] a nurse at [REDACTED]. She said [REDACTED] (interest) called & they needed to see Fr John & draw some blood and do a urinalysis. I was to make the appointment & let them know when it was scheduled.

I called [REDACTED] on Oct 3 and asked for [REDACTED]. She was off, so I talked to another nurse [REDACTED]. [REDACTED] said that someone took Fr Robinson to see [REDACTED] on 9/25/12. She didn't know who took him.

I continued tracking this down because my sister and I had always taken Fr Robinson to the doctor and I knew nothing about this latest visit/incident. I have power of attorney for health, if needed, on your know.

On Oct 4, 2012 I spoke with [REDACTED] the administrator. She asked [REDACTED] the caregiver who helps John shower, etc took him to [REDACTED] office on 9/25/12. She had called Shawnte Jenkins and got her OK to have [REDACTED] take Fr Robinson to see [REDACTED]. Fr Robinson refused to have

blood drawn at the doctor's office and also twice more when a Mobile Lab visited [REDACTED]

She again spoke to Ms Jenkins & Ms Jenkins said "she'd call a priest." to talk to Fr. Robinson. I told [REDACTED] I would contact you the Vicar for Priests to see if you could help. You took me in 2011 to deal with you not the other office. You said on Oct 5th that you'd visit Fr. R.

So date. I have heard nothing more from [REDACTED] or Ms. Jenkins

On Oct. 4th I called you & we agreed to speak on Fri Oct 5th in the evening. I explained all this to you then & again today.

I've told Fr. Robinson that state law requires a doctor see them every 6 months. This, I presume is to avoid elder abuse plus he's living in a community insured by the state. I said if he lived in a private residence (like his parents' house or a rectory), the state would care. He is very afraid of needles & distrusts doctors. I don't know if that is from childhood or due to his

memory problems -

Since Ms. Jenkins has taken me
"out of the loop" ([redacted] & I can't
take him off campus), I consider
this an Archdiocesan problem to solve.

I would never tolerate "risky
behavior" by Fr. Robinson, nor would
my sister. I've always played by the
rules & told him to do the same.
Unfortunately, he has short term memory
problems. I've known him since 1987.

If I were allowed to take Fr. Robinson
off campus, I would take him to the
doctor, shopping, etc. I can't do
any of that till the prohibition on
[redacted] & me taking him off campus is
lifted. What about the holidays?

As I told you, I don't believe it
is good for Fr. Robinson to be "cooped up"
at [redacted] all the time.

I appreciate that you are very busy
as Vicar for Priests and that you are concerned
about Fr. John Robinson & his well-being.

My home phone number
is [redacted] and my

office number is [redacted]

Sincerely yours,

[redacted]

BRIEF HISTORY OF INDIVIDUAL

John Robinson was born in 1945 in Charlotte, Illinois. He was an only child and converted to Catholicism as an elementary school student at Queen of All Saints Parish School. He graduated from Quigley Seminary High School in 1963 and was ordained in 1971. John Robinson served in parish ministry within the Archdiocese of Chicago for more than 30 years. He found work with those who were in the process of converting to Catholicism particularly gratifying. John Robinson has also had a long-term affinity for work and ministry with the elderly. He continues to have an interest in friendships with older priests and others with whom he has long-term relationships and shared hobbies (such as amateur radio).

HISTORY OF ALLEGATIONS: SUBSTANTIATED AND NON-SUBSTANTIATED

ALLEGATION 1. TIMEFRAME: 1973

In 2002, John Robinson was accused of sexually abusing a fourteen-year-old male. [REDACTED]

[REDACTED]

[REDACTED]
[REDACTED]
John Robinson does not acknowledge any sexual contact [REDACTED]
[REDACTED]

ALLEGATION 2. TIMEFRAME: UNKNOWN

At least one other allegation has come forward regarding John Robinson's sexually abusing a resident in the Angel Guardian Orphanage where he served in ministry prior to ordination. The allegation was not investigated because it originated from a third party and not from the individual who was allegedly abused. At the time of the alleged abuse, John Robinson was not yet ordained and was serving as a caregiver in the Orphanage.

CURRENT CANONICAL STATUS.

July 31, 2003 John Robinson's case was referred to the Congregation for the Doctrine of Faith. Cardinal George requested a penal trial to be conducted by the Metropolitan Tribunal of the Archdiocese of Chicago. The Holy See reviewed and accepted Cardinal George's acceptance of the advice of the review board. Cardinal George was granted permission to impose a penal precept on John Robinson for a determinate period of time. The Penal Decree and Precept states that John Robinson is guilty of a violation of the sixth commandment of the Decalogue with a minor (c. 2359§2 of the 1917 code of Canon Law and c.1395§2 of the present code). Of his own admission, John Robinson engaged in inappropriate behavior that involved "bare bottom spankings" and constitutes the delict mentioned in c. 1395§2.

CURRENT LIVING ARRANGEMENT AND INVOLVEMENT WITH MINORS.

John Robinson is currently living at [REDACTED]. Currently he is the only priest who has been removed from ministry due to substantiated allegations of sexual abuse of minors residing at the facility. John Robinson leaves the facility occasionally for doctor visits and meetings with his power of attorney [REDACTED].

[REDACTED] The facility does not allow children to reside at the residence however minors are permitted to visit residents of the facility.

RISK MANAGEMENT STRENGTHS.

John Robinson does not appear to be attempting to spend time with minors or time in homes with children at present. He also has relatively few known offenses more than 30 years ago. There are no known offenses from his years of parish work or any other environment during the time he was serving in parish ministry.

RISK MANAGEMENT CHALLENGES.

John Robinson does not demonstrate clear understanding of the sexual nature of the allegations against him, nor does he report insight into the ways sexuality can influence other aspects of human behavior, for example, effecting eating patterns or anger management. Attention to these areas in his overall program of wellness possibly could strengthen his internal mechanisms of control with respect to interactions with others. Generally speaking, it will be important that John Robinson not be placed in authority over vulnerable people and not be permitted to openly or physically demonstrate anger, as these situations would be high-risk for him.

Staff of [REDACTED] reported that John was demonstrating inappropriate sexual behavior with some of the female nurses. A female nurse reported to the Compliance Supervisor that Jim had made sexual inappropriate comments to her. Jim Ray has been restricted from coming to [REDACTED] and John Robinson is restricting from going out with or visiting Jim Ray. Due to John's behavior and physical limitations he has been restricted from leaving the facility without an approved chaperone. John is verbally abusive to Compliance Supervisor and female staff of [REDACTED].

[REDACTED] Despite his behavior he reports being happy with his placement and the level of care he is receiving at [REDACTED].

CONSIDERATIONS FOR FAILURE OF THE PROTOCOL TO MANAGE RISK

In the event that the protocols for John Robinson are not effective in managing his risk, additional actions must be considered. This will be necessary whether or not there is identifiable harm as a consequence to the failure to manage risk.

- Change of residence.
- Increase of staff to manage behavior
- Increased education of staff
- Increased monitoring by Archdiocesan staff

COMMUNITY SUPPORT NETWORK FOR JOHN ROBINSON

Name	Relationship	Contact information

COMMITMENT TO PARTICIPATE IN COMMUNITY SUPPORT

The Roman Catholic Archdiocese of Chicago has initiated a program of support and accountability for the priests of the Archdiocese who have been removed from ministry due to their sexual misconduct with minors. The program is voluntary in that a priest may choose to participate or may choose to leave the priesthood. John Robinson has expressed his desire to engage in this program, fully recognizing it will mean a significant increase in accountability and a decrease in his overall levels of privacy. This is seen as a positive sign, as openness to support and intervention by others is one of the essential components for long-term abstinence from sexual offending.

The Archdiocese has asked John Robinson to identify the friends and family members who would be willing and able to offer support and accountability to him as he moves through his daily life. You were among those he identified.

If you are willing to accompany John Robinson in this way, the following is asked of you:

1. That you review John Robinson 's history of allegations and substantiated offenses,
2. That you review his *Individual Specific Protocols*, which tell you what he is permitted to do and what he is not,
3. That you agree to support John Robinson through interrupting high-risk behaviors (such as his attempting to be alone with a minor) if they occur and informing his Compliance Supervisor of any other concerns or violations of the protocols,
4. That you agree to on-going, open communication with John Robinson's Compliance Supervisor so that any problems may be identified and addressed before they become serious.

I am personally grateful to you for considering what can only be considered a ministry to John Robinson and for the support you have offered him thus far. If, for any reason, you do not wish to participate in this program, please do not feel an obligation and please do not turn to the pages that follow which contain confidential information. If you would like to move forward with the commitment to participate, please indicate with your signature below. Once you have reviewed all of the information, you will have another opportunity to indicate your willingness to move forward. Thank you once again for considering this important work.

Jan Slattery

Office for the Protection of Children and Youth, Director

I have a commitment to support John Robinson in his personal program of wellness. I am willing and able to assist him in avoiding situations that could lead to further sexual misconduct and further harm to others, including misinterpretations of his behavior or false allegations of abuse.
