This abstract replaces the summary prepared by Steve Sidlowski, Professional Fitness Review Administrator for the Archdiocese of Chicago, of Victim AN's statement, given to Mr. Sidlowski on March 10, 1993, formalizing his allegation of sexual abuse against Fr. Walter Turlo. According to Victim AN's statement, he met Fr. Turlo at St. Mary of the Assumption in 1989 when he was 18 years old. Victim AN reported that Fr. Turlo insisted he take a shower while at the parish and watched him in the shower. On some occasions, Fr. Turlo tickled Victim AN from behind and touched his buttocks. Victim AN reported that this occurred at the church when he was 18 to 22 years old.

This abstract replaces the summary prepared by Steve Sidlowski, Professional Fitness Review Administrator for the Archdiocese of Chicago, of a meeting with Victim AN and his family. During the meeting, a family member of Victim AN stated that she was warned against making accusations against Fr. Walter Turlo.

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim AO's statement, given to Ms. McCluskey on March 29, 2004, formalizing his allegation of sexual abuse against Fr. Walter Turlo. According to Victim AO's statement, he met Fr. Turlo while in high school when Fr. Turlo would come to say mass once a week when he was approximately 16 years old. During Victim AO's senior year of high school or freshman year of college, he was spending nights and sharing a bed with Fr. Turlo at St. William's rectory. In approximately 1976 or 1977, Fr. Turlo kissed Victim AO and fondled his genitals when they were in bed at the rectory, and would also suggest to Victim AO that his actions were natural and good. According to Victim AO's statement, he was also abused by another priest.

This abstract replaces a letter written by Victim AO's wife to Cardinal Francis George, dated May 8, 2005, expressing frustration at the lack of response from the Office of Professional Responsibility and asking for the Church to take responsibility for the wrongdoing of clergy. In this letter, Victim AO's wife states that Fr. Turlo fondled Victim AO when he was approximately 18 years old and details the negative impact the abuse has had on Victim AO and her family.

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim AO's statement, given the Ms. McCluskey on June 9, 2005, amending his allegation of sexual abuse against Fr. Walter Turlo. According to Victim AO's statement, he met Fr. Turlo in approximately 1975, when he was 16 years old. By the next year, Fr. Turlo had become physical, hugging him, engaging in non-sexual massages and asking him sexually inappropriate questions. Victim AO reported that occasionally, he stayed with Fr. Turlo at St. William's rectory. The two slept in bed together and Fr. Turlo gave Victim AO full body massages which aroused Victim AO sexually. Similar massages occurred on trips out of state. Victim AO also reported fondling under clothing after Victim AO had turned 18 years old.

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim AP's statement, given to Ms. McCluskey on July 11, 2005, formalizing his allegation of sexual abuse against Fr. Walter Turlo. According to Victim AP's statement, he was an altar boy at St. William from fifth to eighth grade. When Victim AP was in the fifth or sixth grade, Fr. Turlo invited him to the rectory at St. William's, asked him sexually inappropriate questions and masturbated him. On two other occasions, Fr. Turlo had Victim AP touch Turlo's genitals over the clothing. During the last incident of abuse, Fr. Turlo showed Victim AP pornography and propositioned him for anal sex.

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim AP's mother's statement, given to Ms. McCluskey over the phone on September 2, 2005. During the conversation, Victim AP's mother stated that Victim AP began failing his classes by the end of seventh grade and began to suffer various seemingly stress-related ailments. She stated that Victim AP recently disclosed to her that he was sexually abused by Fr. Walter Turlo. According to Victim AP's mother, Fr. Turlo was also involved with the Boy Scout troop at the parish.

This abstract replaces the written statement made by Victim DN, providing additional information about her allegation of abuse by Rev. Walter Turlo. In the statement, Victim DN alleges that she was raped and physically assaulted by Fr. Turlo when she was between one and a half and three years old.

August 31, 1993

Dear

On March 10. 1993, you and met with Mr. Steve Sidlowski, the Fitness Review Administrator of the Archdiocese, and Mr. Ralph Bonaccorsi, the Archdiocesan Assistance Minister. In that meeting, you brought forth a series of allegations against Fr. Walter Turlo. You also indicated that you had some concern about the role that the now Fr. Sergio Romo had in these incidents. You asked that these allegations be reviewed by the Fitness Review Board.

Mr. Sidlowski reported back to you that the Fitness Review Board felt that this inquiry was not within its specific jurisdiction since, at the time, both were over 18 years old. Because of this determination, you were informed that the inquiry would be conducted by the Vicar for Priests office. Mr. Sidlowski provided the Vicars' office with his complete report of the meeting of March 10th.

In a subsequent meeting, Fr. O'Malley informed Fr. Turlo of the allegations that you had made. Fr. Turlo listened to the allegations and then had an opportunity to respond.

On August 16, 1993, the allegations were brought to the Advisory Board for Professional Responsibility, the Board that advises our office. Along with the Board, also present at that meeting were both Mr. Sidlowski and Mr. Bonaccorsi. They helped convey to the Board the substance of the allegations you had made as well as the spirit in which you had made those allegations.

After carefully considering both the allegations and the response of Fr. Turlo, the Advisory Board for Professional Responsibility came to the following conclusions:

ARCHDIOCESE OF CHICAGO

VICAR FOR PRIESTS

645 NORTH MICHIGAN AVENUE, SUITE 543 CHICAGO, ILLINOIS 60611

- A. That the action of Fr. Turlo in sending an off-color birthday card to was very inappropriate;
- B. That Fr. Turlo's response to when they came to protest that card, was also inappropriate;
- C. That subsequent allegations of Fr. Turlo's relationship to while possibly being inappropriate, did not, in the eyes of the Advisory Board, rise to the level of sexual misconduct;
- D. The Board then directed the Vicar's office to approach Fr. Sergio Romo to ascertain his response to the allegations you have brought forward against him.

When allegations such as these, which are judged to be inappropriate behavior, come forward against a priest, our diocesan procedures prescribe that the priest must receive both a psychological assessment and appropriate pastoral counseling. The counseling is to revolve around the issue of professional behavior and what happens when inappropriate actions take place. The priest is helped to consider the effect of his actions upon others and how he must avoid that kind of behavior in the future.

In addition, our procedures call for monitoring of the priest's behavior by the Vicar for Priests' office in the future. Also key members of the parish staff are notified of the finding of the Board.

We will be following our diocesan procedures at this time with Fr. Turlo.

As this time, we wish to apologize for any inconvenience or pain that has been caused to your family and to individuals in your family over these past several years. We apologize for the inappropriate actions of Fr. Turlo. We know that he is truly sorry that he did anything that might have hurt anyone in your family.

We wish to mention to you once again that Mr. Ralph Bonaccorsi, the Archdiocesan Victim Assistance Minister, is available to your family if the need should arise. We have asked him to keep in contact with you periodically to see if there is any way that the Archdiocese can be of assistance

with regard to counseling.

We realize that this entire experience and its aftermath have been very painful experiences for you, for the Church in general and for all involved. Our sincere hope is to be able to put the pain behind us at this time, to initiate a process of healing, and to insure as much as possible that we will not have incidents like this in the future. We hope these steps will move us toward this end.

Matter of PFR-44 (W.T.):

- 1. The Board decided this matter is clearly <u>not</u> within its jurisdiction to consider pursuant to Archdiocesan policies on clerical sexual misconduct with minors in that alleged victims were over age 18 at the time. The Board expressed great concern regarding the matter, however, and suggested the Administrator write Cardinal Bernardin to express its sense that the Vicar for Priests' Office, which has proper jurisdiction over the matter, reconsider the matter, including any new information which the Administrator has obtained. The Board further noted that perhaps Co-Vicar Rev. John Canary or another priest representative from the Vicar's Office might conduct any such re-consideration in that Rev. Patrick O'Malley conducted the original inquiries into this matter.

 Cardinal George has to do with his responsibility to now coordinate the responses of
 all offices regarding the sexual abuse allegations; he also spoke of the [positive]
 unintended effects of strengthening the Archdiocese's internal policies/practices
 regarding reporting abuse cases to DCFS; he also referenced the training of
 Archdiocesan employees and volunteers
- Mr. Lago spoke about the agreement with DCFS and that DCFS asked the Archdiocese to "step aside" until their [DCFS] investigation is completed in such cases
- Mr. Lago talked about the need of the Archdiocese to clarify with DCFS that the
 diocese does not want to wait "forever" prior to following through with our own
 investigation/follow up of a report of the alleged abuse of a minor by a cleric
- Mr. Lago stated that he does not feel that this agreement with DCFS will affect the Board and its work
- Mr. Lago spoke of issues and need for clarification with DCFS on the reporting of old
 cases that have been substantiated by an archdiocesan process; Mr. Lago stated that
 he would discuss this matter with DCFS for clarification
- Mr. Lago talked about the need to sharpen reporting and training of archdiocesan employees and the possibility of involving the Child Advocacy Center [CAC], as the CAC has offered its assistance with training
- Mr. Lago stated that the reporting of all [old] substantiated cases to DCFS may assist
 the Archdiocese with accused clerics who have left the priesthood [locating clerics if
 their whereabouts are not known; determine if children are at risk]
- Mr. Lago feels that the Archdiocese will share more information with DCFS on old cases; this raised the concern that if DCFS "founds" an old case that the Archdiocese has found to be unsubstantiated
- raised the question of a time line with DCFS when they are investigating a case and the delay that this may cause with the Archdiocese and related process
- suggested the need for clarification from DCFS as to when the 14 days of their initial investigation begins to determine if DCFS will formally open a case for investigation
- As for the monitoring report, Mr. Lago spoke of the fact that the Archdiocese does not have the power of the courts, but that we don't really have a monitoring program; as per the report, Mr. Lago spoke of the need for evaluation and therapeutic intervention for those priests who have substantiated allegations of sexual misconduct with minors against them; Mr. Lago spoke of the need for conversation to ask if the Archdiocese can put elements into place for an effective monitoring program
- Mr. Lago stated that the Archdiocese has pulled together a group of eight that will be
 given the consultants' reports [as the Review Board will be given copies of the
 reports as well] and ask, "What kind of things do you think we [the Archdiocese]
 should start with?"

- referred back to Mr. Lago's comments regarding DCFS;
 expressed his concerns with the information [as a result of their investigations into a matter] that DCFS would or would not give the Archdiocese and then the concern with the time lost by the Archdiocese while DCFS investigates a case
- suggested that it would be helpful if the resigned/laicized priests with substantiated allegations could be placed on the DCFS Registry
- The group engaged in a discussion of forced laicization of men with substantiated allegations against them, both the positives and negatives of such, and the need to protect children
- Mr. Lago offered to return to meet with the Board members if/when appropriate to share information as we go forward; all present agreed with the preference that Mr. Lago come back to report to the Board as the Archdiocese continues forward in addressing all discussed matters

A summary of the allegation is as follows: in 2004 came forward to the diocese to report physical misconduct of a minor against Fr. Turlo. It has now come to our attention that has an allegation of sexual abuse of a minor against Fr. Turlo; one incident of fondling and intercourse; alleges physical abuse as well.

Fr. Smilanic and Leah McCluskey provided a verbal explanation of an unrelated situation involving Fr. Turlo, where he violated his Individual Specific Protocol [ISP]. Fr. Smilanic continued by explaining that as a result of Fr. Turlo's ISP violation, the Vicar General [Rev. John Canary] made the decision to approach the cleric [Fr. Turlo] and direct him to move out of the Bishop Lyne Home and move toward resignation from the priesthood. The information was provided to the Board that Fr. Turlo has moved out of Bishop Lyne Home and is currently residing with his sister. Fr. Smilanic also explained that Fr. Turlo has agreed to petition the Holy See for resignation.

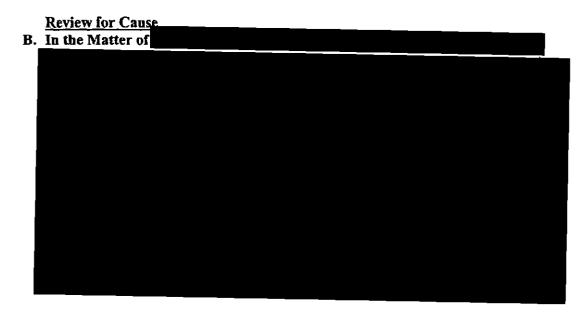

In response to the aforementioned information, Review Board members asked Fr. Smilanic approximately how long it would take for Fr. Turlo's resignation. Fr. Smilanic explained that Fr. Turlo's resignation is dependent upon an exit package, which is being worked on by archdiocesan attorneys.

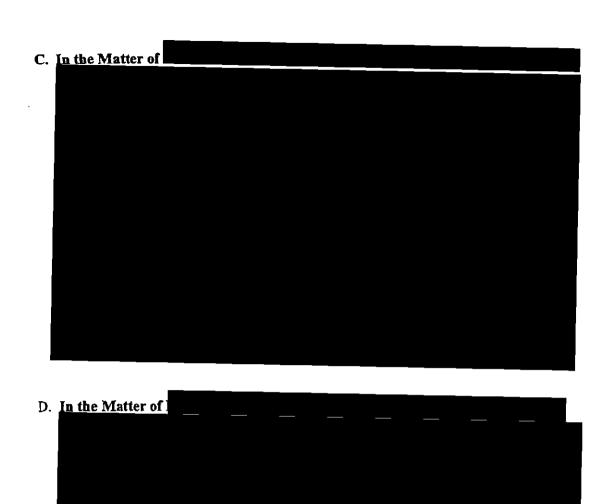

Ms. McCluskey provided a verbal summary of the February 1, 2007 meeting with where she formalized her allegation against Fr. Turlo.

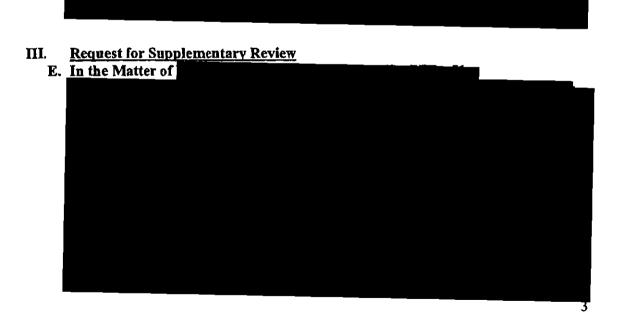

In a 7-0 vote in light of the information presented, the Board determined that this matter warrants additional investigation.

Memo

Cardinal Bernardin To: From: Rev. Patrick O'Malley

Date: 3/23/94 Re: Walter Turlo

In your memo of 3/22/94 you asked what follow up we had made regarding the list of unjustly accused priests and your offer to see them privately if they would so desire. The response was mixed. Some have already seen you of course.

My best guess is that the men would just as soon forget what happened and move on. Fr. Walt Turlo did express some desire to sit down with you. Fr. Canary and I will be meeting with him shortly to let him know that the case is closed as far as the PFR Board and we are concerned. We will ask him at that time whether he would like to have a visit with you with you.

MEMO TO: File FROM: Steve Sidlowski This sared of stamp! DATE: June 9, 1993 וים דד הפיין RE: Phone calls to/from phoned my office on 6-8-93 and left a message that she 6-8-93 was a very busy day with tornado warnings, electrical thunderstorms, and more than one meeting which I had out of the office. As such, I was unable to return on 6-8-93. Therefore, I called on 6-9-93. I asked she had received my letter of May 28, 1993. She said she had. I asked if she had any questions. the Review Board should go ahead with the case with a First Stage Review at our 6-12-93 meeting. She referred to the letter/affidavit which her son was going to make available to the Review Board for its consideration. As such, she did not want to bother him about preparing the letter/affidavit. As stated, preference seemed to be that the Board conduct a First Stage Review without letter and then receive the letter later and that it could be used for a possible Second Stage Review. However, when I noted to is within the Review Board's discretion if they want to initiate a First Stage Review in the matter in any event, and perhaps even complete a First Stage Review without the information from , she then asked if I would call her back after she has had an opportunity to speak with her husband about it. Before the end of the conversation, preference was to initiate a First Stage Review but hold off on completion of it until I have received the information from

on 6-9-93,

request to the Review Board was that "we would like to hold off on initiating the First Stage Review until I get letter." She said she would write her son tomorrow and that I would hopefully

In my second call to

receive the information from him within the next two weeks or so. I told that I would be attempting to speak with the Review Board Chairperson on 6-10-93 to convey this to her. I told that if I do not call her back by Friday at some point that she should rest assured that the Review Board will not be proceeding with the case on Saturday, June 12, 1993. I did note to her that up until this point the Review Board has honored and respected her family's request not to proceed with the First Stage Review until the Board has received letter/affidavit. Nonetheless, I pointed out to that the Board may choose to initiate or even complete a First Stage Review in the case without her son's letter/affidavit. If that becomes the case, that there will be a meeting to consider on 6-12-93, I told I would call her back before 6-12-93 to inform her of that.

For the first time in a formal way, also requested that the Review Board might consider if Fr., a newly ordained priest within the Archdiocese of Chicago, engaged in sexual harrassment at the time of the alleged sexual misconduct incidents involving Fr. Walter Turlo. Elaborated a bit on sexual conduct at the time. She said that would follow and would tell him to get into the car with Fr. Turlo. She says there was alot of following around around and he would make negative remarks about the family, according to

I explained to that as was actually a seminarian at the time, it is unclear whether the Review Board has jurisdiction to proceed with sexual "harrassment" allegations against him in that the Review Board considers allegations of sexual misconduct by Archdiocesan priests. I noted that allegations of serious misconduct other than sexual misconduct brought against an Archdiocesan priest would be properly referred to the Vicar for Priests Office to address the matter further. Nonetheless, I told that I would bring the sissue up to the Review Board at their next meeting. (In my second conversation with the I told her that I would confer with others in the Archdiocese about the Fr. allegation of harrassment and that if it is determined that the harrassment allegation should properly be directed to the Vicar's Office, before the next Review Board meeting, that I would let her know).

I asked ______ if she or her family was now formally bringing an allegation of sexual misconduct against ______ or rather if her charge was more specifically one of verbal harrassment by him. stated that the allegation against ______ in her view was "absolutely" at least harrassment and perhaps sexual misconduct. It should be noted that it appears that even if ______ is an allegation of sexual misconduct, once again her son ______ was over age 18 at the time. Therefore, it would appear that even if it is an allegation of

sexual misconduct against , that the Vicar for Priests Office would be the proper office to further conduct inquiries and pursue that matter.

In summary, after the second phone call to at 6:37 p.m. on June 9, 1993, it became clear that the were once again requesting a delay of the initiation of the First Stage Review in the matter. Moreover, there is now a new issue with the family in that they are bringing an allegation of sexual harrassment against Fr. (I will need to notify the Vicar for Priests Office about this allegation as it appears that the person bringing the allegation was over 18 at the time).

Re: Meeting about sexual abuse of our sons by different priests.

Dear Mr. Sidlowski:

Now that we have had an opportunity to consider what was said by you and Mr. Bonnaccorsi and to consider the information which you gave in a telephone call on March 16, 1993, we feel we have to respond to this. We want this response to be made to you, Mr. Bonnaccorsi, to the Cardinal, and to each member of the board which the Cardinal has set up to deal with priest's sex abuse. Quite simply, I was surprised, very disappointed and out-raged at the attitudes which you and Mr. Bonnaccorsi and in your March 16 th phone call. If what you told about the board's lack of interest in pursuing these two matters is true, then it is obvious that this board is another wall for corrupt priest's to hide behind, and for the Cardinal to hide
behind.
First of all, what we wanted and what we waited for months for, was a meeting not with you, but with the board itself. You told us, that we as victims, don't get to meet with the board directed to tell them what happened to in different incidents involving three different priest's. Instead, you tell the board what we told you. We consider this to be another insult, apparently victims aren't worth the board's time. If this is the case, then victims have no reason to retell and relive these incidents, just to be told that they cannot talk to the board, and that if the victim is a few months past 18, the board is not even interested in priest's abusive acts. Your repeatedly asking 'what do we want'? is one more insult. 'What we want' should be totally obvious. We want something done about these priest's. Unless we are liars, these priest's should be removed from service – fired. We are willing to take lie detector tests, are they? Are you telling us the boards hands are "tied" because was 18, when Father Turlo, tickled him under his ribs, said, I like your chest, I like guys with no hair on their chest, gave him the finger and said a salute never hurt, Firmly insisted on taking a shower. One in particular was in Father Turlo's master bedroom, while Father Turlo was standing directly in birds-eye view of the bath room, about 12 feet away saying leave it open, I don't like it steamy – spanking while was on a ladder, "Stalking" – all of these incident's on numerous occasions.
Is the Board saying: because was 18 its alright for sexual harrasment and
sexual misconduct to be carried our by priest's. We sure don't understand the Board's reasoning
for this, because frankly there is none.
With regard to the actions of Father McNeff and and and and and as a second and a second a second and a second a second and a second a
you know, these boys were well under 18 at the time Father McNeff got them drunk then insisted
on their sharing a room with him while he slept with an under age girl.
We also have a letter (copy

enclosed) McNeff sent acknowledging that the incident with acknowledging the incident with acknowledging the incident with acknowledging the incident with a constant with a constant with a constan

Even though you have this information, you told you were concerned about McNeff "getting a lawyer," or "taking the Fifth." I ask you, what difference does that make? What ever happened to the offense of contributing to the sexual delinquency of a minor?

It should be obvious that, the way you and the board operate, make it clear to us that this whole procedure is a waste of time, and one more victimization. We will not hesitate to tell other's thinking of doing this that our experience indicated – "don't bother"

The honorable Julea Quinn Alempsey,
I am writing to your because of the

In this conversation you indicated to me that it was your Intention to get back to me, that is to contact me so that I could report to the Commission the entirety of the details of these two incider I believe based upon what happened to my sons that these two priests continue to constitute a danger to young people and that the commission should be aware of what was done to my sone and that they should investigate to determine whether these prests are fit to Continue to serve. I must say I am rather dissopointed in that you ded not live up to your commintent to me, that is to get back to me so that I could present to you the particulars of these incidente. As I may have indicated I even have letters, one of which is

Digned by the priest in question in which he admits the activity involving my sons We have been told smuch in the hewspapers, in the parish bullities, from the pulpit, and from the media about the good intentions of the Cardinal and hes Commission in terms of elimating sepual abuse of children by priests and other Church personal. I am fending it increasingly difficult to believe that the commission is making a sincere effort to determine all priests and others who constitute a danger to children, in light of the fact that there is apparently a complete lack of intrest in what I and my sons have to report. I can only hope that I am wrong and that there will be a contact made by your or a member of your commission with me so that a full explanation of this can be made.

He wanted to make a little money while he was home . The other is and the third is 22 years old and on his birthday he received cards from Fr. Walt and showed the cards to his parents on June 28. They were shocked. Both cards were very offensive. There were gifts of \$10 in one and \$20 in the other. But the cards made references to the male organs and also used foul language (fuck). Needless to say, the parents were both terribly shocked and went up to see Fr. Turlo right away. He only gave them a few minutes of time and was definitely ill at ease. He tried to say that it was all done in jest and said that she had made copies of the cards when she went to the rectory and took the copies with her. Fr. Turlo yanked the copies out of her hand. He was quite upset | Also, Fr. Turlo used to take the boys to shows, pizza parties, etc. But now also agrees that it is better not to work there. also told his mother that Fr. Turlo would tickle him four or five times a week. Fr. Turlo liked very much. One time he was taking 3 or 4 of the boys to the show and was in the car with Fr. Turlo. It tried to get in the same car, but Walt said, "No, he should go with the same is a boy who just graduated from Niles and is going to go to Mundelein. Read by Most. Rev. Thad J. Jakubowski on behalf of Most Rev. Gustavo Garcia-Siller, Auxiliary Bishop and Episcopal Vicar of Vicariate V, at Masses on June 4 - 5, 2005.

My dear people,

On my behalf, retired Auxiliary Bishop Thad Jakubowski joins you today to share some very difficult news concerning your parish.

Fr. Walter Turlo has resigned as your pastor, following an allegation received by officials of the Archdiocese of Chicago that he engaged in highly inappropriate behavior with a minor approximately 30 years ago while he served as an associate pastor at St. William Parish in Chicago. This allegation has been reported to the Cook County State's Attorney.

Out of concern for possible risk to children and young people, officials of the Archdiocese recommended that Fr. Turlo be withdrawn from ministry, and Cardinal George accepted that recommendation. Fr. Turlo subsequently resigned as your pastor, and is cooperating with archdiocesan officials while residing in a monitored and restricted setting.

If any parishioner has additional information or a concern to raise regarding Fr. Turlo, please contact our Archdiocesan Professional Responsibility Administrator directly at I-800-994-6200. You may also contact the Office of the Cook County State's Attorney at 312-603-5440 or the Office of the Lake County State's Attorney at 847-377-3000.

Though there is no doubt that this is extremely sad and unsettling news, I think that our most natural inclination now is also the most helpful: please join me in praying for peace and healing for the adult who brought this concern to the Archdiocese, for Fr. Turlo, and for all those who have suffered abuse in their lives.

If there is more information to be shared, I will share it with you. For the time being, Fr. Harry Bonin, associate pastor at St. Joseph Parish in Summit, has been asked to serve as administrator at St. Fabian Parish. I have assured him that your parish shall have any additional assistance you need going forward.

Thank you for the trust you place in your priests. Be assured that Cardinal George and I will be praying for all of you in a special way over the coming weeks and months.

Sincerely yours in Christ,

Mést Rev. Gustavo Garcia-Siller Episcopal Vicar of Vicariate V

Fr. Turlo served as associate pastor at St. William from June, 1975 – March, 1982.

Questions regarding Fr. Walter J. Turlo

DRAFT 7- work in progress

- Q: What is the nature of the situation?
- A: Approximately 30 years ago, Fr. Turlo is alleged to have engaged in highly inappropriate behavior with a minor. (If pressed to be more specific:) To protect the privacy of the person involved, we will not provide any more details.
- Q: When and how was the Archdiocese contacted about this matter?
- A: The adult man involved contacted the Office of Assistance Ministry about the incident in late March 2004.
- Q: Why did it take so long for the Archdiocese to act?/What happened after the man contacted the Archdiocese about the situation?
- A: These acts occurred about thirty years ago, and with the passage of time, it has been difficult to gather information which would shed light on the allegation. While the inquiry continues, out of an abundance of caution for the safety of children and young people, Cardinal George decided to withdraw Fr. Turlo from ministry. Now, the usual process will move forward to completion.

(If pressed further:) Our initial analysis indicated that this should have been dealt with as an adult matter. As the inquiry went forward, new information became available. However, pending the outcome of the inquiry, the fact that highly inappropriate behavior had allegedly occurred while the person involved was a minor prompted the decision that Fr. Turlo should temporarily be withdrawn from ministry. As we have said, the inquiry into this matter is ongoing.

- Q. So you didn't go to the Review Board with this issue?
- A. Not at this time but as we have said, the inquiry is ongoing.
- Q. What does temporary withdrawal mean?
- A. It's "temporary" by virtue of the fact that the process is not yet complete.

Questions regarding Fr. Turlo-2

- Q: What has been Fr. Turlo's response to the situation?
- A: Fr. Turlo has come to understand the seriousness of the situation and realizes that his actions undermine his ability to continue as pastor and has resigned.
- Q: What does his resignation as pastor mean? Does it mean that he has resigned from the priesthood?
- A: It means that Fr. Turlo will no longer be pastor at St. Fabian. However, he will remain a priest albeit on administrative leave, who resides in a monitored and restricted setting.
- Q: Did the Archdiocese report the allegation to authorities?
- A: Yes. Even though it may not have involved an illegal act, the behavior involved was inappropriate enough to be shared with authorities.
- Q: Have other reports been made against Fr. Turlo?
- A: No other reports have been made against Fr. Turlo involving sexual misconduct with a minor or any other illegal activity.
- Q: Did the Archdiocese offer help of any kind to the man making the report?
- A: Yes, the man was offered help through the Vicar for Priests office and the Office of Assistance Ministry. In accordance with the policy of the Archdiocese, the accuser has been offered assistance, which includes therapy and spiritual counseling.
- Q: How long has Fr. Turlo been a priest?
- A: For 35 years. He was ordained in May of 1970 and is 60 years old.
- Q: Where has Fr. Turlo served?
- A: Prior to St. Fabian, pastor at St. Mary of the Assumption on the far southeast side of Chicago. He also served as administrator at Ss. Peter and Paul, Chicago; administrator at St. Patrick, Chicago; pastor at St. Mary Magdalene, Chicago; and associate pastor at St. William, Chicago. He began as an assistant at Sacred Heart Parish, Melrose Park, shortly after ordination.

Questions regarding Fr. Turlo-3

- O: Where is Fr. Turlo now?
- A: Fr. Turlo is staying at a private residence, in a monitored and restricted setting, in a location we will not disclose.
- Q: Who will be the new pastor at St Fabian?
- A: Fr. Harry Bonin, an associate pastor at St. Joseph in Summit, has agreed to serve as administrator for the present.
- Q: How long was Fr. Turlo at St. Fabian?
- A: From January 1996 until now.
- Q: Are your current policies sufficient to effectively deal with misconduct or inappropriate activity that does not involve minors?
- A: We think so but we are continually evaluating and improving these guidelines and procedures for dealing with misconduct with adults as well as minors. In addition, the Archdiocese has continually provided seminarians and priests ongoing formation on living chastely.
- Q: What do you do when an allegation of adult misconduct is made against a priest?
- A: Because we take charges of misconduct seriously, the Archdiocese has guidelines and procedures that include assessment of a priest's ability to continue ministry. Based on the findings, a priest can be placed on administrative leave, even be removed entirely from ministry, should circumstances warrant.
- Q: Why doesn't the Church reexamine the issue of celibacy and allow priests to marry?
- A: Celibacy is a commitment freely chosen by those who are ordained priests of the Latin Rite of the Catholic Church. Sexual misconduct is not limited to celibates.
- O: Was the parish leadership contacted about the allegations?
- A: Yes both the parish staff and the parish council was informed this week before the announcement was shared with the parish as a whole.

Preliminary	consideration:	This is not an	allegation of	f sexual	misconduct [·]	with
a minor.						

Father Turlo has indicated above that he has never had any improper sexual contact with the specifically denies the touching incident alleged above. He also points out that the accusation does not allege any sexual misconduct with a minor, since the allegation, taken in its best light as true, describes an incident that took place between adults.

The provisions of the Archdiocesan protocols for dealing with Clerical Sexual Misconduct with minors have adopted the definition of "minor" contained in the Abused and Neglected Child Reporting Act of Illinois law stating that a "child" is any person under the age of 18 years. (325 ILCS 5/3). This comports with Canon 97, section 1, of the Code of Canon Law which states that "A person who has completed the eighteenth year of age is an adult; below this age, a person is a minor."

While Father Turlo does not wish to indicate approval of any such conduct, were the allegation true, he submits that the conduct alleged does not comport with the definition of sexual misconduct with a minor as envisioned by Archdiocesan guidelines for the investigation of such matters. Therefore, he respectfully asks that this matter be reviewed by the appropriate agency and not be placed before the Professional Responsibility Board.

My Good Friends,

As you know, during the past two years and two months, my official designation has been "removed from public ministry." This designation included a set of mutually agreed upon protocols.

Recently the protocols have become too constrictive. In dialogue with the Vicar General and the Vicar for Priests, other options were presented to me. I have decided to choose the most appealing option which I believe will best enrich personal wholeness.

As of August 15th, I have chosen to "resign from active ministry." This weekend I will be moving from and will Bishop Lyne Residence to the residence of remain there while this process is finalized.

My contact information will continue to be:

Keep me in your prayer. This is the best thing you can do for me. My time at Bishop Lyne Residence has been one of grace, love and friendships that will continue into the future.

This decision is final. Letters to the "top" will not change anything; however, any kudos you may choose to send upward to Vicar for Priests or the Cardinal will be taken as evidence of your love and esteem.

Peace to you,

Walt

By means of a summary, it has been learned that Rev. Walter Turlo violated the current Individual Specific Protocols by having 12-year-old stay overnight with him at his private residence on the evenings of July 22 and July 23, 2007 [see file].

In consultation with the Professional Conduct Administrative Committee [PCAC] during the August 13, 2007 meeting, I made the recommendation to Cardinal George that Fr. Turlo is restricted to the property of his residence at the Bishop Lyne Home until this matter is resolved. The Cardinal verbally accepted this recommendation on August 13, 2007.

It is my understanding that you and Rev. John Canary, Vicar General, plan on scheduling a face to face meeting with Fr. Turlo in the near future to further discuss this matter and to inform him of the aforementioned restriction. I ask that you please share with me the results of your meeting with Fr. Turlo.

Re:

Turlo, Rev. Walter [Withdrawn]

Date:

August 9, 2007

The following is a summary of the series of events that transpired on August 8, 2007 in response to Rev. Edward Grace's July 28, 2007 Memorandum received by this office on August 1, 2007. In the aforementioned memorandum, Fr. Grace provided information on the notification he received that Rev. Walter Turlo had 12-year-old stay with him alone in his apartment at Bishop Lyne Home on July 22nd and July 23rd [see file].

- I called and attempted to reach a second at her office []. I left a message stating that it was important that I speak with her and asked that she return my call.
- I placed a call to the DCFS Hotline to report the matter involving Fr. Turlo and I spoke with DCFS Hotline operator Beverly Burmeister and informed her that I was calling to report an incident that involved a priest of our diocese who has been withdrawn from ministry through the "church process [canonical]" as a result of being found to have sexually abused at least one minor. I further explained that as per our policies and restrictions that Fr. Turlo has been placed under, he is not to be alone with any minor under the age of 18. I then stated that the reason for my call to the DCFS Hotline was

that the diocese has learned that Fr. Turlo had a 12-year-old boy stay overnight with him without any supervision, a direct violation of our policies. When asked by Ms. Burmeister, I provided Fr. Turlo's name, race, status, date of withdrawal from ministry, address for Bishop Lyne Home, and phone number. Also when asked, I provided the only known information on the he is reportedly 12 years old, and that his mother is name is When asked, I provided the information that had stayed overnight with Fr. Turlo in his apartment at Bishop Lyne Home on July 22nd and July 23rd. When asked, I told Ms. Burmeister that I did not know if parents knew of Fr. Turlo's restrictions as per the diocese. When asked how I knew of the matter, I stated that I had been notified by Rev. Edward Grace by phone and through his July 28, 2007 Memorandum. When asked, I told the DCFS worker that I had a call in to the Administrator of Bishop Lyne Home , but had not yet spoken with her. I provided Ms. Burmeister with the clarification that I have received no reports that there was any abuse of by Fr. Turlo on July 22nd and/or July 23rd, but that he had violated the diocesan protocols by having the minor stay overnight with him. Ms. Burmeister took my name and information and stated that she was not sure if DCFS would take the call [as a report] or not, because Fr. Turlo was not adjudicated through the courts and was not a sexual offender. However, Ms. Burmeister informed me that she would run this matter past her supervisor and call me back.

- I attempted to reach Cardinal George to inform him of this matter and steps that were being taken. When calling the Residence, I was informed that the Cardinal was out of town and would not return until Friday [August 10, 2007].
- In the Cardinal's absence, I attempted to reach Rev. John Canary, Vicar General, at his office. I learned through the greeting on Fr. Canary's phone that he was out of the office. I left a message stating that I was attempting to reach him and that I would try him on his cellular phone.
- I was able to reach Fr. Canary on his cellular phone and verbally provided him all of the aforementioned information. Prior to continuing, Fr. Canary confirmed with me that Fr. Turlo is withdrawn from ministry, that he is not assigned to a parish, and that he does not have faculties in the Archdiocese of Chicago. Fr. Canary then shared that Fr. Grace came to his office the first he [Fr. Grace] learned of this situation from Rev. John McNamara on July 27, 2007. As per Fr. Canary, he then asked Jimmy Lago, Chancellor to join their conversation on this matter. Fr. Canary stated that it was his understanding after meeting with Fr. Grace and Mr. Lago that Fr. Grace's next steps were to speak with Fr. McNamara, Fr. Turlo, and He added that it had been his recommendation that day that we [as a diocese] move toward Fr. Turlo resigning from the priesthood. While talking with Fr. Canary, it was understood that he had not had not yet seen Fr. Grace's July 28th Memorandum on this matter. I then read to Fr. Canary the July 28th Memorandum from the third paragraph

through the end [Fr. Grace's July 27th conversation with Fr. Turlo about this matter]. After listening to the Memorandum, Fr. Canary again expressed his concerns with Fr. Turlo and that it is his recommendation that the process is begun to move towards Fr. Turlo resigning from the priesthood. When asked if there is anything additional that he would like for me to do, Fr. Canary asked that I call Fr. Grace, update him on this matter, and ask for Fr. Grace's recommendation after speaking with Fr. Turlo about this. Fr. Canary asked that I keep him up to date on this matter over the next two days and provided the information that the Cardinal would be back in Chicago as of 12:00 pm on August 9th.

- I called and left a message for Fr. Grace to call me regarding Fr. Turlo as soon as he was able.
- I received a return phone call from . When asked, provided me with the information she knew of Fr. Turlo and overnights at Bishop Lyne Home. As per Fr. McNamara [Fr. Turlo's on-site supervisor] had been out of the country and was scheduled to return on Monday, July 23, 2007. On July 23rd [prior to Fr. McNamara's return], received a phone call from Fr. Turlo and he informed her that was staying with him for a couple of days. she did not feel comfortable with the situation [she did not say this to Fr. Turlo]. The next day [Tuesday, July 24th], Fr. McNamara called asked if she knew that had stayed overnight with him. told Fr. McNamara of her phone call from Fr. Turlo the day before. and Fr. McNamara agreed that they did not feel comfortable Both with the situation and it was agreed that he would call and notify Fr. Grace of the , she and Fr. McNamara discussed that they were matter. As per not certain if "not to be alone with anyone under the age of 18" included . I told that the restriction includes all minors under the age of 18, whether they are . The same day [Tuesday, July 24th], received a phone call from Fr. Turlo. As per Fr. Turlo said to her, "Fr. McNamara reported me." Fr. Turlo then "Why didn't you just tell me you were uncomfortable said to 1?" corrected Fr. Turlo and told him that it was not her job to tell him what he could and could not do. As , she also reminded Fr. Turlo that he called to tell her that was staying with him, not to ask for permission. that when Fr. Turlo informed her that Fr. McNamara "...called and reported it [to Fr. Grace]...", he also commented "...it was probably good that he did..." Meaning, Fr. Turlo was telling that it was probably good that Fr.

	McNamara did call Fr. Grace to inform him of this matter. When asked for her impression of Fr. Turlo's statement to her [that it was "probably good"], expressed that he meant that, "we needed to protect ourselves." When asked, identified the "we" as herself and Fr. McNamara. The then told me again that the night of the first phone call that she received from Fr. Turlo on July 23 rd , she felt that she should have called me. When asked, stated that she cannot remember if she has talked to Fr. Grace about this or not. also shared that while talking to Fr. Turlo on July 24 th , he remarked to her that it "was really stupid" that he had stay overnight with him. As per said that the men who reside at Bishop Lyne Home do have guests stay with them from time to time, but that usually they are [biological] brothers or something like that. I thanked for her assistance and told her all of the individuals at the diocese with whom I had discussed this matter. I told that I would keep her informed.
	I received a voice mail message from "Bev [Beverly Burmeister] with the DCFS Hotline" at 12:42 p.m. Ms. Burmeister stated that she did talk to an administrator about the matter and that DCFS "will take this [report] as a Risk of Sexual Harm on by Walter [Fr. Turlo]." As per Ms. Burmeister, this matter was being sent out to a local DCFS office in the county area where Fr. Turlo resides, "since we don't know where the child is" and they will do an investigation.
•	I received a return phone call from Fr. Grace and I verbally provided him with all of the aforementioned information. When asked, Fr. Grace stated that he did not have any recommendation at this point on Fr. Turlo, Fr. Grace also stated that he agrees with Fr. Canary that Fr. Turlo's actions/behaviors are putting the church at risk.
•	I spoke with Rev. Daniel Smilanic, Cardinal's Delegate to the Review Board and provided him with a verbal update of all of the aforementioned information.
•	I called and attempted to reach Fr. Canary on his cellular phone. I left Fr. Canary a voice mail and informed him that DCFS had taken the Hotline Call as a "risk of sexual harm" by Fr. Turlo.
•	I called and again spoke with a verbal explanation of the process of making a Hotline call, and that the investigator[s] would be in contact with Fr. Turlo. When asked, I clarified for that she did not have any

	responsibility to inform and/or provide Fr. Turlo with any information on the DCFS involvement with this matter. It was agreed that if Fr. Turlo approached her with any questions, that she could refer him to me. expressed her appreciation for the information and said that she would call her Division Manager [to inform her of this matter.
	I called and spoke with Jimmy Lago to provide him with the update that DCFS had taken the Hotline call made and cited "risk of sexual harm" of Fr. Turlo.
•	
	I received a voice mail message from Liz Kimble of DCFS in DuPage County. Ms. Kimble noted that she was calling in regards to the matter concerning Fr. Turlo and asked for the address of the address of the and any other information that I had on the child. She asked that I call her at the address of the
	I returned Ms. Kimble's call and left a message on her voice mail. I stated that I had originally informed the DCFS Hotline operator that I did not have any other information on other than he is 12 years old and is the state of the call me with any other questions. I asked Ms. Kimble to call me with any other questions.
nvolver loes hat espond	called and spoke with again to follow up with her on the DCFS ment with this matter. I informed that if the DCFS investigator ppen to call her in regards to Fr. Turlo, to please cooperate with him/her and to any questions. It was agreed that if DCFS does contact please to her about DCFS. It was agreed that if DCFS does contact she would call and notify me.

MEMORANDUM

To: File CC: John Canary
From: Ed Grace Jimmy Lago
Re: Walt Turlo Leah McCluskey
Date: July 28, 2007

July 27, 2007, after a series of voice mail messages, I had a phone conversation with Fr. John McNamara, Fr Walt Turlo's monitor. Fr. McNamara seemed somewhat ill at ease and began the conversation by asking if the restriction on being alone with minors under the age of 18 included. I informed him that it did indeed. John then told me that Walt Turlo had a 12 year old stay overnight with him in his room at the Bishop Lyne Residence on the nights of July 22nd and July 23rd. Walt had not requested prior permission for this from Fr McNamara who apparently had returned from vacation on July 23rd. Walt had apparently informed that the boy would be spending the night. I have not yet conferred with to determine if or when she became aware of the child's presence. Fr. McNamara described both and himself as troubled by this occurrence. Walt had not received permission for the boy to stay with him from either Ms McCluskey or from me.

I informed Leah McCluskey, John Canary and Jimmy Lago of what I had been told. All, including myself, are concerned by this lack of good judgment on Walt's part. Fr Canary made the point that this sort of action puts at risk our attempt to protect children, the Church and even the removed priests themselves.

Late on the afternoon of July 27 th I r the boy, whose name is	nade telephone contact with Walt Turlo. He admitted that I believe, stayed with him for two nights. The reason for
this was that	
	Apparently they decided the best solution was for
him to stay with Walt, who took him	around to do 'kid things' on Monday. Walt made the
following responses to my questions	:
Walt volunteered that	slent on the couch not in Walt's hedroom

1

- He stated that he did not realize that the prohibition against being alone with minors applied to I regarded this as more of a hope than a firm belief.
- He did not inform Fr. McNamara before-hand because John was away on vacation and arrived home Monday,
- He said that he asked if it would be O.K. for the said to stay with him. (I am not sure in what manner this question was put to or when she became aware that a minor was involved)
- Walt stated that he understood that I had made it abundantly clear that this was a very serious matter.
- Walt apologized, sincerely, I believe.

١

• In response to my question as to why he didn't ask permission from Ms McCluskey or myself, he repeated that he did not realize that the prohibition against being alone with minors included

In concluding my conversation with Walt I made the following points:

- The prohibition against being alone with minors includes
- Whenever he is seeking an exception to some matter in his protocol, he must ask either Ms McCluskey or the Vicar for Priests not Fr. McNamara or
- This is a very serious matter, his action violated the Diocesan attempts to be transparent in these matters,

I expect that this episode will require further attention.

Fr. Grace,

I just received a phone call from who listed the following concerns about Fr. Turlo and his continued involvement with St. Fabian parish:

- 1. Fr. Turlo is still present at the parish
- 2. Fr. Turlo is still going to the parish and contacting young boys of the parish
- 3. She has been on an e-mail list that Fr. Turlo has continued to send e-mails to parishioners of St. Fabian
- 4. She expressed her concerns that no one at St. Fabian's really knows the entire story around why Fr. Turlo resigned as pastor and left the parish; she had positive things to say about the new pastor, but feels that due to the lack of information provided to the staff about Fr. Turlo's situation surrounding his resignation, she is concerned that no one at the parish really knows if he should or should not be around the parish

I thanked for her phone call and explained that she should speak with you. When I asked, said that she would be more comfortable contacting you as opposed to giving me her contact information to pass along to you. I told that today is your off day and that you should be in the office tomorrow. She also agreed that I let you know that she would be calling you about her concerns about Fr. Turlo.

When I mentioned the Vicar for Priests' office, told me that she called "Fr. Kaczorowski" in the VP office when Fr. Turlo resigned and returned to the parish. As per Kaz "yelled" at her and she did not feel that it was a positive conversation. I told her that I could not speak for Kaz, but that you still would be the person that she needed to speak with.

Just wanted to give you a heads up--and to expect to hear from tomorrow.

>>> Edward Grace 03/21/06 6:38 PM >>> Leah,

I don't think that Turlo is supposed to be around the parish, but I will have to check. Please remind me.

Also, if you have not already left the office, though I hope you have, could you bring some copies of the new forms with you to Mundelein on Wednesday.

See you Wednesday at Stritch. I will try to get ther about 9:30.

Just an FYI. Is Turlo supposed to be around the parish? I can't remember at this moment...

June 1, 2005

Dear Cardinal Francis.

I believe in the transforming power of our personal share in the dying and rising of Jesus. There have been a number of extraordinary instances of this in my own life over the years. I am keenly aware that this is one of those times.

I also know that the days ahead will be painful for my accuser, for yourself, for the people of St. Fabian, for other people I have served for over thirty-five years, for the Vicar for Priest's Office, for your staff, and lastly, for myself. However, I also believe the Spirit will be with each of us now in this time. That is and has been my prayer during all of these days.

For this reason, I am asking you to accept my resignation as pastor of St. Fabian Church. Thank you for all you do for the Archdiocese and for me. A copy of this letter has been given to Rev. Jim Kaczorowski, Vicar for Priests.

Sincerely,

Rev. Walter J. Turlo
