Father Timothy To Speak to Knights

Father **Timothy Heines**, the Council Chaplain, will speak to the Knights at the Thursday, October 3, Membership meeting at 7:30 p.m. in the Upper Room. He will be discussing his goals for the parish and the many ways that the members of the Council can assist him in meeting those goals.

The Knights are uniquely positioned to help the pastor to move the parish forward. Their programs to raise funds for numerous charities, their support of the Right to Life Programs, and their participation in the many ministries of the parish provide a base for invaluable support to help Father and the parish. The Knight's quarterly Corporate Communion assembly is a manifestation of the strength of catholic men demonstrating visible evidence of support of their catholic faith and church.

Father Heines has the privilege accorded to few priests—the privilege of serving in the parish from which he was ordained. He understands the people of the parish. It was his nurturing family as a young seminarian and continues to be his unique family as pastor.

Fr. Timothy Heines was ordained a priest of the diocese of Dallas in May of 1994. Since that time, he has served as parochial vicar at St. Elizabeth Seton in Plano and as pastor at Holy Spirit in Duncanville and St. Francis of Assisi in Frisco. He has served the diocese as Vicar Forane (dean) of the southern deanery, member of several diocesan committees, like the diocesan Stewardship committee and Presbyterial council. He was the first chaplain

of the Dallas Young Serra Club. He has taught in the Christ the Servant Institute, the deacon formation program, and was a founding faculty member at John Paul II High School in Plano.

He has a Masters of Divinity Degree and a Masters of Arts in Theology which he was awarded after submitting a thesis entitled: The Influence of Jansensism on the Development of the Devotion to the Sacred Heart of Jesus in Seventeenth Century France.

In 2008, he was assigned by **Bishop Farrell** to study at the Catholic University of America where he is currently completing his doctorate. He is working on his dissertation entitled "The Liturgical Theology of Guerric of Igny. He is an expert on Medieval and Early Modern Spirituality and was selected by readers of the Texas Catholic as one of the best preachers in the Diocese of Dallas.

Don't miss this unique opportunity and privilege to hear the word of our pastor and Council Chaplain.
