PRAYERS FOR THE SICK

Dear Friends:

It's my pleasure as your new Pastor to introduce you to another new member of our Our Lady of Lourdes team. His name is John Carlsen, and he'll be serving our community as Parish Administrator. John comes to Our Lady of Lourdes with a long history in law enforcement and education. In our county, he served for many years as a Deputy Inspector with Nassau County Police. Since 9/11, John has been offering important educational seminars and conferences on national security throughout the country. John Carlsen also served as Business Manager at my last parish assignment, St. Thomas the Apostle Parish. He brings honesty, organizational skills and a deep devotion to our faith to his service as Parish Administrator. John and his wife, Kathleen, have raised four children in Massapequa Park. So they know this area very well.

Please give your full support and encouragement to this wonderful and gifted Parish Administrator.

John Brosnan, who has served Our Lady of Lourdes so well in recent years, will remain Business Manager for our Parish. I very much appreciate his advice and counsel during these past few months. I look forward to working with John Carlsen and John Brosnan for many years to come.

In addition to the lay staff, I should also mention the presence of two new priests who will be assisting us at Our Lady of Lourdes Parish. These priests are Father Matthew, who comes to us from England and will be here to assist me during the time of transition. And Father Cletus, who comes to us from Nigeria, and is working both at Nassau County Medical Center as a Chaplain and as a help to us at Our Lady of Lourdes. On occasion, you'll also be seeing Father Andiy Egargo from the Philippines and Father Jack Maloney from Bayside here too. All great priests, joining the wonderful priests you have here at Our Lady of Lourdes. Please make all these good men welcome in our parish. Thank you.

In the Lord of Life and Love,

Monsignor Jim Lisante
Pastor
Our Lady of Lourdes Parish

A TRAVELER'S PRAYER TO ST. JOSEPH

O Blessed St. Joseph, who did accompany Jesus and Mary in all their journeys, and who has therefore merited to be called the patron of all travelers, accompany us in this journey that we are about to undertake. Be our guide and our protector; watch over us; preserve us from all accidents and dangers to soul and body; support us in our fatigue, and aid us to sanctify it by offering it to God. Make us ever mindful that we are strangers, sojourners here below; that heaven is our true home; and help us to persevere on the straight road that leads there. We beseech thee especially to protect and aid us the last great voyage from time to eternity, so that, under thy guidance we may reach the realm of happiness and glory, there to repose eternally with thee in the company of Jesus and Mary. Amen.

Respect Life

RESPECT LIFE

"For God, the Lord of life, has conferred on men the surpassing ministry of safe-guarding life in a manner which is worthy of man. Therefore from the moment of conception life must be guarded with greatest care."

Vatican II - church in the modern World.

... Did you know that at the moment your mother's egg was fertilized, 46 chromosomes with 30,000 genes combined to determine all your physical characteristics: sex, facial features; body type; color of hair, eyes and skin. Even more amazingly, intelligence and personality - the way you think and feel - were already in place within your genetic code. At the moment of conception, you were already essentially and uniquely "you.."

... "Did you know that nine weeks after conception a baby is as big as your thumb, is fully formed, has two arms and two legs, ten fingers and ten toes and his heart is beating and responds to painful stimuli, he can grasp an object and make a fist?

... Did you know that a baby sucks its thumb 12 weeks after conception!

... Did you know that in a recent survey, sonograms show that 95% of pre-born infants favor their right thumb?

... Did you know that in every abortion a baby dies?

There is room for everyone in the pro-life movement. No one can do everything, but everyone can do something.

Did You Know?

Tim Tebow-Heisman Trophy winner's mother rejected her doctor's advice to abort him. Tim's parents, Bob and Pam Tebow, moved to the Philippines in 1985 to conduct a Christian missionary outreach.

While pregnant with Tim, Pam contracted amoebic dysentery through contaminated drinking water. She was advised to have an abortion due to the danger to the baby from the drugs needed to cure it. She refused and Tim, a healthy baby, was born in 1987.
