A letter, describing sadomasochistic rituals written by Fr. Mulholland in July 1968 to a St. Joseph parish teenager while the boy is at summer camp. Several other boys from the parish also are named in the letter, which discusses an upcoming outing as a "two week torture treatment." GJ-139
Most infamous and notorious of all captives taken in the War Between the Emperor and the Satanic Duke, the emperor having been permanently entrapped in the grasp of the Satanic Prince, now of Steel, is refuse to be subjected to a torture treatment to purge him of all resistance and break him into complete submission, thereby rendering him a puppet above.

WHY ARE WE BURNING, TORTURING, KILLING

Because he deserved it, because the Emperor and the Duke, far from realizing remorse for their ways, now have more than a million tears than the people of the Satanic Prince.

The last two things it was you I was not able to discuss with you. One details of the trip that would have your enrichment and another details of the debt to date for both and before October, and if conditions have been fulfilled, will pay back much more — 0018

If it is bored from lack of torture or is not chained or tied at night prince may also become prisoner as shown.

Promise never to jump or make prince as long as daily punishments continue. EXCEPT-A Promise. Never let sleep uninterrupted until or unchained or prince will die at night as above -

She wishes to get out of original obligation to... how honor some money not at state. If says or at trial when is free from not from but who will keep a slave for years until revenge satisfied so if prince is wounded in head, body, and wishing revenge for punishment of. Also a challenge. The best was originally meant to make know what slavery was like that is complete dependency on another and fear of torture. Once had so broken from constant punishment that we'd kiss or swing and had nearly succeeded. Challenges Praise to succeed and admire - Also out of curiosity to see what it is like not to be able to do what you want but only serve and suffer done it on.
