Re: Tel. call from [redacted] (11/19/92)

Date: Thursday, November 17, 1992

[redacted] question was concerning the manner in which the diocese decides to pay for counseling. (CEM - not sure that this was not a newspaper person) He said he was representing himself, was also a journalist and a victim. [redacted] came to Fr. McCormack in 1985 about a priest - told by J B M: "I would not be told what was found" - No further contact... [redacted] has been in counseling the past fifteen years - hence question. CEM - relayed that individuals have met with us - each situation dealt with on an individual basis - must determine the fact of an allegation.

Cape Cod [redacted] - Expecting to hear from J B M. (Monday not good - 23rd)

- left message - Friday 11/20/92 @ 3³⁰ pm [redacted] to telephone me
