Dear Father McNamara:

I attach herewith a history of the priest, Father David Holley, whom you have kindly agreed to receive at Via Cosli. I am contacting him today and directing him to notify you of the time of his arrival in Albuquerque--which should be within the next three or four days.

His past history would seem to give us little hope of his being able to resume an effective ministry for a long time, if ever.

✓ I have no objections to his celebrating Mass as soon as your own norms for his privileges are satisfied.

We will be responsible for his care and treatment.

Thanking you in advance for agreeing to give this priest whatever help and encouragement you can with his problem, I remain

Sincerely yours in Christ,

Bishop of Worcester

Rev. Joseph McNamara, S. P.
