

Additional Personal and Confidential background information regarding Fr. Arthur O'Leary

Allegation: (September, 1992)

Mrs. ██████████ contacted the Chancery with concern about her son ██████████ who is 12 years old and an altar server in the parish.

██████████ had a very uncomfortable feeling around Fr. O'Leary. Some of this was a feeling he had and some came from words and actions by Fr. O'Leary.

Specifically the boy mentioned Fr. O'Leary's use of swear words like "ass" around the boys. Also, in referring to ██████████'s cincture, Father said 'stop playing with your ding-a-ling'. In regard to the processional cross, Fr. O'Leary told him to 'stop playing with my jewels'. Finally, ██████████ says that he massages the boys' shoulders. This makes ██████████ feel very uncomfortable.

Mrs ██████████ decided to meet with Fr. O'Leary with her husband and a priest relative. They did have a meeting at which they expressed there concerns. They felt that Fr. O'Leary really had little response to these concerns at this meeting.
