Dear Jack.....

I am writing you today out of a certain sense of desperation ! Yesterday, Marie Zongilla and Helen Negveski met, here at Sacred Heart rectory, with Mr. O'Brien . The purpose of this meeting was, ostensibly, to help "prepare" there are scheduled to give in the "civil suit" against Al Liberatore, et.al.. Although I was NOT PRESENT at this meeting (apparently I am going sometime in the Spring), from what Merce, Ann Marie & Helen told me the meeting was to give the Diocesan lawyer the opportunity to encourage them THAN HONEST in the testimony they would give !!!!! I believe the technical "subornation of perjury" !

When I spoke with Jim Earley a few weeks ago in relation to these depositions what my testimony would include and asked whether , after saying a variety NOT be good for Timlin et. al. if I would be subject to any, for the lack of a job from the Diocese. He assured me that I had nothing to worry about and to just which is certainly what I intend to do. However, based on various things that Merce et.al I am beginning to wonder if Earley was being honest with me .

The MAJOR ISSUE seems to be the following: "Why did we feel it necessary suspected abuse to you rather than directly to Timlin"? The TRUTHFUL answer that Bishop Timlin was, as it were, in Fr. Liberatore's "HIP POCKET" and that Liberatore was "holding something over Timlin's head"!

Yesterday, at this meeting, the women were all but ordered NOT TO SAY I conjecture that the Diocese doesn't want me to say this either however **THAT** by truth I mean that we honestly believed it whether it was in reality true or know, why I approached you with my concerns rather than going directly to I have STRONGLY encouraged the women to TELL THE TRUTH. **IF I AM ABSOLUTELY NOT LIE FOR THE DIOCESE !**

My concern here, I must admit, is a selfish one . Am I to be some kind in all this? Will the Diocese then come after me in vengeance , Jim Earley notwithstanding? Should I hire a lawyer myself? Should I go public with I'm really beside myself with all this. I'm not a perfect person but I become
