Dear Father Holley:

This will confirm my telephone call assigning you as temporary assistant at St. Anne's Parish in Southboro where you will kindly report for duty Friday, September 20, 1968. The pastor is Rev. Thomas Carberry. I have explained to him that the appointment will probably be temporary and for the duration of the time during which you are obligated to see a doctor in the area on a regular basis.

With every best wish, I remain

Devotedly yours in Christ,

Bishop of Worcester
