**Note:** The *Official Catholic Directory* aims to report the whereabouts of Catholic priests in the United States on January 1 of the *Directory's* publication year. Our working assumption is that a priest listed in the *Directory* for a given year was at the same assignment for part of the previous year as well. However, Kenedy and Sons will sometimes accept updates well into the year of publication. Diocesan clergy records are rarely available to correct this information. The *Directory* is also sometimes misleading or wrong. We have tried to create an accurate assignment record, given the source materials and their limitations. Assignment

records are a work in progress and we are always improving the records that we post.
