Captain O. D. House
Division Commander
Police Department - City of Modesto
601 - 11th Street
Modesto, California 95354

Dear Captain House:

I wish to acknowledge our telephone conversation of Thursday, March 15th with respect to the Reverend Antonio Camacho.

I am pleased that you were able to speak with him directly in your office and that as a result of that conversation he made plans to return immediately to his Diocese in Mexico.

I am hopeful that he will follow through on this arrangement and that he will receive the special treatment and counselling which he definitely needs.

As an added safeguard I am sending a personal letter to all of the Bishops in the Western states advising them to not grant faculties nor an initial assignment to Father Camacho in their Dioceses.

As soon as I hear from the Bishop of San Juan de los Lagos that Father Camacho has arrived there I shall advise you.

Thanking you for your assistance in this delicate case, and with kindest personal regards, I am

Sincerely yours in Christ,

Most Reverend Roger Mahony
Bishop of Stockton
