# Priests with Substantiated Claims of Sexual Abuse of a Minor

The following list identifies diocesan priests who were removed from ministry, were retired, or left ministry after allegations of sexual abuse of a minor. This list also includes order priests, former priests or deceased priests with more than one allegation made against them. Priests who received a single allegation after their death are not included. Each name includes the date of addition to the list, and the italicized year of death is listed next to those who are deceased.
