

CLAIMANT NO. 1 - [REDACTED]

[REDACTED] was extensively abused by Father Cotter over a seven year period between 1968 and 1975. He was seven to fourteen years old at the time. He was between the first and seventh grades. He is presently 32 years old and single. [REDACTED] was an altar boy and a student at St. Theresa's school. He was also a scout member of the troop operated under the auspices of St. Theresa's parish.

Although it does not constitute an extensive recitation of all the episodes of abuse, I have attached [REDACTED] hand written notes describing some of his experiences with Father Cotter. I felt that the notes would give you a much more palpable sense of the facts than my narration of them. I have also attached an evaluation written by his therapist, E. Russell Lynn, documenting the devastating impact of Father Cotter's actions.
