Dear Mister Ghizzone:

health leave

- out of order

not

I am writing to let you know that The Bulletin is in dire need of exposing a local priest who had several molestation complaints lodged against him in his time at Holy Name Parish 15 years ago. Reverend James Foley was put on "sick leave" and sent to a facility in Montreal and later on to New Mexico when he was accused. He has since been put on the "retired priest" list by the Cardinal. His name has mysteriously been absent from all the reports the Herald and the Boston Globe have done on the scandal. Father Foley's misdeeds (CRIMES) were both reported to and documented by the Archdiocese and a phone call or a letter to the Archdiocese or the present pastor at Holy Name will be very helpful to the Bulletin in exposing this monster who preyed on many young men in the parkway area 15 to 20 years ago. I hope in the name of responsible journalism you will see to it that at least an inquiry is made into this situation. I think it is a story that needs to be told and exposed to all those who were fooled and harmed by Reverend James Foley in his years at Holy Name. Thank you for your time.

Sincerely Yours,

Massachusetts
