Re: Fr. James Foley

Dear Ms. Morrissey;

Our newspaper received a letter recently concerning a Reverend James Foley who had served at Holy Name Parish in Roslindale approximately 15-years ago.

In the letter, the author accused Fr. Foley of sexual misconduct. Under the Freedom of Information Act, *The Bulletin* is requesting information regarding any formal complaints filed against Fr. James Foley with the diocese at any time.

According to the letter we received, Fr. Foley is currently on the "retired priest" list.

We would appreciate any information on Fr. Foley faxed to us by Monday April 1, 2002.

Please feel free to call us with any questions.

Sincerely,

Kate Remelt, reporter
