2. Please describe any special experience, training (e.g. degree or non-degree studies) and talents that should be considered in making your assignments.

I was accepted at BC Grad school for Counselling-Guidance  
Degree in School of Education. I took one course and then  
withdrew, because I could not do the work of a student without  
giving less than 100% to the Parish, which does take and get  
every bit of my time.

3. How is your health at the present time?

Good never sick Fair \_\_\_\_\_ Poor \_\_\_\_\_

 \_\_\_\_\_  
 \_\_\_\_\_

8. How would you evaluate your present assignment?

A. Are you reasonably satisfied? Yes.

B. Would you consider your rectory your home in any true sense of the word? Yes; but I do go home one day each week for sure to get some sleep.

C. Is there genuine dialogue with the priests in the rectory?

Comment Yes. There is difference of opinion, there are varied backgrounds and years of training, but we all get into conversation together and live well together.

However great the Pastor is (and he is excellent) there are times when I feel I am the son and he is the father, instead of brothers in the Priesthood. I would like my opinion to be the last word once in a while, especially in youth work; e.g. use of a Folk Mass....

9. Would you like to have an interview over the course of the year to complement this form? Yes \*\* No \_\_\_\_\_

Comment:

Just to talk over, what I could be doing better in my assignment.
