Bishop Hughes:

Re: Fr. Bill Scanlon, a possible pastor for Forest Hills.

I have gone over his folder in secret archives rather thoroughly. It seems that he sought a leave of absence in 1987, but then withdrew his request when he went into prison ministry.

At about the same time there are minutes from R.J.B. about his meetings with people and Bill himself about possible overinvolvement with boys either in Norwood or at the Pilgrim Center.

Earlier in 1986 he had undergone testing at the House of Affirmation in Whitinsville
