

P.S.

Problems - pastor's oath - heresy; (Mr. Connelly) <sup>consider</sup> it with  
- can't be a curate (priest's head)  
- continues to experience erratic health (lack of knowledge of future?)

Effects - list of St Ann, San Bernardino - money  
- help out when he can - Sunday Mass, Confession  
volunteers on Holy Days  
- lower friends in Palm Spring - helps <sup>John Core</sup> as beds go  
- happen - alleged, physical, <sup>and</sup> <sup>intermittent</sup> <sup>at</sup> <sup>work</sup>

Observation - sees self as a Thomas next in the church today re: the requirements of the oath to endorse all papal teaching (does he provide for the limitations of the ecc condition)  
- his spirit is less visibly angry and he looks good  
- is fearful of trying formally to a <sup>1/2</sup> commitment - he needs room to move because of his health.

Recommendation: <sup>Observation I - assigned to San Ben Jan 3</sup>  
- he be taken off sick leave <sup>permission to be</sup>  
- be given permission to <sup>state</sup>  
at St Ann's San Bernardino  
- he be assigned to part time services there
