Dear Otto,

I left St. John Vianney on the 10th of December 1986 and have been residing at my sisters home since then.

The pastor was kind enough to pay my salary for the whole month of December.

I've celebrated mass every day at Christ the King Parish and so have managed to say all the remaining purgatorial (priests) masses I had.

Toward the end of February the Pastor of Christ the King invited me to cover two masses and gave me the \$20 as stipends.

Thus far in March he has given me five \$5 stipends.

Thank you for your kind
ance.
