

PERSONNEL OFFICE
DIOCESE OF BROOKLYN

January 3, 1984

Rev. Romano J. Ferraro
C/o
New York 136

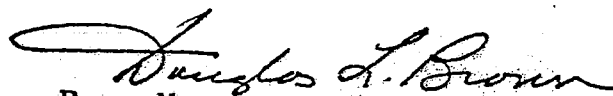

Dear Father Ferraro:

After much prayer and very serious and lengthy deliberation on the part of Bishop Mugavero and the members of the Assignment Board it is not possible to honor your request for reassignment in the Diocese of Brooklyn.

For your own personal well being and for the good of the diocese it would be much better and more prudent for you to seek an assignment in another diocese where you would have the opportunity to begin anew.

If I can be of assistance to you in establishing contacts with other dioceses, please do not hesitate to call on me.

Sincerely in Christ,

Rev. Msgr. Douglas L. Brown
Secretary for Personnel
