Bishop J. Kevin Boland  
601 East Liberty Street  
Savannah, Georgia 31401

Dear Bishop Boland,

We are writing to thank you for your support in our situation with or Jesuit  
Father Edward Schmidt called us on October 1st to convey his sympathy and concern  
about what we have gone through with Father McGuire. He also apologized for the  
treatment we received from the Jesuits. He was very gracious. He did let us know that  
our original letter to the Jesuits was what caused them to take action with Father  
McGuire last year.

We are not sure what the appropriate action is for us to take with at this point. It is  
our intention to speak with the psychologist priest in the Jesuit's Chicago office. We  
hope that he will be able to give us some direction in addressing this problem with our  
son. We are very concerned that we have God's wisdom in the situation.

Again, we want to express our appreciation to you.

Sincerely,
