CONFIDENTIAL

Very Rev. Enrique Losada, SS.CC., Supr. Gen.  
Casa Generalizia - Padri dei Sacri Cuori  
Via Rivarone 85-I  
00166, Rome, Italy

Dear Father Losada,

I am writing to you about an allegation of sexual misconduct on the part of Very Rev. Martin O'Loughlen, Provincial Superior of the Western Province. This allegation was forwarded to this office by the Diocese of Phoenix, Arizona, since Father's residence is here and he holds faculties from this Archdiocese. Ordinarily, allegations of this type would be sent to the provincial superior, but since Father is the provincial, I must send this on to you.

██████████ whose home and work phone numbers are attached, claims that Father molested her while she was a student at Bishop Amat High School, La Puente, California (a secondary school of this Archdiocese). Recently, while passing through Phoenix, Father O'Loughlen called her and said that he wanted to see her again. This made Ms. ██████████ extremely angry and she called the Diocese of Phoenix to complain and to report the abuse.

Our records show that Father O'Loughlen was indeed assigned to Bishop Amat High School from 1966 to 1969.

Since this matter has been submitted to this office, could you please keep me informed of the steps that your congregation takes to investigate the matter, as well as any findings and actions taken?

Thank you and may God bless your ministry.

Sincerely in Christ,

Reverend Monsignor Richard A. Loomis  
Vicar for Clergy
