Dear Ms. [Female Parishioner 1]:

Thanks for your very kind letter about Father Dan Clark. I am very glad that he has performed his ministry so well at SS. Simon and Jude.

Father Fichteman's appearance on television was made under the painful circumstances of Father Clark's arrest. I was out of town, but others have told me that he acquitted himself very well and that all that he said conformed to the situation as we know it. Father Fichteman has proven worthy of archdiocesan confidence on innumerable occasions, and I feel sure that he measured up to the demands of this situation too.

With prayerful best wishes,

Devotedly yours in Christ,

Archbishop of Louisville
