Fr. Bill Fichtner told me about Tom Casey calling today, concerned about the same thing as my phone call with Tom yesterday.

Bill & I came to the conclusion that Dan, himself, probably doesn't remember.

Tried to call Fr. Dan Clark. Talked to Dan Eady at the Passavit Monastery to see how he was doing. He is on a lot of medication, but doing the best he can. The Passavit have been super.

I passed on the above information to him of my note July 7, 1988. He had not heard about it yet. I told him Bob Fleming would probably be getting a hold of him.

Dan has not been to Dr. O'Connor for about 2 weeks.

Asked if there was anything we could do for him. "Nothing".

I expressed that Archbishop Kelly was asking about him.
