MEMORANDUM:

TO: Reverend William Medley
FROM: Archbishop Thomas C. Kelly, O.P.
RE: Daniel Clark

It has taken me three days to figure out what Dan is talking about here, and perhaps I'm still not sure. The word 'prevention' is particularly confusing. (Around the fourth time through, I noticed that the letter is dated April 27th and refers to a May 1st phone call as antecedent.) Citations of support from John Maloney and Dr. O'Connor are even more amazing.

I think we'll have to talk about this before I attempt a reply. I suppose I can predate it to March 15th.
