Dear Mrs. Crawford,

I hope you had a nice vacation and a rested return to duties. Today, I begin my vacation and retreat and will be out-of-town throughout October (hopefully). In the event that there is a need to reach me, the following numbers are to my step-mother on the family farm in northern Indiana. If I am not at the farm, my step-mother will know how to reach me. I have canceled plans for extensive travel and will be within a day's drive from Louisville throughout my vacation. I will also write a note to Archbishop Kelly informing him of my vacation.

My step-mother is the directory of teacher assistance for the Jay County School Corp. in Portland, Indiana.

Much of my time will be on the farm. However, I do have plans to visit my cousin who lives in the mountains of Pennsylvania (when the leaves are at the peak), close to Uniontown. This would put me about a day's drive from Louisville. The monastery (451-2330) will also have these phone numbers.

Thank you and God bless. Hope the return to the Chancery is a 'gentle' one <grin>!

Sincerely,

*Fr. Dan*
