

Re: Father Dollinger

MS-21 called last week and I reached him at home on May 9th. He wanted to affirm the testimony given by his brother MS-20, but added the new information that he too had been sexually abused by his uncle. Both brothers fear that their brother MS-22 also was abused by Father Dollinger. MS-22 committed suicide recently, and that death was at least the occasion for their contacting me.

MS-21 is a member of St Maximilian Kolbe parish in the Archdiocese of Cincinnati. He was very calm and reasonable in his presentation, saying that he was "troubled inside".
