Dear Bishop Harrington:

One of your priests, Father David Holley, has been working in the Diocese of San Angelo for the past several years. During this period of time on a few occasions his past problems surfaced. On December 22, 1982, I informed Bishop Flanagan that I would give Father Holley one more chance. It is with great regret that I write now to say that Father Holley has made it impossible for us to keep him in this diocese.

I will ask Father Holley to return to his own diocese for whatever counsel you may wish to give him. As a small missionary diocese we are unable to continue our association with him. If I can be of any help to you about this matter please call on me. I will continue to pray for him and hope that he will successfully deal with his problems so that he can continue a useful priestly ministry in the service of the Church.

With prayerful best wishes to you, Bishop Harrington, I am

Fraternally in Christ,

*+ Joseph A. Fiorenza*
