To the Laity, Religious and Clergy of the Diocese of Gallup

“Dear Sisters and Brothers in Christ,

When I became the Bishop of the Diocese of Gallup, I committed to ensuring that the children in this Diocese and in the Parishes, Missions or Schools that operate within the Diocese were protected. The Diocese published names of those working within the Diocese against whom there were credible allegations of sexual abuse of a minor.

We have now officially undertaken the task of publishing the names of priests and church workers who have served in our diocese, but who have had credible allegations of abuse made against them during their assignments outside of the Diocese of Gallup. These names will be posted below the list of church workers who have been credibly accused of abuse from their time serving within the Diocese of Gallup.

I have sent letters to each Parish, Mission or School within the territory of the Diocese of Gallup, including those where each of the priests or others served, advising them that we have now extended the parameters of our credibly accused list.

The publication of these additional names does not mean that our vigilance and continued investigation ends here. The investigations remain ongoing. Although the newly listed Church workers have not been accused of abuse of a minor while they served within our Diocese, if anyone is aware of an incident of abuse, we urge them to contact the proper law enforcement authorities. We also welcome you to contact the victims assistance coordinator at the Diocese, at [505-906-7357](tel:505-906-7357) (<tel:505-906-7357>).

I wish to also thank survivors of abuse for their bravery and dedication to driving reform in the Church. I cannot undo the violation of your trust and innocence, but your voices have been instrumental as we continue to work to root out abuse. I again reaffirm my commitment to protect our children and to continue to assist those who have been harmed.

Sincerely yours in Christ,

Bishop James S. Wall”

Quando fui consagrado obispo de Gallup, asumí el compromiso de asegurar que los niños en esta Diócesis y en las Parroquias, Misiones o Escuelas que trabajen en la Diócesis fueran protegidos. La Diócesis publicó los nombres de aquellos quien han trabajado dentro de la diócesis quienes tenían acusaciones creíbles de abuso sexual de un menor en su contra.

Ahora hemos iniciado oficialmente la tarea de publicar los nombres de sacerdotes y trabajadores de la Iglesia quienes hayan trabajado en nuestra diócesis, pero que han tenido acusaciones de abuso hechos en su contra mientras fueron asignados afuera de la Diócesis de Gallup. Estos nombres serán publicados debajo de la lista de trabajadores de la Iglesia quienes hayan sido acusados de abuso creíblemente durante su tiempo sirviendo en la Diócesis de Gallup.

He enviado cartas a cada Parroquia, Misión o Escuela dentro del territorio de la Diócesis de Gallup, incluyendo aquellos donde cada uno de los sacerdotes u otros hayan servido, advirtiéndoles que hemos extendido los parámetros de la lista de los acusados creíblemente.

La publicación de estos nombres adicionales no significa que nuestra vigilancia e investigación constante termine aquí. Las investigaciones continuarán. A pesar de que los recientemente alistados trabajadores de la Iglesia no hayan sido acusados de abuso de menores mientras servían en nuestra Diócesis, si alguien tiene conocimiento de algún incidente de abuso, los pedimos con urgencia a contactar con las autoridades de la ley. También los invitamos a contactar la Coordinadora de Asistencia para los Víctimas de Abuso en la diócesis al número [505-906-7357](tel:505-906-7357) (tel:505-906-7357).

Quiero también agradecer a los sobrevivientes de abuso por su valentía y dedicación en animar reforma dentro de la Iglesia. No puedo deshacer la violación de vuestra confianza e inocencia, pero vuestras voces han sido útiles mientras desterramos todo abuso. De nuevo, afirmo mi compromiso de proteger nuestros niños y continuar a asistir a los que hayan sido heridos.

Sinceramente tuyo en Cristo,

Reporting Abuse

[Click here](#)

(<https://dioceseofgallup.org/youth-protection/law-enforcement-reporting-contacts/>)

The following is a list of priests, religious and other persons who have been credibly accused of sexual abuse of minors and who have served in parishes or institutions of the church located within the territorial limits of the Diocese of Gallup. The names on this list were recommended to the Bishop by the Diocesan Review Board whose members include lay professionals with expertise in law enforcement, mental health, and children's health. The persons named in this report have been included because the allegations against them were deemed credible. By that determination, the Diocese of Gallup is not making a definitive statement as to the veracity of the allegations nor the guilt of the accused, only that the allegations are serious and have not been discredited. By their very nature, these allegations are grave but only a court of law has the authority to determine guilt or innocence. This list will be modified from time to time as additional information becomes available.

La siguiente es una lista de clero identificados por la Diócesis de Gallup que tienen denuncias creíbles de abusos sexuales hechos en contra de ellos.
