Listed Clergy

This list is not exhaustive. There may be additional priests or clergy who may have committed acts of Sexual Abuse but on whom the Archdiocese does not have a report or for whom an allegation of Sexual Abuse was not substantiated through the Archdiocese process or a civil authority. In addition, the list does not include other potential offenders who are not members of the clergy, such as teachers, nuns, or non-ordained members of religious orders. The fact that this list may not include the name of the Alleged Abuser who sexually abused you does not mean that you should not file a Sexual Abuse Proof of Claim Form.

Please refer to the Committee website located at www.NOLAchurchCommittee.com for lists prepared by the Committee of additional clergy against whom Sexual Abuse lawsuits have been filed and clergy accused of Sexual Abuse by other religious orders and dioceses.
