Re: Rev. Tom Forry

Date: May 3, 1979

-----

Bishop Hart's secretary telephoned this morning to let us know that [REDACTED] housekeeper at St. Francis in Scituate alleges that Fr. Tom Forry beat her up and threw her down the stairs. I contacted [REDACTED] and advised her to write her allegations to you. She said she would and also stated that her lawyer has sent a letter to Bishop Hart.

Background:

Monday or Tuesday evening - Dick Little heard from Fr. Paul Jalmauh's sister on the tape. She called about five times reporting the incident involving the housekeeper and Father Forry. She called again later and left a message telling us to forget the whole thing. RPL can fill you in on her exact words.

I telephoned Joe Smyth and advised him of the situation and told Bishop Hart's secretary to make him aware of the situation upon his return.
