Dear Cardinal Medeiros,

I am writing this letter
requesting permission to join
the Army National Guard.

As I am sure you are
aware, my serving in the
National Guard would not
detract from my parish
assignment, as it involves
only one Sunday (usually in
the afternoon) per month
in addition to two weeks

training during the summer.
I would appreciate a
response from you as soon
as possible.

Thanking you for your help,
Sincerely,

Rev Thomas P. Forry
