Dear Monsignor Phil,

Warmest Greetings from here. My chief object is to thank you most sincerely for ALL the practical help you gave Katie, Bernie & I on occasion of dear John's death R I P.

We found so many, many silver linings to our cloud of sorrow. Your memo to your clergy has been multiplied dozens of times over. May I single out 2 items - John's burial place near Mike & Tom Flahive at Crestlawn & your final prayer from Cardinal Newman, a great favourite of mine, "May he find a safe rest and peace at the last. In fact, just now I'm piecing together 2 Arts on the Cardinal's death Centenary & I'm analysing it at deep sentiment beginning "My He support us all the day long.

I try to visit Birmingham to say Mass in his death room (now a small oratory).

Phil, I'm sure your Profile has a place in recent Kerryman as K I think would have given it

I'd love to call on you & so many in San B in ('91 or '92 . You will pass on my Greetings Thanks to Bishop Straling & all priest & Brother of John's.

Sincerely in Our B L rd,

Con Daly

The parish council should oversee the writing process of a parish mission statement. Use the following steps:

- a. Gather information on "parish identity" through an evening of reflection and discussion. (This could be a large parish gathering.)
 - Who is our parish?
 - What is our purpose?
 - What do we stand for?
- b. Have someone write an initial draft; bring it before the council for input
- c. Conduct a town hall assembly for parish discussion and input
- d. Get the widest approval before final adoption
- e. Be sure the completed mission statement is widely publicized.

Sample Mission Statement:

The parish of _____ is a Catholic community which shares the pastoral direction of the Bishop through his pastoral representatives. It is a community which share the Good News of Jesus Christ by providing a Christian education and by being sensitive to the needs of the entire community.

2. Identifying Parish Needs (developed annually)

If you already have a parish mission statement, proceed to identify your current needs. The council needs to discern its weak or hurting areas. Reflect on the mission statement regularly; it challenges one to keep the gospel values in the fore front.

The brainstorming method is a simple way to surface a broad-based number of needs. In this method, people list any pastoral needs they see. Everything is written down; no discussion or prioritizing is allowed at this stage.

3. Identifying Parish Talents/Resources (developed annually)

This step can immediately follow step #1 either during an evening or day-long workshop. The council reviews the talents, gifts, and charisms that the Spirit has granted to their parish. A recent census which details occupations and specific resources will help greatly in this discussion. Resources include people, relationships, ministries, buildings, money, property, etc.

Dear Brother Priests and Deacons:

I regret to inform you of the death of Father John J. Daly, Diocese of San Bernardino (formerly of the Diocese of San Diego), who died suddenly at his residence in Hesperia, California on October 17, 1989. He retired from being Pastor of Sacred Heart Parish, Riverside, some years ago.

Father Daly was born on April 6, 1921 in Firies, County Kerry, Ireland. He was educated for the priesthood at All Hallows Seminary, Dublin, Ireland, where he was ordained in 1951 for service in Australia. He served in Australia until 1958, at which time, he transferred to the Diocese of San Diego.

Father Daly's assignments within the Diocese of San Diego were as follows:

Associate Pastor at Our Lady of Mount Carmel, San Ysidro; St. Therese, San Diego; St. John of the Cross, Lemon Grove; Pastor, St. Joseph's, Holtville, from 1975 to 1977.

October 18, 1989

Dear Brother Priests:

Father John J. Daly died very suddenly at his home in Hesperia on the afternoon of October 17, 1989. May he rest in the peace of Christ, whom he faithfully served.

John was born April 6, 1921 in Firies, County Kerry, Ireland, to Michael and Mary Daly and was ordained a priest at All Hallows College, in Dublin, in 1951. He served in Australia until 1958, at which time he transferred to San Diego. He served as an Assistant at St. Theresa Parish, Palm Springs; Our Lady of Mt. Carmel, San Ysidro; St. John of Cross, Lemon Grove; Administrator at St. Augustine, Eagle Mountain; Pastor of St. Joan of Arc, Blythe; Pastor of St. Joseph, Holtville; Associate Pastor at Immaculate Conception, Colton; Pastor of Sacred Heart, Glen Avon; and retired from full time active ministry in 1986.

A vigil service for John will be celebrated on Monday, October 23, 1989 at 7:00 P.M., at Holy Family Church, Hesperia. A Mass of Christian Burial will be celebrated at Holy Family on Tuesday morning at 10:00 A.M., with burial afterwards in Crestlawn Cemetery along side his cousins Fathers Mike and Tom Flahive. Bishop Philip Straling will preside at the Mass and the homilist will be Father Malachy McGinn. His brother, Father Cornelius, a priest in Rockhampton, Australia, will concelebrate and his sister, Katie, will also travel from Ireland for the funeral.

John loved life, was a friend to all, especially the down and outs of the world. He had a great love for language, was an avid reader and storyteller. May he now find a "safe lodging, and a holy rest, and peace at last."

The traditional suffrage of three Masses for a brother priest should be offered for Father Daly.

With every best wish, I am

Fraternally yours in Christ,

Reverend Monsignor Philip A. Behan

Dear Father Lechner:

Confirming telephone conversation date:

Permit me to introduce myself with the enclosed Cardinal's letter. It is my desire to find work in a United States Diocese. The greater part of my priestly life has been spent in Australia. Presently I am planning a trip to my homeland in Ireland; but, if I am needed in your Diocese, my trip is of no consequence.

Any information from you as to the possibility of preferably parish duty in the Diocese of San Diego would be greatly appreciated. I have done other work, but I am happier in ordinary parish work.

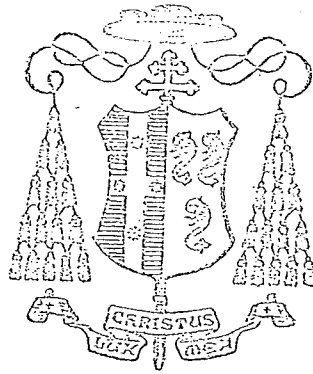

If you are interested, letters from former pastors can be obtained and forwarded to you. If I can avoid going back to Australia, I would greatly appreciate any assistance you can give me.

Blessings and regards,

D. J. Daly

Reverend Denis Daly was ordained at St. Patrick's College, Carlow, on the 3rd of June, 1951, for the Archdiocese of Sydney.

He commenced duty as Assistant Priest in Sydney on the 3rd of December the same year.

From the beginning he was somewhat unsettled and unhappy here chiefly because he felt so very far away from his native land and his family to which he was and is greatly attached.

In the parishes in which he served he was active and zealous and made many friends among parishioners.

As he feels that nearer to his homeland he would labour more effectively, I have agreed to his seeking a benevolent Bishop elsewhere.

I feel confident that he will cooperate generously with a Bishop who agrees to accept him.

In the past four years since he has been with us, we have come to know, love, serve and respect him, not only as our priest but also as our dear friend.

It is our feeling that he has drawn our parish together and we know many people who have returned to the Catholic faith because of him.

Father Daly's sermons are most interesting and down-to-earth; we are truly blessed with a most knowledgeable and articulate pastor and we feel Father Daly should continue as our pastor here at Sacred Heart, Glen Avon, for as long as he so desires.

I am a member of the Sacred Heart Parish in Riverside. I am 17 years old and am youth Representative on the council. I have been attending Sacred Heart for close to eight years now.

For as long as I can remember, Father J. Daly has been the priest at our parish. Everybody loves and respects him. He has taught me, with a lot of people, many things. He is easily understood and friendly.

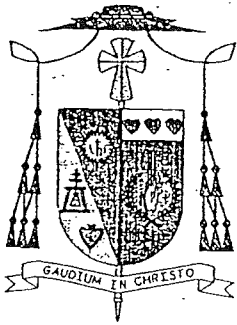

I would appreciate very much if you would not transfer Father Daly out of Sacred Heart. We would all miss him and feel a great loss.

Thank you for your time and understanding.

Your Excellency Bishop Straling,

We here at Sacred Heart feel you are doing are Parish a great injustice transferring Father Daly. We have accepted him and love him very much. He is so understanding and knowledgeable.

Father Daly takes quite a few of our elderly parishioners to the Doctor or shopping, when needed. This may be the only way these people get to where they needed to go. Father Daly visits the sick daily, not just in time of need. He visits new parishioners and welcomes them to our Parish.

We are trying to figure out how you go about deciding when to transfer a Priest. It can't be because our Parish isn't doing well. Our collections are up and when Father Daly gave his sermon on Stewardship, we reached our goal in two weeks. Our goal was higher than St. John's. St. John's Parish is in an area with two golf courses, nicer homes owned by Doctors, Lawyers, and other business people. All we have are the poor, elderly and those with high house payments.

We We have been working on a renewal program for our Parish for the last six months. It is taking so long, because we had to go out of our Diocese to get the information.

We, the Parishioners, don't feel you have a true picture of our Parish. There have been many discussions about the book that was filled out and sent to your office.

We would appreciate you taking a second look at your decision to transfer Father John Daly.

Dear Father Daly:

This is to confirm our conversation of Friday, March 15, 1985, regarding your future priestly ministry assignment.

In our discussion, it was concluded that, as of June 30, 1985, you would resign as Pastor of Sacred Heart Parish in Glen Avon. During the summer months you would be available for special assignment to work in one of the parishes or to assist in one of the hospital ministries. As of September, you plan to attend theological classes in Ireland that would last through May 1986.

On the occasion of your 65th birthday, which will occur in April 1986, you will have the official status of "retired." It is my hope that you will return to the Diocese and be available for special ministry that would assist the local church. Until April 1986, your official standing will be an assignment to special ministries during the summer and then an educational sabbatical.

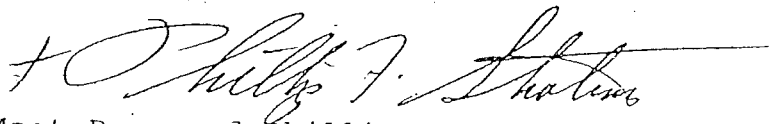

Regarding finances, the Diocese will provide, as of July 1, 1985, a stipend that will be the same amount that you will receive from the Priests' Pension Fund upon your retirement. Father Phil Behan is checking with the Retirement Board as to what this amount will be. The Diocese will also pay the tuition for your classes during your studies in Ireland.

Reverend John Daly
March 18, 1985

I hope that I have covered the main points that we discussed and agreed upon. If you have any questions or need further clarification, please drop me a note or give me a call.

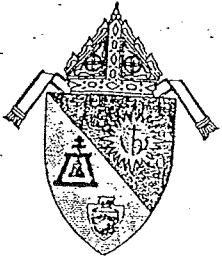

I sincerely appreciate your pastoral ministry in this Diocese and most recently at Sacred Heart in Glen Avon. It is my prayer that you will find the theological classes in Ireland helpful and, upon your return to the Diocese, that you will assist us with the many pastoral works that need to be done.

Yours in Christ,

Dear Father Daly:

This is a follow up to my recent Parish Visitation to Sacred Heart in Glen Avon. Your parish has a great love and affection for you that was indeed, very evident.

Through the parish meeting and in reviewing the parish self-evaluation, I perceive that ministries and additional services need to be added in the parish. Such would be greater emphasis upon evangelization, especially the RCIA, parish hospitality, and greeting of new parishioners. Additional work is needed in selecting leaders, who would be trained for parish ministry. I was pleased to note that the catechists are nearing completion of their certification process. Although there is a youth program in the parish, I hear that much more needs to be done, as well as in the Baptismal Training Program. As you and I discussed after this meeting, I think the best possible way to meet these needs in your parish is the hiring of a Pastoral Associate who would assist you in carrying out these ministries. I know that since our meeting, Sister Maura Feeley has been in contact with you regarding the possibility of Sister Celeste assisting you this year, at least on a part time basis. If this could be worked out, I know that she will be a great asset to you in helping you carry out these ministries. It is important however, that a very clear job description be drawn up at the beginning so that expectations are understood by both parties.

The parish will have to make extra efforts to raise the necessary money to meet the added expenses. However, I am convinced that with the additional ministries and services being offered in the parish, people will rally to meet this demand.

I did note that greater tidiness is needed throughout the entire parish plant, particularly in the vestibule, sacristy, and rectory. It is unsightly for people coming into your office for spiritual counseling to see plastic bags filled with dog food. I

Reverend John J. Daly
March 7, 1984
Page 2

also stress the urgent need that the neighbor next door be mandated to bring the premises up to county code. In particular, the number of animals should be limited and the mess in the backyard should be eliminated. Since this property is in your name, it makes it all the more urgent that this be done. It is not only an eyesore, but that many animals create a health hazard.

From the general meeting, I noted that a good number of people in your parish are not receiving the diocesan newspaper. Some did sign up that day, but an updated list of all parishioners should be sent to the Inland Catholic. Through the Diocesan paper, our people can be informed as to what services and ministries are available to them on a diocesan level.

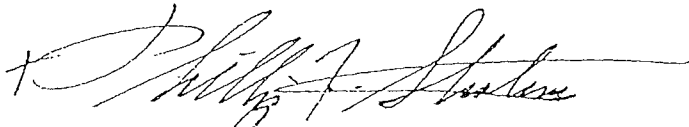

You should be in touch with Father Socha at St. Mary's in Fontana, as to the discussion on relocating the Fontana Parish. Some of the housing projects are very close to your parish.

I also noted in the parish records, that a number of entries were incomplete; particularly, signatures had not been entered and other important information was left out. In the marriage files, where an official baptismal record was not available, the prescribed sworn statement, with witnesses, was not obtained.

I very much appreciate your ministry at Sacred Heart Parish and note the many good pastoral works and ministries that you have given. I hope that as a result of the parish visitation, even greater progress can be made in serving the people of God.

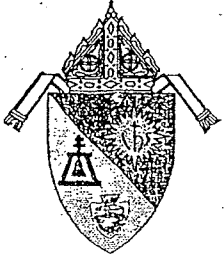

With prayers and best wishes, I am

At the request of Father Michael Keane, I am happy to write this recommendation. Father John Daly in my opinion stopped the fast descent of this parish of St. Joseph'. It was in a tailspin financially and ~~other~~ otherwise. Many problems had arisen. One pastor had been maneuvered out by the parish council. Another priest married one of the married ladies of this parish. Father Daly's immediate predecessor had been a poor administrator and imprudent in other ways. They did not pay the parish-assessment and so when Father Daly came the debt must have been a little over ten thousand dollars, quite large for a small and struggling parish. Father Daly turned the situation around. He started to pay the monthly assessment and to reduce the debt. He started a Spanish mass, and an effective apostolate with the Mexican-Americans. Today, we have more souls at this one Spanish mass than we have at the two English masses combined. At great personal sacrifice to himself, he lived in the room behind the church, so that two Sisters from Mexicali could live in the rectory and minister to the Mexican-Americans. No one in the parish has ever had a mean or bad thing to say about John Daly.

Dear John:

Thank you for your letter of March 12, and I can hear you all the way from the Valley!

You asked about the continuing education program in Louvain. In regard to that, I am enclosing last year's brochure of the Louvain program. Fathers Albert DeZaetyd, John Verhoeven and Patrick Walsh, from our diocese, have signed up for the summer program. I really don't know much more about it than what's in the brochure.

You also expressed yourself to the possibility of a summer course in Spanish. You mentioned Guadalajara and Mexico City. I know there is one in Guadalajara, but the one I am very familiar with is the Spanish program related to the Mexican-American Cultural Center in San Antonio. I will include information about that as well.

I enjoyed being in the Valley this last weekend and working with the Marriage Encounter movement; I met several of your people.

Bill, querido:

John J. Daly calling from the Valley.... can you hear me?

I can hear you.....

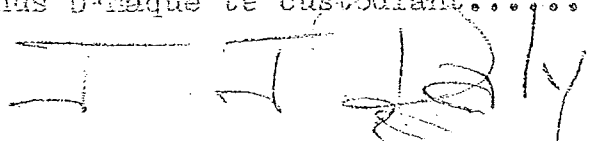

Re your continuing education program: Do you have any info about summer schools in Louvain.? One of my brothers, a priest in Australia comes this way en route to Europe..gets here 21st inst...I happened to mention the program to a friend who studied in Rome and he suggested Con(my brother)and myself to spend a few weeks in Louvain...so much is happening over there...

Last year I did not take a vac as I felt it would not be good pblm to come and go immediately from here...Does your program provide anything like a summer course in Spanish in Guadelajhara and Mexico City? My Spanish could do with a polish and a strengthening...I put on a Spanish Mass here and attendance is most encouraging...but my preaching is rather like St Paul's feeling: I am in labour...like a mother..until Christ be formed in them.... I am quite familiar with the European scene..Taize Maria Laach..Amsterdam..Brussels..as well as most of Mexico....

Since my brother will probably expect me to join him in Europe, it will get first preference..altho the Spanish factor is probably more important

Let's hear from you...the Valley is rather an easy place to carry during the summer...Enclosed is an art from the local rag in Ireland of the Dutch Church..If you have not visited Amsterdam, there a good "with Hostel..San Luchasio..

I have your letter of March 7 in which you express an interest and desire to be transferred from Blythe to a parish closer to the metropolitan area. I am not certain what the changes will bring but I am sure that there are far more rumors than there will be transfers.

Dear Bishop Maher

March 7th 1975.

Ruzour hath it that some parishes will be vacant by reason of resignations. May I humbly offer myself as a candidate for a location nearer "the madling crowd's ignoble strife". Since 1969 I have been in the Desert and 1975..the Year of Reconciliation..seems a suitable time to move..

Blythe has much to recommend it; all buildings are new and adequate and there is no debt. The credit for this goes to my predecessors.. The people are a kindly and generous community..characterised by legacy at the Last Supper..PEACE..and the realisation of the prayer of Our Saviour: UNITY. I doubt if these factors can be found to the same degree in any oth. parish in the Diocese.

The two reasons for "entering the lists" are: after five years of isolation I feel the need for meeting other priests and a serious back injury making long driving impossible.

The enclosed letter will give a picture of our situation in Blythe. We have made big strides in C.Y.C recruitment and projects for Youth. Brother Bernard Shaw has developed programs that are both religiously and culturally suited to the age and capacity. I recently secured a Life Credential in Secondary Teaching in California and at intervals do substitute teaching. This offers a great opportunity of meeting young people in very big numbers and presenting the values of our Christian heritage as involved in civic and social issues. Our contact with Palo Verde Junior College has become much more vital. Teachers have invited us to their class to present

Dear Father Daly,

Your letter of March 7 arrived. Your request to be considered in the moves of Pastors will be added to the agenda work of the Personnel Board.

You spoke about parishes opening up due to resignations-- if and when this happens we hope to open list such pastorates. ^{when} This open listing or advertising takes place I would encourage you to again make your requests in writing for some place you feel you might like to serve.

You spoke of your securing a life credential in secondary teaching--such initiative I see as in keeping with the heritage of the priesthood. God bless you for the work you can do with it for the youth of Blythe.

Your Excellency,

Humbly and Respectfully I offer myself
as a candidate for either Pearis or Sunny mead.

While I have been very happy for nearly three years
in Eagle Mountain I feel I would be still happier in
some place with more of a challenge.

Despite a serious slump in the economy over a
period of six months our record is Stewardship 72
speaks for itself - 800%.

Perhaps Your Excellency might consider me for a vacancy
that might result in the wake of filling the above -
mentioned.

A reading a recent letter of Pope Paul on the
Priesthood re-enforced my decision to write, "Priests
should not be permitted to remain for lengthy periods
in lonely & isolated locations with consequent danger
to their spiritual and moral life." Perhaps he had
Eagle Mtn in mind! I give His Holiness the last word.

Dear Roger,

This probably finds you back from holidays, ready, willing & able to assume the burden that falls on the shoulders of a bishop's secretary these days..Let me add a little to it, and to the glory that goes with it.

During the week there's really nothing to do in Eagle Mtn; all are wor. people busy with three shifts..no elderly..no sick calls since any accident of the rarest, is flown down to Palm Springs by light plane, so is there by the time it gets to yrs jruly. Our C.C.D. is taken care of by Catholic teachers..no one comes to Daily Mass, nor can one expect them to. Wives are preparing breakfast for a husband either going on 8.00 a.m. shift or else coming off the previous one..Women who remain in their homes are babysitting for several women who work in the offices..

To stave off temptation, identify with the local scene and make a few much-needed dollars(you would not know anything about this) I have been teaching as sub at the Hi school. To get a Calif teaching credential I need less than a year's work for the necessary units. Am taking a course this mth at San Bernardino State.. I could come down Sun night and go back on Friday afternoon without any detriment to Eagle Mtn. Can you advise me:

Should I ask Bishop/s/Maher's permission to pursue these studies? What is his mind on this? I need hardly tell you that his wish is a command for me

Next, if I get a teaching credential, is there much need for such in the Diocese? I would be most happy to place my store of knowledge (ut sic!) at the service of the Diocese.. "I rate the worth of knowledge low Unless the neighbours know I know"...

Of course if some struggling outpost closer to a University fell vacant, I could easily pursue the course with less difficulty than the long drive to & from Eagle Mtn.. Boy's Town has to hire someone with a teaching credential..I enjoy books, class-rooms..people..just as some enjoy Scotch..and lots more..Please advise me...God keep you all down there.

Dear Father:

Please find enclosed herewith your Incardination Papers. You are now a member of the clergy of the Diocese of San Diego. Welcome and Congratulations.

A copy of your Incardination has been sent to your former Ordinary as required by Canon Law.

There is confusion in our records as to whether you have paid the required \$200 Tax; our former Vicar General, Monsignor Byrne, had marked you down as paid and then crossed it out. Would you help us to clarify this situation.

Sincerely yours in Christ,

Rt. Rev. Msgr. James T. Booth, J.C.D.

Your Excellency,

This letter is a formal application humbly and respectfully petitioning in-cardination into the Diocese of San Diego.

I made an application about two years ago and His Excellency Bishop Buddy indicated he would begin the procedures to bring it about. Monsignor Booth informs me that this is as far as it went.

I came to the Diocese in December 1958 and gave Bishop Buddy the letters I had from the late Bishop Tynan of Rockhampton R.I.P. giving me permission to be incardinated in some other Diocese. This correspondence is probably on file.

The pastors with whom I have served are my references:- Monsignor D. J. Ryan of St Rose of Lima, Chula Vista, Father Joseph Prince of Descanso, and my present pastor Fr Denis J. Barry of St Martin's La Mesa,

Trusting that Your Excellency will graciously consider and accede to my application,

Before we can proceed with the necessary paper work, you will have to procure an Excardination from your present Ordinary.

His Excellency, the Most Reverend Apostolic Administrator, has stated that you may use this letter as an official document expressing the willingness of the Ordinary of the Diocese of San Diego to incardinate you.

Dear Monsignor,

So glad to see you so bright and cheerful at Monsignor O'Toole's funeral..May Our Lady, Health of the Sick and Cause of our Joy hast your full recovery.

From my little Desert Hermitage here I am surmising there may be some changes. Recently I was offered O.L.Guadelupe , El Centro..would have been happy to take it but I felt my Spanish is not good enough and on inquiry from two of the former incumbents was so informed.

A few more months will complete my fourth year here and while I have been supremely happy, with little to do, plenty of time for study, spiritual reading and going around the world twice a year, I feel that I may be confirmed in ease and idleness with so little of a challenge. A recent perusal of Pope Paul's " Sacerdotii Celebitas " recalls a sentence: " Nor should priests be permitted to remain for long periods in lonely and isolated locations with possible danger to their spiritual, moral and mental health...." Do you think it possible Pope Paul has Eagle Mountain in mind?

If something suitable comes up.."neither wishing nor desiring for " anything special? in the words of the Imitation..keep me in mind,..as I shall keep you in my prayers.....

Right reverend and dear Monsignor

About two and a half years ago I applied in writing for incardination and it is probably on file. Bishop Buddy announced at dinner here on the occasion of Confirmation his intentions of gladly incardinating me but I have heard nothing since.

I came to the Diocese in December 1958 and the pastors with whom I served..Fr. M. F. O'Bonohue, Fr J. Prince and Monsignor D. Ryan and my present pastor Fr D.J. Barry can speak in my favour.

Do I have to make a new application to His Excellency, Bishop Furey ? Or perhaps you would be so kind as to bring the matter to His Excellency's attention at the opportune time. I would be deeply grateful for your advice in this matter.

Dear Father:

In response to your letter of February 11, 1964, concerning your incardination, please be informed that Bishop Euddy did indicate that he would start the procedures to eventually bring about your incardination in this Diocese. However, that is as far as it went. It would be well for you to petition your incardination from Bishop Furey. Once the Bishop would express a willingness, then you should petition an ex-cardination from your present Ordinary.

Some weeks ago I wrote to remind you that I am in U.S.A. on a visitor's visa. His Excellency inform me he will proceed with my incardination and the correspondence concerning my Exeat from Rockhampton is in his possession, as also is my "Celebret".

Most probably with the dedication of the Immaculata pending, you you have been too busy too attend to the matter. I leave for a holiday in Ireland on Sunday May 3rd, so would be grateful for a "Celebret, and a statement to the effect that on re-entering U.S.A I shall have permanent employment and not be a charge on the State. On the instructions of His Excellency I am to return to Palm Springs on July 4th. Such a written statement would greatly facilitate my obtaining a re-entry visa...and the Celebret might prove useful should I travel on the Continent.

My Dear Fr. Daly,

Following the receipt of your letter of April 25th, your repeated request for excardination from the Diocese was considered by me with the Diocesan Consultors.

Your remarks about the need for priests in this Diocese are not only inaccurate in part, but also have no bearing on my statements concerning our future commitments. If you read my letters again, this must be obvious to you.

Your list of possible unworthy conduct is also quite irrelevant, as none of them can provide a canonical reason for excardination. A priest who is guilty of any of these breaches would be dealt with in another way and could not be offered excardination until he had given evidence of amending his ways. As I took some pains to tell you of the good opinion I have of you, I cannot understand why you should introduce such a matter.

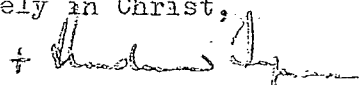

However, having sought the advice of the Diocesan Consultor I have decided to grant you excardination on the following conditions:

1. The excardinating Bishop is to inform me in writing that he is willing to accept you.
2. You will remain under my obedience until the end of January 1959 when it will be possible for me to replace you. The Letters of excardination will therefore, not be completed before that time.
3. The amount expended by the Diocese on your education for the priesthood and your fare to the Diocese are to be refunded.

I have written to the President of All Hallows College for this last information.

With every good wish,
I remain,

Yours sincerely in Christ,

Reverend and dear Monsignor,

In an interview on 9th inst. His Excellency, the Most Reverend Bishop stated his intention of incardinating me. I came to San Diego in mid-December 1958 en route for Ireland and have been assistant to Father Michael O'Donoghue here since then.

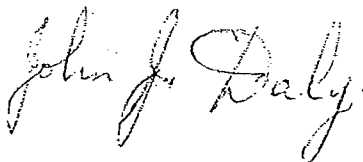

My bishop gave me permission to be absent for six months, and rather reluctantly, gave me permission to seek incardination elsewhere or to return after that period. This permission I sought on ~~gpp~~ spiritual grounds only. When I went to Rockhampton, Australia in Dec. 1951 with 7 others, I was sent on loan since there was no work or prospects of work in the Diocese. Since that time there has been a steady decline in population in the Diocese and after my return, I found myself acting as invalid and mental nurse to an elderly pastor who alternated between the State Mental Hospital and the rectory. About a year and a half before being due for a 12 month holiday, I applied for an Exeat and the correspondence regarding it is in His Excellency's possession.

Unless Dr Tynan is informed that some steps are being taken about incardination, in obedience to him, I shall be bound to ask for an extension of the six months or else return. Those six months will have elapsed by the end of May. Normally, I am due for more than six months, but he made it clear that while granting me the permission to seek incardination, he hoped I would return. This you can read in the correspondence.

I should be grateful if you would inform him of His Excellency's intention. His Excellency has given me permission to resume the "holiday" and go to Ireland from May 3rd and return for Sun. July 3rd. Since I am in U.S.A. on a visitor's Visa, I shall need a written statement guaranteeing me permanent employment if I am to return on a permanent basis. If you could give this matter, as well as the incardination, your attention, I would be most grateful.

Regarding the matter of your excardination, I wish you to know that I have decided not to grant it for the Archdiocese of Brisbane in case you were thinking of applying to the Archbishop. The reason I have for this is not personal.

16 POWERS STREET

BUNDABERG WEST, Q.

April 25th 1958

Most Rev. A.G. Tynan, D.D.
Bishop of Rockhampton.

My Lord,

This letter is a formal re-application for an Exeat from the Diocese.

Your letter of Oct. 28th 1957 conveys either an unwitting or a wilful misunderstanding of my reasons for requesting an Exeat. At no time, either verbally or in writing, have I stated that the motive cause of my application is "that there is insufficient for me to do where I am" or "that I cannot find ample scope for my zeal".

In my letter of July 4th 1957 I stated that I was making this request "for my own spiritual welfare and for the general good of the Church".

In our interview at the Mater Hospital I stated that West Bundaberg Parish could be attended to by one active priest. I did not state this as a primary reason.

Your Lordship's letter states that "I cannot be spared without loss to souls". Before I was a month in the Diocese I realised that I had come to it on a substantial error, i.e. that there was a need for priests. Within that month I had three appointments, Longreach, St. Joseph's and then I was sent out of the Diocese for the simple reason that there was no work whatever for me within it. On being recalled two years later, I reported to the Cathedral Presbytery and was told to go to Park Ave. where the P.P. told me my services were neither desired nor needed since he had made his own arrangements for a supply. He directed me to return to the Cathedral Presbytery, which I did. I was again directed to go to Park Ave. and the P.P. did consent, practically under duress from Your Lordship, to give me shelter for a few days. Since then I have had four letters of appointment which makes an average of one per year since I arrived in the Diocese.

Since I came to the Diocese three parishes have been closed down; six other priests besides myself have been on loan and two are still on loan; practically half the Staff at the Provincial Seminary are from Rockhampton Diocese and the State Census has announced that there are far less people in the Central West than were there in 1934. In view of these facts I cannot see where the acute need for priests exists; in view of the number of appointments I have had, I cannot discern what characteristics make my work such "that it cannot be spared without loss to souls".

ST. PATRICK'S PRESBYTERY

16 POWERS STREET

BUNDABERG WEST, Q.

2

In our interview I stated that I was requesting excommunication from spiritual motives - not after a period of neglect of duty, drunkenness or dissipation, contention with either clergy or lay-folk, nor after scandal or embarrassment with either canon or civil law. These latter reasons are easily provided, but surely Your Lordship does not suggest that I have to bring forward one, or several of these unworthy reasons before an "Exeat" be granted.

Towards you, my Lord, and towards the clergy and laity of Rockhampton Diocese, I bear no grudge or ill-will whatever. The reasons prompting my request for an "Exeat" arise from circumstances controlled only by Divine Providence. They have been long and carefully considered and discussed with experts in the Spiritual Life before being acted on.

I readily concede that Your Lordship is the judge of my case. But before deciding to detain me against my will in the Diocese, you will surely take into account that a formality of Canon Law often granted, -even offered gratuitously sometimes -for one or several of these unworthy reasons mentioned, ought to be granted more readily, and a fortiori, for spiritual ones.

Trusting that I have made myself clear, and regretting to have to trouble you a second time,

I beg to sign myself,
Yours sincerely in Christ

The Rev. Fr. J. J. Daly,

My Dear Fr. Daly,

In reply to your letter of October 24th I wish to let you know that permission is granted to you to be absent from the Diocese during the period you mentioned.

When you visited me recently to discuss your request for excardination from the Diocese I gave you no encouragement to pursue the matter. On the one hand, the reason you have given for wishing to leave is insufficient and on the other, the need for priests here, in view of our future commitments is such that you cannot be spared without loss to souls.

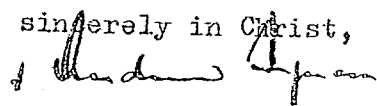

It may be that in some other Dioceses there are parishes where more work could be found to occupy your time and energies, but it is also true that there is sufficient for you to do where you are. As far as I am aware, the other priests of this Diocese can find ample scope for their zeal even in parishes which are smaller than yours.

Moreover, you were ordained for this Diocese and Canon Law provides that you should remain attached to it unless the conditions for excardination prevail. In your case they do not.

Therefore, Father, I ask you to put out of your mind the idea of leaving Rockhampton and to content yourself with continuing your work with your accustomed application. This is God's Will for you and by accepting it you will gain merit for yourself as well as benefit the Diocese and souls.

With every good wish,
I remain,

Yours sincerely in Christ,

Bishop of Rockhampton.

Bishop of Rockhampton.

My Lord,

Your letter of 13th inst., in which you informed me that you have graciously decided to grant me excardination, reached me some days ago. The conditions which you mention will be faithfully observed by me.

Though I leave the Diocese for my spiritual welfare, I shall not do so without serious regrets. Chief among them will be the fact of leaving your service, as a Bishop and as a man. For the kindness and consideration you have shown me while in the Diocese, I thank you with profound gratitude; the worry I may have occasioned you in requesting an excardination I sincerely regret.

Yours sincerely in J.C.

My Lord,

This letter is a formal request for a permanent "Exeat" from the Diocese of Rockhampton.

I make this request after long and serious deliberation and after consultation with sound and experienced spiritual directors. I do so in the interest of my own spiritual welfare and good of the Church in general.

Trusting that you will see fit to accede to my respectful request,

I beg to sign myself
Yours obediently,

My dear Fr. D.

Your letter of July 7th in which you requested excardination from the Diocese came as a big surprise to me and has me not a little worried. Apart from the fact that I may not be able to replace you until next year, I am reluctant to lose you from the diocese at all. For if you go, I would lose one whom I consider to be among the most zealous of our priests.

I cannot but be very concerned at the view which appears to be gaining ground, -that a change from one diocese to another is a matter which can be easily arranged. It should be and is a rare event. According to Canon Law a Bishop may grant excardination only for a just cause, and of which he is the judge, and only if the diocese does not suffer from a want of priests as a result. We have lost too many priests of late, through one cause or another, and as only a few will be ordained for the Diocese in the next few years, we are facing the prospect of a scarcity of priests.

This is one of the greatest hurts a diocese can suffer, and I am obliged to guard against it.

Surely in your case there is no problem which cannot be solved in this Diocese just as easily as it could elsewhere. If I am to judge the validity of your reasons I shall have to have more details and suggest that you come to Rockhampton as soon as convenient to both of us, so that you can place those reasons before me. I will be home from Blackhall on Mon 22nd and you can see me on any day of that week.

With every good wish,

I remain

Yours sincerely in Christ.....

The Old Folks had their prayer-books
In the dim and distant past
Or if they carried rosaries
They kept them working fast
They had their Key of Heaven
Or their 'Path to Paradise'
Or their 'Manual for Catholics'
But now the custom dies.

A prayer-book is an bulky
And one can never stuff
A missal in a mesh bag
'Would crowd one's powder puff'
So we go to Mass quite bookless
We pray the newer way
We've an easy style of worship
To suit the present day.

So if in church I see you
Lounging in your place
Staring at your wristlet
staring into space
Smothering a yawn
Then smooching back your hair
Oh! I mustn't think it funny
'Tis the latest style in prayer.

Or looking sweetly pensive
Your rosary you swing
And your thoughts go 'soon be Easter
Wonder if the choir will sing
Jimmy Moore needs a haircut
A funny hat on Mrs. Glass'
In a workroom this is moping
But it's quite the thing at Mass.

Or if in church you're scanning
Bloused effects - or frocks
'Nice fur coat - it's trimmed with
Wolf - or maybe Fox
That hat with metal finish
Is white!' The price you gauge
This form of meditation
Is becoming quite the rage!

Oh! you're going to Communion
And you leave the altar rails
Want we look and you're inspecting
Us by one your fingernails
Then before the Blessing's given
But you rush with one accord
To your friends you daren't do it -
It's quite alright for Our Lord!

Still - the Old Folks keep their prayerbooks
And stubbornly believe
In the fifteen-minute thanking
Of the Lord when they receive
But the custom's out of fashion
And 'will soon be out of sight
And yet - and yet - and yet, we feel
The Old Folks' way is right.

The path to paradise they took
Is the safest way to wend
You can get their Key of Heaven
Is the right one in the end
We like our easier pathway
But some day we'll get a shock
We've a handy Key of Heaven
But 'will never fit the lock!

Dear Brother Priests and Deacons:

I regret to inform you of the death of Father John J. Daly, Diocese of San Bernardino (formerly of the Diocese of San Diego), who died suddenly at his residence in Hesperia, California on October 17, 1989. He retired from being Pastor of Sacred Heart Parish, Riverside, some years ago.

RE: Father John Daly

I met with Father Daly on Monday, March 4, 1985 regarding some of the matters that you outlined in your memo to me.

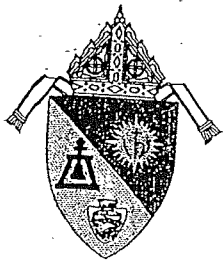

I have given him a few days to think over some of the options, but in any case, he must get a good administrator for the parish. He is to have the person, who might be the possible administrator be in contact with you or myself before such an agreement is made. I did mention to him that if something could be found that seemed to work, we would give him a year to put this plan into practice. If there is not considerable improvement, I would then ask him to retire in April, 1986.

The other option that I put before him was that he accept another assignment, such as hospital ministry. I did not mention Trona, although that could possibly be an option.

I brought up to him the matter of taking in the transients and giving them food and lodging in the rectory. I told him if this happens again, that was ipso facto suspended.

At this point, we will wait a few days to get his response and hopefully make some final decision.

Many thanks for your help in this matter.

Letter of April 7, 1984 regarding Parish Visitation, clearly states - Hire a Pastoral Associate - follow up reminders made by Father Phil Behan.

Why do you not have a Pastoral Associate?
Why does no one want to come and work with you?
Does this not say something?

Demands in letter:

Evangelization

RCIA Program

Youth Ministry

Baptismal and Sacramental Preparation Ministry

Are these programs working?

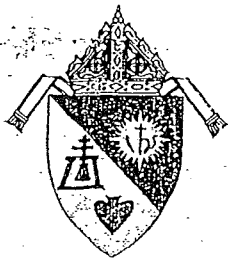

Do you feel you can get these programs off the ground?

If you wish to retire and free lance, O.K.

If you do not get qualified help and more developed programs going, you will have to retire next year at age 65.

Parishioners have complained that transients taken into rectory, and sleeping there. This is causing comment, scandal and worry among the parishiners. Many are making snide and derogatory remarks about this. This is strictly forbidden by the diocese and the scandal caused has jeopardized your ministry. In light of past incidents, this is very explosive.

Relief work possible: Trona weekends - Apple Valley Hospital - Lucerne Valley.

Dear John:

I enjoyed your report on Support Group 110. It sounds like you had a good meeting as well as an enjoyable time and that is what is supposed to be happening in the groups.

Unfortunately, you are also to have contact with one of the team that is to be involved with you, Joe Stadler. After each meeting, you should call him and tell him that you had the meeting and that you discussed the question of how the meeting affected each of you spiritually. If there are any difficulties, you should bring them up to him also at that time.

The meeting is also to be confidential so you do not have to give a general report on exactly what you discussed. What you reported to me did not break any confidentiality, but unfortunately it might become difficult in the future.

Again, thank you for your meeting and your report.

Sincerely yours in Christ,

PRIESTS SUPPORT GROUP "IIO"

It derives its name from the Card game IIO used as a relaxation by members. On Tuesday May 29th the group met at Our Lady of Assumption. Frs M. McGinn, B. O'Sullivan, Ned O'Donnell, John Daly attended and Fr I. FitzWilliam was unavoidably absent.

Discussion hinged on the format the Group might take, number and the interests of members. It was concluded that too much structure could make it a BURDEN instead of a SUPPORT. Prospective members were discussed and while it was agreed that members of other interests and special words, age, class and color would be welcome, it was agreed that no one be invited without prior consultation with the group. If members are not comfortable with one another it could mean the end of the Group.

A discussion on Preaching Resources followed. Subjects, liturgical themes and materials were aired and a monthly called ITERCOM got special mention. It is published in Dublin and comes air mail. John Daly promised to come up with back issues at the next meeting.

Current priestly reading was discussed. Raymond Brown, Bruce Vawter, Tad Guskie got some censures in spite of their vaunted scholarship. Marmio, the Leens, Manning's "Eternal Priesthood" and some of the old time-tested classics were recommended as well some recent issues by IMAGE Bks. Lunch was enjoyed and a further relaxed exchange of views and news followed. Malachy agreed to contact some of the prospective members.

Dear Bishop,

On August 19, 1977 Father John Daly went to El Carmelo Retreat House, Redlands, resigning his duties as pastor of St Joseph, Holtville, upon the advice of Mr Lewis Plourd, attorney at El Centro, and of myself, Mark A. Medaer, episcopal vicar in the Imperial Valley.

The events which led up to this resignation, are as follows:

ON AUGUST 17, 1977, Father John, after having consulted with Mr Plourd, Attorney, contacted me, Mark A. Medaer, voluntarily, to engage my assistance in a legal matter which resulted from a complaint made at the Holtville Police Station by two male transients against Father John, who had given them a lift from El Centro to Holtville and overnight lodging during the hurricane Doreen. In our consultation Father John denied any wrongdoings. The transients asked for money and a ride to Yuma, both of which Father John refused.

I called the Holtville Police Station. The Captain in charge during the absence of the Chief of Police, told me that a lie detector test would be applied the next morning. Father Daly and I proceeded immediately to consult with Mr Plourd. The attorney stated that he had worked on the case throughout the day. He advised strongly against a polygraph test, on the theory that, even if the defendant is not guilty, the latter is enough emotionally disturbed, to leave some traces on the recordings. The Holtville police Station was told strongly: no polygraph test.

ON THURSDAY, AUGUST 18, Mr Plourd was successful in transferring the case from Holtville to El Centro, District Attorney Mr Kemble himself being in charge. A review of the criminal report would be made. No charges were filed.

ON FRIDAY AUGUST 19, Father John and myself were called to the office of Mr Plourd. We were told that the District Attorney considered the case "a chargeable criminal complaint". Mr Plourd, echoing hints from other sources, advised us that, if Father John would leave his post, he thought some authorities could "argue down" the case with any dissenting parties.

NO COMPLAINT HAVING BEEN FILED, I did not think it necessary to contact the Chancery, knowing furthermore, that our Bishop and Chancellor were absent.

Neither the Holtville Police Department nor the Attorney cared to disclose to me the specific nature of the complaint.

It is hoped that the situation as it stands now, will remain the same.

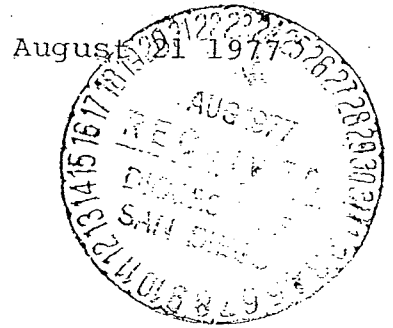

P.S. In my opinion Father Daly is NOT guilty, until proven so. He has done fine work in Holtville for two years. His parishioners appreciate what he has done for them. Mr Plourd is to be recommended for his professional dexterity and personal concern in the plight of this and any other priest.

ON THURSDAY, AUGUST 18, Mr Plourd was successful in transferring the case from Holtville to El Centro, District Attorney Mr Kemble himself being in charge. A review of the criminal report would be made. No charges were filed.

ON FRIDAY AUGUST 19, Father John and myself were called to the office of Mr Plourd. We were told that the District Attorney considered the case "a chargeable criminal complaint". Mr Plourd, echoing hints from other sources, advised us that, if Father John would leave his post, he thought some authorities could "argue down" the case with any dissenting parties.

Father John and myself consulted. At 2:00 P.M. Father Daly decided to go to El Carmelo Retreat, awaiting instructions from the Bishop.

Mr Plourd was advised of the move. He would contact the District Attorney. At 3:00 P.M. Father John left.

I contacted Father Richard Duncanson and Msgr William Cooney.

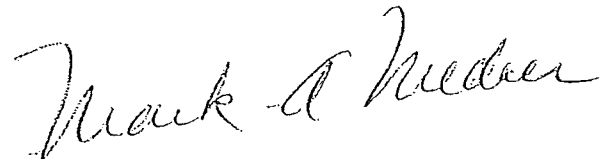

NO COMPLAINT HAVING BEEN FILED, I did not think it necessary to contact the Chancery, knowing furthermore, that our Bishop and Chancellor were absent.

Neither the Holtville Police Department nor the Attorney cared to disclose to me the specific nature of the complaint.

It is hoped that the situation as it stands now, will remain the same.

P.S. In my opinion Father Daly is NOT guilty, until proven so. He has done fine work in Holtville for two years. His parishioners appreciate what he has done for them. Mr Plourd is to be recommended for his professional dexterity and personal concern in the plight of this and any other priest.

August 21 1977

Bishop Leo T. Maher, D.D.
Diocesan Office for
Apostolic Ministry
Alcala Park
San Diego, Ca.

Dear Bishop,

On August 19, 1977 Father John Daly went to El Carmelo Retreat House, Redlands, resigning his duties as pastor of St Joseph, Holtville, upon the advice of Mr Lewis Plourd, attorney at El Centro, and of myself, Mark A. Medaer, episcopal vicar in the Imperial Valley.

The events which led up to this resignation, are as follows:

ON AUGUST 17, 1977, Father John, after having consulted with Mr Plourd, Attorney, contacted me, Mark A. Medaer, voluntarily, to engage my assistance in a legal matter which resulted from a complaint made at the Holtville Police Station by two male transients against Father John, who had given them a lift from El Centro to Holtville and overnight lodging during the hurricane Doreen. In our consultation Father John denied any wrongdoings. The transients asked for money and a ride to Yuma, both of which Father John refused.

I called the Holtville Police Station. The Captain in charge during the absence of the Chief of Police, told me that a lie detector test would be applied the next morning. Father Daly and I proceeded immediately to consult with Mr Plourd. The attorney stated that he had worked on the case throughout the day. He advised strongly against a polygraph test, on the theory that, even if the defendant is not guilty, the latter is enough emotionally disturbed, to leave some traces on the recordings. The Holtville police Station was told strongly: no polygraph test.

ON THURSDAY, AUGUST 18, Mr Plourd was successful in transferring the case from Holtville to El Centro, District Attorney Mr Kemble himself being in charge. A review of the criminal report would be made. No charges were filed.

ON FRIDAY AUGUST 19, Father John and myself were called to the office of Mr Plourd. We were told that the District Attorney considered the case "a chargeable criminal complaint". Mr Plourd, echoing hints from other sources, advised us that, if Father John would leave his post, he thought some authorities could "argue down" the case with any dissenting parties.

QUESTION: On Aug. 17, 1977, at the age of 16, I was molested by a priest who picked me up as I hitchhiked through Holtville. I made a police report, 77-2402, and was polygraphed by the state.

According to Holtville police, his name was _____

— I can't be sure because Holtville police won't give me a police report. I am seeking any material you can provide me. Was there a story related to this matter in the paper? — Abused, e-mail

There was no story but we remember when a priest was arrested for molestation.

At that time we were covering Holtville police and had just started writing PROBE. We remember getting part of the story from the police chief but no charges were filed because the priest immediately was transferred to another parish.

As you might imagine, it was a sensitive matter. No doubt Holtville police were glad to drop such a hot potato. With no complaint filed, we also let it drop.

It's possible there was more than one incident.

According to the account we got, there were two boys picked up on the highway by the priest. He took them back to church and stowed them in a room decorated with pornography and sex toys.

The boys told police they awoke with the priest fondling them. They said they fled. After their complaint police went to the priest's residence, found the room described by the youths and arrested the priest.

At approximately 0353 hrs, 8-17-77, (V) Shoemaker and (W) Sloatman came into the Holtville Police station and asked directions to the freeway. I told them and they left. About 30 sec's later (V) Shoemaker came back into the station and said "Hey I've got to do something about this. I've got to tell somebody." He appeared to be very nervous and his eyes were watering as if he was going to cry. He asked if I would believe him and I said that I would listen and decide afterwards. He then said this guy that lived in the back of a church had given them a ride and a place to sleep and later he ~~walk~~^{Woke} up and this guy was down on him. I asked (V) Shoemaker to be more exact. He said the guy was "sucking on me". I then took a statement from (V) SHOEMAKER and had him sign it. I asked him if he could identify the suspect and he said yes. He described the suspect as about 6' tall, 250 lbs, with a big belly, black/gray hair and about 45 years old. (V) SHOEMAKER said the guy said he worked at the church. (V) stated he never said he was a priest and said he didn't have any place else to stay. I requested assistance from Imperial County Sheriff's Office to go and identify the suspect. I had (V) SHOEMAKER ride with me in the unit to identify the suspect. We arrived at the scene and I asked the man who answered the door if he would step outside. He did so after dressing. He answered the door with no clothes on; holding it open widely and placing himself in plain view. (V) SHOEMAKER told Deputy Jopes, ICSO ID #521, that it was definitely the guy. ICSO ID Sgt. T. Fox, ID #5512, took photos of the crime scene at my request. I then placed the suspect under arrest and advised him of his rights. He produced a California drivers license and handed it to me. I asked if he wanted to make any statements. I had informed him of the charge. He said no, he did not want to say anything. He was then transported to ICSO by Deputy Pierce

ID #545. He gave me permission to search the scene and to take photos. See attached sketch of the crime scene. I noticed there was a divider across one end of the room (north end) and that a neatly made single bed was behind it. I saw some tapes, 1/cassette (FM) - 120 minutes long - marked "Sex" and another 2/reel tape (American) - marked "Sex should we wait - side 1 but not all". I took them into custody as possible evidence.

I then had (V) SHOEMAKER show me where the pipe was that he had used to defend himself with. He said it was at a football field next to a school. I drove to the Holtville High School and (V) SHOEMAKER pointed out a pipe sticking out of the mud and said "that's it". I placed the pipe into evidence. I then returned to the station and took (W) SLOATMAN's statement and he signed it.

At about 9:30 P.M., August 16, 1977 we were hitchhiking and this guy picked us up in El Centro on I-8 at an off ramp at Imperial Avenue. He said he could give us a ride to Holtville to a church and we could stay overnight there. He said he worked for the church and giving hitchhikers a place to stay was a service they did. We rode to Holtville and went to a church. He had keys and unlocked the back door of the church and we went in. As soon as you walk in was the room where he said we could sleep. He said we could sleep on a king size folding bed. We put our stuff down and hung our sleeping bags up. He had three fans going and was saying how hot it was. We laid down in our underwear after taking a shower in the portable shower in that room. We went to sleep. He had laid down with nothing on saying it was hot. We were all on the same bed. He said it was the only bed. He had a foreign accent, like Irish, but he said he was from England. About 2:30 A.M. I woke up and he had pulled my under wear down and "was sucking me off". He had his arms wrapped around me. He was below me. I got his head and got out of bed and looked for something to defend myself with. I said "Hey man, don't try nothing or I'll kill you". I got dressed. I woke up Mark and told him to get dressed. I told the guy not to get up or I'd get him. I picked up a heavy coffee cup then a pipe. (evidence) We got our stuff and got out and found the police station about 1' hrs. later.

Got picked up by a man in a Chevy about 9:30 P.M., Tuesday night, fell asleep woke up when we (the man, Mike Shoemaker and myself) were outside of a church. Was told by the man that we could stay the night in the church and that no rides to Yuma were available. Agreed to that and then was told I and Mike could take a shower. I did, then he said that he had to go to bed because he had to go to some flood victims in the morning. Said only bed available was a fold down couch. He kept on commenting on how hot it got at night and had us set three fans aimed at the bed. Laid down nude in middle of bed and turned off lights. My pants were still wet from hitchhiking in the rain so I laid down on the bed in my underwear and went to sleep. Approximately 3:00 A.M. Mike woke me up quite upset and told me to get dressed and leave with him, told me that I had to take a weapon because of some Mexicans. I had the impression that we were going to start to hitchhike but I was in a daze from waking up so fast. He told the man not to follow us and that we wouldn't tell anyone. We went outside and then proceeded to find the freeway. Came across the police station, came into ask directions, left, then returned to tell what happened.

At approximately 0353 hrs, 8-17-77, (V) _____ and (#) _____ came into the Holtville Police station and asked directions to the freeway. I told them and they left. About 30 sec's later (V) _____ came back into the station and said "Hey I've got to do something about this. I've got to tell somebody." He appeared to be very nervous and his eyes were watering as if he was going to cry. He asked if I would believe him and I said that I would listen and decide afterwards. He then said this guy that lived in the back of a church had given them a ride and a place to sleep and later he ^{WAKE} ~~walk~~ up and this guy was down on him. I asked (V) _____ to be more exact. He said the guy was "sucking on me". I then took a statement from (V) _____ and had him sign it. I asked him if he could identify the suspect and he said yes. He described the suspect as about 6' tall, 250 lbs, with a big belly, black/gray hair and about 45 years old. (V) _____ said the guy said he worked at the church. (V) _____ stated he never said he was a priest and said he didn't have any place else to stay. I requested assistance from Imperial County Sheriff's Office to go and identify the suspect. I had (V) _____ ride with me in the unit to identify the suspect. We arrived at the scene and I asked the man who answered the door if he would step outside. He did so after dressing. He answered the door with no clothes on; holding it open widely and placing himself in plain view. (V) _____ told Deputy Jopes, ICSO ID #521, that it was definitely the guy. ICSO ID Sgt. T. Fox, ID #5512, took photos of the crime scene at my request. I then placed the suspect under arrest and advised him of his rights. He produced a California drivers license and handed it to me. I asked if he wanted to make any statements. I had informed him of the charge. He said no, he did not want to say anything. He was then transported to ICSO by Deputy Pierce

I noticed there was a divider across one end of the room (north end) and that a neatly made single bed was behind it. I saw some tapes, 1/cassette (FM) - 120 minutes long - marked "Sex" and another 2/reel tape (American) - marked "Sex should we wait - side 1 but not all". I took them into custody as possible evidence.

I then had (V) SHOEMAKER show me where the pipe was that he had used to defend himself with. He said it was at a football field next to a school. I drove to the Holtville High School and (V) SHOEMAKER pointed out a pipe sticking out of the mud and said "that's it". I placed the pipe into evidence. I then returned to the station and took (W) SLOATMAN's statement and he signed it.

At about 9:30 P.M., August 16, 1977 we were hitchhiking and this guy picked us up in El Centro on I-8 at an off ramp at Imperial Avenue. He said he could give us a ride to Holtville to a church and we could stay overnight there. He said he worked for the church and giving hitchhikers a place to stay was a service they did. We rode to Holtville and went to a church. He had keys and unlocked the back door of the church and we went in. As soon as you walk in was the room where he said we could sleep. He said we could sleep on a king size folding bed. We put our stuff down and hung our sleeping bags up. He had three fans going and was saying how hot it was. We laid down in our underwear after taking a shower in the portable shower in that room. We went to sleep. He had laid down with nothing on saying it was not. We were all on the same bed. He said it was the only bed. He had a foreign accent, like Irish, but we said he was from England. About 2:30 A.M. I woke up and he had pulled my under wear down and "was sucking me off". He had his arms wrapped around me. He was below me. I got his head and got out of bed and looked for something to defend myself with. I said "Hey man, don't try anything or I'll kill you". I got dressed. I woke up Mark and told him to get dressed. I told the guy not to get up or I'd get him. I picked up a heavy coffee cup then a pipe. (evidence) We got our stuff and got out and found the police station about 1' hrs. later.

Got picked up by a man in a Chevy about 9:30 P.M., Tuesday night, fell asleep woke up when we (the man, _____) were outside of a church. Was told by the man that we could stay the night in the church and that no rides to Yuma were available. Agreed to that and then was told I and Mike could take a shower. I did, then he said that he had to go to bed because he had to go to some flood victims in the morning. Said only bed available was a fold down couch. He kept on commenting on how hot it got at night and had us set three fans aimed at the bed. Laid down nude in middle of bed and turned off lights. My pants were still wet from hitchhiking in the rain so I laid down on the bed in my underwear and went to sleep. Approximately 3:00 A.M. _____ woke me up quite upset and told me to get dressed and leave with him, told me that I had to take a weapon because of some Mexicans. I had the impression that we were going to start to hitchhike but I was in a daze from waking up so fast. He told the man not to follow us and that we wouldn't tell anyone. We went outside and then proceeded to find the freeway. Came across the police station, came into ask directions, left, then returned to tell what happened.

DA looking at priest abuse

» IMPERIAL COUNTY: Eight cases involving local allegations will be investigated.

By MARIO BENTERIA
Staff Writer

The Imperial County Deputy District Attorney's Office will be investigating eight child sexual abuse allegations involving Imperial Valley priests.

Hindering the investigation is the fact the allegations may date back more than two decades, involve priests who have died or are no longer in the Valley, and alleged victims who may not be willing to come forward.

The Roman Catholic Diocese of San Diego, which includes Imperial County, this week submitted 23 child sexual abuse cases to the San Diego District Attorney's Office. Eight of those were reported in Imperial County.

Last week, U.S. Catholic bishops meeting in Dallas adopted a zero-tolerance policy in which all priests who

tims in every case to get a statement from them.
She said that might be hard because some of the victims

might be adults now. Also, some might not want to give a statement.

"We're not going to force people to provide statements if it's going to be detrimental to them. We would certainly encourage them to provide a statement," she said.

"We would also provide them any psychological help if they need it," she added.

No molestation cases involving priests have ever been filed in Imperial County, although there have been some allegations.

The most notable matter involved a 16-year-old hitchhiker, who accused a Holtville priest, the Rev. John Daly, of molesting him on Aug. 17, 1977.

Daly, who died in 1989, was arrested at the time but never charged. Daly left the Valley shortly after the alleged incident.

Owen said there have been some church-involved individuals such as volunteers and youth leaders that have been arrested and convicted for child abuse in the Valley.

"I would imagine it would be the hardest thing for any one to disclose they have been molested by a priest, out of any religion, because of the response and the power," said Owen.

She also encourages individuals who have been victims of molestation to contact their local police department and report it.

She said there is a statute of limitation of six years but under a law passed in 1995 by the Legislature, it allows authorities to file a case a year after it is reported, even if it is reported after the six year limitation.

molested children would be permanently removed from any church ministry. They also vowed openness and cooperation with investigators.

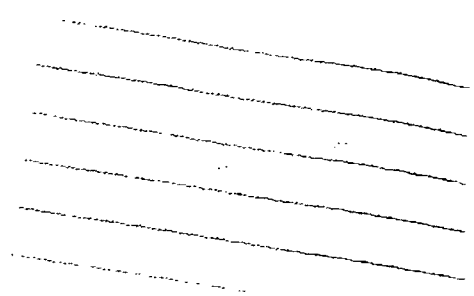

Imperial County Deputy District Attorney Deborah Owen said Assistant District Attorney Joe Beard talked to an attorney from the diocese Wednesday, who have said the diocese will send them information on those eight allegations in the next few days.

She said she doesn't know much about the allegations, but they reportedly involve five priests two of which might already be deceased.

"We will look into every case, regardless if the priest is dead or has moved away," said Owen. She added she doesn't know how old the cases are.

Owen and an investigative team from the DA's Office will attempt to locate all the vic-

I noticed there was a divider across one end of the room (north end) and a neatly made single bed was behind it. I saw some tapes, 1/cassette (FM) - 120 minutes - marked "Sex" and another 2/reel tape (American) - marked "Sex should we wait - side 1 not all". I took them into custody as possible evidence.

I then had (V) [redacted] show me where the pipe was that he had used to defend himself. He ^{said} ~~said~~ it was at a football field next to a school. I drove to the Holtville High school and (V) [redacted] pointed out a pipe sticking out of the mud and said "that's it". I took the pipe into evidence. 9. COMMENTS ABOUT THE LETTER OF ALLEGATION: (You may attach your letter of explanation.) Aug 16th I gave two young men shelter for the night during a severe rain-storm. On my refusal to give them money or drive them to Yuma one of them made the complaint. I denied such..I never applied for work as a regular teacher. I did substitute work in spare time. Since the incident I have not substituted...never intend to use it..The shock of the experience has been such that my ONLY CONCERN IS TO B LOCK THE MEMORY OF IT FROM MY MIND. I am a clergyman and my superiors have perfect confidence in me. I am indifferent about the credential. ##

St. Augustine's Parish
Eagle Mountain, California.

An old French proverb, loosely translated, informs us that "happy people have no histories". History is written around people and places in key positions, the centre of struggle, strife and tragedy, of strife, intrigue, hate and excitement.

St. Augustine's can provide none of these ingredients, since its geographical location, its small, closely knit and peaceful community, with acknowledgement to Thomas Gray: "Far from the madding crowd's ignoble strife
Their sober wishes never learn to stray,
Along the cool, sequestered vale of life
They keep the even tenor of their way."

Our parish is unique in the fact that we do not own land or buildings or plant of any kind. All buildings are the property of Kaiser Steel Corporation and are leased to all workers at a modest sum. We admit to some scrims, some shoes, two coats but no staff at yet.

Since Eagle Mountain is 66 miles either way from Birnie and from Indio, its isolation in the old days made Sunday Mass a haphazard affair. And since the workers are on a round-the-clock rotation, as a habit of the soul and body, did not have any of the chance. Father Sullivan used come from Gilman in the early days and celebrate Mass. Later on priests came from Indio, first on a once a month basis, later on for one Mass every Sunday, until Father Seward became the founding Father of the parish.

None can boast of relatively good congregations at all the Masses, congregational singing, a zealous parish organization of ladies who do organ work under the title of St. Monica's Guild, and about 100 eager catechumens in C.C.D. Our D.P.O. meets every Wednesday at 7:00, and provides a program of recreation and instruction that compares favorably with that of any city group.

Father Sullivan and the "missionaries from Indio" planted. Father Seward and those of us who succeeded him watered. God gives the increase. God's grace is abundant.

May His Continual Blessings

The Roman Catholic Bishop of San Diego
Office of Apostolic Administration,

Your Excellency,

The position of St. Augustine's as a parish must be unique in that it possesses no land or buildings. The Rectory and Chapel are leased from Kaiser Corporation. Up to the present and in the immediate future this has been and will be satisfactory.

It is becoming increasingly evident that the Corporation is anxious to phase out the experiment of leasing houses to its employees and that Lake Tamarisk will be the township in the future.

Already several of the other churches own land and are building there. This land is available from the Government at \$500.00 per acre to Churches for the purpose of building churches or/ and schools. It would seem that parcels are limited to 5 (five) acres. Further information can be had from Bureau of Land Management, 1414 University Ave. P.O. Box 723, Riverside, California. Zip. 92502. Applications may be filed there.

There is still a suitable parcel available, legal description: S.E. 1/4 E. 1/4 Section 10 S B M. This runs parallel to the parcel on which the Baptist Church is building, and it adjoins the parcel set aside for a Public school. A new road-way is planned for entrance on the side opposite that adjoining the Baptist parcel.

We are optimistic that the cost of the parcel will be donated by a parishioner. Please inform us if the application should be filed by the Office of Apostolic Administration and information re a purchase of another 5 (five) acres obtained, or should steps be taken by us as Parish Council towards a purchase.

In Sincere obedience and charity,

Fax et bonum. We are quite excited here at the thought of being honoured by a visit from Bishop Maher and yourself. The graces you will bring and the warmth of our welcome will more than compensate for the length of the journey.

While our candidates may not number more than a half-dozen, the links that can be forged between the Shepherd and "speckled little flock" here are beyond calculation.

Would you come on Saturday evening and stay over night? "There's room in the house - where there's room in the heart" to quote my poor old mother R.I.P.

Would His Excellency prefer a sit-down brunch with a few of our more intelligent elders or would he prefer a buffet "pot-luck" in the garden so that he might meet the people on an informal level?

Kindly drop me a few lines on procedure as this is the first time I shall be host to the equals of St. Paul and his amanuensis St Luke!

Fr John Keenan of Oceanside has been given permission by Monsignor Clavin to cover one Sunday for me and I have arranged with Fr Covas of the Holy Ghost Fathers in Riverside to provide a locum tenens for the other Sunday.

I am going to the Eucharistic Congress in Melbourne. Maybe you are going down there as a special representative of the Diocese, - or the State? I have another priest down under so it will be a kind of family re-union.

Dear Father Daly:

Thank you for your letter of April 28, 1973, in which you indicate that you have been billed in the amount of \$73.00 for your annual Workmen's Compensation Insurance for the period of July 1, 1971, to July 1, 1972.

The amount of the premium for your Parish for the Workmen's Compensation Insurance was based on your annual report which indicated that in addition to yourself, there was one housekeeper regularly at the Parish.

Workmen's Compensation Insurance is intended to provide coverage for either yourself or the housekeeper in case you should be injured in connection with your duties as Pastor or in case she should be injured in connection with her duties as housekeeper. It has absolutely nothing to do with workmen coming on the premises.

We are required by State law to provide such coverage for priests and other employees of the Diocese and Parishes. The rates for such insurance have been increased by State statute since the last billing. In addition, the insurance carrier who provided coverage has been changed.

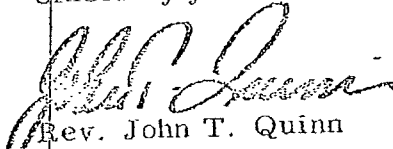

Rev. John Daly
Page 2
May 10, 1973

With regard to the fact of advance payment of the premium, the Diocese does, in fact, pay this premium in advance at the rate of \$5,000.00 per month, and this bill, which has been issued to your Parish, constitutes a reimbursement to the Diocese for the premium which has already been paid.

I am having the Diocesan Accountant check on the amount you were billed to see if there was any mistake in this matter. However, it will be necessary for you to pay at the going rate for coverage for yourself and any housekeeper you may still have.

With every best wish, I remain

Sincerely yours,

Dear Monsignor,

Greetings from the Colorado Desert to the South Bay. I trust this finds you keeping your balance in the post-Vatican II doldrums.

Now I crave your counsel and a favour: you know Hazel Abreu..she's as much your subject as mine..and your admirer..much more than mine..Well, Hazel has been really spending herself in the cause of Christian Education in this neck-of-the-woods nigh on TEN years..and labouring in this outpost is like labouring in Siberia..as compared with the civilised atmosphere of Chula Vista... Her devotion to C.C.D. here at all levels, her influence with adults and teens rates her "Bene merente Ecclesiae"..(is my Ablatave Absol. correct ?) The Bishop was here and I thought that I should have mentioned to him some time ago that he might have some medal or ribbon that he might have brought back from Rome, as a token of recognition..Mother's Day is coming up and if such came to hand it could be presented to her on that Day.

Now, you know how much influence I have at Chancery level: 0.000. When I prayed and deliberated you came to mind as counsellor and friend at court. When the Abreus retire from here shortly they go back to Chula Vista..they maintain a home there..Besides her Christian Education activities, she has achieved a miracle with her retarded son. She has been a tower of strength to parents of retarded at the Diocesan Center at what was Our Lady of the Sacred Heart in El Cajon.

Could you please find out if His Excellency has any special medal that might be presented to her and recommend her to His Excellency. He was here for confirmation but I felt that I might be presuming too much and it had not occurred to me until a few days before his visit.

Your Excellency,

Please accept our grateful thanks for the Diocesan Medal award to Hazel Abreu for C.C.D. work. It was presented to her after the Gospel "with much pomp and celebration" during a recent Sunday Mass.

She has been a regular fortress of the Faith and the event has run a good second to Your Excellency's recent visit as regards pride and satisfaction.

May I couple my own thanks for being appointed Pastor of Blythe. To borrow one of Father Jerry Murphy's poetic descriptions of them: "Their hearts are as warm as the weather" when he ministered there.

REMARKS: During the past year steady, even if slow progress, has been made. More children are attending Religious instruction. Some of our C.Y.O attended a Search Camp at Big Bear with great profit. Some of our C.C.D. teachers attended the Workshop featuring Bishop Sheen in S. Bernardino. Also we attended the Palm Springs Workshop featuring ^{Adrienne Foley} the Sr from Boston. We had preachers from 6 different denominations speak briefly on one of the Seven Words from the Cross on Good Friday Evening... The Methodist Community Church has lent us their sanctuary for such occasions as Midnight Mass and Easter...Our Finance Committee is just about to make out a file for some land at a special rate for churches in Lake Tamarisk. The G'ment has lots ^{regularly} for this purpose. Our assessment of \$503.00 per quarter has been met and we sent a big consignment of food and usable clothing after Thanksgiving, to St Columkille's Center, Sth Main St. L.A. in the heart of the Watts district. This Thanksgiving service was held in conjunction with the other denominations and was considered meaningful and profitable for all. While our summer mths and some week-ends are lean, since many leave town to do shopping or visit relatives, they have become educated to a regular monthly support of the church. A Spanish Mass at

REMARKS: Eagle Mountain dwellers live in houses that are company owned and leased by Kaiser Corporation, as is the Rectory and Chapel. There are a good number of transitory workers. Since the township is 60 miles from either Indio or Blythe the isolation demands the presence of a priest as the heat of summer and the dangerous high winds in winter puts the obligation of Sunday observance at Indio above and beyond the call of duty. A priest who drives over from Indio will be so exhausted after the drive and after Mass that he will not have the energy to make the personal contact needed for the practical apostolate of the place. By reason of one Mass from Indio on Sundays up to about four years ago, and the 3 shift work around the clock, the Faith was barely surviving. Fr Marcel Jalbert gave the Church a very good image and relations of the Catholics with all other denominations is praise-worthy. Mass attendance has about doubled in the past year. Five of our teachers attended workshops for C.C.D. training. The outlook is bright for the parish. even though the summer months present a difficulty. when school closes many families leave to escape the hi temperatures. over the century mark.
