Dear Monsignor Booth:

In the absence of Monsignor Fuller I write to advise you of the death of Father Raymond O'Donohoe, a priest of your Diocese. On June 23 of this year Monsignor Fuller advised you of the serious illness and critical state of Father in the hospital here in Tucson.

Father O'Donohoe passed away yesterday, August 9; he will be buried in Holy Hope cemetery in Tucson on Saturday, August 12, after funeral services from the Carmelite Priory attached to Salpointe High School in this city.

I had personally visited Father about twice a week during his illness. He was well prepared for the end when it came and had a very peaceful death.

With every good wish and kindest personal regards, I am

Dear Monsignor Booth:

I wish to advise you that Father Raymond O'Donohoe, a priest of the Diocese of San Diego, is critically ill at the U. S. Veterans Hospital in Tucson.

This morning I talked with Father's doctor, and he tells me that Father O'Donohoe has acute leukemia, which is incurable. During this acute stage, Father could die at any time. If they are successful in bringing him through this acute stage, it might be possible for him to live up to two years.

Father O'Donohoe has kept his illness rather quiet. In fact, he has been a patient at the Veterans Hospital for almost two months without our knowing anything. I did not tell Father that I was informing you of this, because I do not know whether he would want me to. However, I feel it my duty to advise his Chancery Office of the very critical state of his health.

With kindest personal regards, I remain

I have been appointed an Auxiliary Chaplain by the Military Ordinariate, to the above Military Post. However they need an ecclesiastical endorsement from you. I would be very grateful if you would kindly forward a favorable endorsement in my behalf to Bishop William J. Moran, of the Military Ordinariate. Up till now I was assigned here on a contract Chaplain basis.

I love this work and I enjoy it so much, as it is very rewarding being part of the life of these young soldiers preparing for combat.

Bishop Green sends his kindest regards, as I see him quite often. Please remember me to Msgr. Purcell and any others who may by chance remember me.

With kindest personal regards.

Re our conversation at Redlands, when you so graciously granted me permission to perform a wedding for one of my relatives aboard M.S. Victoria, I have been told by the priest handling the case on that end that I need to obtain permission from the apostolic delegate for the privilege of saying Mass at sea. I would indeed be most grateful to you if you could secure this permission for me.

This affair is to take place the middle of March; so I should be leaving here around the 13th. I have obtained the services of Monsignor Michael D'Assemani, who is conducting lenten services for me here and will take care of my duties until I return.

I really look forward to this trip. As you know, I've been under a lot of pressure, and I feel this trip would do me a lot of good.

Dear Father O'Donohoe:

In the absence of Monsignor Booth, I consulted His Excellency, Bishop Ackerman, relative to the matter referred to in your letter of October 9, 1957. The Most Reverend Auxiliary does not believe that the Neighbours of the Round Table is a Masonic Institution, but he thinks that it is Lutheran. His Excellency regards it as suspect, and states that a Catholic should not join it.

Dear Jim:

I am writing to find some information on the enclosed clipping re Neighbors of the Round Table. I do not know anything about them nor does Monsignor Powers.

Several of our Catholic people have joined, and I was wondering if they can do so. It sounds like a branch of the Masons or one of similar ilk.

Please let me know whether Catholics can join such an organization or not.

Hoping you are very well.

Dear Father O'Donohoe:

The esteemed request contained in your letter of October 4 has my sympathetic understanding. In view of your zealous achievements in Palm Springs and in other tenures, you surely deserve whatever can benefit your health.

You know, of course, that pioneering in the organization of a new parish means much work. Nevertheless, you were never afraid of work. The fact is we do need a parish between La Jolla and Pacific Beach; best evidence of which is that Monsignor Clarkin is anxious that it be organized as soon as possible.

While this letter should be kept sub secreto, still you are hereby authorized to "look around" La Jolla. We have already tried to annex property (3 acres would be more than sufficient) between La Jolla and Pacific Beach. It is skyrocketing in inflated values, but please give study to it and let us see what can be worked out.

Thanking the Holy Spirit for you, it is my privilege to be,

Your devoted servant in Christ,

The Most Reverend Charles F. Buddy,  
Bishop of San Diego.

I have heard you are forming a new parish somewhere in the area between La Jolla and Pacific Beach. If this is so, and if it is in accordance with Your Excellency's wishes, I would deeply appreciate being considered for this appointment if you think I am worthy and suitable.

I am not unhappy here, but carrying the financial load and heat of four summers in the desert would make this new parish climatewise and location-wise desirable.

In submitting my name for your consideration, I wish to thank you for your many kindnesses to me in the past; and whatever the outcome, I will remain, as always, obediently submissive and loyal to your wishes and will in all things.

Your Excellency:

I wish to express my gratitude for your generosity to me at the end of the retreat.

I did not expect such kindness; and it not only was a pleasure to serve your Mass, but it was most edifying to see the care and liturgical correctness of your actions on the altar.

Hoping you are very well and reassuring you of my continued loyalty and prayers for your intentions.

Dear Father Michael Raymond:

You are very kind to remember me with a personal offering and the heartwarming message that accompanied it in your esteemed letter of December 13.

Your precious gift was immediately tucked away in the Priests' University Chapel Building Fund, where the Divine Benefactor, Himself, will be glorified by it.

Be assured that the photos, properly autographed, will go out in accord with your request.

Dear Father Kuhlman,

This is to report back from my vacation. I hope when you tell His Excellency that I am back that he is seated the show might be too great as I am usually tardy. The passing of time changes all of us. Its not too hot in Palm Springs at the moment and I am busy getting ready for school. which will dispel my vacation loneliness. I do hope you had a nice summer and that everything is well with His Excellency and the Diocese.

I wish to thank you for my present assignment which I enjoy very much. Having done this work before, together with the high regard and respect all here have for Father Cooney, makes it easy for me to fit in.

You spoke to me some time ago about an appointment to Lake Arrowhead Parish. I certainly would be grateful to be considered for that assignment, provided, of course, it is vacant and you think it practical. However, any appointment you wish to give me will make me happy and pleased to accept, and obediently follow your wishes.

Thank you for your patience and kind treatment of me in my past lapses.

May 9<sup>th</sup>

Your Excellency,  
Just a brief note to express my sorrow  
getting ill at this time when you are so short  
of priests. However my illness is of a temporary  
nature than God.

The Doctors tell me I had a chest  
congestion and slight attack of pneumonia which  
is to be rapidly on the mend. I guess I  
was pushing myself a little too hard and  
thought I was strong enough to take it.  
Rest the Doctors say is all I need and

they advise me to spend next week at Santa  
Anita Hospital in Lone Arrowhead. If it  
will be agreeable with you I will be able  
to resume duties by May 18<sup>th</sup>.

Hoping you are very well and assuring you of

Dear Father O'Donohoe:

The courtesy of your letter of May 9 is sincerely appreciated. Whatever the doctors advise for the benefit of your health has my cordial approval. It grieved me to learn of the illness that put you in the hospital. My earnest prayer is that you will not try to resume work too soon. You should know that the doctors found you in a serious condition and you know, of course, that nature will not be rushed. Therefore, I beg of you to give yourself plenty of time to make a complete recovery.

Please let me know if Lake Arrowhead agrees with you and if the doctors are content with the improvement you have made.

Reverend and dear Father O'Donohoe:

My cordial thanks for your glad tidings of March 21, telling of Monsignor Hegarty's improvement in health. It is gratifying to note that you visit him daily.

Let me add that your fine record in Ontario has been a great lift to Monsignor Hegarty.

Please give a reading to the enclosed correspondence and then send a personal invitation to \_\_\_\_\_ to attend your information forum. Ordinarily letters of that type are consigned to the waste paper basket, but wherever there is hope of saving a soul we just can't ignore it. You could very well be the human agent of bringing light to the Jacksons; evidently they are in the dark. You have been endowed with talent and the necessary patience to reach people of prejudice. I know that under the guidance of the Holy Spirit you will make the most of this opportunity.

Today I am sending a letter to our beloved Monsignor Hegarty and addressing it to Community Hospital, Ontario. If this should not be the correct address, it will probably be sent to St. George's and then you can make certain that Monsignor will receive it.

With kindest regards and rejoicing with the progress you have made to date, I remain

Your Excellency: This is to give you the happy report that Father Raymond O'Donoghue's retreat is going splendidly. He consoles me so much and we are observing silence.

Our situation here is ideal. Father and I am lodged above in a beautiful residence above the larger retreat house. Our place commands a grand view of the valley. We have a private chapel in the house. I have seen fit to use the faculty you gave me of allowing him to celebrate Holy Mass. I consider him worthy to do so. So we have the joy of serving each other.

Monday night we shall reach San Diego, August 27<sup>th</sup>. On Tuesday we would like a few minutes of your time. I must say farewell which I regret to have to say, after such a happy summer in the San Diego Diocese. I like to make for God and have had plenty of it.

Praying for You Excellency and for your intentions and hoping that you have recourse from your cold, I am

P.S. As Your Excellency requested, I sounded out Fr. Ray O'Donoghue about being with Judge Haggerty. He would be happy to go there. Father Dave McArtocher of seems somewhat imposed with hospital care. The Sisters there are very kind to me on Sunday night en route here.

Dear Bishop:

I am writing to let you know how Mr. Scudder, the Prison Superintendent is so pleased you have such an interest in this Institution.

He expressed great satisfaction for Father Cooney's work, and appreciated your wisdom of selection in appointing Father Cooney. It is almost a necessity that a Chaplain for this place have Army experience. There are almost 2,000 inmates, and also six Camps scattered all over the State, so it keeps a Chaplain on his toes. Father Cooney has done a magnificent job and is highly respected by men and Personnel.

In view of your consideration in sending a full time replacement while Father Cooney is away, the Superintendent directed me to thank you, and also showed his appreciation by extending to me while here, the priviledges of the Prison as a guest.

This is very interesting work and I am happy to be here.

Reverend and dear Father O'Donohoe:

My cordial thanks for your courtesy of January 6, 1950. It is gratifying to learn how thoroughly you have grasped the situation at Chino and that your talents can be employed to help that impressive parish of over 2000 souls.

You will be pleased to know that last Friday it was my pleasure to have luncheon with Al Barrett and Mr. Banta who referred to you with genuine esteem. Mr. Banta's conversation proved very interesting. His philosophy is constructive. Of course he will continue to be swamped with requests, but without crowding him I had the opportunity to submit some of our urgent needs.

In the meantime, we must storm heaven with prayer especially through the intercession of Our Lady of Fatima, because "prayer is resistless still". We are working on different possible locations for our poor man's church here in the city.

When you write, please let me know when Father Cooney is expected to return. It is possible Father Walsh has this information.

With renewed esteem and kindest regards,

Since I left the Cathedral at the beginning of December the only financial assistance I received was the check for \$100 provided by Your Excellency for my living expenses at Midland. During the past three months I consumed whatever savings I possessed by purchasing catechetical supplies and Christmas gifts for the children, in transportation, and other necessities.

As I am now disabled for regular parish work and in need of financial assistance, I wish to apply for the benefits of the Diocesan Priests' Relief. As I will be hospitalized for surgery in the near future I am confident that I will have the prayers of Your Excellency for a complete recovery in order to engage in pastoral work again.

Realizing how busy you are I am sending you a report of my condition in lieu of an appointment with you.

The Physicians of the Veterans Administration have carefully examined me and have advised an operation on my spinal nerve. They are making arrangements for me to enter the Naval Hospital in a few days.

In the meantime they have declared me completely disabled and in fact said this will be a permanent condition. So they advised me to take no duty, nor do any bending or genuflecting as these aggravate my condition. However, I can walk and be out in the fresh air and sunshine as much as I wish.

Father Dillon has been most kind in inviting me to stay here at the Rectory until I leave for the Hospital.

Praying that your cold is better, and humbly beseeching your prayers to help me bear this cross patiently

Your Excellency,

As I am returning to Midland today I am addressing this note to Your Excellency in lieu of seeking an appointment at your office. The physicians who examined me at Mercy Hospital made a study of X-Ray pictures and gave the diagnosis that I have sciatic-neuritis with a spinal vertebrae dislocation. This will necessitate a doctor's care and hospital treatments over a period of time.

I am grateful to Your Excellency for providing a local appointment for me in order that I might receive the medical attention recommended. I was unable to consult Father Dillon on this visit but at the time of my appointment to Midland Father Dillon expressed the wish that I seek reappointment to the Cathedral staff if the proposed parish did not develop. Since I must now give up the pastorate of Midland for reasons of health I ask that Your Excellency consider my assignment to the Cathedral where I was always able to work under the excellent guidance of the rector.

I am looking forward to assisting Your Excellency at the dedication ceremonies in Palm Springs next week.

TO WHOM IT MAY CONCERN:

Mr. Brendan O'Donohoe, a citizen of Eire, wishes to come to the United States as the responsibility of his brother the Reverend Michael Raymond O'Donohoe.

The Reverend Michael Raymond O'Donohoe is a member of the Roman Catholic Diocese of San Diego in California and is Assistant Pastor of St. Joseph's Cathedral, San Diego. He has an earning capacity of approximately \$1500.00 per year and is held in high esteem by his superiors in this Diocese. Father O'Donohoe, therefore, will be in a position to help his brother, Brendan O'Donohoe, establish a residence and complete his education. In other words, I am able to testify that Brendan O'Donohoe will never be an obligation or burden to the County or State in which he may live.

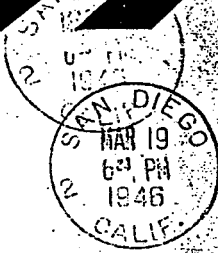

Respectfully submitted,

Rev. Joseph N. Stadler,  
Vice-Chancellor.

Dear Reverend Father:

Responding to your esteemed request of February 25, 1946, please be advised that you have my cordial permission to try for a regular Army commission.

While this Diocese still has need of priests, it is only right and proper that we should be represented in the ranks of the regular military chaplains.

To expedite matters, a copy of this letter is being forwarded, with this mail, to His Excellency, Most Reverend William T. McCarty, C.S.S.R., Military Delegate.

With every good wish,

Sincerely yours in Christ,

Your Excellency:

I know you will be surprised to hear from me from this part of the world. Since I left the States for overseas I have travelled a great deal. I was assigned to different bases in India and now am stationed here in Shanghai at the largest air base in the Orient.

I understand I will remain here for quite some time yet. We have just completed a new army Chapel and many volunteer replacements of personnel are arriving.

I like the army life and I have got along very well with the various commanding officers under whom I have served. All of them gave me superior ratings and recommendations. With your kind permission I would like to try for a regular army commission. There are only a limited number of vacancies available and I have passed all the army requirements.

I would be very grateful if you would grant me permission as the Military Ordinariate needs it for their ecclesiastical endorsement.

Thanking you for your many kindnesses shown me in the past.

With kindest personal regards.

Sincerely yours,

 Et in Spiritum Sanctum, Dominum, et vivificantem; qui ex Patre

Dear Bishop Buddy:

I have this day examined Father Michael O'Donohoe and find his chest in good condition, completely recovered from his old bronchitis from which he suffered prior to coming to San Bernardino. Give the climate the credit -- not me.

I wish to state at this time that Father O'Donohoe will be able to do very well in the San Diego climate.

Best personal regards. .

To Whom It May Concern:

Re: Father Raymond O'Donohoe ✓  
1140 Evergreen Street  
Point Loma, California

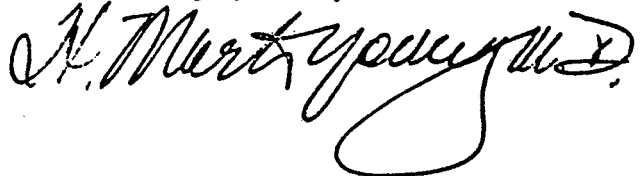

I have examined and treated Father Raymond O'Donohoe since the first of February 1940. He has had a persistent cough with weight loss and a general fatigued state since last spring. During his youth, he had a left pleurisy which was evacuated. He also recalled a severe kidney infection during childhood.

On physical examination, I found a boggy condition of the mucous membrane of the nose and coarse breath sounds throughout the chest. The eye report (by Dr. Hugo Lucio): This patient was found to have a chronic conjunctivitis and compound hyperopic astigmatism of moderate degree. The rest of the examination showed nothing abnormal. He was given metaphen to use twice daily and glasses to wear while doing close work. The remainder of the physical examination was essentially negative.

The laboratory work revealed a rather low Basal Metabolic Rate. The x-ray of the chest (by Dr. Lyell C. Kinney): The apices light up well and equally on fluoroscopic examination. The hilus shadows are increased in size and density and there is increased peribronchial infiltration. The shadow of the heart and great vessels is normal. The findings were checked with stereoscopic films as a matter of record. X-ray conclusions--chronic bronchitis.

Impressions: I feel that this man would be more comfortable and probably be able to enjoy better health if he were in a drier climate. However, I feel that Father O'Donohoe should continue to be checked-up each month and if the conjunctivitis and bronchitis and the boggy condition of the nose continues the question of allergy should be ruled out by the proper skin tests.

Respectfully yours,

MY:VA

Juxta Motu Proprio *Sacrorum Antistitum* Primi Septembris, 1910.

"Ego... firmiter amplector ac recipio omnia et singula, quae ab inerranti Ecclesiae magisterio definita, adserta ac declarata sunt, praesertim ea doctrinae capita, quae huius temporis erroribus directo adversantur. Secundo: externa revelationis argumenta, hoc est facta divina, in primisque miracula et prophetias admitto et agnosco tamquam signa certis ima divinitus ortae christianae Religionis, eademque teneo aetatum omnium atque hominum, etiam huius temporis, intelligentiae esse maxime accommodata. Tertio: Firma pariter fide credo, Ecclesiam, verbi revelati custodem et magistram, per ipsum verum atque historicum Christum, quum apud nos degeret, proxime ac directo institutam, eandemque super Petrum, apostolicae hierarchiae principem eiusque in aevum successores aedificatam. Quarto: Fidei doctrinam ab Apostolis per orthodoxos Patres eodem sensu eademque semper sententia ad nos usque transmissam, sincere recipio; ideoque prorsus reiicio haereticum commentum evolutionis dogmatum, ab uno in alium sensum transeuntium, diversum ab eo, quem prius habuit Ecclesia; pariterque damno errorem omnem, quo, divino deposito, Christi Sponsae tradito ab Eaque fideliter custodiendo, sufficitur philosophicum inventum, vel creatio humanae conscientiae, hominum conatu sensim efformatae et in posterum indefinito progressu perficiendae. Quinto: certissime teneo ac sincere profiteor, Fidem non esse coecum sensum religionis et latebris *subconscientiae* erumpentem, sub pressione cordis et inflexionis voluntatis moraliter informatae, sed verum assensum intellectus veritatis extrinsecus acceptae ex auditu, quo nempe, quae a Deo personali, creatore ac domino nostro dicta, testata et revelata sunt, vera esse credimus, propter Dei auctoritatem summe veracis.

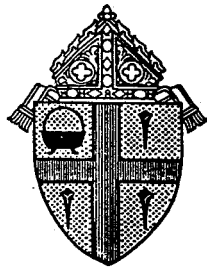

"Me etiam, qua par est, reverentia, subiicio totoque animo adhaereo damnationibus, declarationibus, praescriptis omnibus, quae in Encyclicis litteris "*Pascendi*" et in Decreto "*Lamentabili*" continentur praesertim, circa eam quam historiam dogmatum vocant—Idem repobo errorem affirmantium, propositam ab Ecclesia fidem posse historiae repugnare, et catholica dogmata, quo sensu nunc intelliguntur, cum verioribus christianae religionis originibus componi non posse.—Damno quoque ac rejicio eorum sententiam, qui dicunt, christianum hominem eruditorem induere personam duplicem, aliam credentis, aliam historici, quasi liceret historico ea retinere quae credentis fidei contradicant, aut praemissas adstruere, ex quibus consequatur dogmata esse aut falsa aut dubia, modo haec directo non denegentur.—Reprobo pariter eam Scripturae Sanctae diiudicandae atque interpretandae rationem, quae, Ecclesiae traditione, analogia Fidei, et Apostolicae Sedis normis posthabitis, *rationalistarum* commentis inhaeret, et critice textus velut unicam supremamque regulam, haud minus licenter quam temere amplectitur—Sententiam praeterea illorum reiicio qui tenent, doctori disciplinae historicae theologicae tradendae, aut iis de rebus scribenti seponendam prius esse opinionem ante conceptam sive de supernaturali origine catholicae traditionis, sive de promissa divinitus ope ad perennem conservationem uniuscuiusque revelati veri; deinde scripta Patrum singulorum interpretanda solis scientiae principiis, sacra qualibet auctoritate seclusa, eaque iudicii libertate, qua profana quaevis monumenta solent investigari.—In universum denique me alienissimum ab errore profiteor, quo *modernistae* tenent in sacra traditione nihil inesse divini; aut, quod longe deterius, pantheistico sensu illud admittunt; ita ut nihil iam restet nisi nudum factum et simplex, communibus historiae factis aequandum; hominum nempe sua industria, solertia, ingenio scholam a Christo eiusque apostolis inchoatam per subsequentes actates continuantium. Proinde fidem Patrum firmissime retineo et ad extremum vitae spiritum retinebo, de charismate *veritatis certo*, quod est, fuit eritque semper in *episcopatus ab Apostolis successione*; non ut id teneatur quod melius et aptius videri possit secundum suam cuiusque aetatis culturam, sed ut *nunquam aliter credatur, nunquam aliter intelligatur* absoluta et immutabilis veritas ab initio per Apostolos praedicata.

"Haec omnia spondeo me fideliter, integre sincereque servaturum et inviolabiliter custoditurum, nusquam ab iis sive in docendo sive quomodolibet verbis Scriptisque deflectendo. Sic spondeo, sic iuro, sic me Deus adjuvet et haec sancta Dei Evangelia."

Reverend and dear Father O'Donohoe:

Your resignation under date of April 5, 1961 is hereby accepted.

What disappoints me is your confused thinking. You should know that any man when attacked must defend himself. Your Bishop is attacked not once but many times a year. You just don't run out under attack. Serious complaints, inditing your conduct, have come from Los Angeles, Palm Springs, Twentynine Palms, San Diego and Chicago.

Although I ignored many minor accusations, you had a right in justice and a duty to defend yourself, especially where grave scandal was involved. As a matter of fact, your own Bishop pitched into your defense on several occasions.

You have my cordial permission to visit your aged Father who is ill in Ireland.

I purposely delayed the answer of your resignation, thinking you might come to and wish to revise or amend it.

With every good wish and blessing, I remain

Sincerely in Christ,

Most Reverend Charles F. Buddy,  
Bishop of San Diego.

Your Excellency:

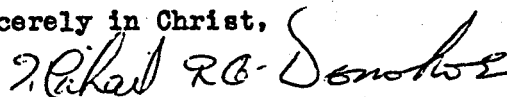

This is to acknowledge your kind letter of February 25.

I am glad you received some affidavits. I have got many more here, which I am bringing to the attorney next week all stating the charge is absolutely ridiculous, and they are all people of the highest integrity.

I would be most happy to receive any assistant you wish to send me, and I am especially glad that you are sending Father Daly. It's nice to know, too, that somebody was happy with me here. At least it restores some confidence in myself!

I read the copy of your letter to Mr. Bock, also a copy of his letter to you.

I have talked with him twice now, and he has said the same thing as in his letter. He also said we would spend a lot of money in tracking this thing down and the court only allows, even after winning such a case, just one dollar cost. He advises against pursuing the case. However, I would like to seek the advice of some out-of-town "name" attorney, or perhaps you have some first-class attorney in San Diego you would recommend that I consult.

With kindest personal regards.

REDACTED

February 2, 1960

The Reverend Michael R. O'Donohoe  
2900 East Ramon Road  
Palm Springs, California

Dear Father O'Donohoe:

Relative to your inquiry of January 30, 1960, we have often keenly felt the need of a rugged, two-fisted, fearless lawyer who loves justice and hates iniquity and who is willing to fight for it.

It appears to me that the man who was asked to interest himself in the case, while most generous in offering to take it gratis, is not considering the damage done to the reputation of a priest, nor has he carefully weighed the necessity for discouraging character assassins.

I still hold to the observations set forth in my first letter to you.

In answer to your question, however, John W. Kerrigan (305 Katz Bldg, Third and E Streets, San Bernardino), who was a partner of Martin Casey before his demise, has done very efficient work for me.

Before approaching him, however, it is essential that you or someone delegated by you make a trip to Twentynine Palms to get the affidavits of [redacted] and anyone else in that neighborhood who may have heard the calumny. Then you could write or go personally (after arranging for an appointment) to consult Mr. Kerrigan.

When you write him you could outline the purpose of your visits, because he may wish to do some library work on the subject in order to give you a definitive decision. Mr. Kerrigan would then be in a position to write the character assassin (whose address you would furnish him) to the effect that he has evidence to support action for ~~defamation~~.

*defamation.*

My thinking is that the Palm Springs attorney does not want to get himself involved. He seems more impressed by the financial overhead than the integrity of your good name.

We must admit, however, that on this point the California laws are weak and bend backward to accommodate a reckless and unscrupulous tongue who would contaminate others by the sting of the asp. What you and I are looking for is a legal giant of Joe Scott's caliber. I cannot agree with the reasoning of the Palm Springs counselor.

Thanking the Holy Spirit for you and for your perseverance under trial, I remain

Devotedly your servant in Christ,
