Dear Karl and Sofie,

I wish to extend my condolences and prayers to you on the death of your brother Father Franz. His funeral services was celebrated at Our Lady of the Rosary Cathedral on Wednesday April 27th which turned out to be a beautiful day, after some early rain. I was very pleased that I was able to celebrate the Funeral Mass for your brother and give the homily. I am sorry you were unable to attend the services honoring your brother, but understand that the long distance made it impossible.

The funeral was attended by a number of the priests and also some of Father Franz's old friends from his previous parish in Trona and Ridgecrest. I am enclosing a copy of the note we sent to all the parishes, throughout the diocese, as well as to the Diocese of San Diego, announcing the services for Father Franz.

Your brother was a very fine priest and it was a pleasure to have him as part of the Diocese of San Bernardino. He, of course, started when this area belong to the Diocese of San Diego and since he was serving in Trona when we became a diocese in 1978, he had the privilege of being a part of the new Diocese of San Bernardino. He then retired in 1982.

I am sorry that the stroke so disabled him during his retirement years, but it was a miracle, taking into consideration the seriousness of the stroke, that he was again able to walk and have the ability to speak, although somewhat limited. The Sisters of Nazareth in San Diego, which is a special home for priests, took very good care of him in his latter years. I

was glad that he was able to be in their loving care. I saw Father Franz about two weeks before he died and spent some time praying with him. He was very alert, but it was impossible for him to speak other than a few words of German.

Father Franz is now with the Lord and I will continue to keep him in my prayers and Masses. I will also remember both of you and ask Almighty God to console you and strengthen your faith as your brother enters into eternal life.

Regarding his personal belongings, such as pictures etc., they have been given to his friends in Ridgecrest, who have been in contact with you. They said they would forward to you the items which you desire.

If there are any questions that you might have or if there is anything that I can do for you, please contact me.

Sincerely yours in Christ,

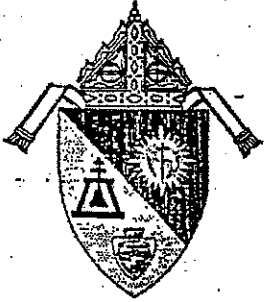

Most Reverend Phillip F. Straling

Dear Brothers and Sisters in Christ,

It saddens me to inform you that Reverend Franz Robier was called to his eternal rest, over the weekend, at Nazareth House in San Diego. Father Robier retired from the active priesthood in 1982. He suffered a stroke approximately 5 years ago and has been in residence at Nazareth House since that time. We pray that he may enter now the joy of the Most High, whom he trusted, loved and faithfully served.

Father Robier was born to Franz Robier and Maria Moser on March 2, 1912 in Kaindorf bei Leibnitz, Austria. He attended elementary school in Leibnitz, Austria, high school in Linz, Austria and the seminary in Salzburg. He was ordained to the priesthood on May 24, 1936 in Salzburg for the Diocese of Espirito Santo, Brazil. Father Franz was a man of many talents and spoke German, Portuguese, as well as English.

He served for eighteen years as a missionary priest in Brazil for the Diocese of Espirito Santo. In May, 1955, he wrote to Bishop Charles F. Buddy, requesting permission to serve in the Diocese of San Diego. His first assignment was Holy Spirit Parish in San Diego. He also served at St. Joan of Arc in Victorville and his final assignment before he retired was at St. Madeleine Sophie Barat in Trona where he served for 7 years.

On May 24, 1976, Father Robier celebrated his 40th Anniversary of ordination to the priesthood. Bishop Leo T. Maher granted him permission to return to his native Austria and celebrate this special occasion with relatives.

The Vigil Service will be celebrated on Tuesday, April 26, 1994 at 7:30 p.m., at Our Lady of the Rosary Cathedral, San Bernardino. Father Mel Collier from Saint Michael Parish in San Diego will preside. On Wednesday, April 27, 1994 at 11:00 a.m., Bishop Phillip F. Straling will celebrate a Funeral Mass for Father Franz at Our Lady of the Rosary Cathedral, San

Bernardino. Interment will be in the priests' section of Mountain View Cemetery.

Father Franz was a very warm and loving priest, who enjoyed his priesthood for over 58 years. He touched the lives of many people and was loved and admired by all who knew him. In our prayers for Franz, we remember him with affection and esteem and thank him for his many years of dedicated service to the church. Please remember him with the customary three Masses of suffrage for a brother priest.

Fraternally yours in the Risen Christ,

Most Reverend Phillip F. Straling

Discussion with Father Mel Collier.

1. Father Robier's retirement check and social security are automatically deposited at First Federal, San Diego.
2. All the bills are given by Sister to Father Collier. Father Robier does not review or approve.
3. Father Mel will continue with power of attorney, will pay bills and forward them here in order to have my signature or through the business office.
4. Father Robier has \$7,000 to \$8,000 in account. On recommendation of Mel and Bill Lemann, this should be transferred out from account so that it will not get taxed.

His beneficiaries appear to be Propagation of Faith/Diocese. He has no will on file.

He has expenses paid for his funeral, but no plot. Hopefully, we can use our priests' plots at Mt. View.

RE: Father Robier's Property in Homewood Canyon

Dear Reverend Collier:

This is to confirm our telephone conversation of June 7, 1991 wherein I advised you that I would be assisting Margaret Grams and Joe Sonia in the termination of Father Robier's interest in Homewood Canyon property. Since Father Robier no longer resides in his trailer, Father Robier's interest in the Homewood Canyon property owned by Margaret Grams and Joe Sonia is terminated. In order to preserve clear title in the property, I request that a Quitclaim Deed be signed by Father Robier's personal representative quitclaiming all interest in the property to Margaret Grams and Joe Sonia.

You advised me that Father Robier's personal property was being sold. Access to all personal property is through the real property owned by Margaret Grams and Joe Sonia. Therefore, please contact Margaret Grams or Joe Sonia for permission to enter the property before any person does in fact enter the property to remove the personal properties. When the personal property is removed, please ascertain that the premises is left in a clean condition and that all improvements constructed upon the land by Father Robier are removed. It is further requested that the neighboring lands of BLM are likewise left in a clean and clear manner so as to insulate Grams and Sonia from any claim of BLM that, as the adjacent neighbor, they may have caused clutter or encroachment upon their lands.

Please have your attorney contact me at his earliest convenience so that we may coordinate this termination and removal.

You and your attorney are given permission for direct contact to Margaret Grams and Joe Sonia for the purpose of obtaining consent to property access.

Yours very truly,

STANLEY H. WELLS

Dear Father Robier/ Rev. Collier:

I talked to our attorney, Mr. Stan Wells, (510 Fourth Street, Davis, CA 95616, Ph: 916-758-1990) on 5/30/91 regarding the abandonment of Father Robier's life estate on the property we purchased from Thelma MacPherson.

He advised me that a letter of notification from you would be adequate to allow the removal of the trailer, but that what we really need from you is a quick claim deed. The reason for a deed is that without it (or a death certificate), any of the MacPherson real estate will be uninsurable as to it's title (being clouded) should we want to sell part or all of it in the future.

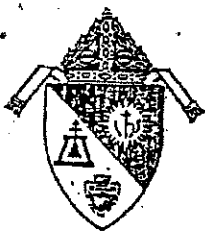

Your prompt handling of this matter will be greatly appreciated. If you want us to have a quick claim deed prepared, please let me know and I will arrange it. Of course, we would prefer this matter discharged before the removal of the trailer.

Over the past five years Bishop Straling has funded a life insurance program for all priests incardinated in the Diocese of San Bernardino. It is his desire that any benefits derived from this program be designated for the Priest's Relief Endowment Fund.

To bring this program up to date incardinated priests who presently are not insured will be contacted. Since you are one of the priests not yet covered, a representative of New York Life Insurance Company will be in touch with you to explain the program and have you sign the necessary papers.

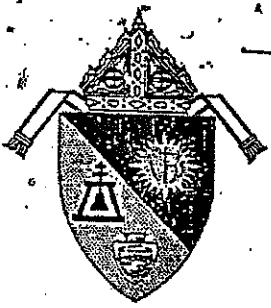

Thank you for your cooperation. Should you have any questions, please direct them to either myself or Mr. Dan Healy, Director of Development.

To MR. RON HINKLE Date March 17, 1982

From BISHOP PHILLIP F. STRALING *PS* Subject TRONA CHURCH

FATHER ROBIER HAS FORWARDED ON TO ME THE COMMUNICATIONS THAT HE HAS RECEIVED FROM MR. J.E. (JACK) VAIL, CLAIMS MANAGER.

IT SEEMS STRANGE TO ME THAT SOME CONSIDERATION WAS NOT GIVEN TO DAMAGES TO THE CHURCH. I CAN UNDERSTAND THE \$12,550.00 DEDUCTION AND THAT THERE MIGHT HAVE BEEN OTHER CAUSES OTHER THEN EARTHQUAKES. BUT, NOT TO GIVE ANY CONSIDERATION SEEMS TO BE A LITTLE UNREAL. FOR EXAMPLE, NOT TO CONSIDER THE ROOF REPAIR.

I WOULD LIKE YOUR COMMENTS OR OTHER THOUGHTS ON THIS MATTER AND TO SEE IF THERE IS SOME CHANCE FOR SOME CONSIDERATION FOR THIS PARISH. THEY HAVE NEVER MADE A CLAIM TO MY KNOWLEDGE AND THERE IS CERTAINLY THE QUESTION THAT EARTHQUAKES HAVE SOME PART IN THE DAMAGE THAT WAS CAUSED.

I WOULD APPRECIATE YOUR FOLLOWING UP ON THIS MATTER.

MANY THANKS.

Dear Bishop

I have received your letter concerning church insurance with the Mutual Catholic Insurance Co.

Trona has paid yearly 590 dollars to the Catholic Mutual Relief Society of America for more than 25 years and never had any claim made for repairing or damaging the church structure.

Remember, last year You came to Trona for a visit and for Confirmation and You Yourself saw the damage caused by weather and storm, damage to the ceiling and roof. I asked that the roof might be repaired- it needed very badly- so You sent some men representing the Insurance Company to see the damage. All these cracks on the wall and the damage of the ceiling they saw and gave an estimate over \$ 25,000.00. I told them also about the roof they paid practically very little attention and then in October I received a reply from the representative of the Insurance with a negative reply.

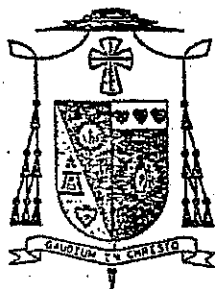

I am sending to Your Excellency the reply of the Insurance Company.

With best wishes and my sincere prayers for You

Yours in Christ

Your request for retirement from your long and faithful service as an active priest of God in our diocese has been granted. Knowing you, however, I feel sure you will continue to share your priestly concern in other pastoral ways.

Your 26 years of pastoral work in our diocese is to be commended and truly admired. All the people with whom you have come in contact and helped over these many years have been extremely fortunate. The love you have shown and shared with them will certainly continue on in their children.

On behalf of the diocese and your brother priests, I congratulate you for your faithful service to God, the church, and the people who have crossed your path.

Re: Our File No. J 81 002
Earthquake Damage
St. Madeline Sophie Church
Trona, CA

Dear Reverend Father:

We have been advised by the adjuster that the engineer has completed inspection of the parish premises.

They have provided us with a detailed report indicating the walls have a consistent cracking pattern adjacent to many of the pilasters vertically. They say the cracks are apparently due to thermal stresses and are located along grouted and ungrouted cells of the panels. They indicate there is no detrimental structural cracking and that the terrazzo flooring had only minor cracking and no apparent foundation failures. They conclude their report indicating it is their opinion that the exterior walls have cracked primarily from stresses due to the type of construction. They say some of the cracks could have been caused by or widened by earthquake forces.

In reviewing the coverage available, Father, we must apply the mandatory deductible on a per occurrence basis. This deductible is \$12,550 and with their total recommended cost of repair of \$25,576.80 we can be of no assistance.

This conclusion was reached after we determined there have been a minimum of six earthquakes occurring since your arrival on the premises and it would have to be assumed all of the damage is not the result of earthquakes.

Attn: Mr. Warren Miller

Dear Mr. Miller:

This letter is to report the findings on a field inspection of St. Madeline's Sofia Catholic Church located at 83395 Trona Road in Trona, California. The inspection was made on August 4, 1981 accompanied by yourself and Mr. Pimke of your firm.

Partial plans were available at the site to review. According to the Pastor the church was constructed in 1957. It is constructed with concrete precast Switzer panels with poured in place concrete pilasters for the walls. The roof is wood framed arched glu-laminated beams with a glu-laminated compression ring. The interior partitions are wood framed gypsum board. The floor is cast in place terrazzo. The ceiling is accoustical tile on concealed metal splines.

The walls have a consistant cracking pattern adjacent to many of the pilasters vertically. The cracks are apparently due to thermal stresses and are located along grouted and ungrouted cells of the panels. Bond beams are located at 9 feet on center at the panel ends and the vertiwal cracks follow the bond beam to the weak panel joints. No detrimental structural cracking was noted. The terrazzo flooring had only some minor cracking and no apparent foundation failures were noted.

There was numerous wall and ceiling staining due to roof leaking. Some attempts have been made to repair roof leaks. If the roof is still leaking it should be repaired and the exterior walls water proofed.

ROBIER-WOA 0000033

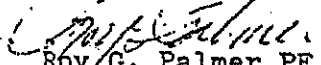

Roy G. Palmer, Consulting Engineer

585 IOWA AVENUE - RIVERSIDE CALIFORNIA 92507 - (714) 682-9025

The ceiling tiles have been forced out of alignment in a symmetrical pattern around the compression ring area. Also one of the interior partitions has a separation from the exterior concrete wall near the top. These conditions could very well be due to earthquake forces. It is my opinion that the exterior walls are cracked primarily from stresses due to the type of construction. Some of these cracks could have been caused by or widened by earthquake forces.

I hope this meets with your requirements at this time.

Very, truly yours,

Roy G. Palmer PE

A FEW WEEKS AGO I MADE A PASTORAL VISIT TO ST. MADELEINE CHURCH IN TRONA.

FATHER FRANZ ROBIER POINTED OUT TO ME THAT SEVERAL YEARS AGO, EARTHQUAKE DAMAGE CAUSED A NUMBER OF TILES FROM INSIDE THE CHURCH TO FALL. THIS NOT ONLY LOOKS BAD, BUT THE OTHER TILES SHOULD BE INSPECTED TO MAKE SURE THAT THEY ARE SECURE AND THERE IS NO POSSIBLE CHANCE THAT THEY WOULD FALL.

ALSO, HE HAS SUFFERED SOME WIND DAMAGE TO THE ROOF IN RECENT MONTHS.

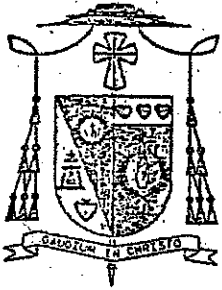

WOULD YOU PLEASE CONTACT FATHER ROBIER REGARDING THIS MATTER AND POSSIBLE COVERAGE BY OUR INSURANCE PLAN.

Dear Father Robier:

I wish to express my thanks and gratitude for the hospitality that I received while visiting your parish for Confirmation and Mass. Your kindness and consideration was outstanding and your gift was most generous.

I also commend your people on the fine Confirmation Class that they presented. Again, please extend to them my thanks and appreciation.

You mentioned that you would like to retire next year, as your 70th birthday will be in March. The proper procedure would be to write a letter to me requesting retirement following your birthday. Also at this time, write a letter to the Retirement Board requesting retirement benefits. Upon receiving your letter, I will notify the Retirement Board that you have my permission to retire. Retirements ordinarily take effect on July 1st, as do the pastoral assignments.

You have served the parish of St. Madeleine well, and your many years of service to the people will be greatly missed. Your priestly dedication has been a true example of Christian love.

Dear Father Robier:

Many thanks for your kind letter and your good wishes.

The unfortunate thing about your situation is that you did not accept two assignments to pastorates which were proposed by the Personnel Board. Both these parishes are still maintained by men who are your senior in the Diocese.

Your age and difficulty of communication for preaching render it very unlikely that you could be recommended for a larger Parish. All men now have to make a start in a smaller Parish.

There is also the question of why you did not stay at Rubidoux and I invited you to see me some time to enlighten us on that matter.

It is in no way my intention to hurt your feelings, but you asked me for reasons and in all candor I mention the above reasons.

With sincerest good wishes to you and be assured I will be happy to discuss this further with you at any time,

Dear Rev. Msgr. Sean Murray.

First of all my belated congratulations for the appointment as pastor of St. Therese Church. How are You? I am fine and still alive. Last month there have been many vacancies of parishes due to the new appointments and I hoped to get a pastorate this time, but my expectation was in vain. I was disappointed, because I was complete ignored. I wrote to Msgr. I. Brent Egan applying for the parish vacant through the death of Fr. Lauermann. And somebody else got this parish. Afterwards I read in the Southern Cross of appointments of six pastors. And I fell through again.

Sean, my good friend, I am 60 years old, 36 years priest (ordained in 1936) and 17 years in this diocese and I think that I have already the seniority. I have already expressed my wish to get an appointment as pastor on the coast or in the mountain, because of my health, then I can't stand the heat any longer, especially the heat in the desert. I want to know why I was ignored this time and didn't get an appointment. I am tired to be pushed around, it hurts my feelings as a priest. I don't like to complain, but what I can see there is not much of charity, and consideration for some of the priests. I am sorry to have expressed my feelings. I am saying this to You, because I have always had a great admiration for You.

Now Fr. Wilson is sick, had an heart attack a month ago and will get a sick-leave for 6 to 9 months as I heard and I don't know who will take his place and so I am asking You to intervene for me.

Frat ernally Yours

Dear Fr. Favocetti. Pax Christi.

I filled out the questionnaire
you sent me.

I think I'm due to get a parish.

I prefer one in the upper desert,
or on the coast, because I would
stand the best in the lower desert
like Palmsprings or El Centro.

I don't want to be charged
as an associate to any other
parish. I am incardinated

I hope that I'll be not be
neglected and I really
want to get a parish.

Dear Franz:

Many thanks for your letter.

In the light of the sentiments expressed, it is really imperative that you stop by some time as it is so difficult to write and be understood on sensitive issues such as we meet on the Personnel Board. I may try and get up your way, but it is difficult to run this Parish with all my personnel involvement.

The two appointments you referred to were given to men many years your senior. For bigger Parishes with so many youth problems seniority is becoming much less a factor.

It is truly unfortunate that you did not accept those three proposals last year. Men senior to you were very happy to accept them after you had refused them. Small places are used as a stepping stone to bigger things after a few years.

I trust you do not misunderstand me in this letter, but I realize that you have a right to know and that we have no right to leave you as it were "up in the air".

Let me repeat, we would like to talk to you some time at greater length.

With sincerest good wishes,
Fraternally in Christ,

Dear Miss Susan Murray,

Parishal collection in Donor's.

Thank you very much for your letter.

In the meantime, there are some parishes vacant as I heard, for instance. Some city become vacant. Volcano, because vacant. Since my appointment as Associate pastor of a group of four parishes in Victorville, there had been several vacancies and what about the secretary, and I not in the line. I did not feel to assume the responsibility of a parish. I was pastor in Brea for 15 years and I have accomplished something for the Lord. Dear Miss, it is a long drive from here to San Diego. I like to drive, with pleasure I would like to talk to you and have a visit with you.

I hope you will do the best in my behalf and for this I will be always grateful to you.

Sincerely yours in Christ

Carissime emice in Christo. Pax Tibi.

Anne x You will find the Informations for the Personnel Board as requested. I have answered them sveral times. I hope it will help.

Some other informations I would like to add, are these:

I was born in Austria, March 2, 1912. I studied in Salzburg, Austria at the University, Catholic University and was ordained on May 24, 1936 in Salzburg, at titulum mensae Dioecesis Spiritus Sancti Brasiliae. In 1937 I went to Brasil to the Diocese of the Holy Spirit till 1955. In 1955 I came to San Diego under Bishop Buddy and was incardinated in 1957.

I am now 59 years old, my health is good.

One thing I do not stand very well is the heat and so I don't want to go to the desert, I prefer on the coast, or Riverside or San Diego.

All the other informations You will find in the questionnaire I answered.

The last time when I was with Msgr I. Brent Eagen, he told me that at that time no parish was available. As soon as one would be vacant, he wouldn't forget me. In meantime there were two parishes vacant, Hesperia and Chino.

With best wishes, fraternally Yours in Christ

Lebunty, August 25, 1971.

Most Reverend Bishop Leo T. Maher
Palmer Christi.

Returning from Switzerland I found your letter and I will answer it.

I was surprised in reading your letter, that another priest was appointed as Chaplain to the Carmelite Sisters.

I really don't want to return to a parish as Associate pastor, because first I'm 59 years old, 35 years in the priesthood second I preferred to remain as Chaplain to the Carmelite Sisters as long as I could get a parish.

I was pastor at St. Anthony Church in Riverside from 1966 to 1967, but unjustly removed and appointed as Chaplain to the Carmelite Sisters in San Diego; since 1967 I served them.

I would like, if I may ask, to go back to St. Anthony Church, despite a poor parish and Alvin Green, and serve there, because I know the people and I loved them very much.

I know, that parish is served by the
Holy Ghost Fathers. This, Your Excellency,
is my humble proposition. As I said,
I would prefer to be back to Riverside
to St. Anthony as to be associate pastor.

My charter flight is due on September 13,
so I will be back 14 or 15 of September.

I hope, your Excellency will take my
case in consideration.

Praying for your Excellency

I remain your humble servant

Rev. Franz Robier

Dear Father Robier:

We have been very fortunate to obtain a Polish-speaking priest. He will arrive around the First of September. He will be able to offer Mass for the Polish-speaking people but since there are only a hundred families it is not a full time position.

I am, therefore, appointing him Chaplain to the Carmelite Sisters and also Director of the Polish Society.

It will be necessary, therefore, to transfer you to a parish as an Associate Pastor since there are no parishes available at the present time. Since there are no parishes available at the present time and since there is a vacancy at Victorville (Father Leopold Creoglio has been transferred), we are anxious to know if you desire to serve in this position until a pastorate is available. If you have any other preferences, please let me know. I will appreciate an immediate response since we will have to fill these positions as soon as possible.

Hoping that you are having a pleasant vacation,
I am

Sincerely in Christ,

Your Excellency.

This coming May, (May 24th) I have the privilege of celebrating my 25th anniversary of my Ordination. I would like very much to share this celebration with my dear and beloved mother and relatives at home in Austria, on June 11, in Leibitz, my hometown where I was baptized, made my First Holy Communion and where I celebrated my First Mass. My mother is now 81 years of age and is, unfortunately, in poor health. She is eagerly looking forward to this joyful event, probably the last one in her life.

I would be very grateful, Your Excellency, if you would give me your kind permission, to go to Austria on a three months vacation, starting May 24th. Due to my long stay in Brazil (18 years without seeing my parents) I had very little opportunity and time to spend with my family at home. It would be a great consolation to them, especially to my mother, and to me to be able to spend some time with them.

Trusting that this will find your favorable consideration I remain grateful and devotedly

Most Reverend Charles F. Buddey
Bishop of San Diego.

Your Excellency.

First of all my best and sincere wishes of God's blessing
for the approaching New Year.

With a humble heart, I would like to make the application
for obtaining a parish from Your Excellency. I am 23 years
in the priesthood, 12 years I was in Brazil in a parish of 16 missions
all by myself. I built in all mission churches. It was a hard work.
I baptized in those 12 years 24000 children. Now I am here
in the Diocese of San Diego since 1955, inexperienced, now I get
acquainted with the customs and modern vicendi. I beg Your
Excellency to confide a parish to me. I promise to do my best
and I'll give my full and sincere cooperation, to show
my gratitude to Your Excellency.

Dear Father Robier:

Through the kindness of your devoted Pastor, Father Van, I learned this very afternoon of the passing of your beloved father. May he now enjoy the reward that must come to fathers of priests.

Long ago, you consecrated him to the Sacred Heart of Our Saviour. We pray that he has come to the Vision of God, where he can give a good accounting of his beloved wife, three sons, and two daughters.

It will be my own privilege to offer a Novena of Masses for his happy repose.

Father Van advises me that you prefer not to invite the priests of the Diocese to a Solemn Requiem. Be assured that the clergy of this Diocese join me in heartfelt sympathy and in the offering of fervent prayers and Holy Masses.

Please convey to your dear mother, to your brothers and sisters, my heartfelt sympathy.

Sincerely in Christ,

The Most Reverend Charles F. Suddy,

My Bishop in Brazil is short - very short - of priests and as my record as one of his priests is by the Grace of God unspotted I know he will be loathe to give me up. However I feel that having given to Brazil's exacting Climate and strenuous living conditions sixteen of my best years as a priest is a fair contribution. I have now no wish to return there. I like the Climate and the people and the priests and the work here so much better and I see plainly too that here also awaits an immense harvest of souls.

Your Excellency:

Catholics from Alberhill & Elsinore think that young Father Rubier, who has been very successful at filling in at the Blessed Sacrament church at Alberhill during Fr. Malone's visit to Ireland, would do wonders - working with Students in 7th, 8th & High School Teenagers.

He is so clean & decent acting, so full of joy & strength of youth, plus Good Sportsmanship; that he would be a wonderful example to them. He studies his English - from morning till night & understands & speaks English - very good, considering his short stay in Mexico & here!

It is very seldom a young Priest can be spoke of so highly! (Most of them are so worldly, they put a - modern stage door Johnny to shame!)

Thanking you for the attention and Understanding you can give & do for young Father Rubier;

Dear Mike:

On November 10, 2003, the Robier complaint was served in the manner you requested. Please provide me with the Stipulation for add on.

As you know, the Robier proffer for production is due December 4, 2003. Judge Lichtman stated on the record in court last week that there is no privacy privilege that will be recognized for dead priests. Accordingly, please remember to include in the proffer the Health Panel/Health Board documents, including from the nonclergy ("civilian") physician on the panel, Personal Board documents, in addition to the "confidential" documents, secret documents, all documents containing any mention of any criticism or accusation about him, including any statements made in the confessional, since Fr. Kraft and Fr. Robier broke the seal of the confessional regarding the molestations by Robier; those statements made in the confessional, and events flowing from them cannot be claimed privileged as against the victims in the complaint I filed on behalf of those victims.

Dear

I understand that your daughters were molested by a Rev. Franz Robier, who was a priest serving in this Diocese many years ago. I am very sorry to have heard this information, and on behalf of the Diocese of San Diego I want to apologize to you and your children for the pain you and they have suffered as a result of the molestation.

"The Diocese of San Diego is committed, above all, to reach out with pastoral concern and care to victims of sexual abuse and their families, and to promote healing and reconciliation with them." This commitment is the cornerstone of the Diocese's efforts to assist people who have been sexually abused and their families.

The Diocese of San Diego offers a variety of pastoral responses to sexual abuse, including counseling, group therapy, and spiritual outreach. All of these services are provided at no cost to you and your children, and we encourage you to contact us and discuss how the Diocese of San Diego can promote healing and reconciliation with your daughters and their families.

Please feel free to call me at 858.490.3811. I will be pleased to have a confidential meeting with you and/or your daughters. I look forward to hearing from you.

Sincerely yours in Christ,

Dear Mike: Thank you for keeping me in the loop. I will attend the hearing on Friday. I have filed a declaration on behalf of my client and several other San Diego law firms, who have told me that I am authorized to represent their position at the hearing. All are opposed to coordination in L.A. or elsewhere in the State outside of San Diego. Furthermore, we do not believe that coordination of the San Diego cases which are very limited in number are necessary at all, and do not believe that they meet the criteria for coordination. However, if the few San Diego cases are mandated to coordination, we would as a fallback position request coordination in San Diego. I will be happy to provide you with a copy of my declaration which was sent for filing. Let's touch base before the hearing--if you like I will provide you with my cell phone number so that we can meet at the hearing. Andrea

I just received a faxed copy of today's Order Assigning Coordination Motion Judge in "The Clergy Cases II" from the Judicial Council, assigning Judge Berle in LA CCW to hear my petition, JCCP 4297. No hearing date has been set for my petition. If you would like a copy of the order, let me know, and I'll fax one to you. Of the 7 actions included in my petition 6 were filed by Kiesel Larson & Boucher and 1 was filed by Manly & McGuire and Soltan & Assoc.

I submitted a declaration to Judge Berle for the 03-21-2003 hearing in LA, which will address the Manly/Soltan petition for coordination, JCCP 4286, and I will attend the hearing. Irwin Zalkin has told me he will also attend the hearing in LA. Will anyone else from SD attend the hearing in LA this Friday? I believe I have talked to everyone on this email about coordination, and with the exception of Venus Soltan, it is my understanding everyone opposes having the SD cases coordinated in LA and supports coordination here. I would like to make that representation to Judge Berle this Friday, so please contact me by return email with your positions and whether you intend to attend the Friday hearing.

I've attached copies of my petition for coordination and supporting documents and my declaration in 4286 in Word format for your convenience. If you have submitted documents or letters to Judge Berle or the Judicial Council on 4286 or 4297, please email me a copy(ies) in Word format.

Our File No.: 25787-001

Dear Father Murphy,

This letter is a request that your church discontinue any further contact with [REDACTED], a resident of Ramona and a registered member of Immaculate Mary Parish. She has recently--on Saturday, Nov. 30, and again on Saturday, Dec. 7, been contacted at her home via phone by a lady (name unknown) within your church apparently seeking to "console" her.

[REDACTED] has never before been so contacted. We suspect that the contact arose out of recent (and so far unsuccessful) attempts to communicate with [REDACTED] at Nazareth House, regarding what the Sister might be able to tell her of events in her past as a child.

[REDACTED] alleges that she was a victim of severe sexual abuse by now deceased Father Franz Robier as a young child. She has been under intense psychiatric therapy for some months now, and the telephonic contact has upset her greatly and caused her further unnecessary anxiety.

We appreciate your taking steps to ensure that all further contacts stop. [REDACTED] will be filing a lawsuit after January 1, 2003, under, among other bases, the newly expanded Statute of Limitations for sexual abuse as a minor which takes effect on that date.

Dear Mr. Hodges,

This email responds to your email to me today.

I can not assure you there will be no contact with people associated with the Church, because there is no way I can control everyone, everywhere who is connected with the Church. I have contacted relevant people here at the Pastoral Center and asked them not to contact and I'm certain Fr. Murphy will or has done the same at the parish. Hopefully, the message will reach the person who has done this, and they will not do it again.

I will be pleased to meet with you and your client, or just you to discuss resolution of your client's claim. I will be gone the week of Christmas, but I will be in the following week. My calendar shows the week after Christmas completely clear, so if you would like to set a time to meet that week or the following week, please call or email me.

It would be helpful if you could provide me with a psychological evaluation of your client. Also, if there are witnesses who have information about your client's claims, it would be helpful to talk to them. I will be glad to review anything else you would like to provide.

I look forward to hearing from you.

Your File No.: 25787-001

Dear Mr. Hodges,

Thank you for your letter dated May 29, 2002 notifying me that the name of the priest that we have been trying to identify is Franz Robier. As I mentioned to you in my previous letter, it is the practice of the diocese to inform law enforcement of credible allegations of child abuse against priests of this diocese. However, that policy applies only to living priests. In this particular case, the priest, Franz Robier, died on April 22, 1994. Therefore we will not be reporting the allegation made by [REDACTED] to law enforcement, although she is welcome to do so.

I am very pleased to know that [REDACTED] is in contact with Msgr. Kulleck, and that she is receiving therapy as well as spiritual counseling. The offer of assistance towards obtaining and paying for therapy remains open. Please feel free to call me, or Msgr. Callahan, if there is anything that we can do to assist you with this process.

Recently a former Catholic and now practicing in the Assembly of God Church, met with a permanent deacon of this Diocese, Jimmy Smith, alleging sexual abuse by a priest in the Diocese of San Diego in the later 1950's. The priest's name seems to be Rev. Franz Robier (OCD, 1957), and the alleged took place at Holy Spirit Church in San Diego.

Enclosed please find the notes of Deacon Smith's meeting with Deacon Smith informed her that he would send her allegation to the Diocese of San Diego through the chancery office in Houston. I have not met though the deacon does believe she is sincere.

Dear Ms. Kelly,

Receipt is acknowledged of your letter of May 23, 2002, regarding this matter. Coincidentally, our on-going investigation turned up the name of the priest in question prior to receiving your letter. His name is Franz (Frank) Robier. You will undoubtedly note the similarity in phonetic pronunciation of his name by a child to that described by in my letter to you of April 18, 2002 ("Father Romo, or perhaps Romero, or a similar name").

It is my intention to make a report on Father Robier to the San Diego Police Department in the near future, now that she has learned his name and the facts of the abuse are beginning to surface. We understand from your May 23, 2002 letter that you may be doing the same thing. If you do, a copy of your report would be appreciated.

We would appreciate your providing us with information as to whether there have been in the past any other reports, claims or accusations of sexual misconduct made to the church as to Father Robier. We would also appreciate knowing where he presently lives, as the 1983 through 1994 Official Catholic Directory shows him to be "retired" during those years, after rapid assignments from San Diego in 1956-57 (the years of alleged abuse by to Victorville in 1958-1960, San Bernardino in 1961-1963, Encinitas in 1964-1966,

The Most Reverend Philip F. Strailing D.D.

I feel that I must write and see what can be done to help my daughter, [REDACTED] retain her faith in the Catholic Church.

I have Raised all of my children as Catholics. My husband and I were both married in the Saint Madelines Catholic church in Trona. Each of our children have received the holy sacrament of baptisa, First Holy Communion, and Confirmation. Our youngest daughter has seen her older sisters receive the Holy Sacrament of Matrimony In their home parish.

REDACTED

[REDACTED] has now decided to be married and would like to receive the Holy Sacrament of Marriage in the same parish.

The problem is that her fiancee [REDACTED], also a catholic, was married at the age of 16years to a girl of 15 years of age. they were married by a justice of the peace.

After being together for many years the two came to the realization that the marriage was a bad decision made by two youngsters that weren't mature enough to make a marriage work. The two agreed to obtain a legal divorce. Which they did.

Now the same young man is 31 years of age and is mature. He is ready to take on the responsibility of being a husband. He would also like to stand before Our Father in Heaven and ask his blessing.

██████████ have been attending mass together. Last Sunday after mass they went to Father Robier to seek counseling. When they told Father Robier of the previous marriage, he went into a rage and said he didn't even want to see them until ██████████ brought his divorce papers. The two were a bit shocked by his attitude and hurt by the way he spoke to them. ██████████ went to Father Robier because he needed to talk to someone who could tell them what to do. Instead they saw someone who made them feel that they were bad people and that he had no time for them.

Several days later ██████████ was able to get his divorce papers for Father Robier. They went back to see the father and were told to just cancel their plans, because he wasn't about to get himself into any trouble. And that he would have to go to bishop with this matter.

The Father was very rude to them and would not even talk to them or counsel them. They just wanted gods blessing and to be married as Catholics. So that when they had children they could become good Catholics too.

REDACTED

Now they are considering going to the Cumberland Presbyterian Church in Trona. They want to be married where they will be welcome.

Their faith in god is strong but their faith in the Catholic Church is being weakened by a Catholic priest.

I have listened to many sermons about how the young people are turning away from their Catholic faith. I have to wonder how many of these young people feel that they are being chased away.

ROBIER-WOA 0000277

If there is no possibility of a Catholic marriage for these two. Could-
n't they at least be counceled so they can understand why. Maybe
then they won't turn to another religion. We won't be losing just
one catholic. we will lose two plus any children they might have.

I just don't understand why Father Robier feels that it is necessary
to punish these two good people for something [REDACTED] did when he was
still a young teenager. They are so upset that they would rather
go away than be treated like they will never be forgiven.

Please write back to me and tell me how I can keep them from losing
faith.

Sincerely

Your Excellency.

It is now almost three months that I have been removed from St. Anthony's parish, Riverside. Allow me to express my feelings of the situation I am in as chaplain for the Carmelite nuns. I hope Your Excellency will have an understanding and I hope also that I can speak to You as a son to his father with confidence. I'm like a handicapped priest, deprived of my priestly work and therefore I am not happy and satisfied with this present job. Concerning my removal from St. Anthony's parish I didn't get any chance to defend myself against the complaints made by a group who called themselves the closest ones to the church. On that day I received the word of my removal I told one of the parishioners what is going on and I didn't ask anyone to do anything in my favor. Then a group of the parishioners, without my knowledge started to act. They went first to Msgr. Lynch for help and advice; and he said to them he didn't know anything what was going on at St. Anthony's. Then they went to San Jacinto to talk to Your Excellency and You said to them that it had been an investigation under the direction of Msgr. Lynch. If there was an investigation, why didn't Msgr. Lynch come to me or call me to talk over the situation in order to clear up some misunderstandings? I think he hasn't act correctly toward his brother priest. What I lament profoundly is the lack of charity among the priests.

I have myself conformed to Your decision, but as I told You I am not happy. At St. Anthony's I tried to do my best; I have not neglect my duties to my parish. The parish was not going down, the contrary the reception of Holy Communion was increasing and also the Sunday Masses have been more attended. I founded also the O Y O four the young people. Some parishioners who stood away from the Sacraments came back. And financially the parish was prospering. I remodeled the rectory and furnished it; I did not squander the parish money and have made economies; and I have worked toward the Building Fund, then I was anxious to build a new church as Your Excellency told the people of St. Anthony's. I hope this letter will not upset my Superior; my intention was to bring my feelings to Your Excellency and You can be sure of my sincere cooperation in the service of God.

Very Reverend and dear Father Fitzgerald:

Let me renew the utmost appreciation for your prompt response to my request on behalf of Father Francis Robier. He has had a record of zealous work for many years in the Sacred Priesthood.

Recently, however, he has made some mistakes that require what Your Paternity has to give in spiritual exercises.

As the postscript in my letter indicates, he has my permission to offer Holy Mass over there. He left here truly repentant, and promised to be on his way so as to arrive in Via Coeli tomorrow, Sunday.

The mistake here has caused so much talk that my fear is his usefulness has terminated in these parts. After two weeks or a month, according to your well-considered judgment in the matter, he could be given a chance in some other jurisdiction. If he has learned the lesson of discretion, he will be a very valuable priest for some other Bishop.

Permit me to add that Father Victor made a favorable impression on all of us. He informs me that you advanced him \$45 for transportation, to cover which please find check enclosed.

The other check for \$250 please accept in token of gratitude to help with your burdens of upkeep.

Family Resources Guide

Stanly Smith
Administrator

Lois Freeman
Director of Nurses

Welcome to Valley Convalescent Hospital. It is our wish to offer the best possible care and we know this is what you want for your special patient.

Our staff is trained to care for the chronically ill and the elderly as well as those convalescing. There may be questions which may arise which we hope you will feel free to ask.

Below is some information which may be helpful to you in working with us to provide the best care for your loved one.

Doctor:

Medications, treatments, diet are based on the orders of the patient's doctor. Since the patient is not considered acutely ill when they are in this facility, the doctor is only required to visit patients once a month. However, he is kept aware of any problems or changes in the medical situation by the nurses and will visit more frequently if his condition warrants it.

Visiting Hours:

Relatives and friends are encouraged to visit frequently. Visiting hours are from 8 am to 8 pm daily. If you cannot visit frequently and you know others are in the same position, it would be best to plan the visits so that they are spread out rather than, no visitors for a long time. There is no age limit for visitors; children of any age may visit.

Food:

Meals are served at 7 am, 12 pm, and 5 pm. Nourishments are offered every evening. Mid-meal nourishments are provided if ordered by the physician. Special therapeutic diets are provided on the basis of doctor's orders. We request that no food or beverage be given without checking with the licensed nurses.

Safety:

Because patient's safety is of utmost concern, the following rules must be observed:

- No medications may be brought to patients
- No cigarettes may be smoked except in marked smoking areas
- Patients may not keep any matches or cigarettes with them
- Patients needing assistance in moving in/out of beds or chairs should be assisted by our trained staff

Clothing, Laundry and Personal Items:

Patients will need nightgowns, pajamas, robe, slippers, and several changes of comfortable, washable daytime clothing. We do not assume responsibility for loss of personal property. (Please leave all valuables at home) All clothing items must be marked with a special pen for easy identification. Personal items are available at the families request for a fee or to be provided by the families. Personal laundry can be done at the facility for a fee. Arrangements for this should be made upon admission and if any changes are needed, with the business office.

Social Services:

The facility social service designee is available Monday through Friday 8 am to 4:30 pm to help you with any questions or problems you may have related to the patient's adjustment, behavior, needs, etc. as well as to help you with any problems you may have as a result of the placement and/or the condition of the patient.

Activities:

Familiarize yourself with the many activities planned for the patients by our Activity Department. Information about the programs can be found on the calendars located across from room #3 and next to the activity directors office. You are welcome to participate with your patient.

Telephones and Televisions:

Telephones and Televisions are permissible and is the responsibility of the family to contact the appropriate company.

Beauty Salon:

The beautician is here on Mondays, Tuesdays, and Wednesdays from 8 am to 12 pm. Arrangements can be made by leaving a note on the beauty shop door.

Podiatry Care:

Podiatry care is provided on doctor's orders by a licensed podiatrist who comes to the facility.

Dentist:

Dentist services are provided on doctor's orders by a licensed dentist who comes to the facility.

Business Office:

Any financial concerns are handled through the Business Office Manager.

Billing:

Bills are sent out on the 25th of each month and payment of these bills is expected by the 10th of the following month. If you have any questions regarding your bill ask for Accounts Receivable.

Patient Trust Account:

Patient trust account is provided by the family and the money is used for the patient's incidental expenses. This can be arranged through Accounts Payable.

Dear Msgr.-Webber:

Since all intakes that we receive of a potentially sensitive nature are routed to me, I did an assessment on May 17, 1994 of a 38 year old woman named

At this time, who is on Medi-Cal, is in need of hospitalization for severe depression and substance abuse; however, one of her issues included allegations of sexual abuse by a priest.

She states that her family was very close friends of Fr. Franz Robier while he was at St. Anthony's in Riverside as well as after that. She states that she was molested by him from age 11 to 17. She says that news of his recent death brought memories and feelings to the surface.

At this time, has some thought disorder as well as anger and depression and she was mainly seeking inpatient care. I referred her to two facilities that accept Medi-Cal.

I do not expect to hear from her again and do not believe she has any other agendas. This is for your information only, with her permission.

Sincerely yours,

Susan J. Klewszewski, LCSW
