April 8, 1987

It is with most heartfelt thanks that I greet you on this holy season and on this Holy Thursday, the feast day of every priest. Your years of faithful and zealous ministry among us has been very rewarding and fruitful. I rejoice with you as you review these accomplishments and recall these marvelous memories which mean so much to you as well as to those you served so well. You consecrated your whole strength and your whole heart to Jesus. The secret of your generosity is to be found without doubt in your love of Christ. Certainly you united the daily gift of yourself to the offering of the Mass. You knew that the Eucharist is the source and summit of all your priestly life.

You act in the name of Christ the Head, to bring people into the new life made accessible by Christ, to dispense to them the mysteries - the Word, forgiveness, the Bread of Life, to gather them into His Body, to help them to form themselves from within, to live and act according to the saving plan of God. In fact, your identity as priest is manifested in the "creative" exercise of the love for souls communicated by Christ Jesus.

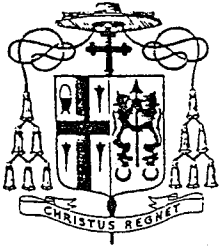

Today, I give thanks to God who permitted you to share in the Redemption, for you never cease to be a witness - ever loving, ever relevant - to the truth about your priestly vocation and service. May these brief reflections renew your joy in your priesthood which I admire so much. I assure you of my great affection, especially am I conscious of your marvelous priestly life and ministry as we celebrate together this Jubilee year of fifty years of the Diocese of San Diego.

Gratefully yours in Christ,

Diocesan Office
for Apostolic Ministry / Alcala Park March 17, 1986

Dear Monsignor Sheridan:

As Holy Thursday approaches, I wish to send you my personal greetings and thanks for your faithful and zealous ministry here in the local Church as well as your assistance for the Church Universal. I appreciate your interest and support of the missions. This Diocese --because of you and your continued education of the people-- has the highest record of giving to the Propagation of the Faith.

If I were to sum up your priesthood, I would use the word "sacred." You appear as a man of the sacred. You possess a sacredness immanent in your own person, for you sustain a privileged relation to the Godhead. Through your mediation God's action and presence are disclosed.

You are not only a man of the sacred but also the minister of the sacred and religious functions. When we recognize Christ as a Man of the Sacred we see the new meaning of the sacred in His priesthood. This sacredness of yours unfolds and achieves concreteness through the consecration of Orders. This consecration transcends ritual formalism; it speaks of a personal commitment. Both the consecration and commitment has allowed divine holiness to penetrate your life in the fullest way possible.

Yours is a life-giving mission, a life-saving mission, binding up wounds, healing, always bringing new hope filled with inspiration, encouragement and love.

Jesus has called you as a very special friend. This friendship is a certainty and is based on divine love. You are loved by Jesus the Good Shepherd, the High Priest, and I am Christ's instrument here in the local Church expressing that love for you in a very real way and at the same time acknowledging with the deepest thanks your faithful, zealous and loving ministry.

Grace and peace from God, Our Father, and the Lord Jesus Christ.

Gratefully yours in Christ,

Holy Thursday, 1984

Rev. Msgr. Gregory S. Sheridan
Calle Postigo Real 17
Alagon Zaragoza, Spain

Dear Monsignor Sheridan:

As Holy Thursday approaches I wish to send you my personal greetings and thanks for your priestly ministry in the Diocese. I recall with gratitude your achievements and zealous service and continue to count on your support and prayers.

This year being a Holy Year, we who have been called to serve others in the spiritual renewal of the Year of the Redemption, need to be renewed, through the grace of the Year, in our blessed vocation. In the very heart of this messianic mission of Christ the Priest is rooted our vocation and mission too: the vocation and mission of the priests of the New and Eternal Covenant. It is the vocation and mission of the proclaimers of the Good News, of those who must bind up the wounds of human hearts.

Day to day, we must bring into that existence the dimension of the Redemption and the Eucharist. Let us open our eyes ever wider -- the eyes of our soul -- in order to understand better what it means to celebrate the Eucharist, the sacrifice of Christ Himself, entrusted to our priestly eyes and hands in the community of the Church.

My dear brother in Christ, it is a great gift that God has given you. Jesus Christ is in our midst and He says to you: "I am the Good Shepherd." It is precisely He who has "made" a shepherd of you, too. Because of your faithful shepherding there have blossomed along your path the wonders of the infinite Mercy. For this I give you my most heartfelt thanks.

May this Easter Season bring you the great joy, peace and happiness of the Risen Christ.

Gratefully and Fraternally yours,

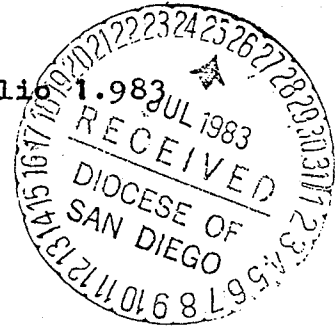

+Leo T. Maher
Bishop of San Diego

Dear Ms. Collins:

It was most gracious of you to inform me of the beautiful celebration on the retirement of Monsignor Sheridan. He has captured the hearts of all the people and he found it most difficult to retire, but the burden became so great and the demands weighed so heavily on his shoulders that he felt this burden should be passed on to someone else.

I am sure your new pastor will take up where he left off. Since he speaks Spanish and has been working in a Hispanic parish most of his life, he will be able to relate both to the Hispanic and the rest of the community.

Most Reverend Leo T. Maher
Bishop of the Diocese
of San Diego

Your Excellency:

Dear Bishop Maher,

Because Msgr. Sheridan is resigning after 13 years as Pastor of St. Peter's Church, it seems timely to report to you from one parishoner's point of view. This will be a brief and capsulated personal opinion, a view from the air as it were.

Our farewell reception a week or two ago turned out to be a true affair of the heart. As one of the organizers thereof, I was impressed with the sincere good will of every single person approached for assistance. "He has been a good priest," was the usual response. The universality of this response came as a surprise from our rather contentious community. "...and a very good administrator" was often added.

The reception itself was by everyone's acclaim an unprecedented success. This was largely due to the enthusiastic cooperation of our Mexican-Americans. They brought a joyful enthusiasm which was highly contageous. They also brought a Mariachi band from Baja to which everyone ended the ceremony dancing.

This could not have happened in pre-Sheridan days. Monsignor has encouraged our Mexican people in every way he could. Whereas our Mexicans were turning to other churches in the past, under his pastorate they have become a very big part of our community.

The reception brought them and the Anglo-American community into mutual celebration with great success. This is to me a signal accomplishment of this pastorate.

Fallbrook has always been celebrated for the individualistic attitude of its residents. The churches have been eruption points for individualism. St. Peter's

SHERIDAN-RCBSD 0040

has had more than its share. Monsignor has worked ceaselessly as a peacemaker. It's been a thankless but successful effort. The mumblings and grumblings continue subrosa and above board of course, but the mumblers and grumblers find it hard to garner supporters for their causes anymore.

For one thing, Monsignor has gone to great lengths to make his church one where everyone can find a home. He has found priests of every varying hue to please the conservatives, the moderns, the youths, the charismatics, and the just quiet Catholics. The variety of services left no one a complaining leg to stand on.

Monsignor's favorite parishoners are his children. They are the roses in his garden, and he has tended them carefully. His school of religion has been given every encouragement he knows how to offer. It has prospered.

We will always have complaints. We will always have people looking for the "perfect priest" who can do everything to please everyone. It's like all Americans looking for the "perfect" president, and just as likely to be found.

I think it was a great and deserved accolade that so many people came to say farewell to "a good priest."

Dear Monsignor Sheridan:

As you have requested, I presented to the Personnel Board the vacancy of St. Peter, Fallbrook, and they approved Monsignor Mark Medaer as the new Pastor, effective July 5th. The early date was due to other changes involved; namely, Bishop Chavez to the Cathedral, Monsignor Galindo to Calexico, Father Aldasoro to San Ysidro and Father Collier to Our Lady of Guadalupe, El Centro.

I have written to the Pension Administrative Committee so that you will be receiving your retirement as of July 1st.

As you retire from your parish in Fallbrook, I wish personally to express my deepest thanks and appreciation for your great priestly service here in the Diocese of San Diego. You have indeed been very zealous and faithful in all your appointments, so much so that the Holy Father has recognized this in your appointment as a nonsignor.

You have every reason to be proud of your great accomplishments, of your ministry and devotion to the people of God. You have many friends among the clergy and the laity alike. It is my hope that you will be able to be of some assistance on occasions to allow you to continue with that same dedication that you have always witnessed among us.

Dear Monsignor Sheridan:

I am very grateful for your letter of June 5, 1980, and the enclosed copy of the letter sent to San Diego Magazine.

The journalist in this case has misinterpreted the signs of the times. Instead of placing the crisis in society, where it exists, for certainly this society is sick and decadent, he tries to place it in the Church.

The Church, in promoting the Gospel and the moral teachings and not being accepted by such a society, is not in a crisis, nor is the Church in a crisis in making changes to meet the needs of the times. The Church is only in a crisis when it accepts the weaknesses of a sick society and becomes secularized itself.

I am sure that we can live with this criticism. It will awaken us to the prejudice around us.

With renewed thanks for your wonderful support and your faithful cooperation, I am

Your Excellency:

Permit me to voice my heartfelt thanks to you for the generous time that you gave me in our first meeting held in your office recently.

Inasmuch as you have made certain public statements in which you reflected a keen interest in our Mexican-american people entrusted to your care, this thought came to me ... Bishop Leo T. Maher could dramatize his interest in behalf of his Mexican-american people by doing something for them in a tangible manner and in public on a suitable occasion where a large and responsive crowd would be present. So, I thought that I would mail you a \$1,000.00 check and you as their Bishop could make a public presentation of this gift to some worthy and moderate Mexican-american cause (not a militant one), you could determine that cause between now and the Feast of our Lady of Guadalupe celebration. You have advisers that could suggest for you which cause that should be.

Hoping this idea meets with your approval and begging for you fatherly and episcopal blessing, I wish to remain

Respectfully yours in our Lord.

Dear Father Sheridan:

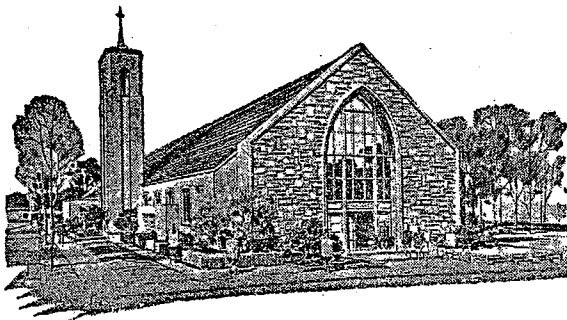

It was a great delight to speak with you on your recent visit to the Chancery Office. I am glad that you are so gratified and happy with your present work at St. Jude's. It was indeed most generous of you and thoughtful to present me with this contribution to be given to some worthy cause to aid the Mexican-American people. I hope that I use it properly.

Thanking you for your gift and interest,
I am

Sincerely in Christ,

My most Reverend Bishop Quinn:

In the first place, allow me to extend to you my warmest and sincerest congratulations upon your elevation to the dignity of Administrator of our Diocese.

I have a personal problem that I would like to submit to your consideration. I am serving my 16th year in St. Jude's Parish, a parish with many and great problems, while I have been a very successful Pastor financially, as a Priest I must say that my usefulness may be nearing my end, because I am beginning to reject my environment, and before some explosive incident might cause embarrassment to the Diocese and to our Faith, I firmly believe that I ought to be transferred in the not too distant future.

All I want is a small Parish with one Assistant, it may have a Parish school attached to it, I have been successful with Parish schools. Presently I have nine teaching nuns with an enrollment last year of better than 600 students. I would rather prefer to remain in San Diego County, because all my Doctors are here, then I have a couple of Senior Citizens that I am entrusted with.

I have confided my problem to Father Wm. Mooney my Dean, and I also discussed this matter with Father Murray the Personnel President of the Senate, they both felt sympathetically, considering my 21 years of service as a incardinated Priest in our Diocese as well as my record and my many years as a Priest.

Hoping that you will find time to give my problem some of your benevolent attention and consideration and with God's choicest blessings, I wish to remain

Respectfully yours in our Lord.

Dear Father Sheridan:

Your letter of August 14 arrived this morning.

I can understand your desire for a change. At the same time I want to congratulate you on the fine work you have done through the years at St. Jude's.

I will give your request very careful consideration and endeavor to work something out to your satisfaction as soon as possible. You realize, of course, that I could not appoint you with the title of "Pastor". As Administrator, Sede Vacante, I am limited to appointing Administrators. I am sure, however, that the new Bishop whenever he comes would confirm such appointments and give you the title of Pastor.

Wishing you every grace and blessing, then, and with best personal regards, I remain,

Sincerely yours in Christ,

Dear Monsignor Booth:

This is to inform you that Father Gregory Sheridan, Pastor of St. Jude's Parish in San Diego, made his annual retreat here at our Retreat House in Scottsdale, Arizona, between the days of July 25 and 28, 1967.

We have been most happy to have had Father Sheridan with us during this period, and we extend a cordial invitation to any Priest of the San Diego Diocese to make a private retreat at any time.

Since I have been stationed in San Francisco for the past nine years, I realize how difficult it can be to adjust to the somewhat warmer temperatures of the desert, but at the same time I can understand something of the benefits that can come from the solitude one finds in this area!

With every good wish, I remain,

Most Reverend and dear Bishop:

By now, your Excellency must agree that ever since your Excellency set your foot in Southern California, the weather has been rather warm! I mean above the ordinary!

Let me voice my heartfelt sentiments of appreciation and gratitude to your Excellency for taking time out to acknowledge my congratulatory letter with the occasion of your appointment as Coadjutor Bishop of San Diego.

I have always been rather a shy person in my dealings with my Bishop, and I have never asked for anything for myself, but now I feel a new source of confidence that prompts me to offer my services to your Excellency in case that your Excellency would consider me to fill up the vacancy created in St. Agnes Parish of Point Loma by the death of her former Pastor Mgrs. Forristal of happy memory. I have been a Priest for 27 years of which 15 of them I have given to my Diocese of San Diego. I have been a spiritual as well as a physical builder in addition I have a good knowledge of the Portuguese language which in this case it would prove quite useful if not necessary, because of a large colony of Portuguese living in St. Agnes Parish.

Should you have made a commitment in behalf of some other Priest, please disregard this plea.

Commending myself to your fervent prayers, and with every best wish and blessing from God, I remain

Yours respectfully in our Lord.

Reverend and dear Father Sheridan:

Nothing can stop the tide of your generous heart. Thanks be to God for you, for your unswerving loyalty, and your courtesy of August 7, and the confidence it implies.

The progress you have made on Saint Jude's new convent also stimulates me. The generous offering you sent will alleviate suffering and hunger.

To answer your question, the vacancy at National City has been filled, but you will be kept very high on the list of those who might welcome a change.

The indisposition you write about was bronchial infection which gave me a rough time for almost two weeks. You have reason to know of my paternal affection for you. After invoking the Holy Spirit when the right place comes -- perhaps some run-down, dilapidated compound, heavily in debt -- you could very well be the one to revive it.

Sincerely in Christ,

This note is only to call your attention to the fact that I was one of the first priests to sign the Blue Shield Group Insurance for our Diocese, but I do not recall that I ever got the Identification Card for the Insurance contract that I signed.

Die 7 Decembris anno Domini 1951 Reverendus Gregorius Sheridan, O.R.S.A.,

Indultum Saecularizationis ut rite in hanc Dioecesim incardinari
possit.

Tres ante annos completos Rev.dus Gregorius Sheridan, cum permissu

Monasterium reliquit et in hanc Dioecesim admissus erat. Postea, idem
religiosus suo Provinciali Reverendissimo Patri Angelo Almarcegui O.R.S.A.
suam mentem manifestavit relinquendi suum Ordinem et ad clerum saeculare
transiendi. Promissimus eum in hanc Dioecesim incardinare si et in quantum
Indultum Saecularizationis rite obtentus sit.

Paucas ante hebdomadas Rev.dus Gregorius Sheridan accepit duas litteras
a Curia Generalitia Ordinis Recollectorum Sancti Augustini in quibus
indicatur quod Sacra Congregatio de Religiosis jam concessit huiusmo-
di indultum. Insuper inculcatum est quod Gregorius Sheridan jam
incardinatus est in hanc Sancti Didaci Dioecesim et causa jam finita est.

Hucusque infrascriptus Episcopus indultum Saecularizationis pro Rev.do
Gregorio Sheridan nondum obtinuit. Eo magis quod huiusmodi duae
duae litterae aliquam confusionem et dubium Nobis creaverunt. Si verum
esset quod in hisce litteris continetur, Sacra Congregatio Nos certiores
dederet. Eo magis quod more solito ipse Ordinarius Loci religiosum
saecularizatum incardinare solet omnibus de jure servandis ad normam

Huiusmodi litteras authenticatas a Rev.do Pablo Ganuza O.R.S.A. subscrip-
tas ad Excellentiam Reverendissimam mittimus, quae aliquam confusionem
creaverunt et, Nostro iudicio, erroneae sunt.

Liceat Nobis Sacram Congregationem de Religiosis humiliter rogare ad
hanc rem clarificandam et, si indultum jam concessum erat, petere exemplar
authenticum Saecularizationis.

Hanc occasionem nactus impensos aestimationis meae sensus Tibi

Muy querido P. Gregorio: Acabo de recibir su cartita que, como supuso, me cogió muy de sorpresa. Y como me figuro la impaciencia con que aguarda alguna noticia de su secularización definitiva, me apresuro a contestarla.

El P. Angel Almarcegui le contestó muy bien; él ya nada podía hacer. El final de este asunto está fuera de sus manos. Pero lo que se debía hacer ya está hecho. O sea: En la Sda. Congregación se recibió la petición del Sr. Obispo de San Diego, que fué favorable. Al recibirla, pasaron aviso a esta Curia General; y también de aquí, con fecha 5 de enero del presente año, se contestó favorablemente a su petición. De modo que, ya archivadas estos dos documentos en la Sda. Congregación, quedas definitivamente incardinado a la Diócesis de San Diego. Creo que la Sda. Congregación no suele contestar al interesado ni a su Obispo; sino, una vez oído su parecer y el de la correspondiente Curia general, reúne tales documentos a los ya existentes sobre el caso, y los archiva, dando el caso como consumado. No esté, pues, impaciente esperando una contestación que, como dicho dejo, no suele dar la Sda. Congregación. Su caso es ya un caso consumado: o sea: estás ya debidamente incardinado a la Diócesis de San Diego. Queda, por lo tanto, tranquilo. Todo está hecho en debida forma.

Mucho me alegra el informe favorable que el Sr. Obispo ha dado de tí. Sigue trabajando con celo; y ya que la situación de tu madre es la que te empujó a dar ese paso, deja siempre buen nombre en esa diócesis; eso te honrará y honrará el hábito que llevaste.

En cuanto a su secularización, me ha repetido lo mismo que ya le dije: Que esté tranquilo, que todo se ha llevado a cabo en debida forma, y que su incardinación en la diócesis de San Diego es ya un hecho consumado.

Se lo repetiré una vez mas, aunque supongo que quedaría tranquilo con mi anterior. Cuando uno pide la secularización, se le concede temporalmente, como ya sabe. Transcurrido ese tiempo, el Sr. Obispo lo puede rechazar, si no está contento. Pero si, quedando satisfecho del comportamiento favorable del individuo, da un informe favorable, como sucedió en su caso, entonces pasan aviso a la Curia General respectiva para ver si esta nada tiene que oponer. Como en su caso de aquí se respondió favorablemente, archivaron en la Sda. Congregación el informe del Sr. Obispo y el de esta Curia, juntamente con la primera petición que hizo para secularizarse, y dieron el caso como consumado. Eso es todo lo que hay que hacer. Quédese, pues, enteramente tranquilo.

Y cómo le fué en la Semana Santa? Mucho trabajo? Me figuro que sí; pues son días abrumadores; pero también supongo que habrá procurado descansar en esta semana de Pascua. Es muy justo.

May 12, 1960.

Most Reverend and dear Bishop:

Needless to say that I am delighted to be back on the job and on the saddle, so to speak. The much needed rest that I took has done me worlds of good as far as my health is concerned. St. Jude's is a Parish with a very unique personality, where much patience, a lot of kindness, untold amount of work and endurance are expected of the Pastor. In order to resume my Pastoral work the leave of Absence which your Excellency so graciously granted me was absolutely necessary. For that I am grateful to your Excellency.

San Diego Evening Tribune has arranged for me to hold an interview, while I was prepared to tell general impressions about my world tour, a topic as selected for me which I did not expect and perhaps I did not know about it as much as was asked of me. I am hoping that the Editor, Mr. Fuson, who interviewed me does a good job, if I am quoted erroneously, I am begging for your Indulgence, and I will say the penance which your Excellency gives me. Mr. Fuson thought that the readers would like to have a picture of what it looks like to meet His Holiness and the halls of the Vatican, a lot of details I could not truthfully answer, I believe he had good intentions in trying to bring to the public the good points of the Pope and the Vatican, as it looks to someone visiting there for the first time.

Your Excellency can relay my penance either orally, or in writing!

With every best wish and God's best blessings,
I remain

Respectfully yours in our Lord.

Most Reverend and dear Bishop:

I have just landed in our Country back from Europe and my first thought has been to write to your Excellency. I had a very fine trip through the Middle East where I visited the Holy Places in Palentine.

In as much as your Excellency was kind enough to allow me a leave of absence from my Parish till the first of May, I thought I would see a Doctor who is going to send me to a hospital for a complete physical check-up, then I will return to my Parish immediately after the first of May.

Let me say that my health has been greatly improved thanks to this rest which your Excellency recommended and granted me following the Dedication and blessing of St. Jude's Academy addition and the New Shrine which your Excellency so graciously dedicated last December.

In returning to work in our beloved Diocese, my twin aim is to glorify God by saving souls and to do my utmost in accomplishing great things for your Excellency in whatever field of endeavor your Excellency deigns to assign me. I am deeply grateful to your Excellency for the trust and confidence your Excellency has placed in me, and I hope that as my field of apostolic labors grows richer that I can repay your kindness and loving care in my behalf.

Right now, As I am preparing to go to the Hospital I am working on a potential donor to the Diocese, this family may be able to give your Excellency a substantial donation to your Excellency.

With every best wish and God's choicest blessings upon your Excellency, I remain

Respectfully and gratefully yours in our Lord.

Reverend and dear Father Gregory:

Your letter encourages me very much and warms the heart -- even independently of your generous enclosures.

In fact, you have been very generous with your unworthy Bishop and I do sincerely appreciate the kindly thought back of your donation.

The \$400.00 for the D.E.D.P. is also gratefully acknowledged. Under separate cover you will receive the check which you requisitioned for the completion of your impressive Shrine.

Thanking the Holy Spirit for you, it is my privilege to remain

Dear Father Gregory:

First let me express the utmost appreciation for your generous check of May 14th. It has been allocated to the Immaculata Chapel in your name.

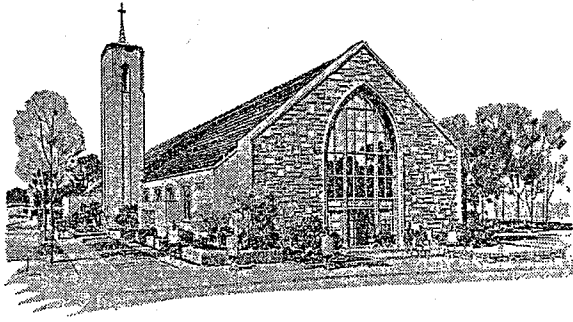

Inasmuch as you have repeatedly requested for Father Erstad, it was possible for me this day to send a priest in his place at St. Theresa's so that Father Erstad can serve you in your very important apostolate at St. Jude's. In view of the building program and the contemplated trip abroad, you must have a very competent assistant.

Most Reverend and dear Bishop:

The purpose of this letter is to congratulate your Excellency for the tremendous success that your Excellency obtained with the completion of the Immaculata magnificent Chapel. Your Excellency's efforts were crowned with a blaze of glory. A great tribute to our Lady has been paid by the erection of this monumental Church.

Your Excellency has not heard from me for a while, and perhaps my silence might be misleading to your Excellency. Things are under control all right, but the load of this Parish is back breaking even with two good Assistants, now since Father Di Domenico left for Guatemala, Father Otto Kaiserauer and myself have been carrying the full load, and I just can't take it any longer. The spiritual demand for the services of the priests is very great in St. Jude's. While I realize that your Excellency may be very short of Priests, I also consider it my duty to inform your Excellency that St. Jude's Parish cannot be run at the present time properly without further assistance of another Priest, I will be willing to wait till a suitable Assistant can be found, provided that the delay is not too long.

Enclosed, please, find a check for \$ 100.00 for the Diocesan Development program of the Diocese.

With every best wish and God's choicest blessing upon your Excellency, I beg to remain,

Yours very respectfully in our Lord.

Enclosed, please, find a check for \$ 100.00 for the Diocesan Educational Program, also the request for payment to L.J. Ninteman Construction Co. for the work accomplished in the New Church of St. Jude's.

Everything is going quite smoothly here at St. Jude's Kingdom of God on earth.

Dear Father Gregory:

This acknowledges with sincere appreciation your remittance of \$100.00 for the Diocesan Educational Program. In alerting this account you keep us all happy and encouraged.

To come down to solid bedrock, enclosed please find a new form to be used in making requisitions. It will serve our purpose better and will protect the loan.

You will observe that in the new requisition form no extra orders of any kind can be admitted. The fact is extra orders have wrecked the financial status of some parishes.

Most Reverend and dear Bishop Buddy:

I am leaving your Excellency this note this morning in regards to my Assistant Father Engl. He has been doing a superb job at St. Jude's, he has worked very hard and very well. Now, however, I am being confronted with a crucial decision that I must make. First of all his health is not as good as it could be, he must take a rest as soon as it can be conveniently done. Secondly, in as much as a number of changes had to be done in order to bring the price down of the New Church of St. Jude's, this factor may be a sore point between Father Engl and the Contractor Mr. Witegan who is already beginning to sense some future friction, this is shaping up before the job has started.

I suggest that Father be given a nice long rest no later than the 15th of next month (October) and that after that if he does bring in disharmony into our building program that he be given a promotion that he rightly deserves. His talents are many and the Diocese can very well use them, but his present physical condition is making two physical wrecks out of both of us, so that I am preparing myself to loose him to St. Jude's, if this happens I feel confident that Your Excellency can replace him in kind.

Your Excellency's judgement has always been unerring all the time, your Excellency has always looked for my best interests and so I will leave this matter up to your Excellency.

With every good wish for your Excellency's continued health and happiness and God's best blessings, I beg to remain,

Respectfully yours in our Lord.

My dear and Most Reverend Bishop:

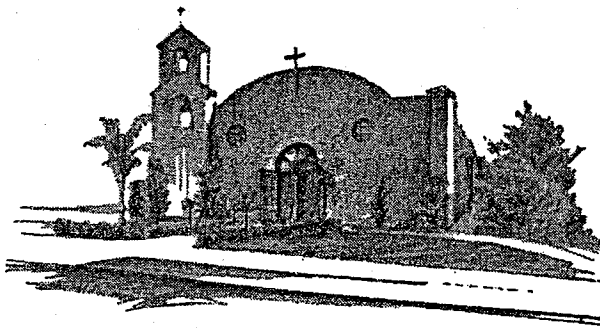

Just a few words to express my deepest sentiments of thankfulness and appreciation to your Excellency for your fatherly solicitude and loving care in my behalf. May God bless you and keep you for many more years.

This is to serve your Excellency as an advanced notice that Father Engl will drop in to see your Excellency about the possibility of himself assuming the full responsibility of Contractor for the new Church of St. Jude's. I want to say in his favor that I do not know of any priest who knows about the fundamentals of construction and building as he does; in addition, I do not know of any priest who can stretch out the value of the dollar like he does, he is a very special Priest who combines a multitude of talents in one person. He is fully competent and capable of handling the job, he has proven it in this school addition which he directed personally. However, I just do not know whether his health would hold out through a job of such vast proportions, then, when a Priest directs or is the contractor he has to crack the whip, so to say, before the men, I am not so sure that the Priesthood does not suffer and Religion also.

Your Excellency's last word of advice that we take bids on this job, might be a good and sound advice. I am sure that Father Engl could save me money, but whether it is worth it or not, I am not sure at all.

I ~~am~~ will be happy to stand by your good advice at all times. Father Engl has ^{been} very loyal to your Diocese, to your Excellency and to me personally, I want him to stay with me another year.

Just a few lines to express my very sincere thanks to your Excellency for the many kindnesses that your Excellency has shown to me lately and at all times.

I am very pleased to hear that Ordinations are to take place this month, because I really need another full time Assistant here in St. Jude's.

As I told your Excellency over the Telephone, I do not know any of the Ordinandi, so I will let your Excellency do the honors and pick out a zealous, hard working Priest who likes the minorities and also working with children and teen-agers. If he knows some Spanish, it will help, just enough so that he can hear confessions.

Dear Father Sheridan:

Even though on retreat, this letter may greet your return.

In your letter of April 20th you enclosed currency in the amount of \$20.00. You are so uniformly generous that this is probably not a mistake. Although you did not say what the \$20.00 was for, we have allocated it to the Science Hall Fund.

With all the fine qualities that distinguish Father Vehovec, it is regrettable that his English does not measure up. My thinking is we should put him through a course by radio, television, and an instructor. He could come here to the University and take at least one month of English classes.

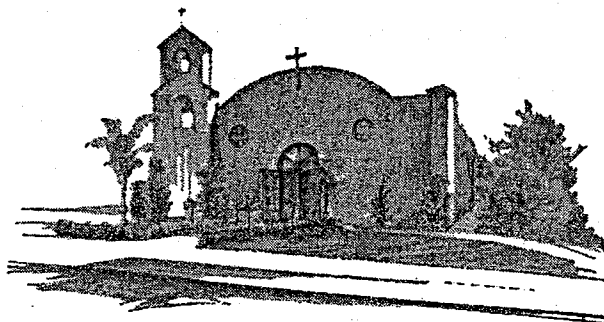

Positis ponendis, that would be much better than trying another man. No one has much more than 55% of the virtues. Quid vobis videtur?

Devotedly and gratefully,

My dear Bishop Buddy:

In the first place, allow me to voice my deep sentiments of appreciation and high esteem for the fine spiritual Priests your Excellency has assigned to St. Jude's Parish. Thanks a million to your Excellency and to God.

My only concern about Father Vehovec is this: his english is not quite efficient, especially in public speaking. Your Excellency knows that "Faith comes by hearing, but how shall they hear it sine praedicante"? We Priests are entrusted with the most valuable commodity on earth to sell, we have to be good salesmen of the Word of God! Father Vehovec is every inch a Priest and easy to get along with and to live with, I have done everything in my power to to make him feel at home. I am getting a little car for him, teach him how to drive and treat him as well as I know.

I would like to have an American-born Priest "cum mente sana et corpore sano". If your Excellency has anybody in mind I would like to have him, if not maybe I could suggest one. I have been hearing some very good reports from Upland about the work Father Basford is doing with the youth up there, it will soon be two years since he was assigned to that Parish, maybe your Excellency could effect a transfer in the Fall or so. Just a suggestion. Then, there is the matter of grooming up a Priest to take my place when I go abroad after the dedication of the New Shrine of St. Jude's. Father Engl would like to leave St. Jude's as soon as he helps me with the Building program in a year or so.

Wishing your Excellency God's choicest blessings upon the coming Financial Drive Diocese wide, I beg to remain,

Respectfully yours in our Lord.

I had intended to have a personal visit with your Excellency before Christmas, but your Excellency's office schedule is too pressing and crowded, so I am choosing this letter as a means of reaching your Excellency. We must preserve your Excellency's health.

In the first place, I am being informed that Mother's health is failing somewhat, this fact might compel me to go to my Mother's side. I do not want any notoriety given to this news. So, I would want to be given a month's vacation or leave of absence from the Diocese to be taken whenever the emergency arises!

This year is very busy and critical year for us here at St. Jude's. I am starting the Ninth Grade Classroom to complete a Jr. High School at St. Jude's, the building of a Cafeteria, the moving of the Present Quonset hut to its final destination, and finally the erection of three more classrooms and the Sumptuous Shrine of St. Jude of the West. We must ~~forget~~ not forget the Campaign for Private Schools or election year in California.

Myself and my entire flock of St. Jude's rejoices immensely at the fact that your Excellency enjoys such an excellent health in spite of your Excellency's untiring efforts and apostolic work. God Almighty has been very munificent with the Diocese of San Diego, in granting your Excellency one more year of life, HE has showered all of us with HIS choicest blessings. Ad multos Annos! Ad Magnas Coronas!

St. Jude's Annual Solemn National Novena will be held in St. Jude's Shrine from October the 20th -28th. I would like to take this occasion to extend to your Excellency a cordial invitation to preside at the closing of this Novena Oct. 28th at 7:30 PM. Your Excellency's presence not only would grace this solemn occasion of the Novena, but also would bring into Parish a spiritual torrent of graces at a time when we need them very badly. We are on the eve of beginning the erection of St. Jude's New Building.

I feel quite embarrassed to make this request, I was given the choice of making my Annual retreat sometime ago, I chose the Fall, but this year's retreat falls on the week of my Annual Novena to St. Jude's, which means that not only I would miss my own Novena, but also all the important contacts with valuable friends of St. Jude who do come to make their Annual Novena! Would your Excellency consider my postponing my Retreat to the next Session? I will abide by your Excellency's decision, regardless.

With every good wish and a prayerful remembrance for your Excellency's health and well-being, I wish to remain,

I wish to apologize to your Excellency for writing these few lines, but I am doing so in self defense, just in case.

Every Priest has some problems in his Parish, and I am bound to have one or two frustrated individuals in mine. These people are never happy. The one I have in mind is ^{been} who will moving out of St. Jude's in a year or so. Her children have not been admitted in my School this year for lack of room. 2) Her children are somewhat retarded, public schools have more adequate facilities, 3) She has been very unkind to the Sisters, because they did not buy their groceries from her, she has no grocery delivery, 4) She does not go to the sacraments and not very often to Mass, 5) She is very critical of the Church in general. I could cite many more reasons, she is as crazy as a bed-bug and mentally off balance, she wants to run the Church for ^{and} and I am sure she has not been ordained as a Priest or even as a Deaconess.

It is very possible that this Lady will write to your Excellency in the near future, and so I am trying to ward off the possible attack.

First let me reciprocate your cordial Christmas greetings with a special memento for your intentions.

It is gratifying to read in your letter that St. Jude's has the utmost harmony and although you did not mention it, my conviction is that you are developing in the parishioners of St. Jude's a fervent love for Our Divine Lord in the Most Blessed Sacrament. This is important because people that frequent the Sacraments generally support the Church generously. From the Sacraments they receive this grace.

Your Excellency:

I am writing at this time regarding my vacation, which I would prefer in August if possible. If you can secure the services of a Priest to take care of my Parish during this period, I would deeply appreciate your kindness. On the other hand, if you cannot get a Priest, I shall try myself to get one.

Wishing you the Blessings of the New Year,
I am

Dear Father:

His Excellency, the Most Reverend Bishop, has directed me to acknowledge your letter of January 4, 1955 and to answer the same.

The Bishop hereby grants your request for a vacation during the month of August. However, because of the acute shortage of priests during that time, His Excellency would be most grateful if you will be able to arrange for a priest to supply for you while you are absent.

With every best wish, I am,

My Most Reverend and dear Bishop:

In the first place, allow me to voice my most profound sentiments of thankfulness and appreciation to your Excellency for the generous appointment to St. Jude's church in San Diego, needless to say that I am very much obliged to your Excellency, I only hope I can measure up to your Excellency's expectations.

Now, I am a bit tired and fatigued and I would like to request your Excellency for a couple of weeks vacation in September, I feel I should stay around the new job for a while. I have only taken three weeks vacation rest in the close to six years I have been in our beloved Diocese.

Enclosed, please, find a check for \$ 400.00 my assessment for the Bishops' War Relief and Emergency Collection. My successor Father Browne is anxious for me to check out, but I thought I sent this money in before I turn the monies over to him.

Hoping to see your Excellency when I get to the City of San Diego, I wish to remain,

Yours most respectfully in our Lord.

Most Reverend Bishop Buddy:

It is always a pleasure to write to your Excellency, but it is painful to write this letter, and I hope your Excellency will understand.

Father Joseph Hill does not feel very well these days! I have been insulted over the telephone when he was not too rational, that I did not ^{that} mind/too much, though I did not care for it; once when I had a Lady taking care of the office he happened to call and he not only was insulting, but shocking to the feelings of a good Catholic Lady, ^{when} but/he comes and scandalizes a group of men, simply because as he said "You work like fools, and you love that man (namely the Priest of Joseph's church) and uses unbecoming and scandalous language to shock the feelings of men, then the Bishop should know about it, It does not do me much good to work and slave for our Faith when a Priest comes and tears down the work I have attempted to do.

I can assure your, dear Bishop, that this the hardest letter I ever wrote to anybody, I hope I did not upset your Excellency, I just feel in conscience I had to inform your Excellency. Your Excellency may know a lot more about this case from other different sources, however, I don't know that. If such a situation continues, the Faith is going to suffer!

With best wishes and God's blessings upon yourself and your Diocese,
I wish to remain,

Respectfully yours in our Lord.

It gives me a great deal of pleasure to reply to your Excellency's letter of July 7th regarding my health, I feel fine and I do not think that it is necessary for me to live in the Northern Section of our Diocese

Your Excellency's alternative that I might obtain a parish in the San Diego area is very welcome; first, it comes from your Excellency, secondly, because it will/near to your Excellency where I can run to your Excellency and consult with your Excellency matters affecting myself or the care of souls, thirdly, because that area might afford me greater peace of mind.

Thanking your Excellency for your fatherly consideration and loving kindness, I wish to remain,

Most Reverend and dear Bishop:

Last wednesday I drove to San Diego and delivered a letter to your Secretary in person, I did not insist on seeing your Excellency, because it was not absolutely necessary, besides that your Excellency should have sometime to yourself.

As I read the clerical changes in the Southern Cross, I am possessed by a fear bordering on panic at the thought that my name may be published in the Paper, too, in the very near future.

I know your Excellency does not forget things or the desires of his priests just the same, I wish to refresh your Excellency's memory by stating again that I would appreciate it very much if your Excellency does not mention anything about my country of birth or my early education, in fact if your Excellency just published a very cryptic announcement about my change, that should be enough. If your Excellency insists on saying that I made my studies (theological) in Atchison and that I was ordained in Leavenworth Kansas by Bishop Johannes, and my appointments in the Diocese, I would not object to that so very much. I stated to your Excellency one time in one of the letters, that I would rather remain as Administrator than go through the pains of having a big spread about me in the Diocesan Paper or any other Newspaper. IMPORTANT. My people here are still wrapped up in my humble person if my change comes out in the Paper before I leave this place, the people are going to get terribly upset, and they are going to upset me, too. My nerves have taken a heavy toll within the last three months, your Excellency may know or surmise that.

with best wishes for your Excellency, I remain,

At my return from my vacation I found a letter from your office in which you asked me to see the Most Reverend Bishop on August the 28th. I was very sorry that I was on my vacation and could not comply with your request, however, the records of your office should show that I was given permission for my vacation by His Excellency, I have His Excellency's permission in writing which I can produce, right now. I wrote to you three different letters asking for the Faculties of the Diocese in behalf of my substitute as well as permission for my vacation. You were kind enough to grant my request.

I am sure that the whole thing was an oversight, however, if His Excellency still wants to see me, I will be more than pleased to see the Most Reverend Bishop.

In the first place, allow me to express my very sincere thanks and profound appreciation for your most fatherly and kind letter, I do share the thoughts and sentiments expressed^{ed} in your Excellency's letter of April 9th.

I have given some consideration to this problem and in order to make it easy for your Excellency as well as for myself, I, hereby, tender my resignation from the Parish of Upland as soon as your Excellency considers it advisable and expedient, for my part I would not like to be here after the 1st of June.

In as much as I have an appointment with your Excellency April 23, we can discuss this problem together, your Excellency has always been most sympathetic and understanding with these problems and I feel confident your Excellency will be understanding with me.

I have been doing good work here and still am, but I could no longer be here and be happy. If I were to stay here my health would suffer.

Hoping this letter will clarify all problems and enable your Excellency to look up some other location for me, With best wishes for a joyous and and a Happy Eastertide, I am,

You are a great consolation to your unworthy Bishop. Thanks be to God for you not just because you keep your accounts up-to-date, but because you are giving zealous care to the people of your parish.

We are most grateful for the two checks totaling \$704.55.

Now that you have tidied up the adjacent property you will be happy in enjoying the improved picture.

It is distressing to learn that the Resurrectionist Fathers cannot help you through the summer. Their priests, however, are entitled to vacations and you would be the first to agree.

A difficult situation confronts us throughout the Diocese. A plan is under consideration -- to be submitted to the Consultors tomorrow -- to omit the celebration of one or two Masses on Sunday, especially the early Masses scarcely attended.

You are hereby granted the faculty to celebrate three Masses on Sundays and Holydays, and if they should be too difficult in the mornings then arrange one of these three Masses for the evening.

With profound esteem and renewed appreciation,

Devotedly your servant in Christ,

Most Reverend and dear Bishop:

I realize only too well how busy your Excellency is these days,
but I thought ^{I would} drop in these few lines.

Father Joe Hill called up this noon to inform me "that Upland
not is/being made a Parish, and will you call up the Ring leaders of your
building committee that I want to talk to them this evening".

I congratulated Father Hill for his appointment, but after I
began to think about the meaning of Father's message, the more I
thought about it the more upset and worried I got.

While I have done well in this vineyard of our Lord and I have
been happy, if I am in the way of somebody who wants this Parish, I
wish your Excellency to know that I will be humbly resigned to your
Excellency's wishes and orders.

Apologizing to your Excellency for taking up my troubles with your
Excellency, after all you are my spiritual Father, I beg to remain,

Reverend and dear Father Sheridan:

It is indeed gratifying to have your letter of April 7 and to note the fine priestly spirit that characterizes your attitude. Regrettably too much talk gets started all around long before the Bishop comes to any decision.

A request was made by me of Monsignor Matthews to call the neighboring pastors together and discuss possible boundary lines. You know, of course, people will express their opinions and this kind of thing we cannot stop.

For your own information you should know that there are people in Upland who would be happy to have you for their pastor. Others, on the contrary, have expressed themselves in favor of a priest who has had wider building experience. This matter requires much careful weighing and the invoking of the Holy Spirit. It is my custom also to submit such important matters to the Diocesan Consultors to get the benefit of their prudent advice. Every possible angle will receive careful consideration.

In the meantime, dear Father Sheridan, you can be certain that if you are not appointed to the newly-formed parish at Upland you will receive another parish where your talents and your zeal for souls will have a wide scope for usefulness. You, however, would be the first to insist that the Bishop respect seniority among the brethren. There is a good spirit among the priests of the Diocese and we hope to keep it so.

You have consoled me very much by confiding in me the thoughts of your own mind and heart. You have reason to know that the Bishop holds you in deservedly high esteem and affection.

Devotedly your servant in Christ,

Most Reverend Charles F. Buddy,
Bishop of San Diego.

This morning's mail from Rome brought to me the "glad tidings of great joy". Jan. the 5th of this year, the Sacred Congregation asked of the Augustinian Order for the "Nihil Obstat" concerning my case, the Order replied favorably, naturally the Sacred Congregation already had your kind and favorable petition of acceptance in my behalf. So, this General's office in Rome tells/^{me}and puts me at ease by saying that my case is "a closed case." It goes on further and underscores it: "You are duly incardinated in the Diocese of San Diego". To quiet my mind I am being told that the Sacred Congregation does not inform the interested Priest or the Bishop benevolus of the final action, but the General's office gets the news, that the case has been put away in the archives of "causae finitae".

As far as I am concerned, I am satisfied, and this is all we are going to get in the way of information from Rome, it is the most we will ever get. I will take the Original letter myself personally when I seek an interview with your Excellency in behalf of a couple from my Parish who would like to see your Excellency and Father Egan about their marriage case.

I shall make a copy of the letter I got from the General's office in Rome, I will merely copy the letter I got in spanish, your Excellency is quite spanish scholar, anyway.

Hoping to see your Excellency April 18th in the morning, and with every good wish for a Happy Easter, I have the honor to be,

Respectfully and gratefully yours.

Rev. Gregorio E. Sheridan
Upland, Calif. U.S.A.

Muy querido P. Gregorio: Acabo de recibir su cartita que, como supuso, me cogió muy de sorpresa. Y como me figuro la impaciencia con que aguarda alguna noticia de su secularización definitiva, me apresuro a contestarla.

El P. Angel Armárcégui le contestó muy bien; él ya nada podía hacer. El final de este asunto está fuera de sus manos. Pero lo que se debía hacer ya está hecho. O sea: En la Sda. Congregación se recibió la petición del Sr. Obispo de San Diego, que fue favorable. Al recibirla, pasaron aviso a esta Curia General; y también de aquí, con fecha 5 de Enero del presente año, se contestó favorablemente a su petición. De modo que, ya archivados estos dos documentos en la Sda. Congregación, quedas definitivamente incardinado a la Diócesis de San Diego.

Creo que la Sda. Congregación no suele contestar al interesado ni a su Obispo; sino, una vez oído su parecer y el de la correspondiente Curia General, reúne tales documentos a los ya existentes sobre el caso, y los archiva, dando el caso como consumado. No este, pues, impaciente esperando una contestación que, como dicho dejó, no suele dar la Sda. Congregación. Su caso es ya un caso consumado; o sea: esta ya debidamente incardinado a la Diócesis de San Diego. Queda por lo tanto, tranquilo. Todo esta hecho en debida forma.

Mucho me alegra el informe que el Sr. Obispo ha dado de ti. Sigue trabajando con celo; y ya que la situación de tu madre es la que te empujó a dar ese paso, deja siempre buen nombre en esa diócesis; eso te honrará y honrará el hábito que llevaste.

Bueno, P. Gregorio. Aquí quedo a tus ordenes. Recibe un cariñoso abrazo de tu Afmo.

Most Reverend and dear Bishop:

The purpose of this letter is to inform your Excellency, that last week I decided to write to the Father Prior General of the Augustinian Fathers in Rome giving him an account of ~~the~~ my stagnant case in getting my Indult of secularization, in the same way I wrote to the Definitor General of St. Augustine's Province (U.S.A.) I know him, and I thought it might help matters. I am at a point where I feel desperate, I can't waste any more time, this Indult is long overdue, and I like to find out why? Who is holding this Indult up? I know your Excellency is doing everything humanly possible, ^{to help} if the Holy See is holding this matter up is because the unpredictable bunch of Augustinians have stymied the process.

Enclosed your Excellency will find copies of the respective letters that I sent to Rome.

With every good wish and God's choicest blessings, I remain,

respectfully and gratefully yours.

Reverendísimo Padre Eugenio Ayape O.R.S.A. Prior General

PP. Agustinos Recoletos,

Via Sistina 11,

Roma, Italia.

Día 29 de Marzo de 1952.

Reverendísimo Padre General:

Muy probablemente para las presentes Vuestra Reverendísima ya ha sido informado por el Muy Reverendo Padre Provincial de la Provincia de San Agustín, y por el Padre Definidor General de la misma Provincia del asunto que yo llevo en manos con la Orden de la cual Vuestra Reverendísima es Prior General por gracia de Dios.

En primer lugar deseo manifestar a Vuestra Reverendísima, que con mucho pesar de mi alma pedí el boleto de secularización hace sobre tres años y medio debido a mi deber como hijo en ayudar a mi Madre Viuda y anciana, y yo su único hijo. Un servidor tengo y tendré cariño por la Orden de la cual fui sacerdote por trece años y medio, sin embargo me decidí a tomar este paso y he decidido permanecer en mi decisión.

Ahora deseo informar a Vuestra Reverendísima que mi trienio o periodo de prueba, en la Diócesis de San Diego cuyo Obispo Buddy me aceptó "ad triennium" se venció el Pasado Octubre del año 1951. Yo notifiqué de esto hecho al Padre Angel Almarcegui Prior Provincial de la Provincia de San Agustín, dicho Padre Provincial me escribió diciendo que el no tenía nada que ver con el caso. Mi Obispo escribió a Roma pidiendo por el Indulto de Secularización, esto fue el 7 de Diciembre del 1951, hasta la fecha no hemos tenido contestación de Roma.

El favor que deseo pedir a Vuestra Reverendísima es el siguiente: con toda la humildad y caridad que brota de mi corazón moldado en las fraguas de los PP. Agustinos Recoletos, le pido e imploro que me haga el grandísimo favor de interceder por mí para que la Santa Sede me dé el Indulto de Secularización que tanto anhelo y ansío. Este favor que le pido a Vuestra Reverendísima es de mucha importancia para mí y me interesa muchísimo.

Adjunto le envío un giro postal de \$ 40.00 para cuarenta Misas que los PP. de ahí Probablemente necesitan. Dándole las gracias por anticipado se despide de

Vuestra Reverendísima, Su humilde subdito q. b. s. m.

Muy respetable y estimado Padre Pablo:

Probablemente Vuestra Reverencia se va a dar tal sorpresa con mi carta que hasta se le van a romper las patas de ~~el~~ su sillón en que esta Vd. sentado!

Permitame que le de mis enhorabuenas y parabienes por en gran honor con que le han cenido sus sienes en hacerlo Definitor General, ojala que disfrute con desahogo de la dignidad apoteosica que las musas del destino le han acarreado.

Dejandonos de chistes y bromas, tengo un favor grandisimo que pedirle, quizá el unico favor que Vuestra Reverencia pueda concederme en toda su vida, ciertamente este sera el mayor de todos los favores que Vuestra Reverencia me pueda conceder. Como Vuestra Reverencia quizá ya sabe, debido a la necesidad de ayuda en que ^{se} encuentra mi Madre ya muy anciana, pedi el boleto de Secularization, el Sr. Obispo Buddy me recibio en su Diocesis en la cual he trabajado por tres años y medio, el trienio o periodo de prueba se ha acabado, y dicho Obispo escribio a la Santa Sede pidiendo que se me conceda el Indulto, naturalmente que yo a petition del Obispo escribi al Padre Angel Almarcegui primeramente para que dicho Provincial hiciese lo que estuviera de su Parte para conseguirme el Indulto, pero el Padre Angel dijo que el no tenia nada que hacer con respecto a mi caso. El otro dia le Escribi al Padre Angel de vuelta y le envie adjunto la petition que mi Obispo hizo a Roma, una copia. Pero estoy de mucha prisa porque me urge mucho el conseguir este Indulto, y con la Semana Santa y Pascua que se acercan ya, Roma va a quedar paralizada durante esos dias o semanas. Me informan aqui que el Procurador General de cada Orden tiene mas Poderes que un Obispo, seria posible que el Padre Procurador General me hiciese este favor que tiene tanta inportacia e interes para mi? Favor de aceptar \$ 10.00 por tu molestia. Te pido este favor con todo mi corazon y toda mi alma, por tu Madre!

Dandote las gracias por adelantado y con toda suerte de bendiciones, Me repito de
Vuestra Reverencia, Suyo Afmo en Cristo.

Most Reverend and dear Bishop Buddy:

Enclosed you will find my personal letter to the Father Provincial of the
recollect Augustinian Fathers as per request of Father Waterfall.

I tried to be as diplomatic as a person can be with those "Black Birds".

I am mailing the above mentioned letter to Father Provincial right now, I am very
anxious to get my Indult for compelling reasons that your Excellency and myself know.
I want action right now and quick, I spoke to a Priest in the U.S.A who used to be
a Secretary to the Sacred Congregation of Religious and he informs me, that I should
have obtained an answer by now, he tells me further that the Procurator General
that ^{the} Augustinians have in Rome could get me those papers in a twinkling of an eye,
The Procurators of the Orders usually have very good relations with the Cardinal of
the Sacred Congregation.

Enclosed you will find a check for \$ 300.00 which represents St. Joseph's church
contribution to the Bishops' Fund for the Victims of War, 1952 Appeal.

Wishing your Excellency God's richest blessings, I have the honor to be,

respectfully yours in our Lord.

Very Reverend and dear Father Angelus:

The purpose of this letter is to inform you that His Excellency Most Reverend Charles F. Buddy Bishop of San Diego Diocese wrote to Rome requesting of the Sacred Congregation of Religious the Indult of Secularization in my behalf, this petition was sent December 12, 1951; to this date we have not received an answer, as yet.

May I appeal to your Reverence once again and kindly help me to obtain this Indult of Secularization which means so much to me? I love the Order now and always with did, I have no quarrel/the Order or any of her Superiors, but I have made my decision motivated by the love that I have for my Mother who needs me, I want my decision to stand. The Order can help me to expedite the process of getting my Indult to which I have a right. I want this process of Secularization to be completed in an orderly and christian manner, I rest assured that your Reverence will do all you can to bring this matter to a happy and successful conclusion.

With every good wish and God's blessings upon your beloved Province, I have the honor to be,

Most Reverend and dear Bishop Buddy,

In the first place, allow me to express my most sincere thanks to your Excellency for having accepted me in your beloved Diocese so graciously. I feel highly privileged to work in the vineyard Our Lord so bountifully assigned to your Excellency. I only hope that with my services I may repay your loving kindness and generosity.

I also wish to thank your Excellency for having assigned me to East High Lands with residence at St. Mary's church at Redlands. The trust and confidence your Excellency is putting in me is very gratifying to me. Needless to say that I remain deeply grateful to your Excellency for such an undeserved attention and courtesy.

In regards to the news that I got from the Office of the Prior General of the Recollect Augustinian Order in Madrid announcing the granting of the Indult in my behalf, here is the translation of the same "Your Petition for the Indult of securization was sent to Rome 19th of August, by air Mail, it was sent to the Procurator General in Rome, he must have given immediate course to the matter, because early in Sept. it was known in this Office (of the Prior General) that the granted Indult already had been sent to your Bishop."

This news is authentic and orthodox, it comes from the Definitior General of the Province I have belonged to, the Province of St. Augustin of the United States. This news was transmitted by the Procurator General in Rome, to the General (Prior) in Madrid. As your Excellency can understand, the evidence is quite patent and undeniable. SHERIDAN-RCBSD 0156

Enclosed, dear Bishop, you will find the signed note that your Excellency was kind enough to send to us.

I said kind enough, because I am only too happy to contribute in such small way to the success of this splendid enterprise your Excellency has started.

I will follow your Excellency's suggestions as to the secrecy for I know how things of this sort are usually misunderstood by those who lack the proper knowledge or better yet the proper faith.

Just this morning came your Excellency's answer to my request concerning Converts, thank you very much for the liberty your Excellency gives me in this regard. I will carry it to the best of my ability.

Commending myself to your prayers and with the promise of doing the same for your Excellency's health, success and happiness, I remain,

Dear Father Sheridan:

Be assured of my sincere appreciation for your splendid and loyal cooperation as reflected in your response to the University assessment. Indeed your zealous activities in this Diocese afford me genuine consolation.

Regarding the last paragraph in your letter, please be assured of my willingness to Incardinate you once we receive the document of Secularization from the Sacred Congregation of Religious. This request should be made by your Very Reverend Provincial. If, however, he does not see his way to submit such a petition you could write it and send it in yourself. The sooner you are Incardinated in this jurisdiction the better it will be both for you and for us.

Inclosed, herewith, please find a statement of the Canonical aspect as prepared by our Very Reverend Monsignor Daniels. You will also find a separate letter which may accompany your petition to the Sacred Congregation of Religious.

With kindest regards and affectionate blessings,

Your devoted servant in Christ,

The Reverend Gregory S. Sheridan

Reverend and dear Sheridan:

It is the most simple principle in law that before a secular priest is Incardinated into a Diocese he must present papers of perpetual and permanent Excardination from his former Ordinary according to Canon 112. Before a Religious priest is Incardinated into a Diocese, he must present the papers of Secularization from the Sacred Congregation of Religious according to Canons 638 and 641, § 2. We do not have in your file the document of Secularization.

The Most Reverend Bishop has expressed his intention of Incardinating you into the Diocese of San Diego but first he must have the document of Secularization. The petition for Secularization must be presented to Rome by your Very Reverend Provincial. If your Provincial has already obtained such a document, we would have to have either the original or an authenticated copy. It is not customary to apply for the document of Secularization through the Bishop's office. This has to be done through the Order.

Sincerely yours in Christ,

Very Reverend Monsignor
Richard R. Daniels,
VICE-CHANCELLOR.

CONFIDENTIAL.

Jan. 31, 1951.

Most Reverend and dear Bishop;

In the first place, I wish to proffer my deep apologies if the contents of this letter are, in any way, offensive to your Excellency or the rulings of the Church.

I have been a Rotarian of long standing, I joined Rotary while working in the Archdiocese of Omaha under Archbishop Ryan, of happy memory, from whom I obtained permission to be a member of such club. Since my coming into your beloved Diocese, I have ^{been} a member of Upland's Rotary Club for about a year discharging the office ^{of} unofficial Chaplain; when Rome promulgated the ban against membership in such clubs by members of the Clergy of our Church, I bowed out graciously as a devout child of our Holy Church, and withdrew my membership from Rotary.

In behalf of Upland's Rotary Club, I wish to say that the gentlemen that make up this Club are the most conservative, anticommunist, and pro-church citizens of the Community, I also wish to add most citizens who are in City government are members of Rotary. In all sincerity, I must say that our Parish collectively as well as myself individually have profited by my associations with Rotary.

I am also fully aware of the fact that Bishops in this Country are in abeyance hoping that some clarification or exceptions might be made in our Country.

Hoping to hear from your Excellency in regard to this matter, I wish to remain,

respectfully yours in our Lord.

In the first place, permit me to express my sincere thanks and profound appreciation to your Excellency for having transferred me to Upland Parish. I can truthfully say that I am immensely happy in my new location, and I am commencing to feel better; with God's graces and your fatherly inspiration, I hope to accomplish the work you have assigned to me.

The Fathers that were in charge of this Parish of St. Joseph's have been most kind and gracious to me. When I go to make my retreat in San Diego, I will give your Excellency a detailed information about this church.

Now, may I ask a favor of your Excellency? Would it be possible for me to make the annual retreat the week of July the 18th instead of the week of July 11? The week of July 11 was the one which was assigned to me, but I have some important parish work which I would like to do before I make my retreat, however, I will be well pleased if your Excellency decides otherwise .

Thanking your Excellency for your fatherly kindness and graciousness, and wishing your Excellency God's richest blessings, I beg to remain,

Respectfully yours in our Lord.

Dear Sir:

Reverend Gregory S. Sheridan consulted me on June 24, 1949. His symptoms are nervousness, nausea, fast heart rate, weight loss and tremors of the hands.

Reverend Sheridan stated that all his symptoms began about three months ago. This patient has been nervous most of his life and I believe he now has simple anxiety due to psychic trauma in his present location.

I believe Reverend Sheridan's symptoms are chiefly due to his present environment, and I feel he will improve if he is located elsewhere.

Dear Father Sheridan:

I would like to acknowledge your esteemed letter of Nov. 30th., and regret to inform you that His Excellency the Most Reverend Bishop will not be going to San Bernardino December 12th., as appears in the So. Cross. Bishop Silva is going to dedicate the church instead.

If you have to see the Bishop, I would suggest that you either write or come down, for it will be sometime before he is again ~~nu~~San Bernardino.

Most Reverend and dear Bishop,

In the first place, allow me to express my very sincere thanks to your Excellency for your very kind visit to East Highlands, needless to say that I appreciate immensely your Excellency's interest and genuine enthusiasm in my ability to run East Highlands successfully. I am beginning to find out that these people are very willing to help me and quite responsive to my appeal for cooperation.

I am happy to enclose a check for \$ 10.00 for the Mission Sunday Collection. I feel quite hopeful that when my people sense the nearness of the Priest living in their midst, they will do better.

Yesterday, Sunday October 24, I had a Mexican food sale, and I managed to clear \$ 40.00. The people were most willing to work for their church.

Dear Bishop, I am very short of Mass intentions, and I wonder if it would possible/^{to get} some 25 Mass intentions a month, I would appreciate it very much.

Thanking your Excellency very much for your many acts of kindness in my behalf, I remain,

Gratefully and respectfully yours.

My Most Reverend and dear Bishop,

I wish to avail myself of this opportunity to express to your Excellency my most sincere thanks and appreciation for the wonderful and fatherly reception which your Excellency accorded to me on June 24th, that was one of the happiest days of my life, and it will linger in mind for many a year.

My problem, as explained to your Excellency, is this: It is quite a long time that I have been hearing, with the utmost pain of my heart, of the critical financial difficulties, accompanied by poor health, in which my poor Mother finds herself, living in Spain. She has been a widow for the last 28 years. I have two other smaller sisters, living with her, but unfortunately unable to assist her. Since I am her only boy, your Excellency can well realize that she is in urgent need of my support. It is a natural obligation on my part not to pass such a plea for help, coming from my poor Mother, unheeded.

It is for this reason only that I beg admittance into your Diocese. It is not for any other reason that I have come to this decision, for I tenderly love the Order to which I have been privileged to belong for nineteen years: I will always be indebted for the numberless favors I have received from her. But it is a child's duty towards his Mother that impels me to take this step. I trust and pray that my petition will be heard and answered by your Excellency.

To facilitate the work of investigating my past record and conduct, I have obtained a letter of reference from the Rector of my Seminary, Father Bonaventure Schwinn, O.S.B. which I am enclosing with this formal application into your great Diocese. I am also enclosing a letter of reference from Rt. Rev. Msgr. M. E. Wegner, Chancellor of the Archdiocese of Omaha. Father Thomas Egan of your Diocese will be glad to furnish a letter of recommendation bearing on my priestly character while in California.

For your Excellency's information I may add that I possess good knowledge of Spanish and English and I can understand fairly and speak with some difficulty the Italian language.

Thanking your Excellency again for your past courtesies and attentions, and hoping this earnest request of mine will meet with your approval and acceptance,

I am,

Respectfully and gratefully yours in our Lord.

To whom it may concern:

This is to certify that Reverend Father Gregory Sheridan, Sierra/ A.R., spent four years in St. Benedict's Seminary making his theological studies, from September, 1931, to June, 1935. During that time he lived with the community of St. Benedict's Abbey and took part in all the community exercises. We came to know him both as a religious and as a student very intimately. As a student, he was unusually diligent and as time went on and he became better acquainted with the English language his success in his studies was brilliant. He was an outstanding student.

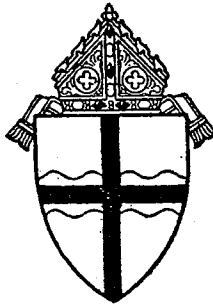

As a religious, Father Gregory was most exemplary, and his observance left nothing to be desired.

The members of the faculty of St. Benedict's Seminary take great pleasure in giving Father Gregory the highest possible recommendation.

It is my understanding that Father Gregory is seeking adoption by a Bishop in order that he may be able to afford some assistance to his family who at the present time are suffering great need in war-devastated Spain. Any favor that can be extended to Father Gregory will be greatly appreciated by his friends and former professors here.

To Whom It May Concern:

This will serve to certify that the Reverend Gregory Sheridan, O. R. S. A., was under the jurisdiction of the Archdiocese of Omaha over a period of several years.

He was appointed Administrator of St. Ann's parish, Omaha, where he did very successful work for almost two years. Also, at various times he substituted for the diocesan clergy who happened to be away. He did splendid work wherever assigned.

It gives me great pleasure to vouch for his priestly conduct during the time he was in Omaha. He is a man of genuine priestly character and ideals and possesses those qualifications so necessary for successful work. He was well thought of and admired by the clergy and laity of Omaha.

Any kindness or consideration manifested to Father Gregory will be personally appreciated.

Dear Father Gregory:

I am in receipt of your letter of
the 2nd of October.

The purpose of it, i. e., to obtain
from your former Superior a letter of Secularization
really surprises me. Since the moment that a religious
is admitted into a diocese "pro experimento", the whole
matter is up to the Bishop.

If His Excellency decides to issue
you papers of incardination, the Provincial does not
have anything to do about it. And after the execution
of the Rescript the Bishop is the one requested to
inform of the fact both the Sac. Congregation and the
Superior General.

With profound thanks to Almighty God and to your Excellency, Bishop Buddy, I am happy to inform your Excellency that, my three years of probation, under your benevolent and paternal care, are up.

Needless to say, Bishop Buddy, these three years have been the happiest and most profitable years of my life. Your kindness and wise guidance have been a constant inspiration to be a priest of God and a faithful worker in your beloved Diocese of San Diego.

Of course, I would like, very much, to be a permanent member of your Diocesan Household, if your Excellency deems me worthy. In return, I can only offer your Excellency, with God's help, my unselfish, loyal, and filial service.

Commending myself to your fervent prayers with the promise of doing likewise for your Excellency, dear Bishop, in mine.

I wish to remain,

Most Reverend and dear Bishop,

In the first place, let me thank you most kindly for your gracious letter of acceptance you sent me, your Excellency's letter together with my application for the Indult was forwarded to Rome on July 22, by my Father Provincial.

The question, of how soon I can report for work in your dearly beloved Diocese, has been foremost in my mind, ever since your Excellency asked me over the Telephone. The step I am taking represents the climax of my priestly career.

I realize only too well that your Excellency would like to know the time when I will be available for service in your Diocese, I feel a very strong anxiety, myself.

Even though, I have no way of knowing the accurate date when the Indult will be granted, I would judge that my release from the Order through the granting of the Indult should take place in the latter part of August, however, my Provincial is coming to California in the middle part of August, when he does come, I will be in a position to be more specific, and flash the information to your Excellency, immediately.

I could not be very far wrong in setting Sept. the 1st as the tentative date for my reporting for work in your Diocese.

Hoping this meager information might be of some assistance to your Excellency, and regretting my inability to give you further information,

I beg to remain,

Yours most respectfully.

Most Reverend and dear Bishop,

In the first place, permit me to express to your Excellency my very sincere thanks and appreciation for your thoughtfulness and consideration of my case of being adopted into your beloved Diocese.

As I told your Excellency over the telephone, my Provincial has instructed me to make application for the Indult of secularization, which amounts to allowing me to leave the Order, when the Indult is granted. My Provincial stated also, that your Excellency should approach him and ask him for a reference about me, as a religious of the Augustinian Order. Father Provincial was so helpful, that he suggested that in order to speed matters up in Rome, your Excellency should give me a document expressing your Excellency's acceptance of my services in your Diocese, that document should be sent with my application for the Indult.

Thanking your Excellency again for your Fatherly kindness and help,
I beg to remain,

Yours most respectfully. *Rev. Gregory S. Sheridan*

His Excellency:

This is an answer to your inquiry about Rev. Gregory S. Sheridan, O.R.S.A.

It is rather surprising that he presents as a reason for leaving the Order the necessity of supporting his aged mother. Our Constitutions provide for those cases. The religious is supposed to inform the Superiors about his parents condition when they are in need, and then the Provincial must take the necessary steps to help them.

In regard to his personal behavior he has proved rather a little difficult to get along with other fellow religious and consequently to live in community. When he is alone ordinarily he does a good work and he has good qualities for it. As far as I know there are no complains concerning his morality.

Hoping that this information will help your Excellency in taking your final decision, I am

The Reverend Gregory Sierra Sheridan, O.R.S.A., now residing in Santa Ana, California, has petitioned the undersigned Bishop for the regular Canonical triennium in the Diocese of San Diego.

Father Sheridan gives as a reason his anxiety regarding the support and care of his aged mother and also the fact that he is unhappy in community life.

A testimonial, received today, from Very Reverend Angelus Almarcegui, O.R.S.A., Provincial Superior, Omaha, reveals no serious complaints against the character of the applicant.

After duly considering the merits of this case, I hereby express willingness to accept the applicant Reverend Gregory Sierra Sheridan, O.R.S.A. for a trial in this Diocese.

PROFESSIONIS FIDEI ET IURISIURANDI FORMULA

Praescripta in Motu Proprio "Sacrorum Antistitum" Pii PP. X. die 1. mensis Sept., anni 1910.

Ego, N.N.,.....

firma fide credo et profiteor omnia et singula, quae continentur in symbolo Fidei, quo sancta Romana Ecclesia utitur, videlicet: Credo in unum Deum, Patrem omnipotentem, factorem caeli et terrae, visibilium omnium et invisibilium. Et in unum Dominum Iesum Christum, Filium Dei unigenitum. Et ex Patre natum ante omnia saecula. Deum de Deo, lumen de lumine, Deum verum de Deo vero. Genitum, non factum, consubstantialem Patri: per quem omnia facta sunt. Qui propter nos homines et propter nostram salutem descendit de caelis. Et incarnatus est de Spiritu Sancto ex Maria Virgine, et Homo factus est. Crucifixus etiam pro nobis; sub Pontio Pilato passus, et sepultus est. Et resurrexit tertia die, secundum Scripturas. Et ascendit in caelum, sedet ad dexteram Patris. Et iterum venturus est cum gloria iudicare vivos et mortuos; cuius regni non erit finis. Et in Spiritum Sanctum, Dominum, et vivificantem; qui ex Patre Filioque procedit. Qui cum Patre et Filio simul adoratur et conglorificatur, qui locutus est per Prophetas. Et Unam, Sanctam, Catholicam et Apostolicam Ecclesiam. Confiteor unum Baptisma in remissionem peccatorum. Et expecto resurrectionem mortuorum. Et vitam venturi saeculi. Amen. Apostolicas et ecclesiasticas traditiones, reliquasque eiusdem Ecclesiae observationes et constitutiones firmissime admitto et amplector. Item sacram Scripturam iuxta eum sensum, quem tenuit et tenet sancta Mater Ecclesia, cuius est iudicare de vero sensu et interpretatione sacrarum Scripturarum, admitto; nec eam unquam, nisi iuxta unanimum consensum Patrum, accipiam et interpretabor. Profiteor quoque septem esse vere et proprie Sacramenta novae Legis a Iesu Christo Domino nostro instituta, atque ad salutem humani generis, licet non omnia singulis, necessaria, scilicet, Baptismum, Confirmationem, Eucharistiam, Paenitentiam, Extremam Unionem, Ordinem et Matrimonium: illaque gratiam conferre; et ex his Baptismum, Confirmationem et Ordinem sine sacrilegio reiterari non posse. Receptos quoque et approbatos Ecclesiae Catholicae ritus in supradictorum omnium Sacramentorum sollemni administratione recipio et admitto. Omnia et singula, quae de peccato originali et de iustificatione in sacrosancta Tridentina Synodo definita et declarata fuerunt, amplector et recipio. Profiteor pariter in Missa offerri Deo verum, proprium et propitiatorium Sacrificium pro vivis et defunctis; atque in sanctissimo Eucharistiae sacramento esse vere, realiter et substantialiter Corpus et Sanguinem una cum anima et divinitate Domini nostri Iesu Christi, fierique conversionem totius substantiae panis in corpus et totius substantiae vini in Sanguinem, quam conversionem Catholica Ecclesia Transubstantiationem appellat. Fateor etiam sub altera tantum specie totum atque integrum Christum, verumque Sacramentum sumi. Constanter teneo Purgatorium esse, animasque ibi detentas fidelium suffragiis iuvari. Similiter et Sanctos una cum Christo regnantes venerandos atque invocandos esse, eosque orationes Deo pro nobis offerre, atque eorum Reliquias esse venerandas. Firmiter assero imagines Christi, ac Deiparae semper Virginis, nec non aliorum Sanctorum habendas et retinendas esse, atque eis debitum honorem ac venerationem impertiendam. Indulgentiarum etiam potestatem a Christo in Ecclesia relictam fuisse, illarumque usum Christiano populo maxime salutarem esse affirmo. Sanctam, Catholicam et Apostolicam Romanam Ecclesiam, omnium ecclesiarum matrem et magistram agnosco, Romanoque Pontifice, beati Petri Apostolorum Principis successoris, ac Iesu Christi Vicario veram obedientiam spondeo ac iuro. Caetera item omnia a sacris Canonibus et Oecumenicis Conciliis, ac praecipue a sacrosancta Tridentina Synodo, et ab oecumenico Concilio Vaticano tradita, definita ac declarata, praesertim de Romani Pontificis Primatu et infallibili magisterio, indubitanter recipio atque profiteor; simulque contraria omnia, atque haereses quascumque ab Ecclesia damnatas et reiectas et anathematizatas, ego pariter damno, reiicio, et anathematizo. Hanc veram Catholicam Fidem, extra quam nemo salvus esse potest, quam in praesenti sponte profiteor et veraciter teneo, eandem integram et inviolatam usque ad extremum vitae spiritum

constantissime, Deo adiuvante, retinere et confiteri, atque a meis subditis, seu illis, quorum cura ad me in munere meo spectabit, teneri, et doceri et praedicari, quantum in me erit, curaturum, ego idem N. spondeo, voveo ac iuro.

Item firmiter amplector ac recipio omnia et singula, quae ab inerranti Ecclesiae magisterio definita, adserta ac declarata sunt, praesertim ea doctrinae capita, quae huius temporis erroribus directo adversantur. Ac primum quidem Deum, rerum omnium principium et finem, naturali rationis lumine per ea quae facta sunt, hoc est, per *visibilia* creationis opera, tamquam causam per effectus, certo cognosci, adeoque demonstrari etiam posse, profiteor. Secundo: Externa revelationis argumenta, hoc est, facta divina, in primisque miracula et prophetias admitto et agnosco tamquam signa certissima divinitus ortae Christianae Religionis, eademque teneo aetatum omnium atque hominum, etiam huius temporis, intelligentiae esse maxime accommodata. Tertio: Firma pariter fide credo, Ecclesiam, verbi revelati custodem et magistram, per ipsum verum atque historicum Christum, cum apud nos degeret, proxime ac directo institutam, eandemque super Petrum, apostolicae hierarchiae principem eiusque in aevum successores aedificatam. Quarto: Fidei doctrinam ab Apostolis per orthodoxos Patres eodem sensu eademque semper sententia ad nos usque transmissam, sincere recipio; ideoque prorsus reiicio haereticum commentum evolutionis dogmatum, ab uno in alium sensum transeuntium, diversum ab eo, quem prius habuit Ecclesia; pariterque damno errorem omnem, quo divino deposito, Christi Sponsae tradito ab Eaque fideliter custodiendo, sufficitur philosophicum inventum, vel creatio humanae conscientiae, hominum conatu sensim efformatae et in posterum indefinito progressu perficiendae. Quinto: Certissime teneo ac sincere profiteor, Fidem non esse caecum sensum religionis e latebris *subconscientiae* erumpentem, sub pressione cordis et inflexionis voluntatis moraliter informatae, sed verum assensum intellectus veritati extrinsecus acceptae ex auditu, quo nempe, quae a Deo personali, creatore ac domino nostro dicta, testata et revelata sunt, vera esse credimus, propter Dei auctoritatem summe veracis.

"I . . . firmly hold and accept each and every definition of the unerring teaching of the Church, with all she has maintained and declared, but especially those points of doctrine which expressly combat the errors of our time. In the first place I profess my belief that God, the beginning and end of all, can be certainly known and therefore proved to exist by the natural light of reason from the things that are made, that is, from the visible works of the creation as a cause from its effects. Next I recognize and acknowledge the external arguments of revelation, that is, divine facts, especially miracles and prophecies, as most certain signs of the divine origin of the Christian religion, and I hold that these are altogether suited to the understanding of every age and of all men, also of our times. Thirdly, I likewise hold with firm faith that the Church, the guardian and exponent of the revealed Word, was proximately and directly founded by the true and historic Christ Himself, while He dwelt amongst us, and that she was also built upon Peter, the Prince of the Apostolic Hierarchy, and upon his successors to the end of time. Fourthly, I sincerely accept the teaching of faith as transmitted down to us from the Apostles through the orthodox Fathers in the same sense and even in the same wording; and, therefore, I wholly reject the heretical notions of the evolution of dogmas, which pass from one sense to another alien to that which the Church held from the start; and I likewise condemn every error whereby is substituted for the divine deposit, entrusted by Christ to His Spouse and by Her to be faithfully guarded, a philosophic system or the creation of a human consciousness, gradually refined by the striving of men and finally to be perfected hereafter by indefinite progress. Fifthly, I hold for certain and sincerely profess that Faith is not a blind religious sense making its way out of the hidden regions of the sub-liminal consciousness, morally tinged by the influence of heart and will, but is a true assent of the intellect to truth received from without by hearing, an assent whereby we believe to be true, because of the authority of the all-true God, whatever by the personal God, our Creator and Lord, has been spoken, testified and revealed.

Me etiam, qua par est, reverentia, subiicio totoque animo adhaereo damnationibus, declarationibus, praescriptis omnibus, quae in Encyclicis litteris "Pascendi" et in Decreto "Lamentabili" continentur, praesertim circa eam quam historiam dogmatum vocant. Idem reprobō errorem affirmantium, propositam ab Ecclesia fidem posse historiae repugnare, et Catholica dogmata, quo sensu nunc intelliguntur, cum verioribus Christianae religionis originibus componi non posse. Damno quoque ac reiicio eorum sententiam, qui dicunt, Christianum hominem eruditorem induere personam duplicem, aliam credentis, aliam historici, quasi liceret historico ea retinere, quae credentis fidei contradicant, aut praemissas adstruere, ex quibus consequatur dogmata esse aut falsa aut dubia, modo haec directo non denegentur. Reprobō pariter eam Scripturae Sanctae diiudicandae atque interpretandae rationem, quae, Ecclesiae traditione, analogia Fidei, et Apostolicae Sedis normis posthabitis, *rationalistarum* commentis inhaeret, et critice textus velut unicam supremamque regulam, haud minus licenter quam temere amplectitur. Sententiam praeterea illorum reiicio qui tenent, doctori disciplinae historicae theologicae tradendae, aut iis de rebus scribenti seponendam prius esse opinionem ante conceptam sive de supernaturali origine Catholicae traditionis, sive de promissa divinitus ope ad perennem conservationem uniuscuiusque revelati veri; deinde scripta Patrum singulorum interpretanda solis scientiae principiis, sacra qualibet auctoritate seclusa, eaque iudicii libertate, qua profana quaevis monumenta solent investigari. In universum denique me alienissimum ab errore profiteor, quo *modernistae* tenent in sacra traditione nihil inesse divini; aut, quod longe deterius, pantheistico sensu illud admittunt; ita ut nihil iam restet nisi nudum factum et simplex, communibus historiae factis aequandum; hominum nempe sua industria, sollertia, ingenio scholam a Christo eiusque Apostolis inchoatam per subsequentes aetates continuantium. Proinde fidem Patrum firmissime retineo et ad extremum vitae spiritum retinebo, de charismate *veritatis certo*, quod est, fuit eritque semper in *episcopatus ab Apostolis successione*; non ut id

"I further, with all due reverence, submit and with my whole mind adhere to all the condemnations, declarations, and ordinances contained in the Encyclical letter *Pascendi* and in the Decree *Lamentabili*, particularly regarding what is called the history of Dogma.

"I also reject the error of those who aver that the Faith proposed by the Church may be in conflict with history, and that Catholic dogmas in the sense in which they are now understood cannot be harmonized with the more truthful "origins" of Christianity. Moreover, I condemn and reject the opinion which declares that a Christian man of better culture can assume a dual personality, one as a believer and another as an historian, as if it were permissible for the historian to hold fast what his faith as a believer contradicts, or to lay down premises from which there follows the falsity or the uncertainty of dogmas, provided only that these are not directly denied. Likewise I reject that method of estimating and interpreting Holy Writ, which, setting aside the Church's tradition and the analogy of Faith and the rules of the Apostolic See, adopts the rationalists' principles and with equal arbitrariness and rashness considers criticism of the text the one only supreme rule. Furthermore, I reject the opinion of those who hold that a teacher of the science of Historical Theology or the writer on the subject must first put aside the notions previously conceived about the supernatural origin of Catholic tradition or about the divine aid promised for the perpetual preservation of each revealed truth; then, that the writings of individual Fathers must be interpreted solely by the data of science, without any reference to sacred authority, and with that freedom of judgment where-with every profane record is usually examined.

"Finally and in general, I declare myself to be far removed from the error of the modernists who hold that in sacred tradition there is nothing inherently divine; or who—far worse still—admit it in a pantheistic sense; so that thus there would remain only a bare simple fact equal to the ordinary facts of history, viz., that the school started by Christ and His Apostles finds, in the ages that follow, men to carry it on by their energy, their skill, and their genius. Wherefore most firmly do I retain and to my last breath will I retain the Faith of the Fathers of the Church concerning the sure endowment of truth, which

teneatur quod melius et aptius videri possit secundum suam cuiusque aetatis culturam, sed ut *nunquam aliter credatur, nunquam aliter* intelligatur absoluta et immutabilis veritas ab initio per Apostolos praedicata.

Haec omnia spondeo me fideliter, integre sincereque servaturum et inviolabiliter custoditurum, nusquam ab iis sive in docendo sive quomodolibet verbis scriptisque deflectendo. Sic spondeo, sic iuro, sic me Deus adjuvet, et haec sancta Dei Evangelia.

is, has been, and ever will be in the succession of the Episcopate from the Apostles; not in such a way that what seems best and most fitting according to the refinement of each age may be held, but that the absolute and unchangeable truth preached from the beginning by the Apostles may never in any different wise be believed, never in any different wise be understood.

All this I promise that I will faithfully, entirely and sincerely keep and inviolably guard, and from this never in teaching or howsoever by word or writing in the least depart. So I promise, so I swear, so help me God and these His holy gospels.
