On June 11, 2012, our Cathedral Council and Organizations' leaders met at the Cathedral to seek God's direction for our community and together pledged themselves to the following, which we invite all Cathedral members to subscribe to. You may add your name to this pledge in the Cathedral Vestibule on Sundays this summer. *& tonight.*

## Cathedral Vision and Commitment Statement

We Parish Council members, Cathedral Organization members and faithful of St. George Antiochian Orthodox Christian Cathedral in Worcester Massachusetts glorify the One Holy Consubstantial Trinity. We believe in the One, Holy, Catholic and Apostolic Church and accept the disciplines and practices of the Orthodox faith. As Orthodox Christians seeking to witness to Jesus Christ with a united voice we affirm the following:

- Gratefully acknowledge the sacrifices, love and witness of all of our past clergy and leaders and we love them.
- Support all of our Cathedral members and embrace all with openness, understanding and love.
- Acknowledge our shortcomings and sins and live a life of repentance.
- Work together in harmony and love to build up our community and maintain our buildings.
- Be discerning and responsible with our words and actions and strive to be charitable to each other.
- Be as transparent as possible in all of our Church work.
- Set aside personal preferences and opinions and work together in love.
- Tell the truth and avoid distractions which may hurt others or the Church.
- Pray for and respect our Metropolitan PHILIP, Bishop JOHN, Priest Milad, Deacons Seraphim and Anthony. We strive to work with them and accept their guidance and direction.
- Love one another so that we can commend ourselves and each other to our Lord Jesus Christ.
