Re: Mark Fleming Bumgarner

Dear Mr. Davis:

The nature of this correspondence is to advise you and your leaders of the Boy Scouts of America of a recent conviction involving a past leader in the Boy Scouts. According to this individual, he was an Assistant Commissioner in this district for the Boy Scouts.

On February 19, 1988, in the Circuit Court of Fairfax County, Virginia, Mark Fleming Bumgarner pled guilty to two counts of Aggravated Sexual Battery. These offenses involved children. The defendant was sentenced to ten years on each count, consecutive, with all but three years on each count suspended. The defendant was then placed on probation for a period of 14 years to begin upon his release from the penitentiary. As a Special Condition of the defendant's Probation, he is to refrain from any and all contact involving juveniles.

Because this type of offense involves children, and, with consideration of the defendant's past involvement with youth groups, The Honorable Richard J. Jamborsky ordered that the defendant have no further contact with the Boy Scouts of America or any other youth group. Judge Jamborsky has requested that I inform your group in writing of this offense. I have also attached copies of the Court Orders for sentencing.

Should you have any questions or comments, please feel free to contact me at the above address or number.

Very truly yours,

Mark W. McCrosen  
Probation and Parole Officer

CONF009722

7/1/dlg VIRGINIA:

IN THE CIRCUIT COURT OF FAIRFAX COUNTY

COMMONWEALTH OF VIRGINIA

VERSUS

MARK FLEMING BUMGARNER

CRIMINAL NUMBER 54263

INDICTMENT - aggravated sexual battery

On March 18, 1988, the Commonwealth's Attorney, the Defendant, MARK FLEMING BUMGARNER, and Randall Reves, Counsel for the Defendant, appeared before this Court. The Defendant is convicted of the felony of aggravated sexual battery and he appeared agreeably with his recognizance of bail. The Court Reporter was sworn.

The Probation Officer of this Court, to whom this case had been referred for investigation, appeared in open Court with a written report. Copies of the report were furnished to Counsel for the Defendant, the Commonwealth's Attorney and the Court. Counsel for the Defendant advised the Court that he has discussed the report with the Defendant and the Defendant is fully advised of the contents.

The accused and his Counsel were given the right to cross-examine the Probation Officer as to any matter contained in the report and to present any additional facts as they desired to present. The report of the Probation Officer is filed and made a part of the record of this case.

It was demanded of MARK FLEMING BUMGARNER if anything he knew or had to say why the Court should not pass sentence and judgment upon him. Nothing was offered or alleged in delay of judgment.

It was ORDERED that the Defendant serve ten (10) years in the Penitentiary House of this Commonwealth. In mitigation of punishment and it appearing compatible with the public interest to do so, the Court suspended all but three (3) years of the sentence conditioned upon the Defendant's good behavior and that he be placed on active probation subject to the conditions as set forth in P. P. Form 2-revised 4-83 for a period of seven (7) years upon his release from confinement. It was further ORDERED that as special conditions of the Defendant's probation that he have no involvement with any youth groups and further conditioned that he enter and complete a mental health treatment program. The Court directed the Probation Officer to advise the Boy Scouts of America (BSA) of the Defendant's conviction and sentence.

The fee of the Court Reporter who recorded the evidence and incidents of trial in this case is assessed as costs, as provided in Section 19.2-165 of the 1950 Code of

*See Prob*

Virginia, as amended.

The Court certifies that at all times during trial, the Defendant was personally present and his Attorney was likewise personally present and capably represented the Defendant.

The Defendant was remanded to jail to await transportation to the Penitentiary.

### Tests Ordered For Defendant

LENOIR — A 20-year-old Lenoir man was ordered to undergo psychological evaluation before sentencing after he pleaded guilty at a two-week term of Caldwell Superior Court to taking indecent liberties with a minor.

As a consequence of the evaluation order by Judge Frank W. Snapp of Charlotte, Marcus Fleming Bumgarner of [REDACTED] will not be sentenced until Dec. 10.

Bumgarner was taken into custody by Lenoir police on May 6 after he allegedly took indecent liberties with two juvenile boys during a Boy Scout outing.

Bumgarner was charged in two counts, but pleaded guilty to only one charge.

A psychologist from Lenoir-Rhyne College in Hickory told the court that Bumgarner was "immature" and "vulnerable."

MEMORANDUM OF MEETING WITH MARK F. BUMGARNER

In accordance with the procedures as outlined in the Boy Scouts of America "Maintaining Standards of Leadership" contained within correspondence dated November 12, 1976 from Harvey L. Price, Acting Chief Scout Executive - Boy Scouts of America, the above meeting was held.

Purpose of the meeting was to hand deliver a letter dated May 7, 1979 and signed by David R. LaFar, III, Council President and Thomas R. Deimler, Council Scout Executive to Mark F. Bumgarner suspending his registration with the Boy Scouts of America.

The meeting took place in the Office of Dr. Dale Griffith, District Chairman of the Foothills District, Piedmont Council. The meeting was on May 11, 1979, 7:45 A. M. Those persons present were: Mark F. Bumgarner, Robert M. Bradley (Mr. Bumgarner's Attorney), Dr. Dale Griffith, District Chairman and Thomas R. Deimler, Council Scout Executive.

The letter was handed to Mark Bumgarner, but immediately released to his Attorney who read the letter. Mr. Bradley commented something to the effect that the decision of the Boy Scouts of America was rather quick and severe in light of the fact that Mr. Bumgarner's situation had not yet been acted upon by the court systems.

Mr. Deimler responded that the Boy Scouts of America reserves the right to suspend or deny leadership in the BSA when in their judgement there are indications that an individual does not satisfy the requirements of the Boy Scouts of America. Therefore, indications related to Mark Bumgarner deemed it necessary to take immediate action in suspending his membership with the BSA. It was also emphasized by Mr. Deimler that Mark has the opportunity to request review by the BSA.

There was a brief exchange of conversation after which the meeting adjourned at approximately 8:00 A. M.

Following the meeting Tom Deimler met with Dale Griffith to discuss the matter further. Dr. Griffith made contact with Nancy M. Ramsey, Secretary to the Chief of Police of Lenoir and made telephone introduction of Council Scout Executive, Tom Deimler. Mr. Deimler then proceeded to the Police Department and after conference with Mrs. Ramsey and Chief of Police, George A. Martin certain information was released for the confidential files of the Boy Scouts of America. The original of that information is attached for the National files of the BSA and a copy for the Piedmont Council Attorney, Alan Albright.

Dear Paul:

This is in reference to your correspondence to me regarding a Scouter in the Piedmont Council by the name of Mark Bumgarner.

As you recall, you and I had several conversations on this matter, the details of which were outlined in my letter of October 4, 1978 to you.

In subsequent conversations with you, it was my understanding that the National Council recommended that Mark Bumgarner not be denied registration at this time. You stated that the Piedmont Council may desire to do so, or that we at least continue to closely observe his activities in Scouting.

Enclosed is a copy of my letter to Mark Bumgarner dated October 11, 1978 which I presented him personally during a formal conference. As you can see, his registration has been placed in a "probationary" status. I have established a series of conference meetings extending through January 1980. This will allow us the opportunity to keep the matter "open".

The situation and the action we have taken has been discussed in detail with our Council President and Council Attorney and they are in accord with what has been done. It will not be necessary for us to complete any other information with you at this time. We will keep you posted of any further developments.

Many thanks for your support and assistance.

Dear Mark:

This is in reference to an incident of July 14, 1978 at which time there was an accusation by a Scout in attendance at Camp Schiele.

Because of the nature of this accounting and the subsequent questions that result, there has been a need to thoroughly check into the situation. As of this date, many of the questions are still unanswered.

Considerable discussion regarding this has taken place between David R. LaFar, III, Piedmont Council President and Paul I. Ernst, National Director Registration and Subscription Service, Boy Scouts of America. It is our thinking that the matter cannot be fully closed at this time.

Therefore, your registration in Scouting with the Piedmont Council is of a "probationary" nature. However, you will be allowed to continue working in the Scouting Program.

In order to review the matter more fully and for the purposes of updating, there will be a time of one and a half years placed upon the probationary registration. A meeting with the Council Executive will take place at six month intervals throughout this period of time. The first of these meetings will be 8:30 A. M., Thursday, January 18, 1979. Subsequent meetings will be held during July 1979 and January 1980.

Any information deemed pertinent shall be shared by the involved individuals at that time.

Mark was accused of giving leg rubs and playing around with Scouts' penises.

The scout who came forth said Mark began rubbing his leg and worked up to his penis and proceeded to rub it for several minutes. The Scout was fully clothed throughout the experience.

Mark admitted to giving leg rubs to "people I like," but denied ever rubbing the penis, with the exception of an occasional camp.

Mark understood our position and concern and resigned under his own free will.

No other reports about Mark's activities with other Scouts were ever received.

Dear Mr. Deimler:

In order to make it a matter of record for you regarding the situation pertaining to the Scout leadership of Mark Bumgarner, I will advise you of an incident that occurred at Camp Schiele July 14, 1978.

This has been reported to you verbally, but so you have it in writing, I send this to you.

On or about midnight, Friday, the 14th of July, [REDACTED] my son, had what he described as "the worst experience in his life". Mark Bumgarner was in Camp as the "adult" leader. Several boys were around the campsite table talking and "horseing around". As Mark was talking late into the night, the Scouts from Troop 504 started to break off going to bed. [REDACTED] did not want to be rude by leaving Mark during the conversation.

Later, while talking, Mark put his hand on [REDACTED] leg - eventually sliding his hand onto [REDACTED] penis. [REDACTED] said "he had to go to bed". [REDACTED] repeated this statement trying to avoid a confrontation. Mark said that the cartilage in [REDACTED] penis was similar to his nose and that he could break it. Taking this as a direct threat, [REDACTED] again said that he had to go to bed as he was going to get up early. Mark responded in a threatening manner - that he was going to get up early to make sure that [REDACTED] got up early.

[REDACTED] stated that he heard later at Camp that other boys had a similar experience with Mark at the Horseshoe Pits and the Archery Range.

Sincerely,  
[REDACTED]

Meeting of Thomas Deimler, Council Executive with Mark F. Bumgarner

On this day Mark Bumgarner met in the Council Executive's Office in the presence of Paul Moore, Field Director. The purpose of the meeting was to give Mark an opportunity to tell his side of the story related to the accusation of a Scout at Camp Schiele referring to an incident of July 14, 1978. The following information was related by Mark Bumgarner and recorded by Thomas Deimler.

Mark stated that the Troop involved was a "Provisional Troop" under the leadership of Dennis Beaver from the Gaston District. Dennis Beaver asked permission to leave Camp on the evening of July 14 and inquired as to whether a member of the Camp Staff could take charge in his absence. Mark Bumgarner volunteered to serve as the Leader for the evening and was done so with the knowledge of Camp Director, Steve Thornburg.

He spent the early part of the evening with the Troop and at the time of the campfire, which was about dusk, the Troop of boys went to the campfire with another Scoutmaster. Mark said that this allowed him some time to complete other duties related to his camp staff assignment. Upon their return to the campsite Mark again assumed the leadership role and since he had promised to show the Troop some magic tricks said he would do so at this time. The boys built a campfire and Mark performed tricks for forty-five minutes to an hour.

He noticed this one boy appeared to be somewhat aloof from the other Scouts and appeared to be having some minor difficulties interacting with the Troop. When the magic show was completed most of the boys began to retire for the night.

Mark stated that he spent some time with the boy after that in an effort to help him become more at ease and involved with the Troop.

At this point Mark digressed to tell us an incident that happened while he was instructing on the Archery Range. It appears as though a Scout was having some real problems with archery being very tense and unable to participate in the program. Mark said that having been a football player, he recalled that a massage to the back and legs usually relaxed players and he proceeded to massage the Scout on the Archery Range. He found that this was of some help to that Scout and felt we should know he had used this technique earlier in the week.

Mark stated that since he is an emergency service technician and since he in conversation with the boy found that his father was of the medical field decided that he would have some common ground with the boy if he talked about medicine and emergency service. He proceeded to review some of the methods used in emergency first-aid.

Mark said that several of things he did included a medical check for breathing and bodily harm. Following this, Mark said that he did in fact, massage the boy's legs also in an attempt to relax him and make him more at ease.

Following this, the boy noted that it was getting quite late and also went to bed. Mark then returned to the Staff Area. He said the time was just past midnight.

It was the observation of both Paul Moore and Thomas Deimler that Mark Bumgarner appeared confident and was convincing in his story of what actually took place. He emphasized that he believes that the boy in his own mind perhaps does feel something happened beyond the massage, but was very emphatic in saying that nothing happened. Mark is aware of the proceedings of this information to be shared with the National Director of Registration of the Boy Scouts of America and that the information will also be shared with the Council President as well as ultimately with his own Troop Committee and Scoutmaster. It was also reviewed with him that the Council President will appoint a three-man Review Committee, if, in fact, we decide that he should not be allowed to continue in Scouting. Mark did not appear at all concerned about these proceedings and actually seemed to welcome the opportunity to share his information with whomever necessary in order to resolve it fully.
