SURVIVOR SIX

Sister Agnes Santomassimo, long time provincial treasurer will be retiring from her position this coming week. Sr. Agnes has faithfully served in this position for over 32 years, during which time many have come to know her as the quiet, faithful, and dedicated person who has stayed the course through six provincials (

) often working behind the scenes.

Actually, when one thinks of the Provincial Office, Sr. Agnes is the one who comes to mind first. Since 1969, she has served in the Provincial Office, first located at Columbus Community, later moving to 222 East 19th Street. We're sure there are many stories Agnes could share with us, and for sure if she wrote a book about her experiences, it might become a best-seller. However, we will never know those stories, because for Agnes the hallmark of her time of service was one of confidentiality and trustworthiness – qualities that are hard to find these days. We thank you Agnes for your dedication, patience, and diligent stewardship of the Province Resources, but most especially for the person that you are to us. You will be missed, and it will be hard to imagine the Provincial Office without your presence and your gentle ways in responding to all our requests. We congratulate you and thank you for your many contributions to the province. We know God has something great in store for you in your next call to service.
