This phase of work of the Department of the Interior (DOI) Federal Indian Boarding School Initiative has focused on further research of Federal Indian Boarding Schools (FIBS). All schools in the List of FIBS were documented with all four of the DOI FIBS criteria. Any institutions that met some, but not all four of the DOI FIBS criteria, are documented in the List of Other Institutions. This is not definitive confirmation of the FIBS determination, it only represents what has been documented as of this phase of research. Data is as of January 1, 2024.

DOI FIBS Criteria - Research to date has documented all FIBS to have met all four of the criteria.

- 1. Housing Institution ever described as providing housing or overnight lodging to attendees on site.
- 2. Education Institution ever described as providing formal academic or vocational training or instruction.

3. Federal Support – Institution ever described as having federal government funds or other support provided to the institution.

4. Timeframe - Institution operational at any time prior to 1969.

List of FIBS contains the following information:

Name - A primary name used to identify the institution.

*An asterisk on the name indicates that this is a name that is currently being used for the institution.

Other Names - Other names that the institution may have been identified by. *An asterisk on the name indicates that this is a name that is currently being used for the institution.

City - The nearest city identified that represents where the institution is physically located.

State - The state identified that represents where the institution is physically located.
