Funding Sources: Department of Social Services, Madison County, Sliding Fee Scales, Payment Plans, Medicaid, Medicare, and Insurance Plans

Additional Information: This group is part of a comprehensive program designed for individuals convicted of a sexual offense. The group teaches abuse perpetrators about why they abused their victim(s), what led to their criminal behavior, the impact of abuse on their victims, and how to avoid future sexually aggressive and criminal behavior. Its focus is on feeling empathy for the victim and developing an overall emotionally-healthy lifestyle. The group is ongoing and can accept new members at any time. A comprehensive evaluation and polygraph examination is required for entry into the program.
