SJ: Society of Jesus (Jesuits)

SOLT: Society of Our Lady of the Most Holy Trinity

SSC: Society of St. Columban (Columbans)

SSP: Society of St. Paul (Paulists)

Note:

This list does not include any claims currently under review by law enforcement or pending internal investigation. Internal investigations only commence after law enforcement has been contacted.

In addition to the names on the list below, there are:

- seven deceased priests of the Archdiocese of Omaha against whom allegations of the sexual abuse of a minor have been made posthumously. It has not been possible to substantiate those claims. This does not mean, however, that those making allegations are not credible;
- five former seminarians who were dismissed for substantiated allegations of sexual misconduct with a minor.

Some religious orders may produce their own reports.

As those are made available and if they include a religious cleric who served in the Archdiocese of Omaha, they will be linked here:

- [Society of Jesus \(Jesuits\)](#)
- [Missionary Society of St. Columban \(Columbans\)](#)

Please note that the sections below include priests who served at archdiocesan parishes. Religious priests who were not assigned in parishes are included in the links above. Originally, the sections below included the **Rev. Daniel Kenney, SJ**. However, for the sake of uniformity and since he was not assigned to an archdiocesan parish, his name can now be found in the link to the Society of Jesus above.
