FILE: FR. NEMORIO VILLA GOMEZ

Reported by ^{REDACTED}_{REDACTED} **July 2, 1993**

^{REDACTED}_{REDACTED}: Principal last two years. Says the Sisters and Fr. ^{REDACTED} know of rumors re Nemorio Villa Gomez

Fr. ^{REDACTED}: Fr. Villa Gomez was thrown out because of rumors

^{REDACTED}_{REDACTED} - knows the name of a family

^{REDACTED}_{REDACTED} - knows of the rumors

^{REDACTED} - doesn't want to talk

^{REDACTED} (former principal) "just rumors"

Fr. ^{REDACTED} would know-as he, according to the sisters, told Fr. Villa Gomez he could no longer take kids in his car

Reported by Fr. ^{REDACTED} July 12, 1993

Nemorio Villa Gomez use to take kids in his car for hamburgers when I went on vacation. I was told that the kids were seeing him in the rectory. I told the kids not to go see him there. I did not tell him--because it didn't seem serious.

When I left the parish parishioners from San Antonio came to say that Fr. Villa Gomez was taking kids on vacation, to movies, etc. Then there was a rumor: someone asking money from Fr. Villa Gomez or this person would go to the authorities.

Emmo. Sr. Cardenal
Roger Mahony.

Lo saludo desde ésta hermosa ciudad de Guadalajara, esperando que Dios -- nuestro Señor, nos lo conserve con mucha salud para siga adelante con la -- misión que El le encomendó.

Después de saludarlo paso a decirle lo siguiente: me siento muy triste, -- porque en días pasados saliendo del hospital, porque como usted sabrá, al -- menos dos veces al mes voy al mismo, debido a mi alta presión que padezco.

Cuando regresé a casa, me encontré la carta que me mandó Mons. Timothy -- Dyer, en la que me comunica que Usted no me dejaría ejercer mi Ministerio -- en los Angeles, lo cual me llena de dolor, preocupación y tristeza, y mu- -- chos más sentimientos que no puedo describirle.

Como usted sabe yo tengo 71 años de edad, de los cuales 35 los pasé traba- -- jando en dicha Arquidiócesis de los Angeles, dándole la mitad de mi vida -- Sacerdotal, de lo cual ahora solo me quedan recuerdos.

Que éste enfermedad de la Alta presión que padezco en mi corazón, no me -- permite trabajar ni viajar por aire ni por tierra, como yo quisiera, debi- -- do a que hay días que no alcanzo respiración. Cuando muy poco tiempo y -- por las noches siempre lo hago sentado en una silla porque en cama no pue- -- do hacerlo, porque siento que me ahogo. Le adjunto el certificado del -- Médico que me está atendiendo.

Le pregunta Mons. Dyer que qué facultades tengo aquí en Guadalajara; -- que si desearía algn. Ministerio en alguna parroquia. Yo le contesto -- que sí en la Parroquia de Jesús Niño que está ubicada a dos cuadras de la -- casa donde vivo. Ayudo con una Misa a las 7 de la mañana, cuando Dios -- me permite que amanezca bien y también lo hago en algunos domingos, por -- que hay veces que no puedo ni hablar, siento el cerebro muy pesado y me -- duele la cabeza.

Cuando vine de los Angeles aquí a Guadalajara, hace ya tres años, fui a -- ver al Sr. Cardenal Juan Jesús Louso cuando me encontraba en paz descendí, me -- me a sus órdenes, diciéndome que era agudete estivo y enfermo y que in- -- cluso a vivir en esta ciudad que no podía trabajar debido a mi alta pre- -- sión. Le di gusto cuando le dije que había estado en Tijuana, pero -- en Roma le había tocado verlo de nuevo. El señor Cardenal reaccionó, me di- -- jo que con las facultades que tenía de su Eminencia, podía trabajar en la -- Arquidiócesis, que le hizo a que estaba enfermo, me dijo que me desca- -- mi había en la jerarquía, no permitió tener un ambiente en calma, hasta -- el último momento, cuando se celebró la Santa Misa.

En mi familia vivo con dos hermanas viudas, una de ellas dependiente de ca- -- ridad y lo hace en silla de ruedas, la otra que tiene un problema de --

y de las cuales yo me hago cargo, pago de rentas, medicinas y de todo lo necesario para poder vivir.

Por tanto estoy apelando a su REDACTED que es la misma de mi --- Padre Jesús para rogarle que no se me quite o se me retire ni Licencia ministerial, ya que sin ella, para un servidor enfermo como estoy, sería igual a estar muerto.

Debido a mi enfermedad de alta presión, unos días amanezco bien y otros no, por tal motivo le dije al Sr. Cura de la Parroquia de Jesús Niño, que si algo pasa conmigo, me haga el favor de avisarle a su Eminencia, pues le di su número de teléfono y el de la Cancillería para que si el Señor se acuerda de mí hoy o mañana, los dé por enterados.

Por último Eminencia, le pido un favor muy grande, que si muero aquí en Guadalupe, no me dejen aquí, que lleven mi cuerpo a los Angeles, para estar junto con mis hermanos sacerdotes en el Panteón del Calvario, agradeciéndole de antemano ó de favor.

Dándole una vez más las gracias por tantos favores que he recibido de Usted y esperando de su inmensa caridad, se vean favorecidas mis humildes peticiones, me despido de Usted, su hijo y hermano en el Sacerdocio que lo Estima.

mi estimado REDACTED

Los saludo desde esta perla tapatia de Guadalajara, esperando en Dios nuestro Señor que estas Pascuas de Resurrección del Señor, haya sido de mucho provecho para Usted en toda la Arquidiócesis de los Angeles.

Por tanto le deseo que goce de una perfecta salud, ya que el que le tiene es un tesoro; estoy hablando de mí, ya que ahora me encuentro un poco enfermo. Recibí su carta en días pasados una vez que salí del Hospital, porque Usted sabe que entro y saldo del mismo.

Me dió gusto recibir la suya, pero al enterarme de su contenido, sentí mucha tristeza de lo que me dice en ella, respecto de que el REDACTED no me dejaría ejercer mi Ministerio Sacerdotal allá en los Angeles.

Esto me llena de dolor, preocupación y tristeza, como usted sabe, yo ya tengo 71 años de edad, de los cuales pasé 33 años trabajando en dicha Arquidiócesis de los Angeles. Le dió al Señor la mitad de mi vida sacerdotal, ahora solo me quedan recuerdos de California.

Con la enfermedad de alta presión que el Señor me há dado, no puedo trabajar, ni viajar por aire, ni por tierra como yo quisiera, debido a que no puedo andar mucho, ni subir ni bajar escaleras, porque siento que se me acaba la respiración. Duermo poco en las noches y siempre lo hago sentado en una silla en la cama no lo hago, porque siento que me ahogo y así paso mi vida. Le adjunto el certificado de mi Médico que me está atendiendo.

Le pregunta en su carta, que facultades tengo y que hago aquí en Guadalajara y si desempeño algún Ministerio en alguna Parroquia. Le contesto que sí, que estoy ayudando en la parroquia de Jesús Niño, ubicada a dos cuadras de mi domicilio. Ayudo los domingos con la Misa de 8 de la mañana cuando amanezco bien, sin obligación ninguna, porque hay días en que no puedo ni hablar, porque el cerebro lo siento muy pesado, me dan mareos y dolores de cabeza.

Hago de su conocimiento que cuando vine de los Angeles a vivir en Guadalajara, hace aproximadamente tres años, fui a ver al Sr. REDACTED y me puse a sus órdenes. Le hice de su conocimiento de que era un Sacerdote retirado y que estaba enfermo y que no podía trabajar mucho debido a la Alta presión. Fue el REDACTED, que en paz descanse, me dijo que con las Licencias que traía de los Angeles, podía desempeñar o ejercitar mi Ministerio y que debido a mi enfermedad, y de no poder subir ni bajar escaleras, me permitió tener en mi casa una capilla, celebrar la Santa Misa y tener el Santísimo Sacramento.

Vivo aquí en mi casa que es la suya, con dos hermanas viudas, una de ellas impedida de andar pues lo hace en silla de ruedas y la otra tiene 85 años y con ellas celebro la Santa Misa, siempre que puedo y amanezco bien, por lo que yo me hago cargo de ellas, tanto de la renta de casa, medicinas y lo necesario para vivir.

no me quitara las Licencias Ministeriales, ya que sin ellas,
para mí, enfermo y como estoy, sería igual que estar muer-
to en vida.

Debido a mi enfermedad, le dije al REDACTED

de mí, hoy, mañana o cuando el lo tenga decretado, que les no-

Por tanto un gran favor le pido a REDACTED

Guadalajara, Jalisco April 14, 1994

Dear Monsignor Timothy Dyer:

Greetings from the "Perla Tapatia" of Guadalajara, with hopes that this Easter Season has been beneficial for you and for the entire Archdiocese of Los Angeles.

I hope that you remain in good health because those who possess it, possess a treasure; I am referring to myself, as I am now a bit ill. I received your letter in days past and, once that I left the hospital--you are aware of my admission and discharge from same.

I was happy to receive your letter, but when I became aware of its contents, I was very saddened because of what you said re that the Cardinal will not let me exercise my priestly ministry there in Los Angeles.

This filled me with pain, concern and sadness, as you know, I am 71 years old, 33 of which I worked in the Archdiocese of Los Angeles. I gave the Lord half of my priestly life, and now all I have are memories of California.

Because of my illness--high blood pressure that the Lord has given me, I cannot work, travel by air or land as I would want to be able to, given the fact that I cannot be up and around much, go up or down stairs, because I feel that I am lacking oxygen. I sleep little in the evenings and always sitting up in bed, because I feel that I am choking--and that's how things are with me. I am attaching a certificate from the doctor who is taking care of me.

You asked in your letter what faculties I hold and what am I doing in Guadalajara--if I am exercising ministry in a parish. My response is "yes", I am helping out at the Infant Jesus Parish, located two blocks from my place of residence. I help on Sundays with the 8 o'clock Mass in the morning when I wake up feeling well, without any obligation on my part, because some days I cannot even talk, because my head feels very heavy, I am dizzy and I have headaches.

I want you to know that when I came to Guadalajara from Los Angeles, approximately three years ago, I went to see Cardinal Juan Jesus Posadas Ocampo, and put myself at his service. I informed him that I was a retired priest and that I was sick and would not work given my high blood pressure. Cardinal Posadas, may he rest in peace, told me that with the faculties I hold from Los Angeles, I would exercise my ministry, and that give my ill health, and that I couldn't climb stairs, he permitted me to have a small chapel in my house, to celebrate Mass and have the Blessed Sacrament.

I live here in my house, which is also yours, with two sisters who are widows, one of them is in a wheel chair and cannot walk, the other is 85 and I celebrate Mass for her, when I can and have a good morning; I am taking care of them, not only the rent on the house, but also medicines and their needs.

For these reasons I appeal to your Christian charity, which is the same as my Father Jesus, I beg you in the name of Our Lord to intercede for me with the Cardinal, so that he doesn't remove my ecclestical faculties, as without them, for me, sick as I am, it would be the same as a living death.

Because of my illness, I told the Pastor of the Parish of the Infant Jesus, would do me the favor of letting you or the Cardinal know whenever God my Father, today, tomorrow or whenever he so wills, to notify you of my death; I'm not afraid and I am ready and prepared whenever He calls me to accountability.

I am asking you and the Cardinal a big favor--if I die here in Guadalajara, please don't leave me here, but take me to Los Angeles and bury me in Calvary cemetery, with my brother priests with whom I lived for many years.

MEMORANDUM

CONFIDENTIAL

April 30, 1994

TO: Cardinal Mahony
FROM: Father Timothy Dyer
RE: Fr. Nemorio Villa Gomez

Late last year I received reports from the Sisters at San Antonio de Padua that there were strong rumors about Fr. Villa Gomez' involvement with children a number of years before he left the Archdiocese. I checked with Fr. REDACTED, who was pastor in those years, and he confirmed that there had been rumors. I was not able to get to their source -- as the Sisters were hesitant to give me names and information. In the end, I told them that should Fr. Villa Gomez apply for summer faculties, I would insist on their cooperation. I then wrote to Fr. Villa Gomez and advised him that faculties could not be extended to him this summer until he meet with me to discuss serious matters that had been brought to my attention.

yes!

I have also received a letter from Fr. Villa Gomez and will be happy to respond to him myself, if you wish.

Querido Padre Villa:

Obra en mi poder su carta del 14 de abril así como una copia de su carta a el Cardenal Mahony, y él me ha pedido dé contestación a su misiva.

Desde la última vez que visitó la Arquidiócesis, las Hermanas de la Parroquia de San Antonio de Padua me han informado que algunas familias se han quejado acerca de su comportamiento hacia sus hijos durante los años que usted estuvo en esa parroquia como párroco asociado.

Verifiqué con el Padre REDACTED quien me confirmó el hecho de que ha habido rumores con respecto a su comportamiento con menores.

De ninguna manera deseo acusarlo de mala conducta, especialmente desde que yo no he tomado testimonio de las familias involucradas.

Aunque con alguna renuencia, las Hermanas han manifestado su buena voluntad de hablar conmigo acerca de estos asuntos y de darme los nombres de las familias con las cuales pueda hablar. Es por esta razón que he pedido que regrese a Los Angeles a fin de poder informarlo personalmente de los reportes que me han comunicado.

Nuestra suspensión de sus facultades, aunque no son formales en el sentido del proceso canónico, simplemente estarían establecidas hasta que cualquier alegación fuese comprobada falsa. Le daría todas las oportunidades de hacerlo, y lo recibiría con agrado en ésta para que podamos aclarar la situación.

Estaré fuera del 1º de julio a el 7 de agosto; por lo consiguiente, me gustaría saber lo más pronto posible cuándo piensa venir acá. Puede llamar a mi oficina

A través de REDACTED REDACTED , recibí su petición para una carta de la Arquidiócesis para que usted pueda renovar sus facultades en Guadalajara.

Siento informarle que solamente puedo darle la misma respuesta que Monseñor Dyer le dio en su carta del 23 de mayo de 1994. Dear Father Villa Gomez,

Through ^{REDACTED} ^{DACTED}, I received your request for a letter from the Archdiocese so that you can renew your faculties in Guadalajara.

I am sorry to say that I can only give you the same answer that Msgr. Dyer gave you in his letter of May 23, 1994. As long as there are unanswered allegations of misconduct with minors, we cannot reinstate your faculties. We do not accuse you of wrongdoing, but our suspension of your faculties, while not formal in the sense of the canonical process, will remain in place until such time as any allegations are proven false.

For this reason, I repeat Msgr. Dyer's invitation to you to return to Los Angeles. You will be given every opportunity to show these allegations to be false.

Estimado Monseñor:

Con mis mejores deseos de que D. N. S., conceda a usted su bienestar personal, me permito dar contestación a su atenta de 29 de enero pasado y hacer de su conocimiento lo siguiente:

Con relación a la invitación que me hace para ir a Los Angeles, para tratar el asunto pendiente y, por el cual usted me indica que por ello, no se pueden renovar las facultades para celebrar en Guadalajara, digo a usted, que ello, en éste momento, es materialmente imposible, debido a mis condiciones precarias de mi salud.

Como es de su conocimiento, he venido padeciendo de hipertensión arterial, la cual en varias ocasiones me ha obligado a estar internado y al uso de un marcapaso externo para controlarla, junto con unaprostatitis, que requiere de una pronta intervención quirúrgica y de artritis en ambas rodillas.

El médico que me atiende y en respuesta a una interrogante, me recomienda, que hacer un viaje en mis condiciones, podría provocar una crisis que redundaría en perjuicio de mi escasa salud.

En virtud de lo anterior, me estoy permitiendo solicitarle, si tiene a bien así considerarlo, la posibilidad de que se mandara un interrogatorio ó formulario al Arzobispo de Guadalajara, para que ante él ó alguno de sus Obispos Auxiliares, bajo juramento diera contestación al mismo, dando mis alegaciones para así cumplir con lo que Usted requiere y se me dé la oportunidad de probar que lo que se me imputa es falso.

Espero de su Señoría, su comprensión, respecto de los motivos que me impiden estar en esa y de que se acceda a mi petición de poder hacer mis alegaciones aquí en Guadalajara y, mientras tanto no se me impida el uso de mis facultades para celebrar, tomando en cuenta de que como usted mismo lo dice, mi suspensión, no es formal en el sentido del derecho Canónico.

Dear Father Villa Gomez:

I have received your letter of April 14, as well as a copy of your letter to the Cardinal, and he has asked me to respond.

Since your last visit to the Archdiocese, it has come to my attention by way of the Sisters at St. Anthony of Padua Parish, that some families have complained about your behavior with their children during your years as an Associate Pastor in that parish.

I checked with Father REDACTED , who confirmed the fact that there had been rumors regarding your behavior with minors.

I do not in any way wish to accuse you of misconduct, particularly since I have not yet taken testimony from the families involved.

The Sisters have indicated, although with some reluctance, their willingness to speak to me about these matters and to give me the names of families with whom I could speak. It is for that reason I have asked that you return to Los Angeles--in order to be personally informed of the reports I have been given.

Our suspension of your faculties, while not formal in the sense of the canonical process, would simply be in place until such time as any allegations could be proven false. I would give you every opportunity to do that and would welcome your return here so that we can clear up this matter.

I will be away from July 1 through August 7, and therefore I would like to know as soon as possible when you might be thinking of coming here. You may call my office to inform me or communicate with me in writing as soon as possible.

Sincerely yours in Christ,
(Rev. Msgr.) Timothy J. Dyer

Dear Father Villa Gomez:

I have received your letter of April 14, as well as a copy of your letter to the Cardinal, and he has asked me to respond.

Since your last visit to the Archdiocese, it has come to my attention by way of the Sisters at St. Anthony of Padua Parish, that some families have complained about your behavior with their children during your years as an Associate Pastor in that parish.

I checked with Father REDACTED, who confirmed the fact that there had been rumors regarding your behavior with minors.

I do not in any way wish to accuse you of misconduct, particularly since I have not yet taken testimony from the families involved.

The Sisters have indicated, although with some reluctance, their willingness to speak to me about these matters and to give me the names of families with whom I could speak. It is for that reason I have asked that you return to Los Angeles--in order to be personally informed of the reports I have been given.

Our suspension of your faculties, while not formal in the sense of the canonical process, would simply be in place until such time as any allegations could be proven false. I would give you every opportunity to do that and would welcome your return here so that we can clear up this matter.

I will be away from July 1 through August 7, and therefore I would like to know as soon as possible when you might be thinking of coming here. You may call my office to inform me or communicate with me in writing as soon as possible.

Sincerely yours in Christ,
(Rev. Msgr.) Timothy J. Dyer

RE: Reverend Nemorio (Guillermo) Villa-Gomez

DATE: 25 April 2002

On April 22, we received a phone call from REDACTED indicating that Bishop Steinbock had recommended he call.

I phoned back and he indicated to me that REDACTED had been abused by a Father Guillermo Gomez when he was assigned at Resurrection Parish in the mid 1960's. I found no entry in our database for such a priest. I promised to check into hit, and asked him to encourage his brother REDACTED to phone the hotline. He said he would encourage his brother, but indicated he was not sure REDACTED was willing to do this. REDACTED added that Father Gomez did hug him and blow into his ear while doing so, and touched him (on clothing) down near his genitals on one occasion. He did not see this as abuse, and indicated that what happened with REDACTED was more than this. Again, I encouraged him to have REDACTED call.

I placed a call to Bishop Steinbock. He confirmed that he had recommended REDACTED call and that this priest was assigned at Resurrection. Bishop Steinbock explained, however, that the priest went by Guillermo, but his name was Nemorio. He also suggested looking him up under the name of Villa. I did so and discovered that this priest had been at Resurrection during that period.

He has been out of active ministry since July of 1990, living in Mexico in retirement.

There is a C-File on Father Villa-Gomez. This speaks of "rumors" and "complaints" about his conduct with children. There are no specifics. Because of these reports, he was informed he has no faculties and invited to return here to Los Angeles in order for the charges to be properly investigated. He never did so. Hence, he has no faculties in retirement. There is correspondence with the Archdiocese of Guadalajara indicating that Father Villa-Gomez has no faculties and should not exercise ministry.

He is still living and receiving his pension. The most recent reports in his file date back to 1996. He had health problems at that time.

Attached is a 2002 document from Father Villa's c-file.

We have recently discovered that Father Villa has returned to the Archdiocese of Los Angeles and is living with his nephew.

Subsequent to this 2002 document, another allegation was received in 2008. At that time it was believed that Father Villa was living in Guadalajara and a letter was sent to the Cardinal Archbishop of Guadalajara notifying him of the allegation. No response was ever received from the 2008 letter.

REDACTED has visited him this month and reports:

Fr. Nemorio has several health complications: he has fallen 3 or 4 times and fractured his left leg every time (when he was recovering from the first fall, he fell again and again.. hurting the same leg). He uses a wheelchair and has to wear an especial support to walk a few steps. He has heart problems, high blood... he takes several medications.

Dear Father Villa Gomez:

We have recently discovered that you have returned to Southern California and are living in Upland. I would like to remind you that while retired, you have NO faculties to function publicly as a priest.

We received allegations in 1993 of misconduct dating to 1978-79. Rather than deal with those allegations, you retired and moved to Mexico. You were requested to return to Los Angeles in 1994 and 1996 for investigation of these allegations.

Subsequently a report was received in 2002 and another allegation was received in 2008, both regarding conduct with minors in the 1960's and 70's.

With your return to the United States, it is necessary to inform you of the details of the allegations against you and give you the opportunity to respond, should you wish. I will arrange for one of our canonical investigators to meet with you to explain the allegations we have received and to explain your options. I do understand that your health is not good and you are very limited in your activities. In the meantime, I ask your written assurance that you understand that you may not function publicly as a priest and you will not present yourself publicly as a priest.

I trust that you understand the seriousness of the restrictions placed upon you and that you will abide by these restrictions until they have been resolved by the Archdiocese.

Sincerely in the Lord,
Michael Meyers
